ITEM 5.03 AMENDMENTS TO ARTICLES OF INCORPORATION OR BYLAWS;

Edgar Filing: ESCO TECHNOLOGIES INC - Form 8-K

CHANGE IN FISCAL YEAR

Effective February 2, 2007, the Board of Directors of the Registrant amended Section 3.8 Qualifications of Article Three of its Bylaws to read as follows:

Section 3.8 Qualifications. No person shall be qualified to be elected

and to hold office as a Director if such person is determined by a majority of the Board of Directors to have acted in a manner contrary to the best interests of the Corporation, including, but not limited to, the violation of either Federal or State law, or breach of any agreement between that Director and the Corporation relating to his services as a Director, employee or agent of the Corporation. A Director need not be a shareholder.

This amendment (Exhibit 3.1 to this report) deleted the first sentence of the previous Section 3.8, which sentence read as follows:

A person shall not be eligible for election as a Director under Section 3.1 of this Article Three if such person's 75th birthday shall fall on a date prior to the commencement of the term for which such person is to be elected or appointed.

ITEM 7.01 REGULATION FD DISCLOSURE

Today, the Registrant is issuing a press release announcing its fiscal year 2007 first quarter financial and operating results, and will conduct a related Webcast conference call at 4:00 p.m. central time. This press release is furnished herewith as Exhibit 99.1, and will be posted on the Registrant's website located at <http://www.escotechnologies.com>. It can be viewed through the

"Investor Relations" page of the website under the tab "Press Releases," although the Registrant reserves the right to discontinue that availability at any time.

NON-GAAP FINANCIAL MEASURES

The press release furnished herewith as Exhibit 99.1 contains financial measures and financial terms not calculated in accordance with generally accepted accounting principles in the United States of America ("GAAP") in order to provide investors and management with an alternative method for assessing the Registrant's operating results in a manner that is focused on the performance of the Registrant's ongoing operations. The Registrant has provided definitions below for the non-GAAP financial measures utilized in the press release, together with an explanation of why management uses these measures, and why management believes that these non-GAAP financial measures are useful to investors. The press release uses the non-GAAP financial measures of "EBIT" and "EBIT margin".

The Registrant defines "EBIT" as earnings before interest and taxes. The Registrant defines "EBIT margin" as EBIT as a percent of net sales. The Registrant's management evaluates the performance of its operating segments based on EBIT and EBIT margin, and believes that EBIT and EBIT margin are useful to investors to demonstrate the operational profitability of the Registrant's business segments by excluding interest and taxes, which are generally accounted for across the entire Registrant on a consolidated basis. EBIT is also one of the measures used by management in determining resource allocations within the Registrant and incentive compensation.

Edgar Filing: ESCO TECHNOLOGIES INC - Form 8-K

The presentation of the information described above is intended to supplement investors' understanding of the Registrant's operating performance. The Registrant's non-GAAP financial measures may not be comparable to other companies' non-GAAP financial performance measures. Furthermore, these measures are not intended to replace net earnings (loss), cash flows, financial position, comprehensive income (loss), or any other measure as determined in accordance with GAAP.
