OCWEN FINANCIAL CORPORATION

PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

General Information

This proxy statement is being furnished to you in connection with the solicitation of proxies by the Board of Directors of Ocwen Financial Corporation (“Ocwen” or the “Company”) for use at our 2015 Annual Meeting of Shareholders (the “Annual Meeting”) and at any postponement or adjournment of this meeting. The approximate date on which this proxy statement, the proxy card and other accompanying materials are first being sent or given to shareholders is May 12, 2015. The Annual Meeting will be held at the Embassy Suites Hotel located at 1601 Belvedere Road, West Palm Beach, Florida 33406, on Tuesday, June 2, 2015, at 9:00 a.m., Eastern Daylight Time for the purposes listed in the Notice of Annual Meeting of Shareholders. If you are interested in attending the meeting and voting in person, please see “Annual Meeting Admission” below for further details.

How a Proxy Works

The Board of Directors has appointed Ronald M. Faris, President and Chief Executive Officer, Timothy M. Hayes, Executive Vice President, General Counsel and Secretary, and Michael J. Stanton, Senior Vice President and Deputy General Counsel, as the management proxy holders for the Annual Meeting. If you properly complete, sign and return your proxy card by mail, or submit your proxy by Internet or telephone, and do not revoke it prior to its use, your shares will be voted in accordance with your instructions. If you do not give contrary instructions, the management proxy holders will vote all shares represented by valid proxies as follows:

• Proposal One (Election of Directors) - “FOR ALL” of the nominees for Director;

• Proposal Two (Advisory Ratification of Appointment of Independent Registered Public Accounting Firm) - “FOR” ratification, on an advisory basis, of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2015;

• Proposal Three (Advisory Resolution on Named Executive Officer Compensation) - “FOR” approval, on an advisory basis, of the compensation of Ocwen’s executive officers whose compensation is disclosed in this proxy statement (“named executive officers”)(“Say-on-Pay”); and

• with regard to any other business that properly comes before the meeting in accordance with the best judgment of the management proxy holders.

How to Revoke a Proxy

Your proxy may be used only at the Annual Meeting and any postponement or adjournment of this meeting and may not be used for any other meeting. You have the power to revoke your proxy at any time before it is exercised by:

• filing written notice with our Secretary at the following address:

Timothy M. Hayes, Secretary
c/o Ocwen Financial Corporation
1661 Worthington Road, Suite 100

West Palm Beach, Florida 33409

submitting a properly executed proxy bearing a later date, or
appearing at the Annual Meeting and giving the Secretary notice of your intention to vote in person.

Who May Vote

You are entitled to vote at the Annual Meeting or any postponement or adjournment of this meeting if you are a holder of record of our common stock at the close of business on March 27, 2015. At the close of business on March 27, 2015, there were

2

125,302,788 shares of common stock issued and outstanding. On all matters properly presented at the Annual Meeting, each share of our common stock is entitled to one vote.

How to Vote

All shareholders are cordially invited to attend the 2015 Annual Meeting. If you are a shareholder of record, we encourage you to fill in, date and sign the enclosed proxy card and mail it promptly in the enclosed envelope to make sure that your shares are represented at the Annual Meeting. Shareholders of record also have the option of voting by using a toll-free telephone number or via the Internet. Instructions for using these services are included on the proxy card. If you attend the Annual Meeting in person, you may, if you desire, revoke your proxy in accordance with the procedures described in this Proxy Statement and vote your shares in person.

How to Give Voting Instructions if you are a Beneficial Owner

If you are a beneficial owner of shares of our common stock held in “street name” by a bank, broker or other nominee, you are considered the beneficial owner of the shares, and your shares may be voted at the Annual Meeting only by the bank, broker or other nominee that holds your shares. To instruct how your shares are to be voted at the Annual Meeting, you will need to follow the instructions provided by the bank, broker or other nominee that holds your shares. Many banks, brokers and other nominees offer the option of submitting voting instructions over the Internet or by telephone. You may also have the option of attending the meeting and voting in person at the Annual Meeting but only if you obtain and present at the Annual Meeting a legal proxy from the broker, bank or other nominee that holds your shares giving you the right to vote the shares in person at the meeting. Please contact your bank, broker or other nominee for further information.

If you hold your shares in street name through a brokerage account and you do not submit instructions to your broker about how your shares are to be voted, one of two things can happen depending on the type of proposal. If the proposal involves a “routine” matter, such as ratification of the appointment of the independent registered public accounting firm, then the rules of the New York Stock Exchange provide brokers discretionary power to vote your shares. If, however, the proposal involves a “non-routine” matter, then brokers are not permitted to vote your shares without instruction from you. “Non-routine” matters include, for example, proposals to elect directors or vote on executive compensation proposals. If you do not submit voting instructions to your broker and your broker exercises its discretion to vote your shares on Proposal Two to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2015, your shares will constitute broker “non-votes” on each of the other proposals at the Annual Meeting. It is therefore important that you provide instructions to your broker if your shares are held by a broker so that your votes with respect to election of directors, executive compensation and any other “non-routine” matters are counted.

Quorum and Voting Information

The presence at the Annual Meeting of a majority of the votes of our common stock entitled to be cast, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting.

Assuming a quorum, the eight nominees for director receiving a plurality of the votes cast for director will be elected as directors of Ocwen. You may vote in favor of or withhold authority to vote for one or more nominees for director. Any other matter properly submitted for your consideration at the Annual Meeting will be approved if the votes cast in favor of the action exceed the votes cast opposing the action. Because Proposal Two to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2015 and Proposal Three to approve the Say-on-Pay are advisory in nature, there is no specific requirement for approval for these proposals. It will be up to the Audit Committee or the Compensation Committee, respectively, and the Board of Directors to determine

whether and how to implement the advisory votes on the ratification of the appointment of our independent registered public accounting firm and Say-on-Pay.

Abstentions will not be counted in determining the votes cast in connection with the foregoing matters. If any broker “non-votes” occur at the meeting with respect to your shares, the broker “non-votes” will count for purposes of determining whether a quorum is present but will not be counted in determining the outcome of any proposals presented for your vote.

Annual Meeting Admission

For directions to be able to attend the Annual Meeting and vote in person, please contact us at shareholderrelations@ocwen.com. If you wish to attend the Annual Meeting in person, you must notify us no less than seven days in advance at shareholderrelations@ocwen.com so that we can make appropriate arrangements to accommodate attendees. You must also present a form of government-issued personal identification (e.g., driver’s license or passport) and proof of

ownership as of the record date to be admitted to the Annual Meeting. If you are a beneficial owner of shares that are held of record by a bank, brokerage firm or other holder of record, a recent brokerage statement or a letter from your bank, brokerage firm or other holder of record are examples of proof of ownership. Only holders of record will be permitted to vote at the meeting. No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted in the meeting.

ELECTION OF DIRECTORS

(Proposal One)

Our Bylaws provide that our Board of Directors shall consist of no less than three and no more than eight members with the exact number to be fixed by our Board of Directors. Effective as of May 11, 2015, our Board of Directors fixed the number of directors at eight. Directors are elected annually and hold office until the earlier of the election and qualification of their successors or their resignation and removal.

We are proposing the eight nominees listed below for election as directors at the Annual Meeting. All nominees currently serve as our directors. Ms. Caldwell and Dr. Soaries were appointed pursuant to our previously disclosed consent order and settlement with the New York Department of Financial Services, effective as of December 19, 2014, which required us to add two independent directors to the Board of Directors. There are no arrangements or understandings between any nominee and any other person for selection as a nominee.

Each of the nominees listed below has consented to being named in this proxy statement and to serving as a director, if elected. If any nominee is unable or for good cause will not stand for election at the time of the Annual Meeting, the person or persons appointed as proxies will nominate and vote for a replacement nominee recommended by our Board of Directors. At this time, our Board of Directors knows of no reason why any of the nominees would not be able or willing to serve as a director if elected.

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
THAT YOU VOTE “FOR ALL” OF THE NOMINEES FOR DIRECTOR.**

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Board, Committee and Annual Meeting Attendance

The Board of Directors plays an active role in overseeing management and representing the interests of the shareholders. To fulfill this role, directors are expected to attend all Board meetings, the meetings of the committees on which they serve and the Annual Meeting of Shareholders. Directors are also consulted for advice and counsel between formal meetings.

Our Board of Directors held seventeen meetings and acted by unanimous written consent one time in 2014. Each incumbent director attended at least 75% of the aggregate of these meetings and all meetings held by all committees of our Board of Directors on which he or she served during 2014. Our 2014 Annual Meeting of Shareholders was attended by all directors in office on the date thereof.

Independence of Directors

Our Corporate Governance Guidelines provide that a majority of our Board of Directors must be independent in accordance with the listing standards of the New York Stock Exchange.

Our Nomination/Governance Committee and the Board of Directors review upon appointment and annually the direct and indirect relationships that each director has with Ocwen based in part on responses provided by our directors to a questionnaire that incorporates the independence standards established by the New York Stock Exchange. Only those directors who satisfy the independence standards and who are determined by our Board of Directors to have no material relationship with Ocwen (either directly or as a partner, shareholder or officer of an organization that has a relationship with Ocwen) are considered independent. Following the Nomination/Governance Committee's review and findings, the Nomination/Governance Committee and our Board of Directors has determined that each of Ms. Caldwell and Messrs. Bowers, Korn, Lacy, Salcetti, Soaries and Wish are independent directors. Our Board of Directors also previously determined that Wilbur R. Ross, Jr., who resigned as a director on our Board of Directors in November 2014, was an independent director during the period he served on our Board of Directors

Board Leadership Structure

Our Board of Directors does not believe that it is in the best interests of the Company and our shareholders to mandate the separation of the offices of Chairman of the Board of Directors and Chief Executive Officer. Rather, our Board of Directors retains the discretion to make determinations on this matter from time to time as may be in the best interests of the Company and our shareholders. The Board of Directors currently believes that separating the positions of Chief Executive Officer and Chairman is the best structure to fit the Company's needs. As our President and Chief Executive Officer, Mr. Faris is responsible for our day-to-day operations and for formulating and executing our long-term strategies in collaboration with the Board of Directors. As Chairman of the Board, Mr. Wish leads the Board of Directors and oversees Board meetings and the delivery of information necessary for the Board's informed decision-making

Committees of the Board of Directors

Our Board of Directors has established the following standing committees: an Executive Committee, an Audit Committee, a Compensation Committee, a Compliance Committee, an Independent Review Committee and a Nomination/Governance Committee. A brief description of these committees is provided below.

Audit Committee. The Audit Committee of our Board of Directors oversees the relationship with our independent registered public accounting firm, reviews and advises our Board of Directors with respect to matters involving accounting, auditing, financial reporting and internal control, among other things. Audit Committee oversight also includes the evaluation of significant matters relating to the financial reporting process and our system of internal accounting controls. Additionally, the Audit Committee reviews the scope and results of the annual audit conducted by the independent registered public accounting firm.

The current members of the Audit Committee are Messrs. Korn (Chairman), Salcetti and Wish. Each member of our Audit Committee (i) is independent as independence for audit committee members is defined in the listing standards of the New York Stock Exchange and applicable rules of the Securities and Exchange Commission, (ii) is financially literate, (iii) possesses accounting or related financial management expertise within the meaning of the listing standards of the New York Stock

Exchange and (iv) qualifies as an audit committee financial expert, as such term is defined in the applicable rules of the Securities and Exchange Commission.

Our Audit Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.ocwen.com. The Audit Committee reviews its charter annually and, when necessary, recommends amendments to the Board of Directors for approval. This Committee met fourteen times in 2014.

Compensation Committee. The Compensation Committee of our Board of Directors oversees our compensation and employee benefit plans and practices. Our Compensation Committee also evaluates and makes recommendations to our Board of Directors for human resource and compensation matters relating to our executive officers. The Compensation Committee reviews with the Chairman and subsequently approves all executive compensation plans, any executive severance or termination arrangements and any equity compensation plans that are not subject to shareholder approval. The Compensation Committee also reviews and approves corporate goals and objectives relevant to the compensation of our executive officers, including the President and Chief Executive Officer (and, during 2014, the former Executive Chairman), evaluates our executive officers' performance in light of those goals and objectives and approves our executive officers' compensation based on their evaluations. The Compensation Committee is also empowered to review our other compensation plans including the goals and objectives thereof and to recommend changes to these plans to our Board of Directors as well as to administer grants under the 2007 Equity Incentive Plan. The Compensation Committee has the authority to, at the Company's expense, retain compensation consultants, independent counsel or other advisers as it deems necessary in connection with its responsibilities. The Compensation Committee may request that any of our Directors, officers or employees, or other persons attend its meetings to provide advice, counsel or pertinent information as the Committee requests. The Compensation Committee may form and delegate authority to subcommittees when it deems it to be appropriate. The role of the Compensation Committee and our processes and procedures for the consideration and determination of executive and director compensation are described in more detail below under "Board of Directors Compensation" and "Compensation Discussion and Analysis," respectively.

The current members of the Compensation Committee are Messrs. Lacy (Chairman), Korn and Soaries. Each of these directors is independent as independence for compensation committee members is defined in the listing standards of the New York Stock Exchange. In addition, each member of the Compensation Committee also qualifies as a "non-employee" director as defined in Rule 16b-3 of the Securities and Exchange Commission and as an "outside" director within the meaning of Section 162(m) of the Internal Revenue Code (the "Code").

Our Compensation Committee operates under a written charter approved by our Board of Directors a copy of which is available on our website at www.ocwen.com. Director Nomination Process

The Nomination/Governance Committee regularly assesses the appropriate size of the Board of Directors and whether any vacancies on the Board of Directors are anticipated. Various potential candidates for Director are then identified. Candidates may come to the attention of the Nomination/Governance Committee through current Board of Directors members, professional search firms, shareholders or industry sources.

It is the policy of our Nomination/Governance Committee to consider candidates for Director recommended by you, our shareholders, but the Nomination/Governance Committee has no obligation to recommend such candidates. In evaluating all nominees for Director, our Nomination/Governance Committee takes into account the applicable requirements for Directors under the Securities Exchange Act of 1934, as amended, and the listing standards of the New York Stock Exchange. In addition, our Nomination/Governance Committee takes into account our best interests, as well as such factors as experience, knowledge, skills, expertise, integrity, diversity, ability to make independent analytical inquiries, understanding of the Company's business environment and willingness and ability to devote adequate time and effort to Board responsibilities and the interplay of the candidate's experience with the background

of other members of our Board of Directors. We generally require that directors who have attained the age of 78 will not be nominated, although this requirement may be waived in particular cases in the discretion of the Board of Directors. We also consider the number of other boards on which a nominee sits, but we do not have a policy limiting the number of other public company boards upon which a Director may sit because we believe that an arbitrary limit could deprive our Board of Directors of valuable candidates whose contributions would enhance our Board of Directors and benefit the Company and our shareholders. Instead, our Nomination/Governance Committee evaluates all of the factors outlined above, including willingness and ability to devote adequate time and effort to Board responsibilities, and recommends candidates that it believes will enhance our Board of Directors and benefit the Company and our shareholders. A copy of our corporate governance guidelines is available on our web site at www.ocwen.com

Pursuant to the Company's Diversity Policy, the Nomination/Governance Committee considers diversity when it recommends Director nominees to the Board of Directors viewing diversity in an expansive way to include differences in prior work experience, viewpoint, education and skill set. In particular, the Nomination/Governance Committee considers diversity in professional experience, skills, expertise, training, broad-based business knowledge and understanding of the Company's

business environment when recommending Director nominees to the Board of Directors with the objective of achieving a Board with diverse business and educational backgrounds. Board members should have individual backgrounds that, when combined, provide a portfolio of experience and knowledge that will serve the Company's governance and strategic needs. The Nomination/Governance Committee reviews the skills and attributes of Board members within the context of the current make-up of the full Board of Directors from time to time as appropriate. The Nomination/Governance Committee does not discriminate against candidates for the Board of Directors based on race, color, religion, sex, sexual orientation or national origin

In evaluating a particular candidate, the Nomination/Governance Committee will consider factors other than the candidate's qualifications including the current composition of the Board of Directors, the balance of management and independent Directors, the need for Audit Committee and other expertise and the evaluations of other prospective nominees. In connection with this evaluation, the Nomination/Governance Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Nomination/Governance Committee, and others as appropriate, interview prospective nominees. After completing this evaluation and interview, the Nomination/Governance Committee makes a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors. The Board of Directors determines the nominees after considering the recommendation and report of the Nomination/Governance Committee. Should you recommend a candidate for Director, our Nomination/Governance Committee would evaluate such candidate in the same manner that it evaluates any other nominee. To date, no shareholder or group of shareholders owning more than 5% of our common stock has put forth any Director nominees.

If you wish to recommend persons for consideration by our Nomination/Governance Committee as nominees for election to our Board of Directors, you can do so by writing to our Secretary at Ocwen Financial Corporation, 1661 Worthington Road, Suite 100, West Palm Beach, Florida 33409. You should provide each proposed nominee's name, biographical data and qualifications, as well as a detailed explanation as to why such proposed nominee should be a director. Your recommendation should also include a written statement from the proposed nominee consenting to be named as a nominee and, if nominated and elected, to serve as a Director. Shareholders who desire to recommend director candidates for consideration by our Board of Directors in connection with the next annual meeting of shareholders should submit their written recommendation no later than January 1 of the year of that meeting

Risk Management and Oversight Process

Our Board of Directors and each of its Committees are actively involved in overseeing risk associated with the Company. The Board of Directors and the Audit Committee monitor the Company's financial risks through regular oversight of the Company's financial activities with management and internal and external auditors. In its periodic meetings with the internal auditors and the independent accountants, the Audit Committee discusses and approves the annual audit plan and includes management in its review of accounting and financial controls, assessment of business risks and legal and ethical compliance programs. The Board of Directors and the Nomination/Governance Committee monitor the Company's governance and succession risk by regular review with management. The Board of Directors and the Compensation Committee monitor the Company's compensation policies and related risks by regular reviews with management. The Board of Directors and the Compliance Committee monitor the Company's regulatory compliance, operational risks and other related risks by regular reviews with management. The Independent Review Committee reviews and approves related party transactions. The Chief Risk Officer provides a quarterly report to the Board of Directors addressing key risk issues. The Chief Risk Officer also presents the Risk Appetite report setting forth risk and performance metrics along with information necessary to allow the Board of Directors to determine whether risks are within acceptable levels. If the Board of Directors determines that any risk metric is not within acceptable levels, it will request an action plan to be provided by management. The Board of Directors' role in risk oversight is consistent with the Company's leadership structure with the President and Chief Executive Officer and other members of senior management, including our Chief Risk Officer and our Chief Compliance Officer, having responsibility for assessing and managing the Company's risk exposure, and the Board of Directors and its Committees providing oversight in connection with these efforts.

Amounts reported for stock awards represent the aggregate grant date fair value of awards granted during fiscal 2014 under the 1996 Stock Plan for Directors, computed in accordance with Financial Accounting Standards Board (1) (“FASB”) Accounting Standards Codification (“ASC”) Topic 718. We based the grant date fair value of stock awards on the average of the high and low sales prices of our common stock on the New York Stock Exchange on the date of grant of the awards.

On May 14, 2014, the directors received the following equity awards, each having a grant date fair value of \$60,000, for their service for the 2014-2015 term: Messrs. Korn, Lacy, Ross, Salcetti, and Wish each received 1,794 restricted shares of common stock. In addition, Ms. Caldwell and Dr. Soaries, who were each appointed as (2) members of our Board of Directors on January 20, 2015, received 2,373 restricted shares of common stock and 2,373 restricted share units respectively, on May 8, 2015, for their service effective from their date of appointment through the unexpired portion of the 2014-2015 term. Dr. Soaries received restricted share units as a result of his election to defer receipt of his equity compensation pursuant to the Deferral Plan for Directors discussed below.

The aggregate number of stock awards outstanding for each of our non-management directors at December 31, 2014 was as follows: (a) Mr. Korn held 1,794 unvested restricted shares of our common stock; (b) Mr. Lacy held 1,794 unvested restricted shares of our common stock and 28,254 restricted share units (as a result of Mr. Lacy’s (3) deferral of equity awards pursuant to the Deferral Plan for Directors discussed below); (c) Mr. Ross held 1,794 unvested shares of our common stock; (d) Mr. Salcetti held 1,794 unvested shares of our common stock; and (e) Mr. Wish held 1,794 unvested shares of our common stock. Mr. Ross resigned from our Board of Directors effective November 20, 2014 as a result of his election as Vice (4) Chairman of Bank of Cyprus and the requirements of certain European regulations which limit directorships of bank officers.
31, 2013.

Standard Compensation Arrangements for Non-Management Directors

The Compensation Committee has the responsibility for recommending to the Board of Directors the form and amount of compensation for directors. Our management directors do not receive an annual retainer or any other compensation for their service on the Board of Directors. Effective as of June 2014, non-management directors receive the following compensation for their services on the Board of Directors.

Cash Compensation

Effective as of June 6, 2014, and with respect to the Special Litigation Committee, as of the date of its creation, we provide the following annual cash compensation to our non-management directors in quarterly installments:

- a retainer of \$60,000;
- an additional \$20,000 to the Audit Committee and Special Litigation Committee Chairs;
- an additional \$15,000 to all Committee Chairs (other than the Audit Committee and Special Litigation Committee Chairs); and

an additional \$12,500 to all Audit Committee and Special Litigation Committee members (other than the Chairs).

Equity Compensation

We provide our non-management directors an annual award of restricted shares of common stock for their service on our Board of Directors from the date of their election to the date of our next annual meeting of shareholders, pursuant to our 1996 Stock Plan for Directors. The restricted shares are granted automatically each year following the annual meeting of shareholders to each non-management director who is elected to the Board of Directors. In June 2014, our Compensation Committee approved, and our Board of Directors ratified, the grant date value of the annual equity compensation for non-management directors at \$80,000, effective as of the date of the meeting of the Board of Directors following the Company's 2015 annual meeting. The number of shares of common stock to be awarded is determined based on the average of the high and low prices of a share of common stock as reported on the New York Stock Exchange on the date of grant.

A non-management directors' right to ownership in shares of restricted stock granted under the 1996 Stock Plan for Directors vests on the first day of the month immediately following the expiration of the restriction period (which begins on the grant date and continues through the last day of the grant year) for such shares if the director has attended an aggregate of at least 75 percent of all meetings of the Board of Directors and committees of which the director is a member during such period. In the event that the director has attended less than an aggregate of at least 75 percent of all such meetings, such director's right to ownership will vest on a pro rata basis according to the director's actual attendance percentage, with the remaining shares forfeited. Shares of restricted stock are not transferable and subject to forfeiture during the restriction period and subject to a mandatory holding period thereafter, subject in each case to certain exceptions.

Deferral Plan for Directors

The Deferral Plan for Directors provides non-management directors with the opportunity to defer the receipt of all or a portion of their equity compensation earned for their service as directors. The plan is administered by the Compensation Committee. Before the end of each calendar year, the non-management directors make an election to receive either all or a portion of the equity portion of their annual compensation for the following grant year in restricted stock or a credit to their deferral account for the number of share units equal to the number of shares of restricted stock granted to but not received by such director. Directors electing to defer receipt of equity will become vested in the share units and will receive dividend equivalents to the same extent as they would if the original award of restricted stock had not been deferred.

Each director electing deferral must specify the payment date at the time of election for any share units credited as a result of that election as either (i) the six-month anniversary of the director's termination date or (ii) any other date elected by the director which is at least two years after the last day of the year of service for which the compensation was awarded. At least 30 days prior to payment of deferred compensation, a director shall elect to receive such payment in the form of either (i) cash in an amount equal to the fair market value of the number of whole and fractional share units credited to the deferral account or (ii) whole shares of common stock equal to the number of whole share units credited to the deferral account with fractional share units to be paid in cash.

Other Compensation Matters

Director compensation may be prorated for a director serving less than a full one-year term such as in the case of a director joining the Board of Directors after an annual meeting of shareholders. Directors are reimbursed for reasonable travel and other expenses incurred in connection with attending meetings of the Board of Directors and its committees. Director compensation is subject to review and adjustment by the Board of Directors from time to time.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction, Philosophy and Objectives

We believe an effective executive compensation program is one that aligns the interests of executives and shareholders by rewarding performance that achieves or exceeds specific financial targets and strategic goals designed to improve shareholder value. In addition, executive compensation should promote individual service longevity through long-term incentive opportunities that reward consistent high-level financial performance. The Compensation Committee evaluates both performance and compensation annually to ensure that we maintain our ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive.

This Compensation Discussion and Analysis provides information regarding the following:

- compensation for our Chief Executive Officer, compensation for each of the two individuals who served as our Chief Financial Officer during 2014 and compensation for the three other most highly compensated executive officers who were serving as executive officers at the end of 2014;
- overall objectives of our compensation program and what it is designed to reward;
- each element of compensation that we provide;
- reasons for the compensation decisions we have made regarding these individuals;
- determinations of the amount for each element of compensation;
- how each compensation element and our decisions regarding that element fit into our overall compensation objectives and affect decisions regarding other elements; and
- our consideration of the results of the most recent shareholder advisory vote on executive compensation.

Our named executive officers for 2014 are as follows:

Name	Position
Ronald M. Faris	President and Chief Executive Officer
Michael R. Bourque, Jr. ⁽¹⁾	Executive Vice President and Chief Financial Officer
John V. Britti ⁽²⁾	Executive Vice President and Chief Investment Officer
Timothy M. Hayes	Executive Vice President, General Counsel and Secretary
Arthur C. Walker, Jr.	Senior Vice President, International Tax Planning
William C. Erbey ⁽³⁾	Former Executive Chairman

⁽¹⁾ Mr. Bourque was appointed Executive Vice President and Chief Financial Officer effective June 2, 2014.

⁽²⁾ Mr. Britti, our former Executive Vice President and Chief Financial Officer, was appointed as Executive Vice President and Chief Investment Officer effective June 2, 2014.

⁽³⁾ Mr. Erbey retired from Ocwen effective as of January 16, 2015.

Role of Executive Officers in Compensation Decisions

Certain executives including the President and Chief Executive Officer and the former Executive Chairman, until his retirement in January 2015, are involved in the recommendation of certain compensation arrangements for approval by the Compensation Committee. These executives annually review the performance of each executive officer (other

than the former Executive Chairman and President and the Chief Executive Officer whose performances are reviewed by the Compensation Committee) and present their conclusions and recommendations regarding base salary and incentive award amounts to the Compensation Committee for its consideration and approval. The Compensation Committee can exercise its discretion in accepting, rejecting and/or modifying any such executive compensation recommendations, subject, in each case, to any applicable limits contained in any plan or agreements applicable to such awards. All compensation decisions with respect to the compensation of the former Executive Chairman and the President and Chief Executive Officer were made solely by the Compensation Committee.

Role of Compensation Consultant

Pursuant to its authority to retain independent counsel or other advisers as it deems necessary, the Compensation Committee entered into an advisory agreement with Exequity LLP (“Exequity”), an independent executive compensation consulting firm, in January, 2014. The advisory agreement provides for Exequity to provide the following services on request: (i) review of director pay proposals and program designs, (ii) competitive assessments or benchmarking analysis of executive and non-management director compensation, (iii) updates on market trends and regulatory considerations impacting compensation and benefit programs, (iv) assistance with preparation of executive and non-management director pay proposals and (v) responses to various other requests from the Compensation Committee.

The Compensation Committee entered into an advisory agreement with Frederic W. Cook & Company, LLC (“Cook & Co.”), an independent executive compensation consulting firm, in December 2014. Cook & Co. assisted the Compensation Committee in December 2014 and continuing into 2015 in developing transition and retirement arrangements for the former Executive Chairman. Cook & Co. also advised the Compensation Committee with respect to the February 24, 2015 equity awards discussed below under “Equity Incentive Plan - 2015 Awards.”

The Compensation Committee has assessed the independence of each of Exequity and Cook & Co and has concluded that its engagement of these consulting firms does not raise any conflict of interest with the Company or any of its directors or executive officers.

Except as otherwise noted in this Compensation Discussion and Analysis, the Compensation Committee’s executive compensation determinations are subjective and the result of the Compensation Committee’s business judgment, which is informed by the experiences of the members of the Compensation Committee, the analysis and input from the Compensation Committee’s independent executive compensation consultant, as well as the Compensation Committee’s assessment of compensation trends.

Elements of Compensation

The principal elements of compensation for our named executive officers for 2014 include base salary and annual incentive compensation. This compensation structure was developed to provide each executive officer with a competitive salary while emphasizing an incentive compensation element that is tied to the achievement of corporate goals and strategic initiatives as well as individual performance. We have no employment agreements with our executive officers. We believe that our compensation structure is appropriate in light of our performance, industry, the opportunities and challenges facing our business and the current business environment.

Base Salary. Base salaries for our executive officers are established based on individual qualifications and job responsibilities while taking into account the Compensation Committee’s assessment of compensation trends and the value to the Company of expected future performance.

Base salaries of the executive officers are reviewed annually during the performance appraisal process with adjustments made based on market information, internal review of the executive officer’s compensation in relation to other officers, individual performance of the executive officer, and an assessment of compensation levels necessary to maintain and attract quality personnel. Salary levels are also considered upon a promotion or other change in job responsibility. The Compensation Committee set the base salary for the former Executive Chairman and the President and Chief Executive Officer. The base salaries for all other named executive officers are determined by the Compensation Committee based upon recommendations from the President and Chief Executive Officer and, until his retirement in 2015, the former Executive Chairman. For 2014, Mr. Erbey remained at his 2013 base salary level of

\$725,000. On March 31, 2014, our Compensation Committee approved an increase in Mr. Faris' base salary to \$800,000, effective as of March 16, 2014, in recognition of his accomplishments in leading the Company's growth and successful execution of its strategic initiatives, his significantly increased responsibilities given the Company's growth and the Compensation Committee's assessment of the value of their expected performance going forward. For 2014, Messrs. Britti, Hayes and Walker remained at their 2013 base salary levels of \$423,500, \$350,000 and \$510,000 respectively. On April 8, 2015, the Compensation Committee approved an increase in Mr. Britti's base salary to \$445,000 and in Mr. Hayes' base salary to \$376,250, effective as of April 1, 2015, based on market conditions and the Compensation Committee's assessment of the value of his expected performance going forward. Mr. Bourque joined Ocwen in 2014 with a base salary of \$400,000 and on December 2, 2014, our Compensation Committee approved an increase in Mr. Bourque's base salary to \$450,000, effective as of January 1, 2015, in light of the Compensation Committee's assessment of the value to the Company of Mr. Bourque's expected performance going forward.

Annual Incentive Compensation. Ocwen's primary incentive compensation plan for eligible employees, including our executive officers, is the 1998 Annual Incentive Plan, as amended, which has been approved by our shareholders. Awards under the plan are paid in cash or, in the Compensation Committee's discretion, all or a portion of the total award value may be paid in the form of non-qualified stock options to purchase common stock or shares of common stock that we have acquired in market transactions. Awards under the plan for 2014 were in the form of cash. The plan provides the Compensation Committee and our management with the authority to establish incentive award guidelines which are further discussed below. If options are granted as payment of an award under the 1998 Annual Incentive Plan, they will be granted pursuant to the 2007 Equity Incentive Plan discussed below. Other equity awards may also be made under the 2007 Equity Incentive Plan as discussed below.

Each named executive officer has a targeted annual incentive award that is expressed as a percentage of total target compensation. In 2014, 29% to 60% of total target compensation for each named executive officer was payable only upon achievement of certain minimum Company and individual performance levels. The targeted percentage for each named executive officer was determined by the Compensation Committee based on its assessment of the nature and scope of each executive officer's responsibilities and an assessment of compensation levels necessary to maintain and attract quality personnel. The table below reflects the percentage of each executive officer's target total compensation that was allocated to each of base salary and incentive compensation under the 1998 Annual Incentive Plan in 2014 and each executive officer's actual total compensation that was allocated to each of base salary and such incentive compensation in 2014:

Name	Base Salary % of Target Total Compensation in 2013	Incentive Compensation % of Target Total Compensation in 2013	Base Salary % of Actual Total Compensation in 2013	Incentive Compensation % of Actual Total Compensation in 2013
Ronald M. Faris	40%	60%	100%	0%(1)
Michael R. Bourque, Jr.	67%	33%	57%	43%
John V. Britti	50%	50%	53%	47%
Timothy M. Hayes	67%	33%	70%	30%
Arthur C. Walker, Jr.	71%	29%	68%	32%
William C. Erbey	50%	50%	100%	0%

(1) Mr. Faris declined the 2014 incentive compensation awarded to him under the 1998 Annual Incentive Plan and suggested that the Board consider donating a portion of the declined amount to certain housing counseling charities.

The Compensation Committee structures the annual incentive award opportunity under the 1998 Annual Incentive Plan to help motivate executives to achieve pre-established key performance indicators by rewarding the executives for such achievement. This is accomplished by utilizing a balanced scorecard methodology which incorporates multiple financial and non-financial performance indicators developed through our annual strategic planning process to enhance Company performance and long-term shareholder value. This corporate scorecard is approved annually by the Compensation Committee and ratified by the full Board of Directors and is utilized by the Compensation Committee to determine the appropriate amount of incentive compensation to be paid to the President and Chief Executive Officer. As described below, the corporate scorecard is used to determine a percentage of the incentive compensation of the other named executive officers. In determining whether to approve the corporate scorecard each year, the Compensation Committee considers a number of factors, including whether the goals are consistent with and likely to enhance corporate performance and long-term shareholder value as well as the level of difficulty associated with attainment of each goal in the scorecard. The intent of the Compensation Committee is to establish the target goal at a level that is challenging to achieve, a threshold that must be met in order for any portion of the incentive to be

paid with respect to that goal, and a maximum or “outstanding” level that would result in payment of the maximum bonus opportunity with respect to that goal.

Our corporate scorecard for 2014 and corresponding achievement levels are detailed below:

The key strategic initiatives which comprise Item 6 of our corporate scorecard are structured in a similar manner to the other items in our corporate scorecard with achievement levels of Threshold, Target and Outstanding. Performance against these strategic initiatives is assessed by the Compensation Committee based on the achievement levels obtained in the areas of responsibility of the applicable executive (with our President and Chief Executive Officer, and during 2014, our former Executive Chairman, being responsible for all of them). Our strategic initiatives allow us to provide a more detailed set of targets for our key employees.

In 2014, our strategic initiatives covered:

- enhancing our competitive position in GNMA, Freddie and Fannie programs;
- improving the Ocwen “brand” with RMBS Investors and Rating Agencies;
- improved timeline management;
- improved call center metrics;
- introducing process and technology improvements and implementing borrower self-service capabilities;
- improving quality of servicing and improving customer service, especially by improving loss mitigation and finding non-foreclosure alternatives for borrowers;
- corporate finance strategies to lower risk and funding costs; and
- enhancements to our compliance management system and vendor oversight.

Certain of our strategic initiatives were measured by pre-set objectives while other strategic initiatives were by their nature more subjective. In the latter case, these strategic initiatives were awarded an achievement level that was approved by the Compensation Committee based upon a recommendation by the President and Chief Executive Officer.

The incentive award for the President and Chief Executive Officer was determined by the Compensation Committee based solely on the Company’s performance in meeting the objectives established in the corporate scorecard. The incentive awards for our named executive officers other than the President and Chief Executive Officer are structured so that compensation opportunities are comprised of (i) a performance appraisal of the executive officer and (ii) performance within the business or support unit as expressed on each named executive officer’s personal scorecard. For the 2014 service year, the applicable percentage weight assigned to each component of each such executive officer’s incentive compensation is detailed below:

Name	Performance Appraisal (%)	Scorecard (%)
Michael R. Bourque, Jr.	20%	80%
John V. Britti	20%	80%
Timothy M. Hayes	20%	80%
Arthur C. Walker, Jr.	20%	80%

Each named executive officer’s personal scorecard contains key components of the Company’s corporate scorecard and strategic initiatives related to the executive’s the areas of responsibility (with our President and Chief Executive Officer, and during 2014, our former Executive Chairman, having incentive opportunities tied to all of these areas given their overall responsibility for the performance of the Company). The weighted value of the various goals in each named executive officer’s personal scorecard varies depending upon the relative importance of the goals and the executive’s relative contribution to the ultimate financial performance of the Company and achievement of the strategic initiatives. Additionally, in developing the goals in the executives’ scorecards, we endeavor to incorporate a

variety of quantitative and qualitative measures that we believe will help to incentivize performance that perpetuates the long term success of the Company and discourages executives from pursuing short term risks to attain their goals. Within each component of the scorecard, there are three established levels of achievement: Threshold, Target and Outstanding. For our U.S. Virgin Islands (“USVI”) based named executive officers, achieving the Threshold level of achievement will earn the executive officer 0% of the target incentive compensation tied to such goal, the Target level of achievement will earn the executive officer 100% of the target incentive compensation tied to such goal and the Outstanding level of achievement will earn the executive officer 200% of the target incentive compensation tied to such goal. For our non-USVI based named executive officers, achieving the Threshold level of achievement will earn the executive officer 50% of the target incentive compensation tied to such goal, achieving the Target level of achievement will earn the executive officer 100% of the target incentive compensation tied to such goal and achieving the Outstanding level of achievement will earn the executive officer 150% of the target incentive compensation tied to such goal. Any achievement below the Threshold level results in no compensation to the executive for the associated goal. The Compensation Committee has the discretion to make awards as a percentage of the Threshold, Target or Outstanding level. Such awards are prorated

based on such percentage. We believe that different incentive compensation structures for eligible USVI based and non-USVI based employees are appropriate in light of the overall compensation packages available to each, including eligibility to participate in the plans and programs available in each jurisdiction.

These goals and initiatives are further cascaded to all of our other incentive-eligible employees in their personal scorecards. Within this program, all incentive-eligible employees are tied to a personal or business unit scorecard from which to measure performance against goals that are linked to corporate performance and strategy. The scorecards are communicated to all incentive-eligible employees by the Corporate Strategy Department or the employee's immediate supervisor. Performance against such scorecards is reviewed by senior management on a quarterly basis and after the end of each year. This incentive compensation structure is intended to align the goals of our named executive officers and other incentive-eligible employees with the overall success of the Company while establishing clear performance standards within their respective business or support units. Approximately 432 employees company-wide were eligible for incentive compensation based on personal scorecard performance in 2014.

The personal scorecards for our named executive officers who received a bonus and the corresponding levels of achievement are as follows:

The President and Chief Executive Officer presented the 2014 performance appraisal scores, personal scorecard performance and recommendations as to the incentive compensation for each of the other executive officers to the Compensation Committee. The Compensation Committee evaluates the recommendations and determines the final incentive compensation awards for the executives and other incentive-eligible employees. Annual incentive compensation is paid to our executives and other incentive-eligible employees after Compensation Committee approval following the service year associated with the incentive.

Generally, at the first or second meeting of the fiscal year, the Compensation Committee approves the corporate scorecard and annual incentive components for the President and Chief Executive Officer and other executive officers for that fiscal year. Key performance indicators for the Company for 2015 have been developed.

The Compensation Committee has approved our 2015 corporate scorecard. Corporate objectives covered in the scorecard include:

- Improving the Company’s risk management, compliance and corporate governance programs;
- Improving capital efficiency and utilization;
- Achieving earnings per share targets;
- Improving customer satisfaction and reducing defect rates;
- Improving delinquency rates and increasing non-foreclosure resolutions;
- Improving diversity and inclusion programs;
- Improving franchise value and brand enhancement; and
- Completing key technological initiatives.

Equity Incentive Plan

The 2007 Equity Incentive Plan (the “2007 Plan”) is administered by the Compensation Committee and authorizes the grant of restricted stock, options, stock appreciation rights or other equity-based awards to our employees. The Compensation Committee, in cooperation with senior management, implemented the 2007 Plan to motivate employees to make extraordinary efforts to achieve significant improvements to shareholder value, boost retention of key employees and align the interests of our employees with the interests of our shareholders. Options granted under the plan may be either “incentive stock options” as defined in Section 422 of the Code, or non-qualified stock options as determined by the Compensation Committee.

Equity Incentive Plan - 2015 Awards

The Compensation Committee determined that it was appropriate to grant new equity awards to certain named executive officers who were employed by us at the time of grant of the awards to help us retain them over the vesting periods of the awards and to further link their interests with those of our shareholders. These new awards were granted on February 24, 2015 and consist of a mix of (1) stock options with time-based vesting requirements (“2015 Stock Options”), (2) restricted stock units with time-based vesting requirements (“2015 Time-Vested RSUs”), and (3) restricted stock units with both time- and performance-based vesting requirements (“2015 Performance Units”).

The number of shares of our common stock subject to each type of award granted on February 24, 2015 is as follows:

Name	Stock Options	Time-Vest RSUs	Performance Units
Michael R. Bourque, Jr.	32,772	15,337	48,231
John V. Britti	32,772	15,337	48,231
Timothy M. Hayes	32,772	15,337	48,231
Arthur C. Walker, Jr.	16,386	7,669	24,115

Each 2015 Stock Option has an exercise price per share equal to the mean between the high and low trading prices of a share of our common stock on the date of grant of the award (\$10.14, which was also greater than the closing price of our common stock on that date), and will have value only if our stock price increases above that exercise price during the term of the award. Each Stock Option is scheduled to vest, subject to the executive’s continued employment, in four equal annual installments on the first, second, third and fourth anniversaries of the grant date of the awards and has a maximum term of ten years from grant.

Restricted stock units are payable, subject to vesting, in an equal number of shares of our common stock. Accordingly, restricted stock units also align executives’ interests with those of our shareholders. 2015 Time-Vested RSUs are scheduled to vest, subject to the executive’s continued employment, in three equal annual installments on the second, third and fourth anniversaries of the grant date of the awards. 2015 Performance Units will vest only if, on or before

the fourth anniversary of the grant date of the awards, the average of the closing prices per share of our common stock for a period of twenty consecutive trading days, plus the amount of any dividends paid on a share of our common stock during the term of the award on or before the last day of that period, equals or exceeds \$16.26. If that performance-based condition is satisfied, the Performance Units will be scheduled to vest, subject to the executive's continued employment, on the first, second, third and fourth anniversaries of the grant date of the awards (in each case, if the time-based vesting date occurs before the date that the stock price-based vesting condition is satisfied, the vesting of that installment will occur on the satisfaction of the stock price-based vesting condition, subject to the executive's continued employment by the Company through that date).

The awards are subject to accelerated vesting (and, in the case of the 2015 Performance Units, the units may vest on an accelerated basis or remain outstanding subject to the achievement of the stock price-based vesting condition) in certain circumstances in connection with the award holder's death, disability, retirement, termination of employment by the Company without cause or by the executive for good reason, or should certain changes in control of the Company occur.

OMS Preferred Stock Plan

The Amended and Restated 2013 Preferred Stock Plan of OMS (the "OMS Preferred Stock Plan") authorizes the grant of non-voting OMS Preferred Stock to OMS employees. On February 28, 2014, the board of directors of OMS authorized the purchase of 1,000 shares of Class B Preferred Stock by Mr. Walker and the purchase of 1,000 shares of Class D Preferred Stock by Mr. Hayes, in each case pursuant to the terms of the plan. On February 19, 2015, the board of directors of OMS authorized the purchase of 1,000 shares of Class I Preferred Stock by Mr. Bourque pursuant to the terms of the plan. OMS declared a dividend on each of the outstanding classes of OMS Preferred Stock, payable on March 3, 2015, based upon the performance of OMS during 2014. The 100 shares of Class A Preferred Stock previously purchased by Mr. Erbey in 2012 pursuant to the terms of the plan were redeemed in March 2015 in connection with his retirement. See "Retirement of Former Executive Chairman" below for additional detail.

USVI Relocation Program

In order to enable us to recruit top talent and incentivize key personnel to relocate, we offer a relocation package to individuals at the director level and above relocating to the USVI to work for OMS. The USVI relocation program includes relocation benefits such as moving expenses, home sale support, a housing allowance for up to five years, payment of children's school tuition fees, payment of "home leave" travel for return trips to the continental United States and tax gross ups on certain taxable benefits, in each case subject to certain limits and exceptions. Upon a participant's retirement or involuntary termination without cause, such participant is eligible to receive reimbursement for relocation costs back to the continental United States. In addition, if a participant at the level of executive vice president is involuntarily terminated without cause, such participant is eligible to receive a severance payment equal to one year's base salary if such termination of employment occurs within the first year following relocation and six months' base salary if such termination occurs at any time after the first year following relocation. For 2014, each of Messrs. Erbey, Hayes, Bourque and Walker received benefits under the USVI Relocation Program, as set forth in the "Summary Compensation Table" below and accompanying footnotes.

Other Compensation

The Compensation Committee's policy with respect to other employee benefit plans is to provide benefits to our employees, including our executive officers, that are comparable to benefits offered by companies of a similar size to ours. A competitive comprehensive benefit program is essential to achieving the goal of attracting and retaining highly qualified employees.

Setting Compensation Levels

The Company believes our executive compensation programs are effectively designed, are in alignment with the interests of our shareholders and are instrumental to achieving our business strategy. In determining executive compensation for fiscal year 2014, the Compensation Committee considered the strong shareholder support that the "Say-on-Pay" proposal received at our May 14, 2014 Annual Meeting of Shareholders in which 98% of votes cast were in favor of our executive compensation program. As a result, the Compensation Committee continued to apply the same principles and philosophy it has used in previous years in determining executive compensation levels and will continue to consider shareholder concerns and feedback in the future. In light of the voting results with respect to the

frequency of stockholder votes on executive compensation at our May 12, 2011 Annual Meeting of Shareholders, the Board of Directors decided that the Company will hold an advisory vote on the compensation of named executive officers at each annual meeting of shareholders until the next required vote on the frequency of shareholder votes on executive compensation.

Based on market conditions, performance, retention and other the relevant considerations, the Compensation Committee reviews recommendations and determines appropriate base salary and annual incentive compensation targets for the President and Chief Executive Officer and other named executive officers. The Compensation Committee generally makes its determinations during the second quarter of the year; however, they may make adjustments at other times as appropriate.

Stock Ownership and Hedging Policies

Although we do not have stock ownership requirements, our philosophy is that equity ownership by our directors and executives is important to attract, motivate and retain directors and executives as well as to align their interests with the interests of our shareholders. The Compensation Committee believes that the Company's equity plans are adequate to achieve this philosophy. We maintain an insider trading policy detailing our window period policy governing the timing of transactions in securities of the Company by directors and executives.

In addition, our insider trading policy prohibits any director, officer or employee from engaging in any short sale of the Company's stock, establishing and using a margin account with a broker-dealer for the purpose of buying or selling Company stock, or buying or selling puts or calls on the Company's stock. This policy is designed to encourage investment in the Company's stock for the long term, on a buy and hold basis, and to discourage active trading or short-term speculation.

OMS Corporate Aircraft

Prudent use of private aircraft by senior management while on company business can promote efficient use of management time. Such usage can minimize airport commuting and waiting time and allow for unfettered, confidential communications during the course of the flight, thereby promoting maximum and efficient use of management time for company business. In connection with Mr. Erbey's relocation to the USVI in 2012, the Board of Directors approved the engagement of a private aviation service for Mr. Erbey's safe and efficient business travel. In 2013, OMS purchased a corporate aircraft for purposes of promoting safe and efficient business travel by senior management. During 2014, Messrs. Erbey, Bourque, Britti and Walker traveled on the corporate aircraft. The aggregate incremental cost attributable to Mr. Erbey for 2014 related to personal use of the corporate aircraft is included in the "Summary Compensation Table" below and discussed in the accompanying footnotes. Following Mr. Erbey's retirement, the Company has discontinued the use of the private aviation service and corporate aircraft.

Potential Payments upon Termination or Change in Control

As we have no employment agreements with our named executive officers other than the restrictive covenants noted below, we handle each termination of employment as we believe is appropriate in light of the circumstances. Without any special agreement related to termination of employment, a named executive officer would typically receive his or her base salary and applicable employee benefit plans and programs through the date of termination as well as a severance payment as described below. In addition, the named executive officer would typically retain any vested portion of prior equity awards granted through the 1998 Annual Incentive Plan, the 1991 Non-Qualified Stock Option Plan and the 2007 Plan. For a termination of employment not due to death, disability or retirement, the named executive officer has six months within which to exercise stock options pursuant to our stock option agreements. Any portion of an equity award not vested will be forfeited unless alternate arrangements are made in the discretion of the Compensation Committee. Furthermore, pursuant to each stock option agreement granting an equity award, upon termination of an employee for cause, all outstanding stock options granted pursuant to such stock option agreement are forfeited.

Certain of the stock option agreements provide for accelerated vesting as set forth below. Upon a named executive officer's retirement, disability, death, termination by the Company without "cause" or termination by the named executive officer for "good reason," as defined in the applicable stock option agreement, all options that vest over a certain time period ("Time-Based Options") would immediately vest. Additionally, pursuant to these certain agreements, if there is a "change of control event" as defined in the applicable stock option agreement, all options, including the Time-Based Options and other options that would otherwise not vest until certain company performance and timing

criteria are met, would immediately vest.

As of December 31, 2014 and based upon a comparison of the closing price of our common stock on the New York Stock Exchange on such date with applicable option exercise prices, none of the stock options for which vesting would accelerate in any of the circumstances referred to in the preceding paragraph had value.

The executive stock option agreements permitting accelerated vesting of options upon a change in control were designed to provide the executives with the same opportunities as shareholders, who are free to sell their equity at the time of the change in control event and thereby realize the value created at the time of the transaction. In addition, we believe that this vesting provision supports the compelling business need to retain key employees during the uncertain times preceding a change in control.

Pursuant to our USVI relocation program, upon a participant's retirement or involuntary termination without cause, such participant is eligible to receive reimbursement for relocation costs back to the continental United States. Messrs. Bourque,

31

Hayes and Walker qualify for this benefit. In addition, if a participant at the level of executive vice president is involuntarily terminated without cause, such participant is eligible to receive a severance payment equal to one year's base salary if such termination of employment occurs within the first year following relocation and six months' base salary if such termination occurs at any time after the first year following relocation. See "USVI Relocation Program" above. Messrs. Bourque and Hayes qualify for such benefits and, in the event of involuntarily termination without cause, would receive a severance payment equal to six months' base salary.

Restrictive Covenants

All of our named executive officers execute an intellectual property and non-disclosure agreement upon commencement of their employment. This agreement requires the named executive officer to hold all "confidential information" in trust for us and prohibits the named executive officer from using or disclosing such confidential information except as necessary in the regular course of our business or as otherwise required by law. Other than these restrictive covenants, we generally do not have employment, non-competition or non-solicitation agreements with our executive officers. From time to time, we enter into separation agreements with executive officers that contain these provisions.

Tax Considerations

The timing and structure of our compensation decisions is driven in part by a variety of tax considerations. Under Section 162(m) of the Code, tax deductions by corporate taxpayers are limited to \$1,000,000 with respect to compensation paid to certain executive officers, unless compensation in excess of \$1,000,000 satisfies the requirements for performance-based compensation as set forth under Section 162(m) and the accompanying Treasury Regulations. We obtained shareholder approval of the 2007 Plan and our stock option awards under the 2007 Plan qualify as performance-based compensation under Section 162(m) of the Code. We obtained shareholder approval of our 1998 Annual Incentive Plan in 1998, 2003 and 2014.

In order to satisfy the deductibility requirements under Section 162(m) of the Code, performance objectives generally must be established in the first 90 days of the performance period and the outcome of the performance objectives must be uncertain at the time they are set. For annual incentive awards, this generally means performance objectives must be established no later than the end of March of each year.

The Compensation Committee takes into account the deduction limitations of Section 162(m). However, the Compensation Committee also considers the extent to which qualifying compensation as performance-based compensation would be inconsistent with our overall best interests. Performance goals such as integrating acquired businesses and balance sheet management are not exempt from the Section 162(m) limitation but are significant for our best interests. Consequently, the Compensation Committee generally structures a significant portion of executives' incentive compensation based on performance goals that are not exempt from the Section 162(m) limitation after considering the cost of the lost deduction in an evaluation of our overall best interests.

In addition, in order to avoid being considered deferred compensation under Section 409A of the Code and to be deductible for the prior tax year, our annual incentive awards with respect to the prior year must be paid by March 15 of each year.

All members of our Compensation Committee members qualify as "outside directors" under 162(m) of the Code.

Report of the Compensation Committee

The Compensation Committee of the Board of Directors has reviewed and discussed the Compensation Discussion and Analysis included on pages 28 through 40 of this proxy statement with management.

(1) Represents the aggregate grant date fair value of stock awards and stock options. These amounts do not represent the actual amounts paid to or realized by the executive.

These amounts represent the grant date fair value of the stock and option awards, computed in accordance with FASB ASC Topic 718. We based the grant date fair value of stock awards on the average of the high and low sales prices of our common stock on the New York Stock Exchange on the date of grant of the awards. Detail regarding the assumptions used in the calculation of the option award amounts is included in Note 23 to our audited financial statements for the fiscal year ended December 31, 2014, which are included in our Annual Report on Form 10-K filed with the Securities and Exchange Commission on May 11, 2015.

The aggregate incremental cost is calculated using a method that takes into account all variable costs such as aircraft fuel, airport taxes and fees, catering costs and other operating expenses. Since our aircraft is used primarily for business travel, we do not include the fixed costs that do not change based on usage, such as monthly fees that are billed regardless of usage and the acquisition costs of the aircraft.

(21) Consists of contributions by Ocwen pursuant to Ocwen's 401(k) Savings Plan in the amount of \$5,000, relocation benefits in the amount of \$190,648 (including a housing allowance paid with respect to 6 months at \$12,000 per month and \$67,466 in gross-ups for taxable relocation benefits), and the aggregate incremental cost to Ocwen for Mr. Erbey's use of the private aviation service in the amount of \$63,552. Also, in order to facilitate Mr. Erbey's relocation to the USVI, the Board of Directors approved Ocwen's purchase of Mr. Erbey's residence in Atlanta, Georgia for his cost-basis in the home of \$6.5 million. Mr. Erbey also received dividends of \$7,250 per share on 100 shares of OMS Class A Preferred Stock declared by the OMS Board in accordance with the OMS Preferred Stock Plan. These 2012-related dividends were disclosed in our 2013 Proxy Statement but not included in "All Other Compensation." The Company has determined to include OMS Preferred Stock dividends in "All Other Compensation" for 2013 and going forward to the extent such dividends are paid to named executive officers. The aggregate incremental cost for use of the private aviation service for commuting and for personal travel not directly related to Ocwen business was the full cost as charged to Ocwen by the charter company to charter the private plane for such uses.

(22) Mr. Erbey retired from Ocwen effective as of January 16, 2015.

For more information about the elements of the compensation paid to our named executive officers, see "Compensation Discussion and Analysis" above.

Detail regarding the assumptions used in the calculation of option award amounts is included in Note 23 to our audited financial statements for the fiscal year ended December 31, 2014, which are included in our Annual Report on Form 10-K filed with the Securities and Exchange Commission on May 11, 2015.

Retirement of Former Executive Chairman

Effective as of January 16, 2015, Mr. Erbey stepped down as the Executive Chairman and as a member of the Board of Directors of the Company. Also on January 16, 2015, Mr. Erbey resigned as a director, officer and employee of OMS, and from any other position he held with the Company and its affiliates.

On January 16, 2015, the Compensation Committee of the Board approved, and the Board ratified, a Retirement Agreement by and between the Company, OMS and Mr. Erbey (the “Retirement Agreement”). The Compensation Committee of the Board retained Cook & Co. as its independent compensation consultant to provide advice in connection with the Retirement Agreement.

The Retirement Agreement provided for Mr. Erbey’s separation from the Company and its affiliates as described above. The Retirement Agreement included the following provisions in favor of the Company:

- Mr. Erbey released the Company and its affiliates with respect to any employment-related claims.
- Mr. Erbey agreed that he will not disclose any confidential information of the Company or its affiliates.
- Mr. Erbey agreed that, for a period of 24 months after the Retirement Date, he will not engage in certain activities that are competitive with the Company and its affiliates.
- Mr. Erbey agreed that, for a period of 24 months after the Retirement Date, he will not use trade secrets of the Company or any of its affiliates to solicit any customers, vendors, suppliers, licensors, lessors, joint venturers, associates, consultants, agents, or partners of the Company or any of its affiliates.
- Mr. Erbey agreed that, following the Retirement Date, he will cooperate with the Company and its affiliates in connection with certain litigation and audit matters relating to his employment with, or service as a member of the Board of, the Company or any of its affiliates.

Provisions in favor of Mr. Erbey under the Retirement Agreement included the following:

• OMS awarded Mr. Erbey an amount in lieu of an annual bonus of \$377,624 for fiscal 2014, determined by OMS in a manner consistent with its determination of bonuses for 2014 for its other senior executives (“2014 Payment”).

• OMS paid Mr. Erbey a \$725,000 cash severance payment (the “Lump Sum Severance Payment”).

• OMS paid Mr. Erbey \$475,000 in lieu of certain relocation benefits (the “Lump Sum Relocation Payment”).

• Mr. Erbey and his spouse will be entitled to continued medical coverage.

• Mr. Erbey’s outstanding Company stock options became fully vested in connection with Mr. Erbey’s separation and retirement in accordance with the existing terms of the awards. The Retirement Agreement provided that Mr. Erbey’s

outstanding Company stock options granted in 2008 and 2012 will continue to be exercisable for the balance of the original 10-year term of the awards.

Mr. Erbey was entitled to a 2015 dividend of \$725,000 on his shares of OMS Class A Preferred Stock (the “OMS Dividend”). Promptly after payment of that dividend, OMS redeemed all of Mr. Erbey’s Class A Preferred Stock for \$100, representing the purchase price and previously agreed redemption price of such stock pursuant to the terms of the OMS Preferred Stock Plan.

- Mr. Erbey has certain rights to require the Company to file a registration statement on Form S-3 to register the resale of his shares of Company common stock (the “Registration Rights”).

The amounts of the 2014 Payment and the OMS Dividend are included in the Summary Compensation Table above as All Other Compensation for 2014 for Mr. Erbey given their nexus to 2014 services. The Lump Sum Severance Payment and Lump Sum Relocation Payment, as well as any other benefits referred to in the bullet points above, are not included as 2014 compensation for Mr. Erbey in the Summary Compensation Table because Mr. Erbey’s retirement occurred, and the Retirement Agreement was entered into, in 2015.

The Retirement Agreement also provided that, in the event it is determined in a final and unappealable order or judgment by a court of competent jurisdiction that Mr. Erbey engaged in a felony (other than a traffic violation) or breached his duty of loyalty to the Company or any of its affiliates (other than unintentionally) while he was employed by, or was an officer or director of, the Company or any of its affiliates, Mr. Erbey agreed to repay to OMS, upon demand by the Board, the Lump Sum Severance Payment, the Lump Sum Relocation Payment and the OMS Dividend. In addition, in the event of any such determination, the Company may terminate any then-outstanding Company stock options and any continued medical coverage, and will have no further obligations with respect to the Registration Rights.

ADVISORY RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
(Proposal Two)

The Audit Committee of our Board of Directors has appointed Deloitte & Touche LLP, independent registered public accountants, to be our independent registered public accounting firm for the year ending December 31, 2015 and has further directed that such appointment be submitted for ratification, on an advisory basis, by our shareholders at the Annual Meeting. Although shareholder ratification of the Audit Committee's action in this respect is not required, the Audit Committee considers it desirable for shareholders to ratify such appointment. If the shareholders do not ratify the appointment of Deloitte & Touche LLP, the Audit Committee may, in its sole discretion, reevaluate the engagement of the independent registered public accounting firm. Even if this appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its shareholders.

Representatives of Deloitte & Touche LLP will be present at the Annual Meeting, will be given the opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions from you.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE
ADVISORY RATIFICATION OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT REGISTERED
PUBLIC
ACCOUNTING FIRM FOR 2015.

Audit Committee Pre-Approval Policy. The Audit Committee has adopted a policy for the pre-approval of all audit and permitted non-audit services to be performed by the independent registered public accounting firm in order to assure that the provision of such services does not impair the independent registered public accounting firm's independence. Pursuant to the policy, general pre-approval is granted for certain services, including certain audit, audit-related, tax and other services, for a term of 12 months, unless the Audit Committee specifically provides for a different term. Unless a type of service to be provided by the independent registered public accounting firm has received general pre-approval pursuant to the policy, it will require specific pre-approval by the Audit Committee. All services performed by Deloitte & Touche in 2014 were pre-approved in accordance with the pre-approval policy.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee has delegated such pre-approval authority to the Chairman of the Audit Committee. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION
(Proposal Three)

As required pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, the Company is presenting this proposal which gives you as a shareholder the opportunity to approve or not approve our pay program for our named executive officers.

As described in more detail under the heading “Compensation Discussion and Analysis,” our executive compensation programs are designed to attract, incentivize and retain our named executive officers, who are critical to our success. Pursuant to these programs, the Company seeks to compensate the named executive officers for achieving strategic business goals. Please read the “Compensation Discussion and Analysis” and “Executive Compensation” for additional details about our executive compensation programs, including information about the fiscal year 2014 compensation of our named executive officers.

Accordingly, we will ask our shareholders to vote on the following proposed resolution at the Annual Meeting:

“RESOLVED, that the Company’s shareholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company’s Proxy Statement for the 2015 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission including the Compensation Discussion and Analysis, the compensation tables and the narrative discussion that accompanies the compensation tables.”

While our Board of Directors intends to carefully consider the shareholder vote resulting from this proposal, the final vote will not be binding on us and is advisory in nature.

You may vote for or against or abstain from the approval, on an advisory basis, of the compensation of the Company’s named executive officers as disclosed in the Compensation Discussion and Analysis, the compensation tables and the narrative discussion that accompanies the compensation tables contained in this proxy statement.

The Company’s current policy is to provide shareholders with an opportunity to approve the compensation of the named executive officers each year at the annual meeting of shareholders. It is expected that the next such vote will occur at the 2016 annual meeting of shareholders.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT.

BUSINESS RELATIONSHIPS AND RELATED TRANSACTIONS

In February 2015, our Board of Directors adopted our Related Party Transactions Approval Policy (the “Policy”), which sets forth the Company’s policies and procedures for the review, approval and monitoring of Related Party Transactions (which, as defined in the Policy, includes transactions involving Ocwen and (i) certain related companies, (ii) directors and executive officers or their immediate family members or (iii) shareholders owning 5% or greater of the Company’s outstanding stock). The policy and procedures are not limited to Related Party Transactions that meet the threshold for disclosure under the relevant Securities and Exchange Commission rules. Our written Code of Business Conduct and Ethics, which is available at www.ocwen.com, also includes policies and procedures that broadly cover any situation in which a conflict of interest may arise.

The Board of Directors has established the Independent Review Committee (the “Committee”) to provide independent review, approval and oversight of Related Party Transactions as required under the Policy.

In connection with the review and approval of a Related Party Transaction, the Committee is provided with the pertinent details of the proposed Related Party Transaction, including the terms of the transaction, the business purpose of the transaction, and the perceived benefits to Ocwen. In considering a transaction, the Committee considers all relevant factors including (i) whether the transaction is in the best interests of Ocwen; (ii) whether there are any alternatives to the Related Party Transaction; (iii) whether the Related Party Transaction is on terms comparable to those available to third parties; (iv) the potential for the Related Party Transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts, (v) the overall fairness of the Related Party Transaction to Ocwen and (vi) any impact, positive or negative, on borrowers or mortgage loan investors. The Committee may request or require members of management to make certain modifications to a proposed Related Party Transaction prior to its approval.

The Policy supplements and codifies the previous framework of policies, procedures and practices employed by the Company to avoid potential conflicts of interest with related parties. Under the previous framework, related persons were required to obtain the approval of the Audit Committee for any transaction or situation that may have posed a conflict of interest. Any situation that potentially involved a conflict of interest was required to be disclosed to the Company’s General Counsel who was required to assess the nature and extent of any concern and then recommend any follow up action, as needed. The General Counsel was required to notify the Chairman of the Board if any such situation required notice to, or approval of, the Audit Committee of the Board of Directors.

Relationship with Former Executive Chairman

Our former Executive Chairman, William C. Erbey, also formerly served as Chairman of the boards of directors of Altisource, Altisource Residential Corporation (“Residential”), Altisource Asset Management Corporation (“AAMC”) and Home Loan Servicing Solutions, Ltd. (“HLSS”). As a result, he had obligations to us as well as to Altisource, Residential, AAMC and HLSS. As discussed above under “Retirement of Former Executive Chairman,” effective January 16, 2015, Mr. Erbey resigned as the Executive Chairman and as a member of the Board of Directors of the Company. Effective on that same date, the Compensation Committee approved, and the Board ratified, the Retirement Agreement. The Compensation Committee retained an independent compensation consultant to provide advice in connection with the Retirement Agreement. Mr. Erbey also resigned from the boards of Altisource, Residential, AAMC and HLSS on January 16, 2015. As of December 31, 2014, Mr. Erbey owned or controlled approximately 14% of our common stock, approximately 29% of the common stock of Altisource, approximately 28% of the common stock of AAMC, approximately 4% of the common stock of Residential and approximately 1% of the common stock of HLSS. At December 31, 2014, Mr. Erbey also held 3,620,498 options to purchase our common stock, of which 3,370,498 were exercisable. Mr. Erbey exercised 47,872 of those options in January 2015. On April

22, 2014, Mr. Erbey surrendered 1,000,000 of his options to purchase Ocwen common stock. At December 31, 2014, Mr. Erbey held 873,501 options to purchase Altisource common stock and 85,755 options to purchase AAMC common stock, all of which were exercisable. Even prior to his retirement, we did not consider Mr. Erbey to have a direct or indirect material interest under applicable Securities and Exchange Commission rules in our transactions with HLSS.

Relationship with Altisource

Since Altisource spun-off from Ocwen into a separate publicly traded company on August 10, 2009, our relationship has been governed by a number of agreements that set forth the terms of our business with Altisource.

On August 10, 2009 and October 1, 2012, we and OMS each entered into a Services Agreement, a Technology Products Services Agreement, an Intellectual Property Agreement and a Data Center and Disaster Recovery Services Agreement. Under

the Services Agreements, Altisource provides various business process outsourcing services, such as valuation services and property preservation and inspection services, among other things. Altisource provides certain technology products and support services under the Technology Products Services Agreements and the Data Center and Disaster Recovery Services Agreements. These agreements expire August 31, 2025. Ocwen and Altisource have also entered into a master services agreement pursuant to which Altisource provides certain loan origination services to our lending subsidiaries, Homeward and Liberty, and a general referral fee agreement pursuant to which Ocwen receives referral fees which are paid out the commission that would otherwise be paid to Altisource as the selling broker in connection with real estate sales services provided by Altisource. In addition, under a Data Access and Services Agreement, we agreed to make available to Altisource certain data from Ocwen's servicing portfolio in exchange for a per asset fee. Altisource has provided us a notice of termination with respect to this Data Access and Services Agreement and the agreement terminated on March 31, 2015.

Our business is currently dependent on many of the services and products provided by Altisource under these long-term agreements, many of which include renewal provisions. Our servicing platform runs on an information technology system that we license from Altisource. Our business is set up to run on this platform, and we have used it for years. If Altisource were to fail to fulfill its contractual obligations to us, including through a failure to provide services at the required level to maintain and support our systems, or if Altisource were to become unable to fulfill such obligations (for example, because it entered bankruptcy), our business and operations would suffer. In addition, if Altisource fails to develop and maintain its technology so as to provide us with a competitive platform, our business could suffer.

Ocwen and OMS have also each entered into a Support Services Agreement with Altisource setting forth certain services that we and Altisource may provide to each other in such areas as human resources, corporate services, Six Sigma, quality assurance, quantitative analytics, treasury, accounting, tax matters and strategic planning. These Support Services Agreements run through October 2017 and September 2018, respectively, with automatic one-year renewals thereafter. During the course of 2014 and early 2015, we reduced the services we and Altisource provide to each other under the Support Services Agreements. Beginning April 1, 2015, we anticipate that the only services that will regularly be provided are corporate services such as facilities management and mailroom support services and vendor procurement for information technology and facilities.

We sublease from Altisource 2,155 square feet of space on a month-to-month basis as our principal executive office in Atlanta, Georgia. Additionally, we sublease office space to Altisource at various locations, including space located in our West Palm Beach, Florida and Fort Washington, Pennsylvania offices. During 2014, Altisource assigned us a lease with respect to certain office space in Bangalore, India and, in connection with the assignment, we repaid Altisource for its previously posted security deposit instead of paying such deposit directly to the landlord and having the landlord repay that amount to Altisource.

For the year ended December 31, 2014, the Company generated revenues of \$43.1 million under our agreements with Altisource, and we paid expenses of \$101.5 million to Altisource. At December 31, 2014, the net amount payable to Altisource was \$4.9 million.

Relationship with Residential

On December 21, 2012, we entered into a 15-year servicing agreement with Altisource Residential, L.P., the operating partnership of Residential, pursuant to which Ocwen will service residential mortgage loans acquired by Residential and provide loan modification, assisted deed-in-lieu, assisted deed-for-lease and other loss mitigation programs. The total fees earned by us under this agreement are dependent upon the number and type of acquired residential mortgage loans that we service pursuant to the agreement. At December 31, 2014, we serviced loans with a UPB of approximately \$3.7 billion under this agreement.

On October 8, 2013, we entered into a Time Sharing Agreement with Residential pursuant to which we agreed to make our corporate plane available, on a time sharing basis, to Residential for air travel from time to time. Under the Time Sharing Agreement, Residential will pay us of the sum of certain of our direct expenses of operating the plane plus an additional charge equal to 100% of our expenses for fuel, oil, lubricants and other additives. Accordingly, the amount actually charged by us in any period will directly correlate to Residential's use of the aircraft in that period.

For the year ended December 31, 2014, we generated revenues of \$15.7 million under our agreements with Residential. At December 31, 2014, the net amount receivable from Residential was \$0.1 million.

Relationship with AAMC

On December 31, 2013, we entered into a support services agreement with AAMC pursuant to which we will provide business development, analytical and consulting and administrative services to AAMC. The support services agreement may be terminated by either party with a month's prior notice.

We sublease office space to AAMC in Frederiksted, USVI. This sublease expires June 30, 2017, with an option to extend the sublease for an additional five years if we elect to extend our lease.

For the year ended December 31, 2014, we generated revenues of \$1.2 million under our agreements with AAMC.

Relationship with HLSS

Prior to the sale of substantially all of its assets on April 6, 2015, HLSS acquired Rights to MSR's and related servicing advances from us, and assumed the obligation to fund new servicing advances in respect of the Rights to MSR's. On April 6, 2015, HLSS MSR-EBO Acquisition, LLC, a subsidiary of New Residential Corp ("NRZ"), entered into a transaction to acquire substantially all of the assets of HLSS including HLSS Holdings, LLC (the "Asset Sale"), and Ocwen entered into a consent to this transfer and amendment of its agreements with NRZ. Following the asset sale, NRZ, through its subsidiaries, is the owner of the Rights to MSR's and has assumed HLSS' rights and obligations under the associated agreements

We remain the servicer on loans for which the Rights to MSR's were sold to HLSS, and continue to service the loans. HLSS was responsible for funding servicing advances relating to the Rights to MSR's. At December 31, 2014, prior to the Asset Sale, HLSS had outstanding advances of approximately \$6.1 billion in connection with the Rights to MSR's.

Prior to the Asset Sale, the servicing fees payable under the servicing agreements underlying the Rights to MSR's were apportioned between us and HLSS as provided in our agreements with HLSS. HLSS retained a fee based on the UPB of the loans serviced, and OLS received certain fees, including a performance fee based on servicing fees actually paid less an amount calculated based on the amount of servicing advances and cost of financing those advances.

Prior to the Asset Sale, Ocwen and HLSS were parties to a Professional Services Agreement under which they provided each other certain professional services including valuation analysis of potential MSR acquisitions, treasury management services and other similar services, licensing and regulatory compliance support services and risk management services. No services are currently provided under this agreement.

In 2014 we entered into three transactions whereby we purchased delinquent FHA-insured loans out of Ginnie Mae guaranteed securitizations under the terms of a conditional repurchase option where as servicer we have the right, but not the obligation, to repurchase delinquent loans at par plus delinquent interest (the Ginnie Mae early buy-out ("EBO") program), and immediately sold the loans and related advances (the "Ginnie Mae EBO Transactions"). On March 3, 2014, in the first Ginnie Mae EBO Transaction, Ocwen sold Ginnie Mae EBO Loans and transferred the related servicing advances to HLSS Mortgage LP for \$612.3 million. On May 2, 2014, in connection with the second Ginnie Mae EBO Transaction, we transferred \$20.2 million of advances to HLSS SEZ LP. At December 31, 2014, Ocwen serviced EBO Loans with a UPB of approximately \$447.5 million for HLSS. On June 26, 2014, we entered into a mortgage loan servicing agreement with HLSS Mortgage LP, which acquired the mortgage loans from a third party unrelated to Ocwen. Additional mortgage loans subsequently acquired by HLSS Mortgage LP were added under this agreement. At December 31, 2014, Ocwen serviced loans with a UPB of approximately \$434.2 million under this agreement.

For the year ended December 31, 2014, the Company generated revenues of \$1.3 million under agreements with HLSS. We paid expenses of \$1.7 million to HLSS during 2014. At December 31, 2014, the net amount receivable from HLSS was \$7.9 million.

Relationship with Former Owner of Homeward

As consideration for the Homeward acquisition, we paid an aggregate purchase price of \$765.7 million, of which \$603.7 million was paid in cash and \$162.0 million was paid in 162,000 preferred shares issued to certain private equity funds managed by WL Ross & Co. LLC (the "Funds"), that pay a dividend of 3.75% per annum on a quarterly basis. Each preferred share, together with any accrued and unpaid dividends, may be converted at the option of the holder into shares of common stock at a conversion price equal to \$31.79. Mr. Ross is the Chairman and Chief Executive Officer of WL Ross & Co. LLC and Invesco Private Capital, Inc. and the managing member of El Vedado, LLC, each of which directly or indirectly controls or manages the Funds. Mr. Ross became a director of Ocwen in March 2013 and resigned in November 2014. On September 23,

2013, the Funds exercised their right to convert 100,000 of the Preferred Shares into 3,145,640 shares of common stock. On the same date, we repurchased the shares of common stock from the Funds for \$157.9 million. On July 14, 2014, the Funds elected to convert the remaining 62,000 shares into 1,950,296 shares of common stock. On the same date, Ocwen repurchased all of the converted shares of common stock for \$72.3 million.
