PROXY STATEMENT
2016 ANNUAL MEETING OF STOCKHOLDERS
May 24, 2016

The Board of Directors (the “Board”) of GNC Holdings, Inc., a Delaware corporation (the “Company,” “we,” “us,” or “our”), prepared this document to solicit your proxy to vote upon certain matters at our 2016 annual meeting of stockholders (the “Annual Meeting”).

These proxy materials contain information regarding the Annual Meeting, to be held on Tuesday, May 24, 2016, beginning at 8:00 a.m. Eastern Time at the Omni William Penn Hotel, 530 William Penn Place, Pittsburgh, Pennsylvania 15219, and at any adjournment or postponement thereof. As permitted by the rules adopted by the Securities and Exchange Commission (the “SEC”), rather than mailing a full paper set of these proxy materials, we are mailing to many of our stockholders only a notice of Internet availability of proxy materials (the “Notice”) containing instructions on how to access and review these proxy materials and submit their respective proxy votes online. If you receive the Notice and would like to receive a paper copy of these proxy materials, you should follow the instructions for requesting such materials located at www.proxyvote.com.

QUESTIONS ABOUT THE ANNUAL MEETING AND THESE PROXY MATERIALS

It is anticipated that we will begin mailing this proxy statement, the proxy card, our Annual Report to Stockholders for the year ended December 31, 2015 (the “Annual Report”) and the Notice, and that these proxy materials will first be made available online to our stockholders, on or about April 12, 2016. The information regarding stock ownership and other matters in this Proxy Statement is as of March 28, 2016 (the “Record Date”), unless otherwise indicated.

What may I vote on?

You may vote on the following proposals:

• the election of eight directors to serve until our 2017 annual meeting of stockholders (the “2017 Annual Meeting”) and their respective successors have been duly elected and qualified, or their earlier resignation or removal (Proposal 1);

• the approval, by non-binding vote, of the compensation paid to our named executive officers in 2015, as disclosed in these proxy materials (commonly known as a “say-on-pay” proposal) (Proposal 2); and

• the ratification of the appointment of PricewaterhouseCoopers LLP (“PwC”) as independent auditors for our 2016 fiscal year (Proposal 3).

THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF OUR DIRECTORS (PROPOSAL 1), FOR THE APPROVAL, ON AN ADVISORY BASIS, OF COMPENSATION PAID TO THE NAMED EXECUTIVE OFFICERS IN 2015 (“SAY-ON-PAY”) (PROPOSAL 2), AND FOR THE RATIFICATION OF THE APPOINTMENT OF PWC AS INDEPENDENT AUDITORS (PROPOSAL 3).

Who may vote?

Stockholders of record of our Class A common stock, par value \$0.001 per share (“Common Stock”), at the close of business on the Record Date are entitled to receive the Notice and these proxy materials and to vote their respective shares at the Annual Meeting. Each share of Common Stock is entitled to one vote on each matter that is properly brought before the Annual Meeting. As of the Record Date, there were 69,826,802 shares of Common Stock issued and outstanding.

How do I vote?

We encourage you to vote your shares via the Internet. How you vote will depend on how you hold your shares of Common Stock.

Stockholders of Record

If your Common Stock is registered directly in your name with our transfer agent, American Stock, Transfer & Trust Company, LLC, you are considered a stockholder of record with respect to those shares, and a full paper set of these proxy materials is being sent directly to you. As a stockholder of record, you have the right to vote by proxy.

You may vote by proxy in any of the following three ways:

Internet. Go to www.proxyvote.com to use the Internet to transmit your voting instructions and for electronic delivery of information. Have your proxy card in hand when you access the website.

Phone. Call 1-800-690-6903 using any touch-tone telephone to transmit your voting instructions. Have your proxy card in hand when you call.

Mail. Mark, sign and date your proxy card and return it in the postage-paid envelope we have provided, or return it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

Voting by any of these methods will not affect your right to attend the Annual Meeting and vote in person. However, for those who will not be voting in person at the Annual Meeting, your final voting instructions must be received by no later than 11:59 p.m. Eastern Time on May 23, 2016.

Beneficial Owners

Most of our stockholders hold their shares through a stockbroker, bank or other nominee, rather than directly in their own names. If you hold your shares in one of these ways, you are considered the beneficial owner of shares held in street name, and the Notice is being forwarded to you by your broker, bank or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote. Your broker, bank or nominee has enclosed a voting instruction form for you to use in directing the broker, bank or nominee on how to vote your shares. If you hold your shares through a New York Stock Exchange (“NYSE”) member brokerage firm, that member brokerage firm has the discretion to vote shares it holds on your behalf with respect to Proposal 3 (the ratification of PwC as independent auditors for our 2016 fiscal year), but not with respect to Proposal 1 (the election of directors) or Proposal 2 (the say-on-pay proposal), as more fully described under “What is a broker ‘non-vote’?” below.

Can I change my vote?

Yes. If you are the stockholder of record, you may revoke your proxy before it is exercised by doing any of the following:

- voting again over the Internet or by telephone prior to 11:59 p.m., Eastern Time on May 23, 2016;
- timely sending a letter to us stating that your proxy is revoked;
- signing a new proxy and timely sending it to us;
- or
- attending the Annual Meeting and voting by ballot.

Beneficial owners should contact their broker, bank or nominee for instructions on changing their votes.

How many votes must be present to hold the Annual Meeting?

A “quorum” is necessary to hold the Annual Meeting. A quorum is a majority of the votes entitled to be cast by the stockholders entitled to vote at the Annual Meeting. They may be present at the Annual Meeting or represented by proxy. Abstentions and broker “non-votes” are counted as present and entitled to vote for purposes of determining a quorum.

How many votes are needed to approve the proposals?

At the Annual Meeting, a “FOR” vote by a majority of votes cast is required for each of the proposals described in this proxy statement, including Proposal 1 (the election of directors), Proposal 2 (the say-on-pay proposal), and Proposal 3 (the ratification of PwC as independent auditors for our 2016 fiscal year).

For each Proposal, a “FOR” vote by a “majority of votes cast” means that the number of shares voted “FOR” exceeds the number of shares voted “AGAINST.”

What is an abstention?

An abstention is a properly signed proxy card that is marked “ABSTAIN.” Abstentions do not constitute votes “FOR” or votes “AGAINST” any of the Proposals and, therefore, will have no effect on the outcome of any of those Proposals.

What is a broker “non-vote?”

A broker “non-vote” occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received timely instructions from the beneficial owner. Under current applicable rules, Proposal 3 (the ratification of PwC as independent auditors for our 2016 fiscal year) is a “discretionary” item upon which NYSE member brokerage firms that hold shares as nominee may vote on behalf of the beneficial owners if such beneficial owners have not furnished voting instructions by the tenth day before the Annual Meeting.

However, NYSE member brokerage firms that hold shares as a nominee may not vote on behalf of the beneficial owners on Proposal 1 (the election of directors) or Proposal 2 (the say-on-pay proposal) unless you provide voting instructions. Therefore, if a NYSE member brokerage firm holds your Common Stock as a nominee, please instruct your broker how to vote your Common Stock on each of these proposals. This will ensure that your shares are counted with respect to each of these proposals. Broker “non-votes” do not constitute votes “FOR” or votes “AGAINST” and therefore will have no effect on the outcome of any of the proposals.

Will any other matters be acted on at the Annual Meeting?

If any other matters are properly presented at the Annual Meeting or any adjournment or postponement thereof, the persons named in the proxy will have discretion to vote on those matters. As of December 10, 2015, the date by which any proposal for consideration at the Annual Meeting submitted by a stockholder must have been received by us to be presented at the Annual Meeting, and as of the date of these proxy materials, we did not know of any other matters to be presented at the Annual Meeting.

Who pays for this proxy solicitation?

We will pay the expenses of soliciting proxies. In addition to solicitation by mail, proxies may be solicited in person or by telephone or other means by our directors or associates for no additional compensation. We will reimburse brokerage firms and other nominees, custodians and fiduciaries for costs incurred by them in mailing these proxy materials to the beneficial owners of Common Stock held of record by such persons.

Whom should I call with other questions?

If you have additional questions about these proxy materials or the Annual Meeting, please contact: GNC Holdings, Inc., 300 Sixth Avenue, Pittsburgh, Pennsylvania, 15222, Attention: James M. Sander Telephone: (412) 288-4600.

ELECTION OF DIRECTORS

(PROPOSAL 1)

The Board proposes that each of the eight director nominees described below (the “Nominees”), who currently are members of our Board, be re-elected for a one-year term expiring at our 2017 Annual Meeting and until the due election and qualification of his or her successor, or until his or her earlier resignation or removal. One of our current directors, C. Scott O’Hara, will not stand for re-election, and the Board had elected to decrease its size to eight directors, effective upon the 2016 Annual Meeting.

All of the Nominees have indicated their willingness to serve if elected. If, at the time of the meeting, any Nominee is unable or unwilling to serve, shares represented by properly executed proxies will be voted at the discretion of the persons named therein for such other nominee as the Board may designate, or the Board may elect to decrease the size of the Board.

Set forth below is information concerning each Nominee, and the key experience, qualifications and skills he or she brings to the Board.

Recommendation

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE ELECTION OF THE NOMINEES AS DIRECTORS.

The Nominees

Michael G. Archbold, 55, became our Chief Executive Officer and one of our directors in August 2014. He previously served as Chief Executive Officer of The Talbots Inc. from August 2012 until June 2013. Prior to that, Mr. Archbold was the President and Chief Operating Officer of Vitamin Shoppe, Inc. a nutritional products retailer (“Vitamin Shoppe”), from April 2011 until June 2012, having served as its Executive Vice President, Chief Operating Officer, and Chief Financial Officer since April 2007. Mr. Archbold served as Executive Vice President / Chief Financial and Administrative Officer of Saks Fifth Avenue, a luxury retailer, from 2005 to 2007 and, prior to that, as Chief Financial Officer for AutoZone, Inc., a leading auto parts retailer (“AutoZone”). He currently serves as a director of Express, Inc., where he is a member of the audit committee, and previously served as a director of Borders Group, Inc.

Jeffrey P. Berger, 66, became one of our directors in March 2011. Mr. Berger currently is a private investor. From 2008 until April 2013, Mr. Berger served as a consultant to H. J. Heinz Company, a leading producer and marketer of healthy and convenient foods (“Heinz”). From 2007 to 2008, Mr. Berger was the Chairman of Global Foodservice of Heinz. From 2005 to 2007, Mr. Berger was the Executive Vice President, President and Chief Executive Officer of Heinz Foodservice. From 1994 to 2005, Mr. Berger was President and Chief Executive Officer of Heinz North America Foodservice. Mr. Berger currently serves on the board of directors of Big Lots, Inc., a discount retailer (“Big Lots”), for which he chairs the nominating/corporate governance committee and serves as a member of the compensation committee. Mr. Berger’s years of experience as an executive officer at Heinz, in addition to his public company board experience, led to the conclusion that he should serve as a director on the Board.

Alan D. Feldman, 64, became one of our directors in June 2013. Mr. Feldman most recently served as Chairman, President and Chief Executive Officer of Midas, Inc., a provider of retail automotive services, from May 2006 until its merger with TBC Corporation in May 2012 and as its President and CEO from January 2003 until May 2006. From 1994 through 2002, Mr. Feldman held senior management posts at McDonald’s Corporation and, prior to that, with the Pizza Hut and Frito-Lay units of PepsiCo, Inc. Mr. Feldman also currently serves on the board of directors of Foot Locker, Inc. and of John Bean Technologies Corporation. Mr. Feldman’s recognized leadership skills and years of broad-based experience in independent, franchised retail operations, brand management and customer relations led to the conclusion that he should serve as a director on the Board.

Michael F. Hines, 60, became one of our directors in November 2009. He was appointed Chairman of our Board in August 2014, and prior to that, served as our Lead Independent Director since July 2012. Mr. Hines was the Executive Vice President and Chief Financial Officer of Dick's Sporting Goods, Inc., a sporting goods retailer, from 1995 to March 2007. From 1990 to 1995, he held management positions with Staples, Inc., most recently as Vice President, Finance. Earlier, he spent 12 years in public accounting, the last eight years with the accounting firm Deloitte & Touche, LLP in Boston. Mr. Hines serves on the board of directors of The TJX Companies, Inc., a retailer of apparel and home fashions ("TJX"), and is the chair of its audit committee and a member of its finance committee. He also serves on the board of directors of Dunkin Brands Group, Inc., the parent company of Dunkin' Donuts and Baskin-Robbins, for which he chairs the audit committee and is a member of the nominating and corporate governance committee. Mr. Hines's experience as a financial executive and certified public accountant, coupled with his extensive knowledge of financial reporting rules and regulations, evaluating financial results and generally overseeing the financial reporting process of large retailers, led to the conclusion that he should serve as a director on the Board.

Amy B. Lane, 63, became one of our directors in June 2011. Ms. Lane was a Managing Director and Group Leader of the Global Retailing Investment Banking Group at Merrill Lynch & Co., Inc., an investment bank, from 1997 until her retirement in 2002. Ms. Lane previously served as a Managing Director at Salomon Brothers, Inc., an investment bank, where she founded and led the retail industry investment banking unit. Ms. Lane serves on the board of directors of TJX, and is the chair of its finance committee and a member of its audit and executive committees. Additionally, she serves on the board of directors of Nextera Energy, Inc., an electric utility holding company for which she is a member of the compensation and finance committees, and on the board of directors of Urban Edge Properties, a REIT spun off from Vornado Realty Trust, for which she is a member of the audit committee and chair of the compensation committee. Ms. Lane's experience as the leader of two investment banking practices covering the global retailing industry has given her substantial experience with financial services, capital markets, finance and accounting, capital structure, acquisitions and divestitures in the retail industry as well as management, leadership and strategy, which led to the conclusion that she should serve as a director on the Board.

Philip E. Mallott, 58, became one of our directors in July 2012. Mr. Mallott retired as Vice President, Finance and Chief Financial Officer of Intimate Brands, Inc., a clothing retailer and former subsidiary of Limited Brands, Inc., and is currently a director of Big Lots, for which he serves as non-executive chair and as the chair of the audit committee. He most recently provided retail stock research as an independent consultant to Westminster Research Associates LLC and, prior to that, as an analyst for Coker & Palmer, Inc. Mr. Mallott previously served as a director of Tween Brands, Inc. from 2000 to 2009. Mr. Mallott's experience as a certified public accountant, his service on the boards of other public companies and charitable organizations, and his experience in leadership roles with other retailers led to the conclusion that he should serve as a director on the Board.

Robert F. Moran, 65, became one of our directors in June 2013. Mr. Moran most recently served as Chairman and Chief Executive Officer of PetSmart, Inc., a leading specialty provider of pet products, services and solutions ("PetSmart"), from February 2009 to June 2013. Prior to being appointed Chairman, Mr. Moran was PetSmart's President and Chief Executive Officer from June 2009 to January 2012 and its President and Chief Operating Officer from December 2001 to June 2009. Before joining PetSmart in 1999, Mr. Moran was president of Toys "R" Us Canada. Mr. Moran served on the boards of directors of Collective Brands, Inc. from March 2005 to October 2012 and of PetSmart from September 2009 to June 2013. He currently serves on the boards of directors of Hanesbrands, Inc. and the USA Track & Field Foundation. Mr. Moran's more than 30 years of executive leadership experience, both domestically and internationally, and extensive retail experience and expertise led to the conclusion that he should serve as a director on the Board.

Richard J. Wallace, 64, became one of our directors in July 2010. Mr. Wallace served as a Senior Vice President for Research and Development at GlaxoSmithKline, a global pharmaceutical company (“GSK”), from 2004 until his retirement in 2008. Prior to that, he served in various executive capacities for GSK and its predecessor companies and their subsidiaries from 1992 to 2004. Mr. Wallace is also a director of ImmunoGen, Inc. and served as a director of Clinical Data Inc. from September 2007 to April 2011. Mr. Wallace’s years of experience at several large pharmaceutical and consumer products companies and his significant corporate governance experience through his service on the boards of directors of other companies led to the conclusion that he should serve as a director on the Board.

The affirmative vote of the holders of a majority of the votes cast by our stockholders in person or represented by proxy and entitled to vote at the Annual Meeting is required to approve this Proposal 1.

Board Meetings in 2015

The Board held 10 meetings during our fiscal year ended December 31, 2015.

Director Attendance

During our fiscal year ended December 31, 2015, each of our directors attended at least 75% of the total number of meetings of the Board and committees on which he or she served. We encourage, but do not require, our directors to attend our annual meetings of stockholders. All of our current directors who were serving on the Board at the time of our 2015 Annual Meeting attended the meeting.

Director Independence

Our Common Stock has been listed for trading on the NYSE under the symbol "GNC" since March 31, 2011. The Board, upon the findings of the Nominating Committee, has determined that each of Ms. Lane and Messrs. Berger, Feldman, Hines, Mallott, Moran, O'Hara and Wallace is "independent" within the meaning of Rule 303A.02 of the NYSE Listed Company Manual, and no family relationships exist among such Nominees and any of our executive officers.

Leadership Structure

In July 2012, the Board adopted guidelines that provide the Board with the discretion and flexibility to decide if the roles of the Chief Executive Officer and Chairperson of the Board are to be separate or combined. Currently, the roles are separate, with Mr. Archbold serving as Chief Executive Officer and Mr. Hines, an independent director, serving as Chairman of the Board.

Risk Oversight

The Board plays an active role in overseeing management of our risks. The Board regularly reviews information regarding our credit, liquidity and operations, as well as the risks associated with each. The Audit Committee and Finance Committee each have responsibilities related to the oversight of management of financial risks. The Compensation and Organizational Development Committee of the Board (the "Compensation Committee") is responsible for overseeing the management of risks relating to our executive compensation policies and arrangements. The Nominating and Corporate Governance Committee of the Board (the "Nominating Committee") is responsible for managing risks relating to our director compensation policies and arrangements, the independence of the Board and other corporate governance matters. While each of the Committees is responsible for evaluating certain risks and overseeing the management of such risks, the Board as a whole is regularly informed of the conclusions of such evaluations through reports of the Committees.

Board Committees

Each of the following Committees is a standing committee of the Board. The Board has adopted written charters for the Audit Committee, the Compensation Committee, the Finance Committee and the Nominating Committee, each of which is available on the Corporate Governance page of the Investor Relations section of our website located at www.gnc.com and will be provided to any stockholder free of charge upon request. Further, each member of the Audit Committee, Compensation Committee, Finance Committee and Nominating Committee has been determined by the Board to be independent under the NYSE's current listed company standards.

Audit Committee

The Audit Committee, which held eight meetings during our fiscal year ended December 31, 2015, currently consists of Jeffrey P. Berger, Michael F. Hines, C. Scott O'Hara and Philip E. Mallott, who acts as its chair. The Board has determined that each of Messrs. Berger, Hines and Mallott qualifies as an "audit committee financial expert" as defined in Item 407(d)(5)(ii) of Regulation S-K and has the attributes set forth in such section.

The principal duties and responsibilities of the Audit Committee are to:

- monitor our financial reporting process and internal control system;
- appoint and replace our independent registered public accounting firm from time to time, determine its compensation and other terms of engagement and oversee its work;
- oversee our audit and financial statements and related disclosures;
- oversee the performance of our internal audit function; and
- oversee our compliance with legal, ethical and regulatory matters.

The Audit Committee has the power to investigate any matter brought to its attention within the scope of its duties. It also has the authority to retain counsel and advisors to fulfill its responsibilities and duties.

Compensation and Organizational Development Committee

The Compensation Committee, which held seven meetings during our fiscal year ended December 31, 2015, currently consists of Amy B. Lane, Philip E. Mallott, Robert F. Moran and Richard J. Wallace, who acts as its chair.

The principal duties and responsibilities of the Compensation Committee are to:

- oversee the development and implementation of our executive compensation policies and objectives;
- determine the structure of our executive compensation packages generally;
- determine the annual compensation paid to each of our senior executives;

- review and recommend to the Board for approval the frequency with which the Company will conduct stockholder advisory votes on executive compensation, taking into account the results of the most recent stockholder advisory vote;

- work with the Company's Chief Executive Officer to develop succession plans for the Company and development initiatives for our senior executives; and
- review and evaluate the implementation and effectiveness of such succession plans and development initiatives.

Compensation Committee Interlocks and Insider Participation. For our fiscal year ended December 31, 2015, (i) no member of the Compensation Committee has (a) served as one of our officers or employees or (b) had any relationship requiring disclosure under Item 404 of Regulation S-K, and (ii) none of our executive officers served as a director or member of the compensation committee of another entity whose executive officers served on the Board or the Compensation Committee.

- review the Company's stock ownership profile and the performance of the Company's Common Stock.

Nominating and Corporate Governance Committee

The Nominating Committee, which held four meetings during our fiscal year ended December 31, 2015, currently consists of Alan D. Feldman, C. Scott O'Hara, Richard J. Wallace and Jeffrey P. Berger, who acts as its chair.

The principal duties and responsibilities of the Nominating Committee are as follows:

- to establish criteria for board and committee membership and recommend to the Board proposed nominees for election to the Board and for membership on committees of the Board;
- to make recommendations to the Board regarding board governance matters and practices; and
- to determine the structure and oversee the development and implementation of our director compensation policies and objectives.

Director Qualifications; Nominating Committee Process. The Nominating Committee's policy is to identify potential director nominees from any properly submitted nominations, including any properly submitted nominations from our stockholders, and subsequently evaluate each potential nominee. Stockholders may nominate director candidates for consideration by the Nominating Committee as set forth below.

To be timely for consideration by the Nominating Committee, notice of a proposed nomination must be delivered to or mailed and received at the Company's principal executive offices not earlier than 120 days nor fewer than 90 days in advance of the date on which the Company first mailed its proxy materials for the previous year's annual meeting of its stockholders; provided, however, that if the date of the annual meeting is more than 30 days prior to or delayed by more than 70 days after the anniversary of the preceding year's annual meeting, the nomination must be received not earlier than the 120th day prior to the date of such annual meeting nor later than the later of (i) the 90th day prior to the date of such annual meeting or (ii) the 10th day following the day on which public announcement of such meeting date is first made.

In addition to information regarding the nominating stockholder as set forth in the Company's amended and restated by-laws, such stockholder's notice must set forth as to each individual whom the stockholder proposes to nominate for election or reelection as a director:

- the name, age, business address and residence address of such individual;
- the class, series and number of any shares of stock of the Company that are beneficially owned by such individual;
- the date such shares were acquired and the investment intent of such acquisition;
- whether such stockholder believes any such individual is, or is not, "independent" as set forth in the requirements established by NYSE or any other exchange or automated quotation service on which the Company's securities are listed, and information regarding such individual that is sufficient, in the discretion of the Board or any committee thereof or any authorized officer of the Company, to make either such determination; and
- all other information relating to such individual that is required to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the Securities Exchange Act of 1934, as amended (the "Exchange Act") and the rules and regulations promulgated thereunder.

Any such submission must be accompanied by the written consent of the individual whom the stockholder proposes to nominate to being named in the proxy statement as a nominee and to serving as a director if elected.

The Nominating Committee may, but is not required to, consider nominations not properly submitted in accordance with the Company's Corporate Governance Guidelines, and the Committee may request further information and documentation from any proposed nominee or from any stockholder proposing a nominee. All nominees properly submitted to the Company (or which the Nominating Committee otherwise elects to consider) will be evaluated and considered by members of the Nominating Committee using the same criteria as nominees identified by the Nominating Committee itself.

In evaluating the suitability of individual candidates (both new candidates and current Board members), in recommending candidates for election, and in approving (and, in the case of vacancies, appointing) such candidates, the Nominating Committee considers, in addition to such other factors as it shall deem relevant, the desirability of selecting directors who:

- are of high character and possess fundamental qualities of intelligence, honesty, good judgment, integrity, fairness and responsibility;
- have the ability to make independent analytical inquiries and possess a general understanding of marketing, finance, and other elements relevant to the success of a publicly traded company;
- are accomplished in their respective fields, with superior credentials and recognition;
- understand our business on a technical level and have relevant expertise and experience upon which to be able to offer advice and guidance to management;
- have sufficient time available to devote to the affairs of our Company;
- are able to work with the other members of the Board and contribute to our success;
- can represent the long-term interests of our stockholders as a whole; and
- are selected such that the Board represents a range of backgrounds and experience.

The Nominating Committee conducts the appropriate and necessary inquiries (as determined by the Nominating Committee) with respect to the backgrounds and qualifications of any potential nominees, without regard to whether a potential nominee has been recommended by our stockholders, and, upon consideration of all relevant factors and circumstances, recommends to the Board for its approval the slate of director nominees to be nominated for election at our annual meeting of stockholders. The Nominating Committee considers potential nominees without regard to race, color, creed, religion, national origin, age, gender, sexual orientation or disability. The Nominating Committee has not adopted a formal policy with respect to diversity.

Narrative to the Director Compensation Table. In July 2013, based in part on recommendations of Hay Group, we adopted a director compensation policy (the "Director Compensation Policy") pursuant to which each non-employee director is entitled to receive an annual cash retainer for his or her service as a member of our Board, as well as additional cash retainers for his or her service as a member or Chairperson of one of the various Committees of the Board, and an annual equity award. The Board believes that payments of retainer fees provide an appropriate balance of incentives for active participation and ease of administration, while the grant of annual equity awards align the long-term financial interests of our directors and our stockholders. Specifically, each of our directors currently is entitled to (i) an annual cash retainer for his or her Board service of \$80,000, (ii) an incremental annual cash retainer of \$17,500, \$15,000, \$12,500 or \$12,500 for service as Chairperson of the Audit Committee, Compensation Committee, Finance Committee or Nominating Committee, respectively, (iii) an incremental annual cash retainer of \$12,500 to the extent he or she otherwise serves as a member of the Audit Committee, or \$10,000 to the extent he or she otherwise serves as a member of the Compensation Committee, Finance Committee and/or Nominating Committee, and (iv) \$110,000 in annual equity awards.

In August 2014, the Board appointed Mr. Hines, who previously served as Lead Independent Director, to serve as Chairman of the Board and, in connection therewith, provided for Mr. Hines to receive an incremental cash retainer of \$100,000 for his service as such through May 2015, following which, the Board determined in consultation with its independent compensation consultant that the Chairman is entitled to receive an annual, incremental cash retainer of \$100,000 for his or her service as such.

The annual cash retainers paid to our non-employee directors under the Director Compensation Policy are generally paid in four equal quarterly installments every March, June, September and December.

We also maintain a deferred compensation plan under which our non-employee directors may elect to defer all or a portion of their cash fees or restricted stock retainers until the earliest of separation from the Board, death, a specified future date or a change in control of the Company. Annual stock retainers are deferred in the form of RSUs with identical vesting schedules to the shares of restricted stock.

Director Stock Ownership Guidelines. We believe that, to align the interests of our non-employee directors with our stockholders, our directors should hold a financial stake in the Company. The Board adopted a policy in December 2011 requiring each of our non-employee directors to own stock in the Company equal to a minimum of five times such director's annual cash retainer for service on the Board (the "Director Stock Ownership Guidelines"). Our directors have five years from the date of adoption of the Director Stock Ownership Guidelines or, with respect to newly elected directors, five years from the date of their election, to comply with the Director Stock Ownership Guidelines, and should retain at least 50% of all after-tax shares owned by or underlying equity awards granted to them (other than those granted on or prior to December 11, 2012) until the ownership thresholds are met. The Nominating Committee will evaluate whether exceptions should be made for any director on whom this requirement would impose a financial hardship or for other appropriate reasons as determined by the Nominating Committee. For the purposes of the Director Stock Ownership Guidelines, stock includes (i) directly held shares of our Common Stock, (ii) shares of unvested restricted stock and unvested restricted stock units (other than unvested shares of performance-vested restricted stock or unvested performance-vested restricted stock units) and (iii) vested shares of Common Stock allocated to the account of a non-employee director who was formerly an employee of the Company under any plan qualified under Section 401(a) of the Internal Revenue Code of 1986, as amended.

Code of Ethics

We have adopted a Code of Ethics applicable to our Chief Executive Officer and senior financial officers and a Code of Business Conduct and Ethics that is applicable to all employees. Each document is available on the Corporate Governance page of the Investor Relations section of our website located at www.gnc.com and will be provided to any stockholder free of charge upon request. Any amendments to or waivers from our Code of Ethics with respect to our Chief Executive Officer and senior financial officers will also be disclosed on our website. Employees generally receive annual training with respect to the expectations specified in the Code of Business Conduct and Ethics, and acknowledge that they understand their responsibilities and will comply with all aspects of the Code of Business Conduct and Ethics.

Certain Relationships and Related Party Transaction

We recognize that transactions between the Company and related persons present a potential for actual or perceived conflicts of interest. Our general policies with respect to such transactions are included in our Code of Business Conduct and Ethics. All employees are required to follow the Code of Business Conduct and Ethics, and the Audit Committee of the Board, along with Corporate Compliance staff led by our Chief Legal Officer, oversee our Code of Business Conduct and Ethics. Although we have not adopted formal procedures for the review, approval or ratification of transactions with related persons, the Board reviews potential transactions with those parties we have identified as related parties prior to the consummation of the transaction, and we adhere to the general policy that such transactions should only be entered into if they are approved by the Board, in accordance with applicable law, and on terms that, on the whole, are no more or less favorable than those available from unaffiliated third parties.

In 2015, we did not participate in any transactions involving an amount in excess of \$120,000 in which any related person (as defined in Instruction 1 to Item 404 (a) of Regulation S-K) has or will have a direct or indirect material interest.

**ADVISORY VOTE ON EXECUTIVE COMPENSATION
(PROPOSAL 2)**

In accordance with Section 14A of the Exchange Act, we are providing our stockholders the opportunity to cast a non-binding advisory vote to approve the compensation of our Named Executive Officers. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on the compensation of our Named Executive Officers. Our Board recommended, and the stockholders approved at our 2012 annual meeting of stockholders, that such advisory vote would be conducted on an annual basis.

As described in the “Compensation Discussion and Analysis” section of this proxy statement, the primary objectives of our executive compensation program are to (i) align cash and stock-based rewards with individual performance that created stockholder value, (ii) attract and retain high quality employees, (iii) build an ownership mentality among our key employees and (iv) provide cost effective cash and stock-based rewards that are competitive with other organizations and fair to our stockholders and employees. The foregoing objectives are applicable to the compensation of our Named Executive Officers.

We believe that our executive compensation program achieves these objectives by emphasizing long-term stock-based incentive awards and performance-based compensation, is appropriate in light of our overall compensation philosophy and objectives, and will play an essential role in our future success.

Therefore, the Board recommends a vote in favor of the following resolution:

“RESOLVED, that the compensation paid to the Company’s Named Executive Officers for fiscal year ended December 31, 2015, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.”

As an advisory vote, this proposal is not binding upon us. Notwithstanding the advisory nature of this vote, the Compensation Committee values the opinions expressed by stockholders in their vote on this proposal, and will consider the outcome of the vote when making future compensation decisions for our named executive officers. The affirmative vote of the holders of a majority of the votes cast by our stockholders in person or represented by proxy and entitled to vote is required to approve this Proposal 2.

Recommendation

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS FOR THE COMPANY’S FISCAL YEAR ENDED DECEMBER 31, 2015, AS DISCLOSED IN THESE PROXY MATERIALS.

COMPENSATION DISCUSSION AND ANALYSIS

This section discusses the material elements of compensation awarded to, earned by or paid to our principal executive officer, our principal financial officer, and our three other most highly compensated executive officers who were serving as such on December 31, 2015. These individuals are referred to collectively as the “Named Executive Officers.”

For 2015, the Named Executive Officers were:

Name	Title
Michael G. Archbold	Chief Executive Officer
Tricia K. Tolivar	Chief Financial Officer
Michael D. Dzura	Executive Vice President, Operations
Jeffrey R. Hennion	Executive Vice President, Chief Marketing and e-Commerce Officer
Guru Ramanathan	Senior Vice President and Chief Innovation Officer

Executive Summary

In 2015, we continued to focus on growing our domestic, international and e-commerce business and leveraging the GNC brand. While our business remains profitable and recognizes strong cash flow, we continued to face ongoing and significant challenges to our strategy and our business during 2015, including increased competition and year-over-year declines in same store sales.

Historically, our executive compensation program has been structured to generate and reward superior company performance by establishing compensation packages under which variable, or incentive, compensation is weighted more heavily than base salary. We have established compensation programs to motivate our executives to focus on both our short- and long-term performance by providing a mix of short- and long-term incentive compensation in the form of annual cash incentive compensation and long-term equity-based incentive compensation. We believe that this approach aligns the incentives of our executives with the interests of our stockholders.

Long-term Incentive Compensation. We maintain a long-term incentive program that principally utilizes “full-value” awards, such as restricted stock, restricted stock units (“RSUs”) and performance shares (“PSUs”), in some cases in combination with stock options. We believe that our long-term incentive program cultivates an ownership mentality among our executives that serves to focus management on achieving our strategic and financial objectives, thereby more closely aligning the interests of our executives with the long-term interests of our stockholders. In February 2015, our executives, including our Named Executive Officers serving in that capacity at the time, received long-term incentive grants for 2015 that were comprised entirely of restricted stock (50%) and performance-vested restricted stock (50%). In connection with the commencement of employment by the Company in 2015, Mr. Dzura and Ms. Tolivar each received a long-term incentive grant comprised 50% of RSUs and 50% of PSUs. For more information, see “ - Elements of Compensation - Long-Term Incentive Compensation” below.

Annual Cash Incentive Compensation. For 2015, we approved an annual cash incentive compensation program for our executives based upon two performance metrics: earnings before interest and taxes (“EBIT”) (weighted 75%) and revenue (weighted 25%). We believed that these criteria would incentivize our executives to focus on multiple performance drivers throughout our business. The Company’s performance for 2015 resulted in payouts for our Named Executive Officers that were below target. For more information, see “ - Elements of Compensation - Annual Cash Incentive Compensation” below.

Other 2015 Compensation Highlights

At our 2015 annual meeting, our stockholders approved, on a non-binding, advisory basis, the “say-on-pay” proposal with respect to our 2014 executive compensation program by a percentage of more than 99% of the shares voted. We considered the results of this vote and, in light of this overwhelming stockholder support, we did not make any specific changes to our 2015 executive compensation program based on the outcome of the say-on-pay vote.

In February 2016, the Compensation Committee reviewed our executive compensation program with management from a risk perspective and determined that there are no risks created by our compensation policies and practices that are reasonably likely to have a material adverse effect on the Company. In reaching this conclusion, the Compensation Committee considered various factors, including the balance between annual and long-term compensation and between fixed and variable compensation, the use of multiple types of long-term incentive awards, the use of multiple performance criteria (including both short- and long-term criteria) for payment of incentive compensation, the use of performance measures that are intended to increase stockholder value if goals are achieved, and various compensation policies and practices that mitigate excessive risk (including substantial stock ownership requirements for key executives, the clawback feature of the Company’s equity awards, the Committee’s negative discretion to reduce the amount of incentive awards, and the prohibition on hedging or pledging of Company stock by executives).

Compensation Policies and Objectives

The primary objectives of our executive compensation program are to:

- align cash and stock-based awards with individual and corporate performance that creates stockholder value;
- attract and retain high quality employees;
- build an ownership mentality among our key employees; and
- provide cost effective cash and stock-based rewards that are competitive with other organizations and fair to our stockholders and employees.

To facilitate these objectives, the Company provides base salary and related benefit plans, annual cash incentive compensation and long-term incentive compensation. These objectives apply to the compensation of the Named Executive Officers and to the elements of their respective executive compensation packages as follows:

Base Salary. The objective in determining base salaries for the Named Executive Officers is to set base salaries at levels that are (i) sufficient to attract and retain high quality, qualified employees and (ii) considered fair to our stockholders and employees. The Compensation Committee seeks to set base salaries at levels that are competitive with a peer group of companies. In addition, base salaries are influenced by the complexity and level of the applicable position.

Annual Cash Incentive Compensation. We use annual cash incentive compensation to incentivize the Named Executive Officers to contribute to our growth and financial performance and to provide rewards based on achievement of predetermined goals that are intended to drive increases in stockholder value. As additional cash compensation that is contingent on our financial performance, annual cash incentive compensation augments the base salary component while being tied to our financial performance.

Long-term Incentive Compensation. We believe that stock-based awards are important in building an ownership mentality among our executives and aligning the long-term financial interests of our executives with those of our stockholders. Time- and performance-vested awards provide incentives to drive performance, but have long-term horizons because value to our executives is dependent on continued employment, the achievement of pre-established performance goals (in the case of PSUs) and, ultimately, increases in the market value of our Common Stock.

Benefits and Perquisites. The Named Executive Officers are entitled to participate in, and to receive benefits under, the benefit plans, arrangements and policies available to our employees or executives generally. During the first quarter of 2015, Dr. Ramanathan received certain perquisites as described below under “- Elements of Compensation - Benefits and Perquisites.” In April 2015, the Company terminated the payment of perquisite allowances for all of its executives. For more information, see also “ - Elements of Compensation - Base Salary.”

Executive Compensation Process

Role of the Compensation Committee

The Compensation Committee oversees the development and implementation of our executive compensation policies and objectives, determines the structure of our executive compensation packages generally, determines the actual compensation paid to each of our senior executives and evaluates the performance of our Chief Executive Officer. In addition, the Compensation Committee has the authority to (i) review our incentive compensation plans, recommend changes to such plans to the Board and exercise all the authority of the Board with respect to the administration of such plans, and (ii) retain, terminate and set the terms of our and the Compensation Committee’s relationship with any consultants and other outside advisors who assist the Compensation Committee in carrying out its duties.

Role of Management

The Compensation Committee considers the recommendations of management, principally our Chief Executive Officer, when determining the structure of our executive compensation packages generally and the actual compensation paid to each of our senior executives. However, the Compensation Committee does not delegate any of its functions to others in setting compensation, and no Named Executive Officer is a member of the Compensation Committee. In addition, our Chief Executive Officer does not provide recommendations with respect to his own compensation.

Role of Outside Advisors

The Compensation Committee has retained Hay Group as an independent consultant to provide information, advice and recommendations regarding our executive compensation policies and design. In 2015, the Compensation Committee engaged Hay Group to review and provide information, advice and recommendations regarding our executive compensation program generally, as well as the individual compensation packages of each of our senior executives, including the Named Executive Officers. As discussed below under “-Use of Peer Group Data,” at the direction of the Compensation Committee, Hay Group worked with our Chief Executive Officer and our Human Resources personnel to compare our executive compensation packages to those of a group of comparable companies.

Hay Group provides advice and recommendations to the Compensation Committee and reports to the Compensation Committee. Prior to its original engagement in 2011, Hay Group had not previously worked with the Company in any capacity, nor has it served us in any capacity, other than as a consultant to the Compensation Committee. The Compensation Committee has reviewed and considered information provided to it by Hay Group, the Compensation Committee members and our executive officers, and based on its review and the factors described in the NYSE listing standards and such other factors as it deemed relevant, the Compensation Committee has concluded that Hay Group is independent, that the advice it receives from Hay Group is objective and that Hay Group's work has not raised any conflict of interest. In December 2015, Korn Ferry acquired Hay Group, which became a wholly-owned subsidiary of Korn Ferry. GNC has engaged Korn Ferry to provide executive search services in the past and may do so from time to time in the future.

Use of Peer Group Data

Since the Company's initial public offering in 2011, the Compensation Committee has sought to determine how our compensation programs compare to other publicly traded companies similar to us. The Compensation Committee seeks to set compensation for the Named Executive Officers at levels that are competitive with similar companies in our industry but consistent with our growth strategy and with an emphasis on variable compensation, rather than fixed compensation.

With the assistance of Hay Group, the Compensation Committee updated its peer group in October 2014 in order to appropriately reflect companies with revenue sizes, sectors and business models similar to our own. The updated peer group (the "2015 Peer Group"), which was used for comparative purposes in setting the levels of the 2015 long-term equity awards and cash compensation levels for our Named Executive Officers (other than Ms. Tolivar, for whom 2015 compensation levels were determined in connection with her hiring), was comprised of the following 15 companies:

American Eagle Outfitters, Inc.	Herbalife Ltd.	Ulta Salon Cosmetics
Cabela's, Inc.	Lululemon Athletica, Inc.	Under Armour, Inc.
Dick's Sporting Goods, Inc.	Mead Johnson Nutrition Co.	Vitamin Shoppe, Inc.
Fresh Market, Inc.	Panera Bread Co.	Weight Watchers International, Inc.
Hain Celestial Group, Inc.	Sally Beauty Holdings, Inc.	Williams Sonoma, Inc.

Following further consultation with Hay Group in 2015, the Compensation Committee removed Under Armour, Inc. from the peer group and added the following four companies:

Deckers Outdoor Corporation
 Pier 1 Imports, Inc.
 The Finish Line, Inc.
 Sprouts Farmers Markets, Inc.

We used this revised peer group for comparative purposes in setting our most recent long-term equity awards and 2016 cash compensation levels for our executives, including the Named Executive Officers.

Elements of Compensation

Base Salary

We pay base salaries to the Named Executive Officers. With respect to 2015, the Compensation Committee increased the annual base salaries of Mr. Archbold, Mr. Hennion and Dr. Ramanathan as follows:

Name	2014 Base Salary (\$)	2015 Base Salary (\$)	Percentage Increase (%)
Michael Archbold	950,000	975,000	2.6
Jeffrey Hennion	470,000	484,100	3.0
Guru Ramanathan	340,930	380,957	11.7

Of the increase in Dr. Ramanathan's base salary, \$29,800 was attributable to the Company's decision, effective in April 2015, to terminate perquisite allowances for all of its executives and to provide an equivalent increase in base salary. Ms. Tolivar and Mr. Dzura joined the Company during 2015. Their annualized base salaries in 2015 were \$425,000 and \$500,000, respectively.

Annual Cash Incentive Compensation

Annual cash incentive compensation is documented in an annual plan that is adopted by the Compensation Committee under the Company's stock and incentive plan prior to or during the first quarter of the applicable year. The annual performance bonus for each Named Executive Officer has a threshold, target and maximum bonus amount expressed as a percentage of his or her annual base salary. The respective percentages are determined by position and level of responsibility and are stated in the annual cash incentive compensation plan adopted by the Compensation Committee. The annual cash incentive plan for 2015 performance (the "2015 Incentive Plan") was adopted by the Compensation Committee in January 2015 and provided for the following threshold, target and maximum bonus amounts, expressed as a percentage of base salary:

Level	2015 Incentive Plan		
	Threshold Amount	Target Amount	Maximum Amount
Chairman of the Board, President and Chief Executive Officer	25%	100%	200%
Executive Vice President	15%	60%	120%
Senior Vice President	11.25%	45%	90%

The targets under the 2015 Incentive Plan were generally based on our achievement of (i) a predetermined level of EBIT, which is calculated at the end of the year including certain specified adjustments disclosed in our quarterly earnings reports and (ii) other objective, quantifiable performance goals related to each participant's position. With respect to each of our Named Executive Officers, the targets were based on our achievement of the EBIT and revenue targets set forth in the table below. They were entitled to receive 75% of the target bonus amount if we achieved budgeted EBIT equal to the target and 25% if we achieved budgeted revenue growth.

The thresholds and related goals for our Named Executive Officers under the 2015 Incentive Plan were as follows:

	Threshold	Target	Maximum	Relative Weight
EBIT (\$ in millions)	431.9	466.9	513.6	75%
Revenue (\$ in millions)	2,664.4	2,768.2	2,906.6	25%

Results of the 2015 Incentive Plan. We achieved adjusted EBIT (as calculated for purposes of the 2015 Incentive Plan) above the specified threshold (but below target), while our 2015 revenue did not meet the specified threshold. Specifically, our results achieved for purposes of the 2015 Incentive Plan were as follows:

Performance Measure	Achieved Results
EBIT (\$ in millions)	434.3

Revenue (\$ in millions)	2,639
--------------------------	-------

Based on these results, under the terms of the 2015 Incentive Plan, our Named Executive Officers each received cash incentive compensation equal to approximately 22.7% of their respective target awards.

Long-term Incentive Compensation

2015 Annual Long-Term Incentive Awards. Substantially all of our employees, and the employees of our direct and indirect subsidiaries and other affiliates, including the Named Executive Officers, are eligible for awards of stock options, restricted stock, restricted stock units (including performance-vested restricted stock units) and other stock-based awards under the terms of the 2015 Stock and Incentive Plan (the "2015 Stock Plan"), which was adopted in 2015. The Compensation Committee is responsible for administering, selecting the individuals who are eligible to participate in and determining the types and amounts of stock-based awards granted under the 2015 Stock Plan. The Compensation Committee has discretion to delegate all or a portion of its authority under the 2015 Stock Plan. In 2007, we adopted the GNC Acquisition Holdings Inc. 2007 Stock Incentive Plan (the "2007 Stock Plan") and in 2011, we adopted the GNC Holdings, Inc. 2011 Stock and Incentive Plan (the "2011 Stock Plan"), under which plans awards are outstanding. Following the adoption of the 2015 Stock Plan, we have not granted and will not grant any additional awards under the 2007 Stock Plan or the 2011 Stock Plan.

Stock options granted under the 2007 Stock Plan, the 2011 Stock Plan and the 2015 Stock Plan generally are subject to vesting in annual installments and have terms of seven to ten years. The Compensation Committee determines the size of stock-based awards for each Named Executive Officer in accordance with the Named Executive Officer's performance and level of position. Options and other stock-based awards under the 2011 Stock Plan and the 2015 Stock Plan are subject to clawback by the Company if the participant engages in any "detrimental activity" during the participant's service or for one year after the participant's service ends, which is generally defined to include disclosing confidential information about the Company, engaging in activities that result (or would result if known) in the termination of the participant's service for cause, soliciting the Company's employees on behalf of a competing employer, or materially breaching any agreement between the participant and the Company.

The Compensation Committee generally considers grants of long-term incentive compensation awards on an annual basis, except for new hires.

In February 2015, we granted long-term incentive awards covering fiscal 2015 to our executives, including Mr. Archbold, Mr. Hennion and Dr. Ramanathan, under the 2011 Stock Plan. Base award values for these long-term incentive grants were determined based in part on the results of Hay Group's analysis of the compensation packages of top executives at companies in our peer group, and were intended to be competitive compared to long-term incentive awards granted to executives with comparable titles and responsibilities within our peer group. The awards were composed in equal parts of time-vested restricted stock awards ("RSAs") and performance-vested restricted stock awards ("PSAs"), with the RSAs vesting in annual installments over three years from the grant date and the PSAs cliff vesting on December 31, 2017 if the performance goals are achieved, as described below. For the February 2015 awards, the number of RSAs and PSAs in each award was determined by dividing the portion of the total award value attributable to RSAs or PSAs by \$49.13, which was the closing price per share of our Common Stock on February 18, 2015.

Management Realignment and Related Grants. During the second half of 2014, the Company experienced significant management realignment, which continued through the first half of 2015. In connection with commencing employment with the Company in February and March 2015, respectively, Mr. Dzura and Ms. Tolivar each received grants under the 2011 Stock Plan. Mr. Dzura received a grant comprised 50% of RSAs and 50% of stock options, with the RSAs vesting in annual installments over three years from the grant date and the options vesting in annual installments over four years from the grant date. Additionally, Mr. Dzura received a grant of PSAs in connection with the February 2015 grants described above. Ms. Tolivar received a grant comprised 50% of RSAs and 50% of PSAs with the RSAs vesting in annual installments over three years from the grant date and the PSAs cliff vesting on December 31, 2017 if the performance goals are achieved, as described below. The structure and base value for the initial long-term incentive grants to Ms. Tolivar and Mr. Dzura were determined in consultation with Hay Group, based in part on its analysis of the compensation packages of top executives at companies in our peer group, and were intended to be competitive compared to long-term incentive awards granted to executives with comparable titles and responsibilities within our peer group.

Summary of 2015 Named Executive Officer Awards. The total award values for the 2015 awards for our Named Executive Officers, together with the corresponding number of (a) RSAs, (b) target PSAs and (c) stock options awarded to each of our Named Executive Officers, is set forth below:

Name	Total Award Value (\$)	Number of Stock Options (#)	Number of RSAs(#)	Target Number of PSAs (#)
Michael Archbold	3,500,000	—	35,619	35,619
Tricia Tolivar	750,000	—	7,714	7,714
Michael Dzura	1,000,000	26,150	8,546	5,088
Jeffrey Hennion	600,000	—	6,106	6,106
Guru Ramanathan	350,000	—	3,561	3,561

The performance metrics for the PSA component of these long-term incentive awards are earnings per share (EPS) growth and revenue growth, weighted equally. The Compensation Committee established minimum, target and maximum levels of achievement with respect to each metric. Performance is measured as of the end of the three-year performance period on December 31, 2017. At the minimum level of performance with respect to each metric, 50% of the PSAs vest; at the target level, 100% of the PSAs vest; and at or above the maximum level, 200% of the PSAs vest, provided, in each case, that the executive has remained employed until the end of the performance period. The applicable portion of the PSAs is forfeited if performance is below the threshold level with respect to a particular metric.

The threshold, target and maximum levels of performance with respect to each metric for the February 2015 PSA grants are as follows:

Metric	Weight	Threshold (50% payout)	Target (100% payout)	Maximum (200% payout)
EPS Growth*	50%	11%	15%	20%
Revenue Growth*	50%	5%	7%	9%

*Growth figures reflect compound annual growth over the three-year performance period. For performance between the threshold and target levels, or target and maximum levels, payouts are interpolated on a straight-line basis.

Benefits and Perquisites

Prior to 2015, we provided a perquisite allowance to certain executives of the Company, including Dr. Ramanathan. None of Mr. Archbold, Ms. Tolivar, Mr. Dzura or Mr. Hennion received a perquisite allowance, and in April 2015, the Company terminated the payment of perquisite allowances for all of its executives. In connection therewith, the Company raised the base salaries of certain executives to replace the terminated perquisite allowances, including with approval by the Compensation Committee, for Dr. Ramanathan, who received a \$29,450 increase in base salary to replace the terminated perquisite allowance.

Non-qualified Deferred Compensation Plan

We maintain the GNC Live Well® Later Non-Qualified Deferred Compensation Plan for the benefit of a select group of our highly compensated employees. Under this plan, certain eligible employees may elect to defer a portion of their future compensation under the deferred compensation plan by electing such deferral prior to the beginning of the calendar year during which the deferral amount would be earned. Ms. Tolivar, Mr. Dzura, Mr. Hennion and Dr. Ramanathan made contributions to the deferred compensation plan in 2015. For 2015, the Compensation Committee approved a dollar-for-dollar match with respect to the first three percent of a participant's compensation deferred under the Non-Qualified Deferred Compensation Plan. For more information regarding the deferred compensation plan, please see "2015 Non-Qualified Deferred Compensation Table" below.

Employment Agreements

We currently have employment agreements with Mr. Archbold and Dr. Ramanathan. Each such employment agreement provides that any incentive compensation payable to the Named Executive Officer will be subject to the clawback policies adopted or implemented by us, including in respect of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and any rules promulgated thereunder. Please see "Potential Payments Upon Termination or Change in Control" below for more information regarding such employment agreements and termination and payments made in connection with a change in control. Ms. Tolivar, Mr. Dzura and Mr. Hennion currently do not have employment agreements with the Company.

Mr. Archbold. Mr. Archbold's employment agreement (the "Archbold Agreement") provides that Mr. Archbold will serve as our Chief Executive Officer for a three-year term ending August 4, 2017, with automatic annual one-year renewals thereafter unless the Company provides Mr. Archbold with at least one-year's advance notice or Mr. Archbold provides the Company with at least 60 days' advance notice, of non-renewal, or to the extent terminated earlier as otherwise provided under the Archbold Agreement.

Dr. Ramanathan. In February 2012, we entered into an amended and restated employment agreement with Dr. Ramanathan for an initial two-year term ending in February 2014, with automatic annual one-year renewals thereafter unless either party provides at least 30 days' advance notice of non-renewal. As no such notice was provided, Dr. Ramanathan's agreement automatically renewed most recently in February 2016 for an additional one-year term expiring in February 2017.

Impact of Accounting and Tax Considerations

As a general matter, the Compensation Committee reviews and considers the various tax and accounting implications of the compensation vehicles we utilize.

Section 162(m) of the Internal Revenue Code generally disallows public companies a tax deduction for compensation in excess of \$1,000,000 paid to their chief executive officer and their three other most highly compensated executive officers (excluding the chief financial officer) unless certain performance and other requirements are met.

The 2011 Stock Plan constituted a plan described in Treasury Regulation Section 1.162-27(f)(1), pursuant to which the deduction limits under Section 162(m) of the Internal Revenue Code did not apply during the applicable reliance period, which expired concurrent with our 2015 annual meeting of stockholders, and for certain awards granted during the reliance period. Our intent generally is to design and administer executive compensation programs in a manner that will preserve deductibility of compensation paid to our executives, and we believe that a substantial portion of our current executive compensation program (including the annual incentive program and the long-term incentive awards that may be granted under the 2015 Stock Plan) will satisfy the requirements for exemption from the \$1,000,000 deduction limitation. However, there can be no assurance that any amounts paid under such compensation programs will be deductible under Section 162(m). Additionally, we reserve the right to design programs and to structure other compensation arrangements that recognize a full range of performance criteria important to our success or that contain different terms, even where the compensation paid under such programs may not be deductible. The Compensation Committee will, in the exercise of its business judgment, continue to monitor our executive compensation program as part of its primary objective of ensuring that compensation paid to our executives is reasonable, performance-based and consistent with our goals and the goals of our stockholders.

Executive Stock Ownership Guidelines

We believe that, to align the long-term financial interests of our executive officers with those of our stockholders, our executives should hold a financial stake in the Company. The Board adopted a policy in December 2011 (revised most recently in February 2015) requiring our Chief Executive Officer and other executive officers to own stock in the Company (our "Executive Stock Ownership Guidelines"). Specifically, our Executive Stock Ownership Guidelines specify that our (i) Chief Executive Officer should own Company stock with an aggregate value at least equal to six times his or her annual base salary, (ii) Executive Vice Presidents should own Company stock with an aggregate value at least equal to two times their respective base salaries and (iii) our Senior Executive Officers subject to the Executive Stock Ownership Guidelines should own Company stock with an aggregate value at least equal to their annual base salaries. The Executive Stock Ownership Guidelines provide that our executive officers have five years from the date of adoption of the Executive Stock Ownership Guidelines or, with respect to newly appointed executive officers, five years from the date of their appointment, to comply with the Executive Stock Ownership Guidelines, and should retain at least 50% of all after-tax shares owned by or underlying equity awards granted to them after December 11, 2012 until the ownership thresholds are met. The Compensation Committee will evaluate whether exceptions should be made for any executive officer on whom this requirement

would impose a financial hardship or for other appropriate reasons as determined by the Compensation Committee. For the purposes of the Executive Stock Ownership Guidelines, stock includes (i) directly held shares of our Common Stock, (ii) shares of unvested restricted stock or restricted stock units (other than unvested shares of performance-vested restricted stock or unvested performance-vested restricted stock units) and (iii) vested shares of our Common Stock held in any plan qualified under Section 401(a) of the Internal Revenue Code of 1986, as amended.

Policy on Hedging and Pledging of Company Stock

We have a policy applicable to our directors and all of our employees, including our Named Executive Officers, that prohibits such persons from (i) within six months after purchasing any Company securities, selling any Company securities of the same class, (ii) selling the Company's securities short, (iii) buying or selling puts or calls or other derivative securities on the Company's securities, (iv) holding Company securities in a margin account or pledging Company securities as collateral for a loan or (v) entering into hedging or monetization transactions or similar arrangements with respect to Company securities.

Named Executive Officer Compensation

Summary Compensation Table

The following table sets forth information concerning compensation we paid to the Named Executive Officers for services rendered in all capacities to us during our last three fiscal years. In accordance with SEC rules, the compensation described in this table does not include the value of medical or group life insurance received by the Named Executive Officers that is available generally to all of our salaried employees. Only 2015 compensation is presented for Ms. Tolivar and Mr. Dzura, because in each case, 2015 was his or her first year with the Company. Only 2015 and 2014 compensation is presented for Mr. Archbold and Mr. Hennion, because neither was employed with the Company during 2013. A “Change in Pension Value and Nonqualified Deferred Compensation Earnings” column is not presented because none of our Named Executive Officers participate in a pension plan or receive above-market or preferential earnings on nonqualified deferred compensation.

Name and Principal Position	Year	Salary (\$)	Bonus (\$)(1)	Option Awards (\$)(2)	Stock Awards (\$)(3)	Non-Equity Incentive Plan Compensation (\$)(4)	All Other Compensation (\$)(5)	Total (\$)

	2013	331,561	32,014	—	75,014	94,191	33,295	566,075

For 2015, reflects signing bonuses paid to Ms. Tolivar and Mr. Dzura. For 2014, reflects (a) a \$150,000 signing (1) bonus and a \$395,833 annual bonus paid to Mr. Archbold pursuant to the terms of his employment agreement, and (b) a signing bonus paid to Mr. Hennion.

Reflects the aggregate grant date fair value of options granted during each fiscal year, which has been computed in accordance with FASB ASC Topic 718. For the assumptions underlying the calculation of the aggregate grant date (2) fair value, see Note 14, “Stock-Based Compensation Plans,” to our audited consolidated financial statements included in the Annual Report. The amounts may not correspond to the actual value that may be realized by such persons with respect to these awards.

(3) Reflects the aggregate grant date fair value of time-vested restricted stock and RSUs granted during each fiscal year, which has been computed in accordance with FASB ASC Topic 718. For 2015, reflects the aggregate grant

data fair value of PSAs included as part of incentive awards granted to Messrs. Archbold, Hennion and Dzura and Dr. Ramanathan in February 2015 and to Ms. Tolivar in March 2015. For 2014, reflects the aggregate grant date fair value of PSUs included as part of the incentive awards granted to Dr. Ramanathan in February 2014. For 2013, reflects the aggregate grant date fair value of PSUs included as part of the incentive awards granted to Dr. Ramanathan in October 2012, as the performance criteria governing the vesting of such awards were not established until early 2013. The grant date values for the PSAs and PSUs have been determined assuming 100% of target performance is achieved. If we assumed the maximum 200% of target performance would be achieved, the grant date values of the (a) PSAs granted to Messrs. Archbold, Dzura and Hennion, Dr. Ramanathan and Ms. Tolivar in 2015 would be \$3,500,000, \$620,000, \$600,000, \$350,000 and \$750,000, respectively, and (b) PSUs granted to Dr. Ramanathan would be \$249,938 in 2014 and \$150,028 in 2013. For the assumptions underlying the calculation of the aggregate grant date fair value, see Note 14, "Stock-Based Compensation Plans," to our audited consolidated financial statements included in the Annual Report. The amounts shown in the table may not correspond to the actual value that may be realized by such persons with respect to these awards.

(4) Reflects the non-discretionary component of cash incentive compensation.

(5) The components of “All Other Compensation” for our fiscal year ended December 31, 2015 are set forth in the following table:

Named Executive Officer	Perquisites (a)(\$)	Imputed Value for Life Insurance Premiums (\$)	Company Contribution to Deferred Compensation Plan (b)	Total (\$)
Michael Archbold	—	1,302	—	1,302
Tricia Tolivar	75,600	200	9,808	85,608
Michael Dzura	28,380	879	11,538	40,797
Jeffrey Hennion	—	349	14,409	14,758
Guru Ramanathan	—	552	11,098	11,650

(a) For Ms. Tolivar and Mr. Dzura, this column reflects: (i) \$75,397 and \$28,011 in relocation benefits, respectively and (b) in each case, taxable parking benefits.

(b) Reflects matching contributions by the Company with respect to compensation deferred by each executive pursuant to the Company’s Non-Qualified Deferred Compensation Plan. For more information, see the “2015 Non-Qualified Deferred Compensation Table” below.

(1) The amounts represent the threshold, target and maximum payout amounts under the 2015 Incentive Plan. See "Compensation Discussion and Analysis - Elements of Compensation - Annual Cash Incentive Compensation" above for more information regarding the thresholds under the 2015 Incentive Plan. The actual amounts earned are reported in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table.

(2) The amounts represent the threshold, target and maximum number of shares of our common stock that may be earned under the PSA awards. The PSUs are scheduled to vest on December 31, 2017 subject to company performance and each officer's continued employment. See "Compensation Discussion and Analysis - Elements of Compensation - Long Term Incentive Compensation" above for more information regarding the PSAs.

(3) For Ms. Tolivar, reflects the grant date fair value of RSAs and target PSAs granted to her on March 2, 2015, and for Mr. Dzura, reflects the grant date fair value of stock options and RSAs granted to him on February 2, 2015 and target PSAs granted to him on February 18, 2015, in each case computed in accordance with FASB ASC Topic 718. For our other Named Executive Officers, reflects the aggregate grant date fair value of the RSA and target PSA awards granted to them on February 18, 2015, computed in accordance with FASB ASC Topic 718. For the assumptions underlying the calculation of the aggregate grant date fair value, see Note 14, "Stock-Based Compensation Plans," to our audited consolidated financial statements included in the Annual Report. 2015 Non-Qualified Deferred Compensation Table

We maintain the GNC Live Well® Later Non-Qualified Deferred Compensation Plan for the benefit of a select group of our highly compensated executives. Under this plan, employees may elect to defer a portion of their future compensation until a specified future year, or until retirement. We may in our discretion elect to make a matching contribution to the plan for a calendar year, based on amounts deferred by participants for that year. Participants may select the investment fund or funds in which such deferred amounts are deemed to be invested for the purpose of crediting deferrals with investment gains and losses.

Ms. Tolivar, Mr. Dzura, Mr. Hennion and Dr. Ramanathan each elected to make contributions to the deferred compensation plan in 2015. The following table identifies, for each such Named Executive Officer, his or her contributions, our contributions, the aggregate earnings and withdrawals in 2015 and the aggregate balance as of December 31, 2015:

Potential Payments Upon Termination or a Change in Control

The termination and change in control arrangements for the Named Executive Officers (other than Mr. Archbold and Dr. Ramanathan, each of whom have employment agreements with the Company) are generally governed by Company policy. As such, these arrangements generally are uniform and not highly negotiated. The Compensation Committee does not generally consider the amounts payable in connection with termination and change in control events when establishing the compensation of the Named Executive Officers. The Compensation Committee, together with the Board, established the termination and change of control arrangements described herein to address and conform to our: overall compensation objectives in attracting and retaining the caliber of executives that are integral to our growth; our market competitiveness; maintaining management continuity, particularly through periods of uncertainty related to change in control events; providing our key personnel with the assurance of fair and equitable treatment following a change in control and other events; and ensuring that our management is held to high standards of integrity and performance.

The following is a summary of the termination and change of control provisions in the employment agreements for Mr. Archbold and Dr. Ramanathan and otherwise applicable to Ms. Tolivar, Mr. Dzura and Mr. Hennion as of

December 31, 2015.

36

Mr. Archbold

Upon Mr. Archbold's termination due to death or total disability, we will be required to pay to him (or his guardian or personal representative):

- all amounts of earned but unpaid based salary, accrued but unpaid vacation, and welfare and retirement benefits accrued and vested through the date of such termination;

- any unpaid annual bonus with respect to the year prior to the year in which such termination occurs; and

provided that Mr. Archbold or his guardian, personal representative or estate, as applicable signs a release in the form specified under his employment agreement, a prorated share of the annual bonus he would have been entitled to receive had he worked through the date of payment of such annual bonus, based on the actual level of achievement of the performance objectives for the year of such termination.

In addition, Mr. Archbold's outstanding time-vested equity awards will vest and restrictions on restricted stock awards will lapse as of the date of termination, and his performance-based equity awards will vest on a prorated basis, calculated based on the assumption that "target" levels would have been achieved with respect to each relevant performance objective.

If Mr. Archbold's employment is terminated without cause or he resigns for good reason (as defined in his employment agreement and summarized below), then we will be required to pay him:

- all amounts of earned but unpaid based salary, accrued but unpaid vacation, and welfare and retirement benefits accrued and vested through the date of such termination;

- an amount equal to two times his base salary, payable in accordance with the Company's normal payroll practices and procedures over the 24-month period beginning on the 60th day after the date of his termination, subject to Mr. Archbold's execution of a release in the form specified by his employment agreement; and

- any unpaid annual bonus with respect to the year prior to the year in which such termination occurs; and, subject to Mr. Archbold's execution of a release in the form specified by his employment agreement, a prorated share of the annual bonus he would have been entitled to receive had he worked through the date of payment of such annual bonus, based on the actual level of achievement of the performance objectives for the year of such termination, in each case payable at the time and in the manner annual bonuses are paid to employees, generally.

We will also pay the monthly cost of COBRA continuation coverage for Mr. Archbold for a period of 18 months following the date of his termination or until he obtains comparable health coverage from another employer, if earlier, subject to his execution of a release in the form specified by his employment agreement.

In addition, subject to his execution of a release in the form specified by his employment agreement, Mr. Archbold's equity-based awards will vest on the 60th day after the date of termination as follows:

- outstanding time-vested equity awards that would have become vested in accordance with their terms within the 24-month period following the date of termination if Mr. Archbold had remained employed by the Company through such period will vest (and restrictions on restricted stock awards will lapse) as of the date of termination and become exercisable for the longer of a period of 90 days following the date of termination or for the exercise period specified in the applicable grant agreement; and

his performance-based equity awards will vest on a prorated basis, calculated based on the assumption that “target” levels would have been achieved with respect to each relevant performance objective and will be exercisable, as applicable, for the longer of a period of 90 days following the date of termination or for the exercise period specified in the applicable grant agreement.

Under Mr. Archbold’s employment agreement, “cause” generally means (as determined in good faith by a two-thirds vote of the Board and subject to cure in accordance with the terms thereof) Mr. Archbold’s:

- intentional or reckless failure to comply with any material obligation under his employment agreement;
- conviction of, or plea of nolo contendere to, a misdemeanor that causes substantial actual harm to the Company or any of its affiliates or crime constituting a felony;
- theft, embezzlement or fraud in connection with his duties under his employment agreement;
- engaging in any activity that gives rise to a material conflict with the Company or any of its affiliates;
- misappropriation of any material business opportunity of the Company or any of its affiliates;
- willful or reckless failure to carry out the Company’s rules, regulation, policies and codes of ethics and/or conduct that is material;
- substance abuse that either (i) significantly or persistently impairs his performance of his duties under his employment agreement, or (ii) causes or is likely to cause substantial harm to the Company or any of its affiliates;
- use of illegal drugs that either impairs his performance of his duties under his employment agreement or causes or is likely to cause harm to the Company or any of its affiliates;
- engagement in conduct that he knows or should know is materially injurious to the Company or any of its affiliates; or
- failure to relocate in accordance with the terms specified in his employment agreement, other than due to force majeure or a delay of no more than 30 days resulting from the death or serious illness of a member of his immediate family.

Under Mr. Archbold’s employment agreement, “good reason” generally means, without Mr. Archbold’s consent, our:

- intentional or reckless failure to comply with any material obligation of the Company under his employment agreement;
- material reduction (including in the aggregate) of his responsibilities, duties, status or authority (including but not limited to a change in reporting obligation) as the Chief Executive Officer of the Company (other than temporarily during any period in which Mr. Archbold is incapacitated due to physical or mental illness);
- removal of Mr. Archbold from the position of Chief Executive Officer of the Company or failure to elect (or nominate) him to, or removal from our Board;
- material reduction in his base salary; or
- relocation of his principal place of business for performing services to the Company to a new location that is more than 75 miles from the Company’s current headquarters.

Dr. Ramanathan.

Dr. Ramanathan's employment agreement also provides for certain benefits upon termination of employment. Upon Dr. Ramanathan's death or disability, he (or his estate) is entitled to his then-current base salary for the remainder of the employment period, and, subject to the discretion of the Board or the Compensation Committee, a pro rata share of his current year annual bonus, based on actual employment, provided bonus targets are met. The employment period is the two-year period from the initial effective date of the relevant agreement and for one-year periods thereafter.

Upon termination of employment by us without cause or voluntarily by Dr. Ramanathan for good reason, subject to the execution of a written release, he is also entitled to:

- salary continuation generally for the greater of one year or the remainder of the initial employment period under the agreement, or two years if the termination occurs upon or within six months following a change in control;
- subject to the discretion of the Board or the Compensation Committee, a pro rata share of the annual bonus based on actual employment and achievement of performance objectives; and
- reimbursement for any portion of the monthly cost of COBRA coverage that exceeds the amount of monthly health insurance premium (with respect to the executive's coverage and any eligible dependent coverage) payable by the executive immediately prior to such termination, such reimbursements to continue through the expiration of the agreement term or the severance period, if earlier.

For purposes of Dr. Ramanathan's employment agreement, "cause" generally means his:

- failure to comply with any material obligation imposed by his employment agreement;
- being indicted for any felony or any misdemeanor that causes or is likely to cause harm or embarrassment to us, in the reasonable judgment of the Board;
- theft, embezzlement or fraud in connection with the performance of his duties;
- engaging in any activity that gives rise to a material conflict of interest with us;
- misappropriation of any of our material business opportunities;
- any failure to comply with, observe or carry out our or the Board's rules, regulations, policies or codes of ethics or conduct;
- substance abuse or illegal use of drugs that, in the reasonable judgment of the Board, impairs his performance or causes or is likely to cause harm or embarrassment to us; or
- engagement in conduct that he knows or should know is injurious to us.

For purposes of Dr. Ramanathan's employment agreement, "good reason" generally means, without Dr. Ramanathan's prior written consent and unless we timely cure the good reason:

- our failure to comply with material obligations under his employment agreement; or
- a material reduction in his base salary.

For purposes of Dr. Ramanathan's employment agreement, "change in control" generally means:

- an acquisition representing 50% or more of either our Common Stock or the combined voting power of our securities entitled to vote generally in the election of the Board; or
- the approval by our stockholders of (i) a complete liquidation or dissolution of the Company or (ii) the sale or other disposition (other than a merger or consolidation) of all or substantially all of our or our subsidiaries' assets.

Under all circumstances, Mr. Ramanathan's unvested equity awards will be forfeited as of the date of his termination unless otherwise provided in the award agreement.

The following tables quantify the estimated payments and benefits that the Named Executive Officers would have received if their employment had terminated on December 31, 2014 under the circumstances shown or if we had undergone a change in control on such date. The tables exclude (i) compensation amounts accrued through December 31, 2014 that would be paid in the normal course of continued employment, such as accrued but unpaid salary, and (ii) vested account balances under our 401(k) plan that are generally available to all of our salaried employees. The amounts reflected for 2014 Incentive Compensation for each of the Named Executive Officers are the amounts that were actually paid to the Named Executive Officers in early 2015 under the 2014 Incentive Plan (or applicable employment agreement) and shown in the "Non-Equity Incentive Plan Compensation" column in the Summary Compensation Table, except that, in Mr. Archbold's case, the amount shown was specified by his employment agreement.

Where applicable, the information in the tables uses a fair market value per share of \$46.96 as of December 31, 2014 for our Common Stock, which is equal to the closing price of our Common Stock on December 31, 2014.

The employment agreements provide that if any payment or benefit will be subject to or result in the imposition of the excise tax imposed by Code Section 4999, then the amount of such payment or payments will be reduced to the highest amount that may be paid by us without subjecting such payment to the excise tax. We have assumed that none of the payments or benefits provided to Mr. Archbold, Ms. Tolivar, Mr. Dzura, Mr. Hennion or Dr. Ramanathan would have been subject to or resulted in the imposition of the excise tax imposed by Code Section 4999. Accordingly, no reductions in such payments and benefits have been applied in the tables above.

The 2007 Stock Plan and the 2011 Stock Plan provide that, in the event of a change in control, unvested stock-based awards generally may be fully vested, cancelled for fair value or substituted for awards that substantially preserve the applicable terms of such stock-based awards. We have assumed for purposes of the above table that upon a change in control, equity-based awards would not be accelerated, and instead would be substituted for awards that substantially preserve the applicable terms of the stock-based awards.

For more information regarding actual termination payments during 2014, see “Compensation Discussion and Analysis - Termination Payments” above.

Recommendation

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF PWC AS INDEPENDENT AUDITORS FOR OUR FISCAL YEAR ENDING DECEMBER 31, 2016.

AUDIT COMMITTEE REPORT

The Board has determined that each member of the Audit Committee meets the SEC and NYSE independence and financial literacy requirements. The Board has also determined that each of Messrs. Berger, Hines and Mallott qualifies as an “audit committee financial expert.”

The Audit Committee has reviewed and discussed our audited financial statements for the year ended December 31, 2015 with both management and the independent auditors. The Audit Committee discussed the auditors’ review of our quarterly financial information with the auditors prior to the release of such information and the filing of our quarterly reports with the SEC.

Further, the Audit Committee discussed with the independent auditors the matters required to be discussed by Public Company Accounting Oversight Board (“PCAOB”) Auditing Standard No. 16 (Communications with Audit Committees), received the written disclosures and the letter from the independent auditors required by applicable requirements of the PCAOB regarding the independent accountant’s communications with the Audit Committee concerning independence and discussed with the auditors the auditors’ independence. The Audit Committee also discussed with the auditors financial management matters related to our internal control over financial reporting. Based on these discussions, the Audit Committee’s review of our audited financial statements for the year ended December 31, 2015 and the written disclosures received from the independent auditors, the Audit Committee recommended that the Board include the audited financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015 for filing with the SEC.

This audit committee report is not deemed filed under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, and is not incorporated by reference into any filings that we may make with the SEC.
