To the Employee Benefits and

Board of Directors of
Westamerica Bancorporation

We have audited the accompanying statement of net assets available for plan benefits of the Westamerica Bancorporation Tax Deferred Savings/Retirement Plan (ESOP) (the "Plan") as of December 31, 2003 and 2002, and the related statement of changes in net assets available for benefits for the years ended December 31, 2003, 2002 and 2001. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2003 and 2002, and the changes in net assets available for benefits for the years ended December 31, 2003, 2002 and 2001, in conformity with accounting principles generally accepted in the United States of America.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of assets held for investment purposes and reportable transactions, as of and for the year ended December 31, 2003, are presented for the purpose of additional analysis and are not a required part of the basic financial statements, but are supplementary information required by the United States Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

TAX DEFERRED SAVINGS/RETIREMENT PLAN (ESOP)

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Westamerica Bancorporation (the "Company") Tax Deferred Savings/Retirement Plan (ESOP) (the "Plan") provides only general information. Participants should refer to the

Edgar Filing: WESTAMERICA BANCORPORATION - Form 11-K

Summary Plan Description and Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan, formerly called the Westamerica Bancorporation Supplemental Retirement Plan, was established by the Company as a non-contributory profit sharing plan. The Plan was amended to include a salary deferral feature pursuant to section 401(k) of the Internal Revenue Code. Concurrent with the amendment, all existing account balances were invested in either common stock or certificates of deposit of the Company, and all employee accounts were fully vested. The Plan was also amended and restated as an Employee Stock Ownership Plan (ESOP). The Employee benefits and Compensation Committee of the Company's Board of Directors (the "Committee") delegates to the Company's Pension Management Committee, the administration of the Plan. The Committee has the responsibility for the general operation of the Plan, including the resolution of any questions arising under the Plan agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees of the bank who are compensated on a salaried basis become eligible to participate in the plan on the first day of the calendar month coinciding with or following the date the employee completes 90 consecutive days of service with the Company or completes 1,000 service hours in a 12-month consecutive period.

Contributions

Each year, participants may make salary deferral contributions, through payroll deduction, in any whole percentage up to 25 percent of pretax annual compensation (not to exceed \$12,000 in 2003 and \$11,000 in 2002). The Company's matching contribution is 100 percent of the participant's elective contribution, up to a maximum of 6 percent of the participant's compensation. Participants may roll over amounts representing distributions from other qualified defined benefit or contribution plans.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's matching contribution. Plan earnings are allocated based on participant account balances, as defined. Certain administrative expenses associated with the Westamerica Common Stock Fund are charged pro-rata based on a participant's holding in that fund.

Payment of Benefits

Upon termination of service for any reason, a participant may elect to receive a lump-sum distribution equal to the value in his or her account. Distributions for the value of a participant's account invested in the Westamerica Common Stock Fund stock are made in the form of the Company's common stock plus cash for any fractional shares or, if a participant elects, in cash or an in-kind transfer, as provided by the Plan document.

Participants' Investment Options

Company matching contributions are invested in the Westamerica Common Stock Fund in accordance with the Plan Document. A participant who has completed 10 Plan years of service and has attained age 55 may elect to direct up to 25% of the Company matching contribution held in Company stock to other investment fund options.

Upon enrollment in the Plan, participants may direct employer and participant contributions in whole or in part in any of the following investment fund options:

The Westamerica Common Stock Fund, which is invested in the Company's common stock and temporary interest-bearing money market funds.

Vanguard 500 Index Fund, which invests in the 500 stocks that make up the unmanaged Standard & Poor's 500 Composite Stock Price Index, a widely recognized benchmark of U.S. stock market performance.

Vanguard International Growth Fund, which invests in stocks of high-quality, seasoned companies based outside the United States. Stocks are selected from more than 15 countries.

Vanguard LifeStrategy Conservative Growth Fund, which invests in five Vanguard funds: a domestic stock fund, an international stock fund, two bond funds, and an asset allocation fund. The fund's assets allocation ranges are expected to be 25%-50% stocks, 50%-75% bonds, and 0%-25% cash investments.

Vanguard LifeStrategy Growth Fund, which invests in five Vanguard funds: a domestic stock fund, an international stock fund, two bond funds, and an asset allocation fund. The fund's assets allocation ranges are expected to be 65%-90% stocks, 10%-35% bonds and 0%-25% cash investments.

1. DESCRIPTION OF PLAN (Continued)

Loans to Participants

The Plan permits participants to borrow from their accounts and allows for hardship withdrawals. Participants may borrow a minimum of \$1,000 up to a

Edgar Filing: WESTAMERICA BANCORPORATION - Form 11-K

maximum equal to the lesser of 50 percent of their account balance, 100 percent of participant contributions, or \$50,000. The loans bear interest at rates that range from 5.00% to 9.75%, which are commensurate with local prevailing rates. Loan terms range from 1 to 5 years.

Vesting

Participants are immediately vested in their salary-deferral contributions, the Company's matching contribution and actual earnings thereon.

Voting Rights

Each participant is entitled to exercise voting rights attributable to the shares allocated to his or her account and is notified by the Trustee prior to the time that such rights are to be exercised. The Trustee is not permitted to vote any allocated share for which instructions have not been given by a participant.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies (mutual funds) are reported at fair value based on the quoted market price of the fund, which represents the net asset value of shares held by the Plan at year end. The Company's common stock is valued at its quoted market price. Loans to participants are reported at cost which approximates fair value. Purchases and sales of securities are recorded on a trade-date basis.

Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

Investment gains and losses are determined based on revalued cost. Revalued cost represents the market value of the assets at the beginning of the plan year or historical cost if an investment was acquired during the plan year.

2. SUMMARY OF ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and

Edgar Filing: WESTAMERICA BANCORPORATION - Form 11-K

liabilities. Actual results could differ from those estimates.

Payment Benefits

Benefits are recorded when paid. There were no participants who elected to withdraw from the Plan who had not received a distribution at December 31, 2003 and 2002.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officers or employees receive compensation from the Plan. The Company pays the Plan's annual account maintenance fees for active employees and other administrative expenses.

3. INVESTMENTS

The Plan's investments, including investments bought, sold, and held during the year, appreciated in value by \$9,651,775 during 2003 and depreciated in value by \$1,859,827 and \$4,230,063 during 2002 and 2001, respectively, as follows:

5. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated December 12, 2001, that the Plan is qualified and the trust established under the Plan is tax-exempt, under the appropriate sections of the Internal Revenue Code. The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

6. PLAN TERMINATION

Although it has not expressed any interest to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

7. RELATED PARTY TRANSACTIONS

Plan investments are shares of mutual funds managed by an affiliate of Vanguard Fiduciary Trust Company (VFTC). VFTC is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions which are exempt from the prohibited transactions rules. Fees paid by the Plan for trustee services in connection with the Westamerica Common Stock Fund for the years ended December 31, 2003, 2002 and 2001 amounted to \$46,916, \$44,115 and \$42,661, respectively.
