### ITEM 9. REGULATION FD DISCLOSURE

On November 16, 2004, the Company announced its earnings for the Fiscal Year and Fourth Quarter ended September 30, 2004. A copy of the press release summarizing these earnings is filed with this Form 8-K as exhibit 99.1 and is incorporated herein by reference.

The ATWOOD FALCON continues to work under its drilling contract with Sarawak Shell Berhad ("Shell"). This contract is expected to extend into February 2005. Immediately upon completion of the Shell contract, the rig will be moved to Japan to commence a drilling program for Japan Energy Development Co., Ltd. ("Japan") which now includes two firm wells after Japan exercised its one option well. The Japan drilling program could take until approximately August 2005 to complete.

The ATWOOD HUNTER continues to work under its drilling contract with Burullus Gas Co., ("Burullus"). The initial contract with Burullus included the drilling of ten (10) firm wells and options to drill six additional wells. Burullus has now exercised options to drill all six of these additional wells. The dayrate for all wells drilled will be \$62,400. This contract is expected to extend into approximately September 2005.

The SEAHAWK has completed its minor modifications and equipment change-out at the Kemanan Supply Base, Malaysia and has commenced its two well drilling program for Sarawak Shell Berhad ("Shell"). This drilling program is expected to extend into late January 2005. Additional work, following the Shell contract, is being pursued in Southeast Asia as well as other areas of the world.

Additional information with respect to the Company's Consolidated Statements of Operations for the three months and year ended September 30, 2004 and 2003, an analysis of Contract Revenues and Drilling Costs for the three months and year ended September 30, 2004, Consolidated Balance Sheets at September 30, 2004 and 2003 and Contract Status Summary at November 16, 2004 are attached hereto as Exhibits 99.2, 99.3, 99.4 and 99.5, respectively, which are being furnished in accordance with rule 101 (e) (1) under Regulation FD and should not be deemed to be filed.

Statements contained in this report with respect to the future are forward-looking statements. These statements reflect management's reasonable
