Certain of the agents will make these Notes available for sale on the Internet through a proprietary Web site and/or a third-party system operated by Market Axess Inc., an Internet-based communications technology provider. Market Axess Inc. is providing the system as a conduit for communications between those agents and their respective customers and is not a party to any transactions. Market Axess Inc., a registered broker-dealer, will receive compensation from agents utilizing Market Axess's system based on transactions they conduct through the system. These agents will make the notes available to their respective customers through the Internet, whether made through a proprietary or third-party system, on the same terms as sales made through other channels.
