ITEM 1.02. Termination of a Material Definitive Agreement

On April 20, 2005, the Registrant received notice from Panasonic Corporation of North America ("Panasonic"), whereby Panasonic has elected to terminate the Premises B portion of the Warehouse Lease between the Registrant, as landlord, and Panasonic, as tenant, as of May 31, 2005. The Premises B portion of the Warehouse Lease, which was filed by the Registrant as an exhibit to a Current Report on Form 8-K on April 19, 2005, represents 578,302 square feet of the 653,302 total square feet leased to Panasonic under the Warehouse Lease. The original termination date of the Premises B portion of the Warehouse Lease was September 1, 2005, and the scheduled rent payment for such space was approximately \$333,000 per month. The early termination will allow the Registrant to begin its facility consolidation project at an earlier date.

As described in greater detail in the Form 8-K filed by the Registrant on April 19, 2005, the Registrant recently closed on the purchase of certain real property from Panasonic for approximately \$48 million and has entered into an Office Lease with Panasonic whereby Panasonic continues to lease back from the Registrant approximately 41% of the space in the office building purchased by the Registrant. These arrangements are not affected by the termination of the Premises B portion of the Warehouse
