Item 1.01 Entry into a Material Definitive Agreement.

As previously disclosed, in April 2016, FuelCell Energy, Inc. (the “Company”) entered into a loan and security agreement (the “Loan and Security Agreement”) with Hercules Capital, Inc. (“Hercules”) pursuant to which an aggregate principal amount of \$20.0 million was advanced to the Company, subject to certain terms and conditions. On March 28, 2018, the Company and Hercules entered into an amendment to the Loan and Security Agreement (the “Amendment”). Upon the execution of the Amendment, the Company drew a term loan advance of \$13.1 million. The aggregate amount of outstanding term loan advances, which includes the amount outstanding under the original agreement of \$11.9 million, is now \$25.0 million. The term loan maturity date is now either April 1, 2020 or October 1, 2020, contingent upon the Company achieving certain performance milestones. Payments are interest-only for an initial 12-month period, followed by equal monthly installments of principal and interest until the term loan maturity date. The interest-only period may be extended for a term of up to 21 months contingent upon the Company achieving certain performance milestones.

The facility under the Loan and Security Agreement bears interest at a rate of 9.9% per annum, subject to the variability of the prime interest rate. The Company may prepay all, but not less than all, of the outstanding loan advances by paying the entire principal balance and all accrued and unpaid interest thereon, together with a prepayment charge of 1.00% - 2.00% depending on when in the term such payment is made. The loan contains an end of term charge equal to an aggregate of \$0.875 million. In conjunction with the refinancing, the Company paid commitment, diligence and legal fees of \$0.3 million to Hercules.

At all times following the effective date of the Amendment, the Company is required to maintain an unrestricted cash balance of at least (a) 75% of the outstanding loan balance plus (b) the amount of accounts payable not paid within 90 days of the date payment was issued.

The foregoing summary of the terms of the Amendment is qualified in its entirety by reference to the full text of the Amendment, a copy of which is attached as Exhibit 10.1 to this Report and incorporated herein by reference.

Item 8.01 Other Events

On April 2, 2018, the Company issued a press release announcing the Amendment, a copy of which is attached as Exhibit 99.1 to this Current Report and incorporated herein by reference.
