DESCRIPTION OF DEBT SECURITIES

General

We will issue the Debt Securities under an indenture between us and the Trustee, Citibank, N.A., dated May 1, 1987, and supplemented June 1, 1989, May 15, 1992, and December 16, 1996. This prospectus briefly outlines some of the indenture provisions. See *Where You Can Find More Information* on how to locate the indenture and the supplements. You may also review the indenture at the Trustee's offices located in New York, New York.

The indenture does not limit the amount of Debt Securities that may be issued and each series of Debt Securities may differ as to their terms. The Debt Securities may be issued up to the principal amount that may be authorized by us and may be in any currency or currency unit designated by us.

The Debt Securities will be unsecured and unsubordinated and will rank equally with all our unsecured and unsubordinated indebtedness. The Debt Securities will not be subject to any conversion, amortization, or sinking fund. It is anticipated that the Debt Securities will be "book-entry," represented by a permanent global certificate registered in the

-2-

TABLE OF CONTENTS

name of the Depository Trust Company or its nominee. However, we reserve the right to issue the securities in certificate form registered in the name of the security holders.

For current information on our debt outstanding, see our most recent Form 10-K and 10-Q. See *Where You Can Find More Information*.

Exchange, Registration, Transfer, and Payment

Principal and interest on the Debt Securities will be payable, and the exchange or transfer of Debt Securities will be registerable at a location designated in the prospectus supplement. No service charge will be applied for a registration of transfer or exchange of Debt Securities except to cover tax or any governmental charge.

Global Securities

Debt Securities may be issued in the form of one or more Global Securities that will be deposited with The Depository Trust Company, New York, New York ("DTC"). If this is done, we will not issue certificates to each holder. One or more global securities would be issued to DTC who would keep a computerized record of its participants (for example, your broker) whose clients have purchased the securities. The participant would then keep a record of its clients who purchased the securities. A global security may not be transferred; except that DTC, its nominees, and their successors may transfer a global security as a whole to one another.

Beneficial interests in global securities will be shown on, and transfers of global securities will be made only through, records maintained by DTC and its participants.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the United States Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered under Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also records the settlement among Direct Participants of securities transactions, such as transfers and pledges, in deposited securities through computerized records for Direct Participant's accounts. This eliminates the need to exchange certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations.

DTC's book-entry system is also used by other organizations such as securities brokers and dealers, banks and trust companies that work through a Direct Participant. The rules that apply to DTC and its participants are on file with the SEC.

DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., The American Stock Exchange, Inc. and the National Association of Securities Dealers, Inc.

We will wire principal and interest payments to DTC's nominee. We and the Trustee will treat DTC's nominee as the owner of the global securities for all purposes. Accordingly, we, the Trustee, and the paying agent will have no direct responsibility or liability to pay amounts due on the securities to owners of beneficial interests in the global securities.

It is DTC's current practice, upon receipt of any payment of principal or interest, to credit Direct Participants' accounts on the payment date according to their respective holdings of beneficial interests in the global securities as shown on DTC's records. In addition, it is DTC's current practice to assign any consenting or voting rights to Direct Participants whose accounts are credited with securities on a record date, by using an omnibus proxy. Payments by participants to owners of beneficial interests in the global securities, and voting by participants, will be governed by the customary

-3-

TABLE OF CONTENTS

practices between the participants and owners of beneficial interests, as is the case with securities held for the account of customers registered in "street name." However, payments will be the responsibility of the participants and not of DTC, the trustee, or us.

Debt securities represented by a global security would be exchangeable for Debt Security certificates with the same terms in authorized denominations only if:

- DTC notifies us that it is unwilling or unable to continue as depository or if DTC ceases to be a clearing agency registered under applicable law and a successor depository is not appointed by us within 90 days;
- We deliver to the Trustee an order that the global security shall be exchangeable; or
- There is a continuing Event of Default, as described below, regarding the Debt Securities.

Certain Restrictive Covenants

The indenture requires us to comply with certain restrictive covenants. These covenants apply to us and Restricted Subsidiaries maintained by us.

What is a Restricted or Unrestricted Subsidiary?

A "Restricted Subsidiary" is defined as any subsidiary other than an Unrestricted Subsidiary and any Unrestricted Subsidiary designated by our Board of Directors after May 1, 1987 as a Restricted Subsidiary.

"Unrestricted Subsidiary" is defined as:

- any subsidiary acquired or organized by us after May 1, 1987, as long as that subsidiary is not a successor to a Restricted Subsidiary.
- any subsidiary with principal business and assets located outside the United States (its territories and possessions) and Canada;
- any subsidiary with the principal business of financing our dealers and distributors, as well as acquisitions and dispositions of our products by dealers, distributors, or other customers;
- any subsidiary with the principal business of owning, leasing, dealing in or developing real property; and
- any subsidiary with substantially all assets consisting of securities of subsidiaries described above.

Other Definitions

Important Property: means any manufacturing plants or facilities of us or any Restricted Subsidiary located in the U.S., Canada, or Puerto Rico having a gross book value (without deduction for depreciation) in excess of 1% of Consolidated Net Tangible Assets, other than any plant or other facility our Board believes is not important to our business as a whole.

Consolidated Net Tangible Assets: means the total of all assets appearing on the consolidated balance sheet of Caterpillar and its consolidated subsidiaries prepared in accordance with accounting principles generally accepted in the United States of America, excluding the sum of (1) all current liabilities and (2) all goodwill, patents, copyrights, trademarks and other like intangibles.

Secured Debt: means indebtedness secured by a mortgage, pledge, lien, security interest or encumbrance on:

- any Important Property of Caterpillar or any Restricted Subsidiary; or
- any shares of stock or indebtedness of a Restricted Subsidiary.

-4-

TABLE OF CONTENTS

Value

: means with respect to a Sale and Leaseback Transaction, an amount equal to the greater of:

- the net proceeds of the sale of the property leased pursuant to the Sale and Leaseback Transaction; or
- the fair value of the property at the time of the Sale and Leaseback Transaction, as determined by our Board of Directors.

(In either case, the amount derived is first divided by the term of the lease and then multiplied by the number of years remaining on the lease at the time of determination.)

Restrictions on Secured Debt (Indenture Section 1007)

The Indenture prohibits us and our Restricted Subsidiaries from creating Secured Debt (without securing the Debt Securities equally and ratably with Secured Debt), with the following exceptions:

- certain mortgages, pledges, liens, security interests or encumbrances to secure payment of all or part of the cost of acquisition, construction or improvement of our property or the property of a Restricted Subsidiary;
- mortgages, pledges, liens, security interests or encumbrances on property acquired, whether or not assumed by us or a Restricted Subsidiary;
- mortgages, pledges, liens, security interests or encumbrances on property, stock, or indebtedness of a Restricted Subsidiary at the time it becomes such;
- mortgages, pledges, liens, security interests or encumbrances on property of a corporation merged with us or a Restricted Subsidiary or at the time of a disposition of substantially all of the property of another corporation to us or a Restricted Subsidiary;
- mortgages, pledges, liens, security interests, or encumbrances on our property or the property of a Restricted Subsidiary in favor of a governmental entity pursuant to contract or statute or to secure certain indebtedness;
- any extension, renewal or replacement of any mortgage, pledge, lien or encumbrance referred to above;
- any mortgage, pledge, lien, security interest, or encumbrance securing debt owed by us or a Restricted Subsidiary to us or a Restricted Subsidiary.

In addition to these exceptions, we or a Restricted Subsidiary may create, assume, or guarantee other Secured Debt without securing the Debt Securities if the total amount of Secured Debt outstanding and value of Sale and Leaseback Transactions at the time does not exceed 10% of Consolidated Net Tangible Assets.

Restrictions on Sale and Leaseback Transactions (Indenture Section 1008)

Neither we nor any Restricted Subsidiary can sell or transfer (except to us or a Restricted Subsidiary) any Important Property we own with the intention of taking back a lease on the property, except for a lease not exceeding three years, with the following exceptions:

- we or a Restricted Subsidiary may incur Secured Debt equal to the amount received on a sale or transfer secured by a mortgage on the property to be leased without equally and ratably securing the Debt Securities;
- we or a Restricted Subsidiary apply an amount equal to the value of the property leased to the retirement, within 120 days after the effective date of the arrangement, of indebtedness for money borrowed by us or a Restricted Subsidiary recorded as funded debt as of the date of its creation and which, in the case of indebtedness of us, is not subordinated in right of payment to the prior payment of the Debt Securities. The amount applied to the retirement of that indebtedness shall be reduced by (i) the principal amount of any Debt Securities delivered within 120 days of the effective date to the Trustee for retirement and cancellation, and (ii) the principal amount of the indebtedness, other than Debt Securities, retired by us or a Restricted Subsidiary within 120 days of the effective date of the arrangement.

-5-

TABLE OF CONTENTS

Restriction on Transfer of Important Property (Indenture Section 1009)

Neither we nor a Restricted Subsidiary can transfer Important Property to an Unrestricted Subsidiary except in limited circumstances. The transfer can occur if we apply an amount equal to the fair value of the property at the time of transfer (as determined by our Board of Directors) to the retirement of indebtedness of us or a Restricted Subsidiary that is recorded as funded debt and is not subordinated in right of payment to the Debt Securities. The debt retirement must occur within 120 days of the transfer. No retirement referred to in this clause may be by payment at maturity or a mandatory prepayment provision.

Events of Default (Indenture Sections 501, 502, 601, 602, and 603)

Unless we indicate otherwise in a prospectus supplement, the following events are defined in the indenture as "Events of Default" regarding the Debt Securities of any series:

- failure to pay principal or premium on any Debt Securities when due;
- failure to pay interest on a Debt Securities when due, continued for 60 days;
- failure to deposit any sinking fund payment when due;
- failure to perform any other covenant in the indenture for 60 days after we have received written notice of the failure;
- certain events in bankruptcy, insolvency or reorganization; and
- any other Event of Default stipulated.

Unless stated otherwise in a prospectus supplement, any Event of Default on a particular series of Debt Securities is not necessarily an Event of Default on another series of Debt Securities.

If an Event of Default occurs on outstanding Debt Securities of a particular series and continues, the Trustee or holders of at least 25% of that series' Debt Securities may declare the principal amount of all Debt Securities in the series due and payable. Under certain circumstances, holders of a majority of the Debt Securities in the series may rescind that declaration.

The Trustee must within 90 days after a default occurs, notify the holders of Debt Securities of that series of the default if we have not remedied it. The Trustee may withhold notice to the holders of any default (except in the payment of principal or interest) if it in good faith considers such withholding in the interest of holders. We are required to file an annual certificate with the Trustee, signed by an officer, about any default by us under any provisions of the indenture.

Subject to the provisions of the indenture relating to its duties in case of default, the Trustee shall be under no obligation to exercise any of its rights or powers under the indenture at the request, order or direction of any holders unless such holders offer the Trustee reasonable indemnity. Subject to the provisions for indemnification, the holders of a majority in principal amount of the debt securities of a series may direct the time, method and place of conducting any proceedings for any remedy available to, or exercising any trust or power conferred on, the Trustee with respect to such Debt Securities.

Modification of Indenture (Indenture Section 902)

Under the Indenture, our rights and obligations and the rights of the holders of debt securities may be changed. Certain changes require the consent of the holders of not less than 66 2/3% in aggregate principal amount of the outstanding debt of all series to be affected. However, the following changes may not be made without the consent of each holder of the Debt Securities:

TABLE OF CONTENTS

- changes to the stated maturity date of the principal or any interest installment;
- reductions in the principal amount or interest due;
- changes to the place or currency regarding payment of principal;
- impairment of the right to institute suit for the enforcement of payment;
- reduction in the stated percentage of holders necessary to modify the indenture; or
- modifications to any of these requirements or to reduce the percentage of outstanding Debt Securities necessary to waive compliance with certain provisions of the Indenture or for the waiver of certain defaults.

Consolidation, Merger, or Sale (Indenture Section 801)

We cannot merge with another company or sell or lease substantially all of our property to another company unless:

- we are the continuing corporation or the successor corporation is a domestic corporation and expressly assumes the payment of principal and interest on the Debt Securities and the performance and observance of all the covenants and conditions of the indenture binding on us;
- we, or the successor corporation, are not immediately after the merger, consolidation, or sale in default in the performance of a covenant or condition in the indenture; and
- if as a result of the merger, consolidation or sale we become subject to a mortgage, pledge, lien, security interest or other encumbrance not permitted by the Indenture, we or the successor corporation take steps necessary to secure the Debt Securities equally and ratably with all indebtedness secured.

Defeasance (Indenture Section 1301 through 1305)

Under certain circumstances we may be discharged from our obligations on the Debt Securities of a series at any time before the stated maturity if we deposit with the Trustee money or certain equivalents sufficient to pay principal and interest on the Debt Securities. One condition for such defeasance is that we must deliver to the Trustee an opinion of counsel that holders of the Debt Securities will not recognize income, gain or loss for federal income tax purposes as a result of the defeasance.

PLAN OF DISTRIBUTION

We may sell the Debt Securities (a) through underwriters or dealers; (b) directly to one or more purchasers; or (c) through agents. The Prospectus supplement will include the names of underwriters, dealers or agents retained. The Prospectus supplement also will include the purchase price of the Debt Securities, Caterpillar's proceeds from the sale, any underwriting discounts or commissions and other items constituting underwriters' compensation.

The underwriters will acquire the Debt Securities for their own account. They may resell the Debt Securities in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The obligations of the underwriters to purchase the securities will be subject to certain conditions. The underwriters will be obligated to purchase all the securities offered if any of the securities are purchased. Any initial public offering price and any discounts or concessions allowed or re-allowed or paid to dealers may be changed from time to time.

TABLE OF CONTENTS

Underwriters, dealers, and agents that participate in the distribution of the Debt Securities may be underwriters as defined in the Securities Act of 1933 ("Act"), and any discounts or commissions received by them from us and any profit on the resale of the Debt Securities by them may be treated as underwriting discounts and commissions under the Act.

We may have agreements with the underwriters, dealers, and agents to indemnify them against certain civil liabilities, including liabilities under the Act, or to contribute with respect to payments which the underwriters, dealers or agents may be required to make.

Underwriters, dealers and agents may engage in transactions with, or perform services for, us or our subsidiaries in the ordinary course of their businesses.

VALIDITY OF THE DEBT SECURITIES

The validity of the Debt Securities will be passed upon by Sean X. McKessy, Esq., our internal Securities Counsel, and for the underwriters by Sullivan & Cromwell, New York, New York.

LEGAL OPINIONS

Sean X. McKessy, our Securities Counsel, will issue an opinion about the legality of the Debt Securities for us. Underwriters and agents may have their own counsel issuing an opinion for them. They may rely on the opinion of our counsel as to matters of Illinois law.

Item 16. Exhibits

Reference is made to the Exhibit Index filed as part of this Registration Statement.

- The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

-9-

TABLE OF CONTENTS

- i. To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- ii. To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of the securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.
- iii. To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-3, Form S-8, or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the Registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new

registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- b. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- c. The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X are not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

TABLE OF CONTENTS

- d. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

- For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.
- For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
