Item 1.01 Entry into a Material Definitive Agreement.

The information disclosed under Item 3.02 of this Current Report is incorporated herein by reference.

Item 3.02 Unregistered Sales of Securities

On April 1, 2019, Instructure, Inc. (the “Company”) entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Slick Rock Panda, Inc., a wholly owned subsidiary of the Company (“Merger Sub”), MasteryConnect, Inc. (“MasteryConnect”) and Stockholder Representative Services LLC, as Stockholders’ Agent. Pursuant to the Merger Agreement, Merger Sub will merge with and into MasteryConnect (the “Merger”), with MasteryConnect continuing as the surviving entity and a wholly owned subsidiary of the Company.

The aggregate amount payable by the Company under the Merger Agreement is approximately \$42.5 million. Approximately \$12.3 million of the merger consideration will be paid in shares of the Company’s common stock (the “Stock Consideration”), with the actual number of such shares to be issued determined as the quotient obtained by dividing \$12.3 million by the average closing price of the Company’s common stock on the New York Stock Exchange during the 10 calendar day trading period ending on the last trading day ending immediately prior to the effectiveness of the Merger. A portion of the merger consideration will be held in an escrow fund for the purposes of satisfying certain indemnification obligations of the equity holders of MasteryConnect during the twelve-month period following the closing.

The issuance of the Stock Consideration upon the closing of the Merger is expected to be made in reliance on the exemption afforded by Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”), and Rule 506 of Regulation D promulgated under the Securities Act.

The Merger is subject to customary closing conditions, including, among other things, approval of the Merger by the holders of the outstanding capital stock of MasteryConnect. The Merger Agreement contains representations, warranties, covenants and indemnities by the parties customary for transactions of this type. The Merger Agreement may be terminated under certain circumstances, including if the required approval of the Merger by the holders of the outstanding capital stock of MasteryConnect is not obtained.

Readers are cautioned not to place undue reliance on the forward-looking statements, which speak only as of the date on which they are made and reflect management’s current estimates, projections, expectations and beliefs. The Company undertakes no obligation to publicly revise or update the forward-looking statements to reflect events or circumstances that arise after the date of this report.
