Independent Auditors' Report

The Plan Administrator
Trustmark National Bank 401(k) Plan:

We have audited the accompanying statement of net assets available for benefits of Trustmark National Bank 401(k) Plan (the Plan) as of December 31, 2001, and the related statement of changes in net assets available for benefits for the year ended December 31, 2001. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit. The statement of net assets available for benefits as of December 31, 2000, was audited by other auditors whose report thereon dated June 14, 2001, expressed an unqualified opinion on the statement.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Trustmark National Bank 401(k) Plan as of December 31, 2001, and the changes in its net assets available for benefits for the year ended December 31, 2001, in conformity with accounting principles generally accepted in the United States of America.

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income

Edgar Filing: TRUSTMARK CORP - Form 11-K

Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the 2001 basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the 2001 basic financial statements taken as a whole.

Trustmark National Bank 401(K) Plan

Notes to Financial Statements

December 31, 2001 and 2000

(1) Plan Description

The following description of Trustmark National Bank 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan established for the employees of Trustmark National Bank (the Company) and certain other associated companies. Employees who are active participants in the Canton Exchange Bank Employee's Retirement Plan are ineligible to participate in the Plan. The Plan provides eligibility for participation on the next semiannual entry date (January 1st or July 1st) following the completion of at least 1,000 hours of service during the twelve-month period ending on the anniversary of a person's employment commencement date.

(b) Plan Administration

The Plan's record keeping and trust functions are handled by Bisys Plan Services and Frontier and Reliance Trusts, respectively. The plan administrator is Trustmark National Bank.

(c) Employee Contributions

The Plan allows participants to make voluntary before-tax salary deferral contributions, through payroll deductions, to separately

Edgar Filing: TRUSTMARK CORP - Form 11-K

invested funds in accordance with Section 401(k) of the Internal Revenue Code. If certain requirements of Internal Revenue Code Section 401(k) are not met in Plan operation, the salary deferral agreements of participants may, on a nondiscriminatory and uniform basis, be amended or revoked to preserve the qualified status of the Plan. Voluntary after-tax contributions by participants are not allowed. Participants may direct investment of their voluntary contributions among several investment options.

Employees can elect to contribute up to 15% of their compensation each period, subject to regulatory limitations. Any excess contributions must be returned to the applicable participant by April 15 of the calendar year following the year of excess contributions. The Plan does not allow rollover contributions from individual retirement accounts or other qualified plans.

(d) Employer Contributions

In general, employee contributions are not matched by the employer; however, former participants of Rankin County Bank 401(k) Plan are eligible for a 100% match of their contributions up to 3% of their annual compensation. The Company contributed \$2,671,871 to the Plan in 2001. Of this amount, \$2,650,000 was a discretionary contribution.

(e) Allocations

Employee and employer contributions are allocated directly to each participant's account in accordance with the individual participant's elections.

Investment earnings or losses of the Plan's investment options are allocated based on the investment earnings base multiplied by the calculated rate of return for the separate investment accounts. The investment earnings base is calculated as beginning of the year account balance plus one half of the current year salary deferral contributions less withdrawals and transfers out.

Forfeitures of nonvested employer match accounts are used to reduce the employer match contribution.

(f) Vesting

On the first day of the month coincident with or following a participant's sixty-fifth birthday, such participant is entitled to retire from active service with the employer, and 100% of the value of the participant's share of the Plan becomes fully vested. A participant also vests 100% upon death or termination of employment due to permanent disability.

Participants are immediately vested in their voluntary contributions and discretionary safe-harbor employer contributions and vest in their employer match contributions as shown in the following schedule:

Years vesting service -----	Vested percentage -----
Less than 5	0%

Edgar Filing: TRUSTMARK CORP - Form 11-K

5 or more

100%

In case of termination of the Plan, the value of each participant's share of the Plan becomes fully vested as of the date of such termination.

(g) Payment of Benefits

On retirement, death, disability, or termination of service, a participant may elect to receive a lump-sum distribution equal to his or her vested account balance or a life annuity. In addition, hardship distributions are permitted if certain criteria are met.

(h) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may derive any participant or beneficiary under the Plan of any vested right.

(2) Significant Accounting Policies

(a) Basis of Presentation

The Plan's financial statements are prepared using the accrual basis of accounting, with the exception of the payment of benefits, which are recognized as a reduction in the net assets of the Plan as they are disbursed to participants. Purchases and sales of securities are recorded on a trade-date basis.

(b) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c) Valuation of Investments

Cash equivalents are stated at cost which approximates fair value. Marketable securities are stated at fair value. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the year.

(d) Net Appreciation in Fair Value of Investments

Net appreciation in fair value of investments, as recorded in the accompanying statement of changes in net assets available for benefits, includes changes in fair value of investments acquired, sold, or held during the year.

(e) Administrative Fees

Professional fees incurred by the Plan are paid by the Company.

Edgar Filing: TRUSTMARK CORP - Form 11-K

(3) Investments

The fair value of individual investments that represent 5% or more of the Plan's net assets as of December 31, 2001 and 2000 are as follows:

	December	
	-----	-----
	2001	2000
	-----	-----
Investment at fair value as determined by quoted market price:		
Common stock of Trustmark Corporation	\$62,084,423	\$
Performance Funds Trust Mutual Funds:		
Large-Cap Equity Fund	10,571,905	
Mid-Cap Equity Fund	7,555,686	
Investments at cost which approximates fair value:		
Federated Capital Preservation Fund	9,729,922	

During 2001, the Plan's investments (including investments bought and sold, as well as held during the year) appreciated (depreciated) in value as follows:

Investments at fair value as determined by quoted market price:	
Common stock of Trustmark Corporation	\$9,655,981
Performance Funds Trust Mutual Funds:	
Short Term Govt. Inst. Fund	46,990
Intermediate Term Govt. Inst. Fund	27,260
Leader's Equity Fund	(103,798)
Large-Cap Equity Fund	(1,171,126)
Small-Cap Equity Fund	(105,586)
Mid-Cap Equity Fund	(517,611)
Templeton Foreign Fund	(140,006)

Net appreciation in fair value of investments	\$7,692,104
	=====

(4) Income Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated June 1, 1998, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

(5) Related Parties

Plan assets include investments held with the Company. These investments do not constitute prohibited transactions as defined in ERISA Section 406(a). Trustmark National Bank serves as the investment advisor for the Performance Funds Trust Mutual Funds. Trustmark Corporation is the parent company of Trustmark National Bank.

Edgar Filing: TRUSTMARK CORP - Form 11-K

(6) Reconciliation of Financial Statements to Form 5500

As of December 31, 2001, the Plan had approximately \$72,000 of pending distributions to participants who elected to withdraw from the Plan. This amount is recorded as a liability in the Plan's Form 5500; however, this amount is not recorded as a liability in the accompanying statement of net assets available for benefits in accordance with accounting principles generally accepted in the United States of America.

The following table reconciles financial information per the accompanying financial statements to the Form 5500 as filed by the Company for the year ended December 31, 2001:

	Benefits Payable	Benefits Paid	Net Assets Available for Plan Benefits
	-----	-----	-----
Per accompanying financial statements	\$ --	\$4,388,226	\$102,322,886
2000 amounts pending distribution to participants	--	(82,000)	--
2001 amounts pending distribution to participants	72,000	72,000	(72,000)
	-----	-----	-----
Per Form 5500	\$ 72,000	\$4,378,226	\$102,250,886
	=====	=====	=====

(7) Contingencies

Trustmark Corporation (the Company's parent) and its subsidiaries are parties to lawsuits and other claims that arise in the ordinary course of business. Some of the lawsuits assert claims related to various business activities; and some of the lawsuits allege substantial claims for damages. The cases are being vigorously contested. In the regular course of business, management evaluates estimated losses or costs related to litigation, and provision is made for anticipated losses whenever management believes that such losses are probable and can be reasonably estimated. At the present time, management believes, based on the advice of legal counsel, that the final resolution of pending legal proceedings will not have a material impact on Trustmark Corporation's or the Plan's consolidated financial position or results of operations.

(8) Subsequent Events

Effective January 1, 2002, Trustmark Corporation will assume sponsorship of the Plan and the Plan will be renamed Trustmark 401(k) Plan. In addition, the Plan will be amended and restated by adoption of the Trustmark National Bank Prototype Defined Contribution Plan and Trust. The provisions of the Plan will remain substantially the same except for a change in the employer safe harbor contribution for purposes of sections 401(k) and 401(m) of the IRC from a 3% nonelective safe harbor

Edgar Filing: TRUSTMARK CORP - Form 11-K

contribution to a matching safe harbor contribution at the rate of 100% of the first 3% and 50% of the next 3% of covered compensation.

REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

To the Plan Administrator of
 Trustmark National Bank 401(k) Plan:

We have audited the accompanying statements of net assets available for plan benefits of the Trustmark National Bank 401(k) Plan (the Plan) as of December 31, 2000 and 1999, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2000. These financial statements and the schedule referred to below are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements and schedule based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement

Edgar Filing: TRUSTMARK CORP - Form 11-K

presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the Plan as of December 31, 2000 and 1999, and the changes in its net assets available for plan benefits for the year ended December 31, 2000, in conformity with accounting principles generally accepted in the United States.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule listed in the accompanying index is presented for purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
