Item 1.01 Entry into a Material Definitive Agreement.

On September 26, 2014, Helix Q5000 Holdings S.à r.l., a Luxembourg private limited liability company (the “Borrower”) and an indirect, wholly-owned subsidiary of Helix Energy Solutions Group, Inc., a Minnesota corporation (the “Company”), and Helix Vessel Finance S.à r.l., a Luxembourg private limited liability company, the parent of the Borrower and an indirect, wholly-owned subsidiary of the Company (“Holdings”), entered into a Credit Agreement (the “Credit Agreement”) with Nordea Bank Finland PLC, London Branch, as administrative agent and collateral agent, together with the other lenders party thereto, pursuant to which the Borrower intends to borrow up to a maximum of US\$250 million in a term loan (the “Term Loan”). The Term Loan will be funded at or near the time of the delivery of the Q5000 vessel, which is currently estimated in early 2015, and will provide financing for the purchase of the Q5000 vessel, and for general corporate and working capital purposes.

The Term Loan will bear interest at a LIBOR rate plus a margin of 2.50%, with an undrawn fee of 0.875%.

The Term Loan matures five years after funding and is subject to scheduled installments of principal reduction based on a seven-year straight line repayment profile, payable quarterly, with a balloon payment at maturity, which installment amounts are subject to adjustment for any prepayments on the Term Loan. The Borrower may elect to prepay amounts outstanding under the Term Loan without premium or penalty, but may not reborrow any amounts prepaid. In certain circumstances, the Borrower will be required to prepay the Term Loan.

The Term Loan will be secured by the Q5000 vessel and its earnings as well as by a pledge of the shares of the Borrower.

The Credit Agreement and the other documents entered into in connection with the Credit Agreement include terms and conditions, including covenants, that the Borrower and Holdings consider customary for this type of transaction. The covenants include restrictions on the Borrower’s and Holdings’ ability to grant liens, incur indebtedness, make investments, merge or consolidate, sell or transfer assets, and pay dividends. In addition, the Credit Agreement obligates the Borrower and Holdings to meet minimum financial requirements, including liquidity, consolidated debt service coverage and collateral maintenance.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information described above under “Item 1.01 Entry into a Material Definitive Agreement” is incorporated herein by reference.

Item 7.01 Regulation FD Disclosure.

On September 29, 2014, the Company issued a press release regarding the Credit Agreement. Attached as Exhibit 99.1 and incorporated by reference herein is the press release.
