Item 1.01. Entry into a Material Definitive Agreement.

Effective June 9, 2010, Crimson Exploration Inc. (the "Company") entered into a fifth amendment to its senior secured revolving credit facility, dated May 31, 2007, as amended (the "Senior Credit Agreement"). This amendment provides for a change in the maturity date from May 8, 2011 to January 8, 2012.

Effective June 9, 2010, the borrowing base under the Senior Credit Agreement was redetermined to be \$100.0 million. However, only \$95.0 million of the borrowing base will be available for borrowings until the Company has entered into additional commodity contracts under hedging agreements acceptable to the lenders' agent that provide an incremental \$3.0 million in present value to the value of its reserve base, discounted at 9% assuming the bank-price deck.

The press release announcing the borrowing base redetermination and amendment to the Senior Credit Agreement is included in this report as Exhibit 99.1 and incorporated herein by reference.
