Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law (the "DGCL"), as amended, gives Delaware corporations the power (but not the obligation) to indemnify each of their present and former officers or directors under certain circumstances, if such person acted in good faith and in a manner which he reasonably believed to be in, or not opposed to, the best interests of the corporation.

Article Seventh of Registrant's Amended and Restated Certificate of Incorporation eliminates the personal liability of each director to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, except (i) for breaches of such director's duty of loyalty to the Registrant or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL or (iv) for any transaction from which such director derived an improper personal benefit.

Article Eighth of Registrant's Amended and Restated Certificate of

Edgar Filing: IEC ELECTRONICS CORP - Form S-8

Incorporation also contains a provision to the general effect that each director and officer shall be indemnified by the Registrant against liabilities and expenses in connection with any threatened, pending or contemplated legal proceeding to which he or she may be made a party or with which he or she may become involved by reason of being or having been an officer or director of the Registrant or of any other organization at the request of the Registrant. Such indemnification is authorized to the fullest extent permitted under the DGCL.

Article VIII of Registrant's By-laws provides that directors and officers will be indemnified by the Registrant to the fullest extent permitted by law for all losses that may be incurred by them in connection with any action, suit or proceeding in which they may become involved by reason of their service as a director or officer of the Registrant.

The Registrant has entered into an indemnity agreement with each officer and director to provide contractual assurance that the protection afforded by the Registrant's Amended and Restated Certificate of Incorporation and By-laws will be available regardless of changes in the Registrant's charter documents or a change in control of the Registrant.

The Registrant maintains an officers' and directors' liability insurance policy insuring the covered individuals against acts or omissions taken by such persons in their capacities as officers or directors of Registrant.

Item 9. Undertakings.

Edgar Filing: IEC ELECTRONICS CORP - Form S-8

(1) The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933 (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(2) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that, in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
