Edgar Filing: L3 TECHNOLOGIES, INC. - Form 425

DATE: January 30, 2019 TO: All Harris Employees SUBJECT: Integration Management Office Update #3 When we announced the planned merger with L3 in October, we stressed the importance of staying focused on executing our business plans, meeting our commitments and supporting our customers' missions. Our second quarter results prove we did just that. During the quarter we delivered strong performance, with record non-GAAP EPS and outstanding revenue growth and margin expansion across all three segments. With our strong results through the first half, we raised guidance for the full-year across all metrics – revenue, earnings, margins and cash flow. And while we're performing well operationally, we're also making solid progress on our plans towards a successful merger. The regulatory process is moving forward, and we are working to respond to a second request for information from the Department of Justice. We continue to expect to close in mid-calendar year 2019. Our goal is to create a new company with the balance of size and agility that can transform the industry based on our legacy strengths and a culture of respect, ethics and integrity. Our customers' missions and the markets in which we compete are rapidly changing. Our merger with L3 will provide greater scale, capability and resources to become even more innovative, and to deliver more complete and affordable mission solutions with greater speed to market. Harris has a well-earned reputation as a technology leader in all our core franchises. Combining with L3 will deepen our expertise across multiple domains and significantly expand our geographic footprint. Our employees will have more opportunities across a broader and more geographically and technologically diverse portfolio. At our weekly Steering Committee meetings, I am seeing the progress being made across all functional areas to help ensure we realize the potential of this merger from Day 1. I hope you are as excited about this opportunity as I am. Thank you for your continued focus and support.
