INDEPENDENT AUDITORS' REPORT

To The Procter & Gamble Master Savings Plan Committee:

We have audited the accompanying statements of net assets available for benefits of the Procter & Gamble Pharmaceuticals Savings Plan (the "Plan") as of December 31, 2001 and 2000, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2001 and 2000, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in

PROCTER & GAMBLE PHARMACEUTICALS SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2001 AND 2000

1. DESCRIPTION OF THE PLAN

The following brief description of the Procter & Gamble Pharmaceuticals Savings Plan (the "Plan") is provided for general information only. Participants should refer to the Plan agreement for more complete information.

GENERAL - The Norwich Eaton Employee Savings Plan began on August 1, 1982 and was modified effective July 1, 1985 to meet the requirements under Internal Revenue Code Section 401(k). Norwich Eaton is a wholly-owned subsidiary of The Procter & Gamble Company ("Company"). During 1986, the assets and liabilities of the Norwich Eaton Employee Savings Plan were transferred to create three plans, one for salaried employees, one for hourly employees and one for Norwich Eaton's Greenville location employees. Effective July 1, 1987, the Greenville plan was terminated in connection with a corporate reorganization. Effective June 30, 1994, the hourly plan was merged into the salary plan which created the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS AND VESTING - In connection with the cessation of contributions to the Plan effective July 1, 1991, all participants became fully vested and no new participants were allowed in the Plan. Plan participants became eligible to participate in The Procter & Gamble Profit Sharing Trust and Employee Stock Ownership Plan effective July 1, 1991.

DISTRIBUTIONS - The Plan provides for benefits to be paid upon retirement, disability, death, or separation other than retirement as defined by the Plan document. Plan benefits may be made in a lump sum of cash or shares of common stock or in installment payments over a period not to exceed 120 months. Retired or terminated employees shall commence benefit payments upon attainment of age 70 1/2.

WITHDRAWALS - A participant may withdraw any portion of after-tax contributions once in any six-month period. Participants who have attained age 59 1/2 or have demonstrated financial hardship may withdraw all or any portion of their before-tax contributions once in any six-month period.

PLAN TERMINATION - Subsequent to December 31, 2001, the Company terminated the Plan subject to the provisions of ERISA (Note 6).

ADMINISTRATION - The Plan is administered by the Master Savings Plan Committee consisting of four members appointed by the Board of Directors of the Company, except for duties specifically vested in the trustee, PNC Bank, Ohio, N.A. ("PNC Bank"), who is also appointed by the Board of Directors of the Company.

Edgar Filing: PROCTER & GAMBLE CO - Form 11-K

PARTICIPANT ACCOUNTS AND INVESTMENT OPTIONS - Each participant's account is credited with an allocation of the Plan's earnings. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's account. Participants may allocate their account in one or all of the following investment options offered by the Plan:

ENHANCED CASH FUND - The prospectus indicates that this fund invests in short to medium length maturity, interest-bearing instruments.

COMPANY STOCK FUND - A fund that invests in shares of The Procter & Gamble Company common stock.

ACTIVE FIXED-INCOME CORE FUND - The prospectus indicates that this fund invests in a diversified portfolio of publicly and privately traded corporate, government, international and mortgage backed bonds.

DISCIPLINED EQUITY FUND - The prospectus indicates that this fund invests in equity securities of approximately 300 domestic, large company stocks.

DIVERSIFIED FUND - The prospectus indicates that this fund invests in a balanced portfolio consisting of both equity and fixed securities.

SMALL COMPANY EQUITY II FUND - The prospectus indicates that this fund invests in a portfolio of equity securities issued by small companies.

INTERNATIONAL EQUITY FUND - The prospectus indicates that this fund invests in a diversified portfolio of equity securities of foreign corporations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

BASIS OF ACCOUNTING - The accompanying financial statements have been prepared on the accrual basis of accounting and the Plan's net assets and transactions are recorded at fair value. The Plan's investment in The Procter & Gamble Company common stock is valued at the closing price on an established security exchange. The Plan's investment funds (funds) are valued by the fund manager, J.P. Morgan Investment Management, Inc., based upon the fair value of the funds' underlying investments. Income from investments is recognized when earned and is allocated to each plan participating in The Procter & Gamble Master Savings Trust (Master Trust) by PNC Bank and to each participant's account by the Plan's recordkeeper.

EXPENSES OF THE PLAN - Investment management expenses were paid by the Plan in 2001 and 2000. All other expenses are paid by the Company.

USE OF ESTIMATES - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

The Plan invests in Company common stock and in various mutual funds which include investments in U.S. Government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

Edgar Filing: PROCTER & GAMBLE CO - Form 11-K

ACCOUNTING POLICIES - On January 1, 2001, the Plan adopted Statement of Financial Accounting Standards (SFAS) No. 133, Accounting for Derivative Instruments and Hedging Activities, as amended by SFAS No. 138, Accounting for Certain Derivative Instruments and Certain Hedging Activities. SFAS No. 133 establishes accounting and reporting standards for derivative instruments and for hedging activities. It requires that all derivatives, including those embedded in other contracts, be recognized as either assets or liabilities and that those financial instruments be measured at fair value. The accounting for changes in the fair value of derivatives depends on their intended use and designation. The adoption of this standard did not have a material effect on the Plan's financial statement.

3. TAX STATUS

The Internal Revenue Service has determined and informed the Company by letter dated March 7, 2002, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the latest determination letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC at December 31, 2001 and 2000. Therefore, they believe that the Plan was qualified and tax-exempt as of December 31, 2001 and 2000 and no provision for income taxes has been reflected in the accompanying financial statements.

4. INTEREST IN MASTER TRUST

Effective January 1, 1993, the Company formed the Master Trust in accordance with a master trust agreement with PNC Bank.

Use of a master trust permits the commingling of investments that fund various Company-sponsored defined contribution plans for investment and administrative purposes. Although assets are commingled in the Master Trust, PNC Bank maintains records for the purpose of allocating contributions and changes in net assets of the Master Trust to participating Plans based upon each plan's proportionate interest in the Master Trust. The following represents the 2001 and 2000 audited financial information regarding the net assets and investment income of the Master Trust.
