JOINT PROXY STATEMENT
AUGUST 13, 2004

This Joint Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Trustees of First Trust Value Line(R) Dividend Fund, First Trust/Four Corners Senior Floating Rate Income Fund, Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund, First Trust/Value Line(R) & Ibbotson Equity Allocation Fund, and First Trust/Four Corners Senior Floating Rate Income Fund II (each a "Fund" and collectively, the "Funds"), each a Massachusetts business trust, for use at the Annual Meetings of Shareholders of the Funds to be held on September 13, 2004, at 10:00 a.m. Central time, at the offices of First Trust Advisors L.P., 1001 Warrenville Road, Suite 300, Lisle, Illinois 60532, and at any adjournments thereof (each a "Meeting" and collectively, the "Meetings"). A Notice of the Annual Meetings of Shareholders and a proxy card accompany this Joint Proxy Statement. The Board of Trustees of the Funds has determined that the use of this Joint Proxy Statement is in the best interests of each Fund and its

shareholders in light of the same matters being considered and voted on by shareholders.

Proxy solicitations will be made, beginning on or about August 13, 2004, primarily by mail, but such solicitations may also be made by telephone or personal interviews conducted by officers or employees of each Fund; First Trust Advisors L.P. ("First Trust Advisors" or the "Adviser"), the investment adviser of the Funds; and PFPC Inc. ("PFPC"), the administrator, accounting agent and transfer agent of the Funds and a subsidiary of The PNC Financial Services Group Inc., or any of their affiliates. The costs of proxy solicitation and expenses incurred in connection with the preparation of this Joint Proxy Statement and its enclosures will be paid by the Funds. The Funds will also reimburse brokerage firms and others for their expenses in forwarding solicitation material to the beneficial owners of Fund shares.

The Funds' most recent annual and semi-annual reports are available upon request, without charge, by writing to the Adviser at 1001 Warrenville Road, Suite 300, Lisle, Illinois 60532 or by calling 1-800-988-5891. This Joint Proxy Statement and the enclosed proxy card will first be mailed to shareholders on or about August 13, 2004.

Page 1

If the enclosed proxy card is properly executed and returned in time to be voted at the Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. If no instructions are marked on the enclosed proxy card, shares represented thereby will be voted in the discretion of the persons named on the proxy card. Accordingly, unless instructions to the contrary are marked thereon, a proxy will be voted FOR the election of the nominees as Trustees, and FOR any other matters deemed appropriate. Any shareholder who has given a proxy has the right to revoke it at any time prior to its exercise either by attending the Meeting and voting his or her shares in person, or by submitting a letter of revocation or a later-dated proxy to the Fund at the above address prior to the date of the Meeting.

Under the By-Laws of each Fund, a quorum is constituted by the presence in person or by proxy of the holders of thirty-three and one-third percent (33-1/3%) of the voting power of the outstanding shares of the Fund. In the absence of a quorum, any lesser number of outstanding shares entitled to vote present in person or by proxy may adjourn the meeting from time to time until a quorum shall be present. For the purposes of establishing whether a quorum is present, all shares present and entitled to vote, including abstentions and broker non-votes (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), shall be counted.

The close of business on July 12, 2004 has been fixed as the record date (the "Record Date") for the determination of shareholders entitled to notice of and to vote at the Meeting and all adjournments thereof.

PROPOSAL 1: ELECTION OF TRUSTEES

Proposal 1 relates to the election of Trustees of each Fund. Management proposes the election of five Trustees: James A. Bowen, Richard E. Erickson, Niel B. Nielson, Thomas R. Kadlec and David M. Oster. Each Trustee has indicated his willingness to continue to serve if elected. If elected, each nominee will hold office until the next annual meetings of shareholders or until his successor is elected and qualified, or until he resigns, retires, or is otherwise removed. Each of the nominees was elected to each Fund's Board by the Fund's initial shareholder on the Fund's respective organizational date.

a. For First Trust Value Line(R) Dividend Fund, Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund, First Trust/Value Line(R) & Ibbotson Equity Allocation Fund, and First Trust/Four Corners Senior Floating Rate Income Fund II:

- i. Five (5) Trustees are to be elected by holders of Common Shares of each Fund, voting together as a single class. Trustees Bowen, Erickson, Nielson, Kadlec and Oster are nominees for election by all shareholders of each Fund.
- b. For First Trust/Four Corners Senior Floating Rate Income Fund:
 - i. Three (3) Trustees are to be elected by holders of Common and Preferred Shares, voting together as a single class. Trustees Bowen, Erickson, and Nielson are nominees for election by holders of Common and Preferred Shares; and
 - ii. Two (2) Trustees are to be elected by holders of Preferred Shares, voting together as a single class. Trustees Kadlec and Oster are nominees for election by holders of Preferred Shares.

The Trustees, including those who are not "interested persons" of the Fund ("Independent Trustees") as that term is defined in the Investment Company Act of 1940, as amended (the "1940 Act"), shall be elected by the affirmative vote of the holders of a plurality of the shares of each Fund cast in person or by proxy and entitled to vote thereon, provided a quorum is present. Abstentions and broker "non-votes" will have no effect on the approval of the proposal. Proxies cannot be voted for a greater number of persons than the number of nominees named.

Unless you give contrary instructions on the enclosed proxy card, your shares will be voted FOR the election of the nominees listed if your proxy card has been properly executed and timely received by the Fund. If any of the nominees should withdraw or otherwise become unavailable for election, your shares will be voted FOR such other nominee or nominees as management may recommend.

The Board of Trustees Unanimously Recommends that Shareholders Vote FOR Proposal 1.

ADDITIONAL INFORMATION

MANAGEMENT OF THE FUNDS

The management of each Fund, including general supervision of the duties performed for each Fund under the investment management agreement between each Fund and the Adviser, is the responsibility of the Board of Trustees. There are five Trustees of each Fund, one of whom is an "interested person" (as the term "interested person" is defined in the 1940 Act) and four of whom are Independent Trustees. No Independent Trustee has ever been a trustee, director or employee of, or consultant to the Adviser, any sub-adviser described below under "INVESTMENT ADVISER AND ADMINISTRATOR," or any of their affiliates. The Trustees of the Funds set broad policies for each Fund, choose each Fund's officers, and hire each Fund's investment adviser and, if applicable, sub-adviser. The officers of the Funds manage the day-to-day operations and are responsible to the Funds' Board of Trustees. The following is a list of Trustees and officers of the Funds and a statement of their present positions, principal occupations during the past five years, the number of portfolios each oversees and the other directorships they hold, if applicable.

COMPENSATION

Effective June 7, 2004, the Trustees approved a revised compensation plan. Under the revised plan, each Fund pays each Trustee who is not an officer or employee of First Trust Advisors, any sub-adviser or any of their affiliates an annual retainer of \$10,000 which includes compensation for all regular quarterly board meetings and regular committee meetings. No additional meeting fees are paid in connection with regular quarterly board meetings or regular committee meetings. Additional fees of \$1,000 and \$500 are paid to non-interested Trustees for special board meetings and non-regular committee meetings, respectively. These additional fees are shared by the Funds in the First Trust Fund complex that participate in the particular meeting and are not per Fund fees. Trustees are also reimbursed for travel and out-of-pocket expenses in connection with all meetings. The Trustees adopted the revised plan because the increase in the number of Funds in the First Trust complex had the effect of rapidly increasing their compensation under the previous arrangements. Prior to June 7, 2004, each Fund paid each Trustee not affiliated with First Trust Advisors, any sub-adviser or any of their affiliates an annual fee of \$10,000 plus \$1,000 as compensation for each board meeting (in-person or by electronic means) and \$500 per committee meeting (in-person or by electronic means) attended. The Board of Trustees held five meetings of First Trust Value Line(R) Dividend Fund, six meetings of the First Trust/Four Corners Senior Floating Rate Income Fund, three meetings of the Macquarie/First Trust Global Infrastructure/ Utilities Dividend & Income, Fund, and one meeting each of the First Trust/Value Line(R) & Ibbotson Equity Allocation Fund and First Trust/Four Corners Senior Floating Rate Income Fund II during the fiscal year ended May 31, 2004. Each of the Trustees attended all of the meetings of the Funds. The aggregate fees and expenses paid to the Trustees by each Fund for the fiscal year ended May 31, 2004 (including reimbursement for travel and out-of-pocket expenses) amounted to the following:

FUND	AGGREGATE FEES AND EXPENSES PAID

First Trust Value Line(R) Dividend Fund	\$62,870

Macquarie/First Trust Global Infrastructure/ & Utilities Dividend & Income Fund	\$ 6,101
First Trust/Value Line(R) & Ibbotson Equity Allocation Fund	\$ 4,000
First Trust/Four Corners Senior Floating Rate Income Fund II	\$ 4,000

The following table sets forth certain information regarding the compensation of each Fund's Trustees for the fiscal year ended May 31, 2004. The Funds have no retirement or pension plans.

For the fiscal year ended May 31, 2004, Mr. Oster was not a Trustee of First Defined Portfolio Fund, LLC and accordingly, his total compensation was based on compensation paid by First Trust Value Line(R) 100 Fund, Energy Income and Growth Fund and the Funds. On March 8, 2004, Mr. Kadlec was appointed as a Trustee of First Defined Portfolio Fund, LLC and accordingly, his total compensation for fiscal year ended May 31, 2004 was based on compensation paid by First Defined Portfolio Fund, LLC, First Trust Value Line(R) 100 Fund, Energy Income and Growth Fund and the Funds. The compensation for the Funds has been annualized to reflect compensation payable for a full fiscal year.

The officers and the interested Trustee of each Fund receive no compensation from the Funds for serving in such capacity.

COMMITTEES

AUDIT COMMITTEE

The Board of Trustees has an Audit Committee, which consists of Messrs. Erickson, Kadlec, Nielson and Oster, all of whom are "independent" as defined in the listing standards of the American Stock Exchange and New York Stock Exchange. The Audit Committee is responsible for overseeing each Fund's accounting and financial reporting process, the system of internal controls, audit process and evaluating and appointing independent auditors (subject also to Board approval). The Audit Committee met four times during the fiscal year ended May 31, 2004, with all members present.

In carrying out its responsibilities, the Audit Committee pre-approves all audit services for each Fund and permitted non-audit services (including the fees and terms thereof) to be performed for each Fund and the Adviser by Deloitte & Touche LLP, the Funds' independent registered public accounting firm ("independent auditors"), subject to the de minimis exceptions for non-audit

Page 10

services described in Section 10A of the 1934 Act and Rule 2-01 of Regulation S-X that the Audit Committee approves prior to the completion of the audit. The Chairman of the Audit Committee is authorized to give such pre-approvals on behalf of the Audit Committee. Any decisions by the Chairman to grant

pre-approvals shall be presented to the full Audit Committee at the next regularly scheduled meeting.

AUDIT COMMITTEE REPORT

The role of the Audit Committee is to assist the Board of Trustees in its oversight of each Fund's accounting and financial reporting process. The Audit Committee operates pursuant to a Charter that was most recently reviewed and approved by the Board of Trustees on March 8, 2004, a copy of which is attached as Exhibit A hereto. As set forth in the Charter, management of each Fund is responsible for maintaining appropriate systems for accounting and internal controls and the audit process. The Funds' independent auditors are responsible for planning and carrying out proper audits of the Funds' financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

In performing its oversight function, at a meeting held on July 26, 2004, the Audit Committee reviewed and discussed with management and the independent auditors, Deloitte & Touche LLP ("Deloitte & Touche"), the audited financial statements of each Fund for the fiscal periods from the commencement of each Fund's operations through May 31, 2004, and discussed the audit of such financial statements with the independent auditors and management.

In addition, the Audit Committee discussed with the independent auditors the accounting principles applied by each Fund and such other matters brought to the attention of the Audit Committee by the independent auditors required by Statement on Auditing Standards No. 61, Communications with Audit Committees, as currently modified or supplemented. The Audit Committee also received from the independent auditors the written disclosures and letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, delineating relationships between the independent auditors and each Fund and discussed the impact that any such relationships may have on the objectivity and independence of the independent auditors.

Members of each Fund's Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Funds for purposes of accounting, financial management or internal control functions. Moreover, the Audit Committee relies on, and makes no independent verification of, the facts presented and the representations made to it by Fund management and Deloitte & Touche. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Funds' financial statements has been carried out in accordance with generally accepted auditing standards or that the financial statements are presented in accordance with generally accepted accounting principles.

At the organizational meetings of each Fund, the Fund's Audit Committee

Page 11

selected Deloitte & Touche as independent auditors for the Funds for the fiscal period ending May 31, 2004. Such selection was ratified by each Fund's sole shareholder. Deloitte & Touche has advised the Funds that, to the best of its knowledge and belief, as of July 26, 2004, Deloitte & Touche professionals did not have any direct or material indirect ownership interest in the Funds inconsistent with independent professional standards pertaining to auditors. It is expected that representatives of Deloitte & Touche will be present at the

Meeting to answer any questions that may arise. The Funds' Audit Committee has selected Deloitte & Touche as independent auditors for the Funds for the fiscal period ending May 31, 2005. In reliance on Rule 32a-4 under the 1940 Act, each Fund is not seeking shareholder ratification of the selection of Deloitte & Touche as independent auditors.

Based on its consideration of the Funds' audited financial statements and the discussions referred to above with Fund management and Deloitte & Touche, and subject to the limitations on the responsibilities and role of the Audit Committee as set forth in the Charter and discussed above, the Audit Committee recommended the inclusion of the Funds' audited financial statements for the period ended May 31, 2004 in each Fund's Annual Report dated May 31, 2004.

Submitted by the Audit Committee of the Fund:

Richard E. Erickson
 Thomas R. Kadlec
 Niel B. Nielson
 David M. Oster

OTHER COMMITTEES

The Board of Trustees of the Funds has three other standing committees: the Executive Committee (and Dividend and Pricing Committee), the Nominating and Governance Committee and the Valuation Committee. The Executive Committee, which meets between Board meetings, is authorized to exercise all powers of and to act in the place of the Board of Trustees to the extent permitted by each Fund's

Declaration of Trust and By-Laws. The members of the Executive Committee also serve as a special committee of the Board of Trustees known as the Dividend and Pricing Committee which is authorized to exercise all of the powers and authority of the Board in respect of the declaration and setting of dividends and the issuance and sale, through an underwritten public offering, of the shares of each Fund and all other such matters relating to such financing, including determining the price at which such shares are to be sold and approval of the final terms of the underwriting agreement, including approval of the members of the underwriting syndicate. Messrs. Bowen and Kadlec are members of the Executive Committee. The Executive Committee serving as the Dividend and Pricing Committee met a total of sixteen times during the fiscal year ended May 31, 2004. Each Fund's Executive Committee met to authorize the Fund's initial public offering of shares as well as for each dividend declaration.

Each Fund's Nominating and Governance Committee (formerly the Nominating Committee) (the "Committee") is composed entirely of Trustees who are not "interested persons" (as that term is defined in the 1940 Act) of each Fund and who are "Independent Trustees" within the meaning of the listing standards of the American and New York Stock Exchanges. Messrs. Erickson, Kadlec, Nielson and Oster are members of the Committee. The purpose of the Committee is to oversee matters related to the nomination of trustees and as necessary, the corporate governance of each Fund. The Committee is responsible for, among other things, seeking, identifying and nominating qualified candidates for election or appointment as trustees in the event of a vacancy, consistent with criteria approved by the Board, for the next annual meeting of shareholders; evaluating Board performance and processes; reviewing Board committee assignments; and, to the extent necessary or desirable, establishing corporate governance guidelines and procedures. The committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Funds' website at www.ftportfolios.com. The Committee did not meet during the fiscal year ended May 31, 2004.

If there is no vacancy on the Board, the Board will not actively seek recommendations from other parties, including shareholders. When a vacancy on the Board occurs, the committee may seek recommendations for candidates from those sources it deems appropriate in its discretion, including shareholders of the Funds. The Committee may retain a search firm to identify candidates. Shareholders of the Funds who wish to recommend a person for nomination as a candidate for a position on the Funds' Board should mail such recommendation to the Funds, attention W. Scott Jardine, 1001 Warrenville Road, Suite 300, Lisle, Illinois 60532. Recommendations must include (a) evidence of Fund ownership of the person or entity recommending the candidate (if a Fund shareholder); (b) a full description of the proposed candidate's background, including their education, experience, current employment and date of birth; (c) names and addresses of at least three professional references for the candidate; (d) information as to whether the candidate is an "interested person" (as such term is defined in the 1940 Act) and such other information that may be considered to impair the candidate's independence; and (e) any other information that may be

Page 13

helpful to the Committee in evaluating the candidate. If a recommendation is received with satisfactorily completed information regarding a candidate during a time when a vacancy exists on the Board or during such other time as the Committee is accepting recommendations, the recommendation will be forwarded to the Chairperson of the Committee and outside counsel to the Independent Trustees. Recommendations received at any other time will be kept on file until such time as the Committee is accepting recommendations at which point they may be considered for nomination.

In recruiting new trustees, the Committee seeks to recruit and retain qualified independent trustees of high integrity, whose skills and experience

will enhance the Board's ability to effectively represent the interests of the Funds' shareholders and oversee the wide range of regulatory and business issues affecting the Funds. A candidate for trustee must meet certain basic requirements, including relevant skills and experience, time availability and if qualifying as a non- "interested person" candidate, independence from the Funds, investment adviser or other service providers. The qualifications of a particular candidate, however, may vary depending on the current composition of the Board and the mix of skills and backgrounds of the incumbent trustees since the Committee seeks to establish an effective Board with an appropriate range of skills and experience, in the aggregate. In addition to relevant skills and experience, all candidates must possess high standards of personal integrity that are assessed on the basis of personal interviews, recommendations, or direct knowledge by Committee members. The review process may include, without limitation, personal interviews, background checks, written submissions by the candidates and third party references. Under no circumstances shall the Committee evaluate persons recommended by a shareholder of the Funds on a basis substantially different than that used for other persons recommended for the same election or appointment of trustees. The Committee reserves the right to make the final selection regarding the nomination of any trustees.

The Valuation Committee is responsible for the oversight of the pricing procedures of the Funds. Messrs. Erickson, Kadlec and Oster are members of the Valuation Committee. The Valuation Committee did not meet during the fiscal year ended May 31, 2004.

the SEC, the American Stock Exchange and the New York Stock Exchange and to furnish the Funds with copies of all Section 16(a) forms they file. Except as disclosed below, based solely upon its review of the copies of such forms received by it and written representations from certain of such persons, the Funds believe that during the fiscal year ended May 31, 2004, all such filing requirements applicable to such persons were met. The letter should indicate that you are a Fund shareholder. If the communication is intended for a specific Trustee and so indicates, it will be sent only to that Trustee. In particular, each member must meet the independence and experience requirements of the New York Stock Exchange, the American Stock Exchange, Section I OA of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Rule 1 OA-3 thereunder, and other applicable rules and regulations of the Securities and Exchange Commission ("SEC"). The Committee will ordinarily meet once for every regular meeting of the Board. The Committee may meet more or less frequently as appropriate, but no less than twice per year.

C. Term of Office.

III. RESPONSIBILITIES.

A. With respect to Independent Auditors:

1. The Committee shall be responsible for the appointment or replacement (subject if applicable, to Board and/or shareholder ratification), compensation, retention and oversight of the work of any registered public accounting firm engaged (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest

services for the Funds ("External Auditors "). The External Auditors shall report directly to the Committee.

2. The Committee shall meet with the External Auditors and Fund Management to review the scope, fees, audit plans and staffing of the proposed audits for each fiscal year. At the conclusion of the audit, the Committee shall review such audit results, including the External Auditor's evaluation of the Fund's financial and internal controls, any comments or recommendations of the External Auditors, any audit problems or difficulties and Fund Management's response, including any restrictions on the scope of the External Auditor's activities or on access to requested information, any significant disagreements with Fund Management, any accounting adjustments noted or proposed by the auditor but not made by the Fund, any communications between the audit team and the audit firm's national office regarding auditing or accounting issues presented by the engagement, any significant changes required from the originally planned audit programs and any adjustments to the financial statements recommended by the auditors.

3. The Committee shall meet with the External Auditors in the absence of Fund Management, as necessary.

4. The Committee shall pre-approve all audit services and permitted non-audit services (including the fees and terms thereof) to be performed for the Fund by its External Auditors. The Chairman of the Committee is authorized

A-2

to give such pre-approvals on behalf of the Committee, and shall report any such pre-approval to the full Committee.

5. The Committee shall approve the External Auditor's engagements for non-audit services with the Fund Management (not including a sub-adviser whose role is primarily portfolio management and is sub-contracted or overseen by another investment adviser) and any entity controlling, controlled by or under common control with the investment adviser that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund, subject to the de minimis exceptions for non-audit services described in Rule 2-01 of Regulation S-X.

6. If the External Auditor has provided non-audit services to Fund Management (other than any sub-adviser whose role is primarily portfolio management and is sub-contracted with or overseen by another investment adviser) and any entity controlling, controlled by or under common control with the investment adviser that provides ongoing services to the Fund that were not pre-approved pursuant to the de minimis exception, the Committee shall consider whether the provision of such non-audit services is compatible with the External Auditor's independence.

7. The Committee shall obtain and review a report from the External Auditors at least annually (including a formal written statement delineating all relationships between the auditors and the Fund consistent with Independent Standards Board Standard I as may be amended, restated, modified or replaced) regarding (a) the External Auditor's internal quality-control procedures; (b) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by an inquiry or investigation by governmental or professional authorities within the preceding five years, respecting one or more independent audits carried out by the firm; (c) any steps taken to deal with any such issues; and (d) the External Auditor's independence, including all relationships between the External Auditors and the Fund and its affiliates; and evaluating the qualifications, performance and independence of the External Auditor, including their membership in the SEC practice section of the AICPA and their compliance with all applicable requirements for independence and peer

8. The Committee shall review reports and other information provided to it by the External Auditors regarding any illegal acts that they should discover (whether or not perceived to have a material effect on the Fund's financial statements), in accordance with and as required by Section I OA(b) of the Exchange Act.

9. The Committee shall ensure the rotation of the lead (or concurring) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law, and further considering the rotation of the independent auditor firm itself.

10. The Committee shall establish and recommend to the Board for ratification a policy of the Fund the hiring of employees or former employees of the External Auditor who participated in the audits of the Funds' financial statements by the Fund or Fund Management.

A-3

11. The Committee shall take (and, where appropriate, recommend that the Board take) appropriate action to oversee the independence of the External Auditor.

12. The Committee shall report regularly to the Board on the results of the activities of the Committee, including any issues that arise with respect to the quality or integrity of the Funds' financial statements, the Funds' compliance with legal or regulatory requirements, the performance and independence of the Funds' External Auditors, or the performance of the internal audit function, if any.

B. With respect to Fund Financial Statements:

1. The Committee shall review and discuss with Fund Management and the External Auditors the annual audited financial statements and periodic financial statements of the Fund, major issues regarding accounting and auditing principles and practices, and the Fund's disclosures in its periodic reports under "Management's Discussion and Analysis."

2. The Committee shall review and discuss reports, both written and oral, from the External Auditors or Fund Management regarding (a) all critical accounting policies and practices to be used; (b) all alternative treatments of financial information within generally accepted accounting principles for policies and practices that have been discussed with management, including the ramifications of the use of such alternative treatments and disclosures and the treatment preferred by the External Auditors; (c) other material written communications between the External Auditors and management, such as any management letter or schedule of unadjusted differences; and (d) all non-audit services provided to any entity in the investment company complex (as defined in Rule 2-01 of Regulation S-X) that were not pre-approved by the Committee.

3. The Committee shall review disclosures made to the Committee by the Fund's principal executive officer and principal financial officer during their certification process for the Fund's periodic reports about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Fund's internal controls.

4. The Committee shall discuss with the External Auditors the

matters required to be discussed by Statement of Auditing Standards (SAS) No. 90, Audit Committee Communications (which amended SAS 61, Communication with Audit Committees), that arise during the auditor's review of the Fund's financial statements.

5. The Committee shall review and discuss with management and the External Auditors (a) significant financial reporting issues and judgments made in connection with the preparation and presentation of the Funds' financial statements, including any significant changes in the Funds' selection or application of accounting principles and any major issues as to the adequacy of the Funds' internal controls and any special audit steps adopted in light of material control deficiencies, and (b) analyses prepared by Fund Management or the External Auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements.

A-4

6. The Committee shall review and discuss with management and the External Auditors the effect of regulatory and accounting initiatives on the Funds' financial statements.

7. The Committee shall receive and review periodic reports (including a formal written statement delineating all relationships between the auditors and the Funds, consistent with the Independence Standards Board Standard 1) from the firms of External Auditors regarding their independence, their membership in the SEC practice section of the AICPA and their compliance with all applicable requirements for independence and peer review.

8. The Committee shall discuss with Fund Management the Fund's press releases regarding financial results and dividends, as well as financial information and earnings guidance provided to analysts and rating agencies. This discussion may be done generally, consisting of discussing the types of information to be disclosed and the types of presentations to be made. The Chairman of the Committee shall be authorized to have these discussions with management on behalf of the Committee.

9. The Committee shall discuss with Fund Management the Funds' major financial risk exposures and the steps Fund Management has taken to monitor and control these exposures, including the Funds' risk assessment and risk management policies and guidelines. In fulfilling its obligations under this paragraph, the Committee may, as applicable, review in a general manner the processes other Board committees have in place with respect to risk assessment and risk management.

C. With respect to serving as a Qualified Legal Compliance Committee:

I. The Committee shall serve as the Fund's "qualified legal compliance committee" ("QLCC ") within the meaning of the rules of the SEC and, in that regard, the following shall apply.

i. The Committee shall receive and retain, in confidence, reports of evidence of a (a) material violation of any federal or state securities laws, (b) a material breach of a fiduciary duty arising under any federal or state laws or (c) a similar material violation of any federal or state law by the Fund or any of its officers, trustees, employees or agents (a "Report of Material Violation "). Reports of Material Violation may be addressed to the Funds, attention W. Scott Jardine, at the address of the principal offices of the Funds, which currently is 1001 Warrenville Road, Suite 300, Lisle, Illinois 60532.

ii. Upon receipt of a report of a Report of Material Violation, the Committee shall (a) inform the Fund's chief legal officer and chief executive officer (or the equivalents thereof) of the report (unless the Committee determines it would be futile to do so), and (b) determine whether an investigation is necessary.

iii. After considering the Report of a Material Violation, the Committee shall do the following if it deems an investigation necessary:

- o Notify the full Board;
- o Initiate an investigation, which may be conducted either by the chief legal officer (or the equivalent thereof)

A-5

of the Fund or by outside attorneys; and

- o Retain such additional expert personnel as the Committee deem necessary.

iv. At the conclusion of any such investigation, the Committee shall:

- o Recommend, by majority vote, that the Fund implement an appropriate response to evidence of a material violation; and
- o Inform the chief legal officer and the chief executive officer (or the equivalents thereof) and the Board of the results of any such investigation and the appropriate remedial measures to be adopted.

2. The Committee shall take all other action that it deems appropriate in the event that the Fund fails in any material respect to implement an appropriate response that the Committee, as the QLCC, has recommended the Fund take.

D. Other Responsibilities:

1. The Committee shall receive, retain and handle complaints received by the Fund regarding accounting, internal accounting controls, or auditing matters from any person, whether or not an employee of the Fund or Fund Management, and shall receive submissions of concerns regarding questionable accounting or auditing matters by employees of the Fund and Fund Management, administrator, principal underwriter, or any other provider of accounting-related services for the Funds. All such complaints and concerns shall be handled in accordance with the Committee's procedures for operating as a QLCC, outlined in III.C above.

2. The Committee shall review, with fund counsel and independent counsel to the Board, any legal matters that could have significant impact on the Fund's financial statements or compliance policies and the findings of any examination by a regulatory agency as they relate to financial statement matters.

3. The Committee shall review and reassess the adequacy of this charter on an annual basis, if necessary, and provide a recommendation to the Board for approval of any proposed changes deemed necessary or advisable by the Committee.

4. The Committee shall evaluate on an annual basis the performance of the Committee.

5. The Committee shall review with the External auditors and with Fund Management the adequacy and effectiveness of the Fund's internal accounting and financial controls.

6. The Committee shall discuss with Fund Management and the External Auditor any correspondence with regulators or governmental agencies that raise material issues regarding the Funds' financial statements or accounting policies.

A-6

7. The Committee shall obtain any reports from Fund Management with respect to the funds' policies and procedures regarding compliance with applicable laws and regulations. The Committee shall perform other special reviews, investigations or oversight functions as requested by the Board and shall receive and review periodic or special reports issued on exposure/controls, irregularities and control failures related to the Funds.

8. The Committee shall prepare any report of the Committee required to be included in a proxy statement for the Fund.

9. The Committee may request any officer or employee of the Fund or Fund Management, counsel to the independent trustees, the Fund's outside counsel and External Auditor to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.
