Below is a press release issued by the Company on August 2, 2004. This press release is incorporated by reference into this Form 8-K.

MTI ANNOUNCES NEW EXECUTIVE APPOINTMENTS

ALBANY, N.Y. - August 2, 2004 - Mechanical Technology Inc. (NASDAQ: MKTY) today announced that effective September 1, 2004, Steven Fischer, a member of the Board of Directors since 2003, will assume the role of Chairman and CEO for MTI. Mr. Fischer, the former Chairman of New York-based professional services firm UHY Advisors NY, Inc., formerly Urbach Kahn and Werlin Advisors Inc., led the growth of UHY to become ranked among the 16 largest professional services firms in the United States. Mr. Fischer resigned from UHY on July 31, 2004 to focus his leadership on building MTI's businesses in both the MTI Instruments and MTI MicroFuel Cells subsidiaries. Mr. Fischer holds a J.D. degree from New York University, a B.A. degree from the City College of New York and is a Certified Public Accountant.

Dale Church, MTI's Chairman and Chief Executive Officer since 2002, will transition from his current role to President of MTI Government Systems in order to focus more exclusively on business development initiatives in the rapidly growing government sector for MTI's subsidiaries, MTI MicroFuel Cells and MTI Instruments. Mr. Church will also continue to be the Chairman of MTI MicroFuel Cells and a member of the MTI Board of Directors.

"The Board is pleased to be able to benefit from Mr. Fischer's track record of success. Steven Fisher has considerable board and governance experience with more than a dozen organizations, as well as a richly deserved reputation for assisting emerging growth companies attain their goals," said Dr. Beno Sternlicht, a founder and longstanding MTI Board member. "In addition, the government sector is a key vertical market for MTI. Mr. Church's extensive experience in the Department of Defense and the Central Intelligence Agency can best serve the Company by focusing his leadership capabilities on accelerating the enormous business opportunities in this area."

On July 29, 2004, Mr. Fischer resigned from the MTI Audit Committee. Mr. David Eisenhaure, a member of the MTI Board of Directors, became a member of the Audit Committee, and Dr. Walter Robb, a current member, was elected the new Chairman of the Audit Committee.

2

MTI plans to release its second quarter financial results and reaffirm its continued progress and milestones for 2004 during its quarterly conference call on August 17, 2004. Mr. Church and Mr. Fischer will participate on the call.

About MTI

MTI is primarily engaged in the development and commercialization of Mobion™ cord-free advanced portable power systems through its subsidiary MTI MicroFuel Cells Inc. (MTI Micro), and has announced plans to ship its first product towards the end of 2004. MTI Micro has a world-class team of entrepreneurial business executives, researchers and scientists; a proprietary direct methanol micro fuel cell power system and a number of system prototypes demonstrating size reductions and performance improvements; significant related intellectual property; and has received government awards and developed strategic partnerships to help accelerate commercialization. MTI is also engaged in the design, manufacture, and sale of high-performance test and measurement instruments and systems through its subsidiary MTI Instruments, Inc.
