OUR BUSINESS

We design, build, sell and service high-performance computer systems, sometimes referred to as "supercomputers." Our executive offices are located at Merrill Place, Suite 600, 411 First Avenue South, Seattle, WA 98104-2860, and our telephone number is (206) 701-2000.

SELLING SHAREHOLDERS

Shares Offered by the Selling Shareholders. On November 6 and 15, 2001, in a private placement under the Securities Act, we sold to six accredited investors (i) 5% convertible subordinated debentures in the aggregate original principal amount of \$9,300,000, convertible into shares of our common stock and (ii) stock purchase warrants for an aggregate of 367,590 shares of our common stock at an initial exercise price of \$4.4275 per share, subject to adjustment, exercisable until November 6, 2004. The purchasers were the six selling shareholders listed in the table below. We received gross proceeds of \$9,300,000 in exchange for the issuance of the debentures and the warrants, and after payment of expenses we expect net proceeds of approximately \$8,550,000. The selling shareholders are offering for resale pursuant to this prospectus shares of common stock issuable to them upon conversion of, or as payment of interest on, the debentures, for other payments due under the debentures and related transaction documents, and upon exercise of the warrants. The material terms of the debentures and the warrants are described below.

- (1) Assumes a total of (i) 7,914,894 shares issuable upon conversion of the convertible debentures (calculated as 200% of the shares issuable using the fixed conversion price of \$2.35 per share); and (ii) 367,590 shares of common stock issuable upon exercise of the warrants.
 - (2) Represents the number of shares issuable upon conversion of the convertible subordinated debentures, in any payment of interest made on the debentures in shares of common stock, for any other payments due under the debentures and related transaction documents, and upon exercise of the warrants calculated as described in note (1) above. The actual number of shares of common stock issued upon the conversion of the convertible subordinated debentures and the payment of interest thereon depends on factors which we cannot predict at this time, including the times at which the selling shareholders may elect to convert the debentures and the market prices of our common stock at such times.
 - (3) The Chief Financial Officer of Riverview, who is currently Robert Williams, has voting and dispositive power over the shares to be sold by Riverview.
 - (4) Omicron Capital, L.P., a Delaware limited partnership ("Omicron Capital"), serves as subadvisor to Omicron Partners, L.P., a Bahamas limited partnership ("Omicron"), and Grove Management Limited ("Grove") is the general partner of Omicron. By reason of such relationships, Omicron Capital may be deemed to share dispositive power over the shares of common stock owned by

-3-

Omicron and Grove may be deemed to share voting and dispositive power over the shares of common stock owned by Omicron. Omicron Capital and Grove disclaim beneficial ownership of such shares of common stock. Omicron and Grove are not "affiliates" of one another, as that term is used for purposes of the Securities Exchange Act of 1934, as amended, or of any other person named in this prospectus as a selling shareholder. No person or "group" (as that term is used in Section 13(d) of the Securities Exchange Act of 1934, as amended, or Regulation 13D-G promulgated thereunder) controls Omicron and Grove.

- (5) Bernard Laterman, Managing Partner of Laterman & Co. and Forevergreen Partners, has voting and dispositive power over the shares to be sold by those entities.
- (6) Morton A. Cohen has voting and dispositive power over the shares to be sold by Clarion Capital Corporation and The Morton A. Cohen Revocable Living Trust.

Edgar Filing: CRAY INC - Form S-3/A

None of the selling shareholders has had any material relationship with us or any of our affiliates within the past three years.

In recognition of the fact that each selling shareholder may wish to be legally permitted to sell its shares when it deems appropriate, we have agreed with the selling shareholders to file with the SEC, under the Securities Act of 1933, a registration statement on Form S-3, of which this prospectus forms a part, with respect to the resale of the shares, and we have agreed to prepare and file such amendments and supplements to the registration statement as may be necessary to keep the registration statement effective until the shares are no longer required to be registered for sale by the selling shareholders.

Description of the Debentures. The debentures bear interest at the rate of 5% per year, payable semi-annually commencing May 6, 2002. We can elect to pay interest in cash or in shares of our common stock. The debentures mature on November 6, 2004.

The holders of the debentures can choose to convert all or a portion of the principal amount outstanding into shares of our common stock at any time before the maturity date of November 6, 2004. The debentures are convertible into common stock at a fixed conversion price of \$2.35 per share from the date of issuance until maturity. In addition, during each three-month period beginning on February 6, 2002, each holder may convert on a cumulative basis up to 25% of the original principal amount of each holder's debenture at a floating conversion price. The floating conversion price is equal to 94% of the average of the 7 lowest daily volume weighted average prices during the 20 trading days immediately prior to the date upon which the debenture is converted.

On the maturity date of November 6, 2004, the holders are obligated to convert any remaining principal into common stock at a conversion price equal to the average of the closing prices during the 15 trading days immediately prior to the maturity date.

The debentures contain subordination provisions in favor of our senior secured lender, which limit our rights and obligations to make cash payments of principal, interest or other payments of funds under the debentures and related transaction documents.

We are not required to issue to the debenture holders in excess of 8,422,204 shares below the market price of our common stock in accordance with Nasdaq rules, or such greater number of shares permitted under Nasdaq Rule 4350(i). In such event, the debenture holders may elect to require us to convert the debentures at the lowest possible conversion price that complies with Nasdaq rules or to redeem the portion of the debentures which were not able to be converted by payment of 105% of the outstanding principal, plus accrued interest, if the redemption were by May 6, 2002, or of 110% of the outstanding principal, plus accrued interest, if the redemption were after May 6, 2002, provided that we are not obligated to redeem more than 25% of the original principal amount of the debentures every three months on a cumulative basis beginning on February 6, 2002.

Edgar Filing: CRAY INC - Form S-3/A

A debenture holder may not convert its debenture or receive shares of our common stock as payment of interest to the extent that, at the time of the conversion or payment, the sum of (i) the number of shares of our common stock beneficially owned by the holder plus (ii) the number of shares to be issued upon conversion and payment would exceed 4.999% of the number of shares of our common stock then issued and outstanding, including other shares of our common stock issuable upon conversion of, or payment of interest on, the holder's debenture. The holder may terminate this restriction upon 61 days' prior notice to us.

-4-

In the event that we sell any shares of our common stock (or certain securities convertible into or exercisable for shares of our common stock) at a price less than the fixed conversion price of the debentures, then the fixed conversion price of the debentures generally shall be reduced based on a weighted average adjustment (subject to certain exceptions). The debentures also contain customary antidilution provisions for stock dividends, stock splits or combinations and reclassifications.

In the event that a debenture is converted and we issue the shares of common stock later than the time permitted in the debenture, we may be required to make late fee payments to the holder that increase based upon how late we issue the shares and without a limit on the late fee that must be paid. The debentures provide that, if we deny, or if any of our shareholders obtain a judgment denying, the rights of the holders to convert the debentures, then the holders have the right to require us to pay 120% of the outstanding principal amount of the debentures plus accrued and unpaid interest.

If an event of default occurs under the debentures, the holders have the right to require us to pay a mandatory redemption amount, subject to the subordination provisions of the debentures in favor of our senior secured lender. The mandatory redemption amount is the greater of (i) 120% of the outstanding principal on the debentures, plus accrued interest or (ii) the outstanding principal amount, plus accrued interest, divided by the applicable conversion price, and multiplied by the closing price of our common stock on the applicable date provided in the debentures.

The events of default include: (i) failure to pay scheduled principal or interest payments, (ii) breach of any material representation or warranty in the debentures or the related transaction agreements, (iii) failure to timely issue shares upon conversion of the debentures, to timely transfer such issued shares or to timely remove restrictive legends if lawful and required by the debentures and the related agreements, which failure continues uncured for ten trading days, (vi) failure to perform our obligations in the debentures or related agreements for a period of 20 business days after notice, (vii) commencement of bankruptcy or insolvency proceedings or appointment of a receiver or similar assumption of control of a material portion of our properties and assets, (viii) any judgment or claim becoming a lien or encumbrance on any material portion of

Edgar Filing: CRAY INC - Form S-3/A

our assets, (ix) delisting or suspension of trading of our common stock for more than 5 consecutive trading days or 8 total trading days, (x) the failure of the registration statement of which this prospectus is a part being declared effective by the SEC by May 6, 2002, (xi) a lapse in the effectiveness of the registration statement for more than 20 trading days during any 12-month period (subject to exceptions for material transactions), or (xii) a change of control transaction. A change of control transaction includes the acquisition of more than 40% of our voting stock in a transaction not approved by our board of directors, the replacement of more than one-half of the current members of the board of directors without the approval of such directors, the consolidation or merger of us where the shareholders prior to such transaction do not own at least 51% of our voting stock after the transaction or the common stock is no longer listed on Nasdaq National Market System or a national exchange, the sale of all or substantially all of our assets, or the execution by us of an agreement providing for one of the foregoing events. These change of control provisions may have the effect of discouraging third parties from making a bid to acquire control of us in a transaction not approved by our board of directors.

Description of the Warrants. The warrants are exercisable for a total of 367,590 shares of our common stock at an exercise price of \$4.4275 payable in cash. The warrants are exercisable until November 6, 2004. The number of shares issuable upon exercise and the exercise price are subject to adjustment in the event of a stock dividend, a stock split or combination or a reclassification of our common stock, but otherwise do not have exercise price adjustments.

PLAN OF DISTRIBUTION

We are registering the shares covered by this prospectus for the selling shareholders. The selling shareholders and their pledgees, donees, transferees or other successors in interest may sell the shares in the over-the-counter market or otherwise, at market prices prevailing at the time of sale, at prices related to prevailing market prices, or at negotiated prices. In addition, the shares may be sold by one or more of the following methods:

- a block trade in which a broker or dealer so engaged will attempt to sell the shares as agent but may position and resell a portion of the block, as principal, in order to facilitate the transaction;
- purchases by a broker or dealer, as principal, in a market maker capacity or otherwise and resale by the broker or dealer for its account pursuant to their prospectus;
- ordinary brokerage transactions and transactions in which a broker solicits purchases;
- privately negotiated transactions;
- any combination of these methods of sale; or
- any other legal method.

We will pay the costs and fees of registering the shares, but the

Edgar Filing: CRAY INC - Form S-3/A

selling shareholders will pay any brokerage commissions, discounts or other expenses relating to the sale of the shares. We have agreed with the selling shareholders to indemnify each other against certain liabilities, including liabilities arising under the Securities Act, that relate to statements or omissions in the registration statement of which this prospectus forms a part.

Regulation M under the Securities Exchange Act of 1934 provides that during the period that any person is engaged in the distribution, as so defined in Regulation M, of our common stock, such person generally may not purchase shares of our common stock. The selling shareholders are subject to applicable provisions of the Securities Act and the Securities Exchange Act of 1934 and the rules and regulations thereunder, including, without limitation, Regulation M, which provisions may limit the timing of purchases and sales of shares of our common stock by the selling shareholders. The foregoing may affect the marketability of our common stock.

The selling shareholders may negotiate and pay brokers or dealers commissions, discounts or concessions for their services. In effecting sales, brokers or dealers engaged by the selling shareholders may allow other brokers or dealers to participate. However, the selling shareholders and any brokers or dealers involved in the sale or resale of the shares may qualify as "underwriters" within the meaning of the Section 2(a)(11) of the Securities Act. In addition, the brokers' or dealers' commissions, discounts or concessions may qualify as underwriters' compensation under the Securities Act. If any of the selling shareholders qualifies as an "underwriter," it will be subject to the prospectus delivery requirements of section 5(b)(2) of the Securities Act.

In addition to selling its shares under this prospectus, the selling shareholders may:

- agree to indemnify any broker or dealer or agent against certain liabilities related to the selling of the shares, including liabilities arising under the Securities Act;
- transfer its shares in other ways not involving market makers or established trading markets, including directly by gift, distribution, or other transfer; or
- sell their shares under Rule 144 of the Securities Act rather than under this prospectus, if the transaction meets the requirements of Rule 144.

Upon notification by the selling shareholders that any material arrangement has been entered into with a broker or dealer for the sale of the shares through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer, we will file a

-6-

supplement to this prospectus, if required, pursuant to Rule 424(b) under the Securities Act, disclosing the material terms of the transaction.

Item 15. Indemnification of Officers and Directors.

Article XII of our Restated Articles of Incorporation and Section 11 of our Restated Bylaws require indemnification of our directors, officers, employees and agents to the fullest extent permitted by the Washington Business Corporation Act (the "Act"). - (3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such

securities at that time shall be deemed to be the initial bona fide offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question, whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
