**Item 1.01 Entry into a Material Definitive Agreement.**

The information provided in Item 2.03 below is incorporated herein by reference.

**Item 1.02 Termination of a Material Definitive Agreement.**

The \$600.0 million revolving credit and term loan agreement referenced in Item 2.03 below amends and restates the Company's existing \$250.0 million senior revolving credit facility (the "Prior Facility"). The lending commitments under the Prior Facility were evidenced by a Second Amended and Restated Revolving Credit Loan Agreement dated as of September 19, 2005 among the Company, SunTrust Bank, as Administrative Agent, Regions Bank and Bank of America, N.A. as Co-Documentation Agents and National City Bank and U.S. Bank, N.A., as Co-Syndication Agents, and various other lenders, which established a \$250.0 million revolving credit facility, including a \$75.0 million sub facility for letters of credit.

**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On December 1, 2006, Healthways, Inc. (the "Company") completed the acquisition of Axia Health Management, Inc. ("Axia") in accordance with the terms of a Stock Purchase Agreement (the "Purchase Agreement") with Axia Health Management, LLC (the "Seller") and Axia, dated October 11, 2006.

Pursuant to the Purchase Agreement, Healthways purchased all of the outstanding shares of capital stock of Axia from the Seller for a purchase price of approximately \$450.0 million in cash. At the closing, the Company deposited \$35.0 million of the purchase price to be held in escrow until approximately December 31, 2007 to satisfy any potential indemnification claims. The Company also deposited an additional \$9.0 million of the purchase price to be held in escrow to satisfy a portion of certain potential earnout obligations of the Seller and/or Axia owed to certain persons who had previously sold certain business units to Axia. The Company financed the acquisition through a combination of cash on hand and proceeds from a \$600.0 million credit facility, as discussed below.

The terms and conditions of the acquisition are more fully described in the Purchase Agreement, which is attached hereto as Exhibit 2.1. A copy of the press release issued on December 1, 2006 is attached hereto as Exhibit 99.1.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

On December 1, 2006, the Company entered into a Third Amended and Restated Revolving Credit and Term Loan Agreement (the "Credit Facility") with SunTrust Bank, as Administrative Agent, JPMorgan Chase Bank, N.A. and Fifth Third Bank, N.A., as Co-Syndication Agents, U.S. Bank National Association and Regions Bank, as Co-Documentation Agents, and various other lenders. The Credit Facility provides the Company with (1) a \$400.0 million revolving credit facility, including a swingline sub facility of \$10.0 million and a \$75.0 million sub facility for letters of credit, (2) a \$200.0 million term loan facility and (3) an uncommitted incremental accordion facility of \$200.0 million.

## Edgar Filing: HEALTHWAYS, INC - Form 8-K

Borrowings under the Credit Facility generally bear interest at variable rates based on a margin or spread in excess of either (1) the one-month, two-month, three-month or six-month rate for Eurodollar deposits (the Eurodollar Rate ) or (2) the greater of the federal funds rate plus 0.5% or the prime lending rate from time to time announced by the Administrative Agent ( Base Rate ), as selected by the

Company. The margin for revolving advances depends on the Company's leverage ratio (i.e., its ratio of consolidated funded indebtedness to consolidated EBITDA). For revolving advances, the Eurodollar Rate margin varies from 0.875% to 1.750%, and the Base Rate margin varies from 0.000% to 0.250%. For term loans, the Eurodollar Rate margin is 1.750% and the Base Rate margin is 0.250%. The Credit Facility also provides for a fee ranging between 0.150% and 0.300% of unused commitments. The Credit Facility is secured by guarantees from most of the Company's domestic subsidiaries and by security interests in substantially all of the Company's and such subsidiaries' assets.

The Company is required to repay outstanding revolving loans on the revolving commitment termination date, which is December 1, 2011. The Company is required to repay term loans in quarterly principal installments aggregating \$500,000 each, commencing on March 31, 2007, and the entire unpaid principal balance of the term loans is due and payable at maturity on December 1, 2013. The Credit Facility provides for the making of certain mandatory prepayments in connection with asset sales, equity issuances and excess cash flow, subject to limitations and exceptions set forth therein.

The Credit Facility contains various affirmative, negative and financial covenants, which require, among other things, that the Company comply with requirements regarding (i) a maximum ratio or level of consolidated funded debt to consolidated EBITDA, (ii) a minimum ratio or level of fixed charge coverage, and (iii) a minimum net worth. It also restricts the payment of dividends and limits the amount of repurchases of the Company's common stock.
