TrustCo Bank Corp NY ("TrustCo") has amended the "minimum tender condition" to its December 5, 2005 Offer to Purchase shares of Ballston Spa Bancorp, Inc. ("Ballston Spa") common stock. The offer is now conditioned upon tender of enough shares of Ballston Spa common stock so that, after completion of the offer, TrustCo would own at least 51% of the outstanding shares of Ballston Spa common stock (on a fully diluted basis).

TrustCo is continuing to offer to purchase all the outstanding shares of common stock of Ballston Spa at a price of \$45.50 per share, net to seller in cash without interest thereon, upon the terms and conditions set forth in the Offer to Purchase, as amended and supplemented by this Supplement, and in the related Letter of Transmittal (which together constitute the "Offer").

### SUPPLEMENT TO OFFER TO PURCHASE FOR CASH

The following information amends and supplements the Offer to Purchase dated December 5, 2005 made by TrustCo Bank Corp NY, Glenville, New York, to acquire each share of Ballston Spa Bancorp, Inc., Ballston Spa, New York, common stock for \$45.50 net to the seller in cash. Unless the context requires otherwise, terms used but not defined in this Supplement have the meanings ascribed to them in the Offer to Purchase.

By this Supplement to the Offer, TrustCo is changing the "minimum tender condition" described in the Offer to provide that the Offer is conditioned upon tender of enough shares of Ballston Spa common stock so that, after completion of the offer, TrustCo would own at least 51% of the outstanding shares of Ballston Spa common stock (on a fully diluted basis).

Except as otherwise set forth in this Supplement, the terms and conditions set forth in the Offer to Purchase remain applicable in all respects to the Offer, and this Supplement should be read in conjunction with the Offer to Purchase. In particular, the Offer remains subject to the fulfillment of the certain other conditions, including the receipt of all required regulatory approvals and the absence of a material adverse change in Ballston Spa's financial condition, business or assets that, in TrustCo's reasonable judgment, makes it inadvisable to proceed with the Offer.

Procedures for tendering shares are set forth in the Offer to Purchase beginning on page 13 under the caption "The Offer - Procedure for Tendering Shares." Shares previously validly tendered and not withdrawn constitute valid tenders for purposes of the Offer. Shareholders are not required to take any further action with respect to such shares, except as may be required by the guaranteed delivery procedure if such procedure was utilized.

The Offer to Purchase, this Supplement and the Letter of Transmittal contain important information that should be read before any decision is made with respect to the Offer.

#### Change in Minimum Tender Condition

The discussion in the Offer to Purchase under the caption "Certain Conditions of the Offer - Minimum Tender Condition" is hereby amended and

## Edgar Filing: TRUSTCO BANK CORP N Y - Form 8-K

restated in its entirety as follows:

6

### Minimum Tender Condition

The Offer is conditioned upon there being validly tendered and not withdrawn prior to the Expiration Date a number of shares of Ballston Spa common stock which, together with the shares of Ballston Spa common stock beneficially owned by TrustCo and its affiliates for their own respective accounts, would represent at least 51% of the Ballston Spa common stock outstanding on a fully diluted basis (i.e., as though all options or other securities convertible into or exercisable for shares of Ballston Spa common stock had been so converted, exercised or exchanged) on the date shares of Ballston Spa common stock are accepted by TrustCo pursuant to the Offer (the "minimum tender condition"). According to Ballston Spa's shareholder records there were 768,000 shares of Ballston Spa common stock issued as of November 9, 2005, of which 25,337 shares were "treasury shares" held by Ballston Spa. Based on the foregoing, TrustCo believes that the minimum tender condition would have been satisfied on November 9, 2005 if, in addition to the 4,000 shares of Ballston Spa common stock currently owned beneficially by TrustCo for its own account, at least an aggregate of 374,759 shares of Ballston Spa common stock outstanding on November 9, 2005, had been validly tendered pursuant to the Offer and not withdrawn. TrustCo reserves the right (but is not obligated) to waive or amend the minimum tender condition on or before the Expiration Date and to purchase fewer than such number of shares of Ballston Spa common stock as would satisfy the minimum tender condition pursuant to the Offer.
