The share portfolio

As mentioned in Novo Nordisk's *Annual Financial Report 2002* the requirement for the share ownership of present and former members of Executive Management linked to the participation in the demerger launch incentives would expire in January 2004.

Some of the participants in the demerger launch incentive programme already last year informed the Board of Directors that they intended to divest part of their Novo Nordisk B shares in the trading window following the announcement of the full-year results in February 2004, which was mentioned in the financial statement for the first half year of 2003 published on 6 August 2003.

As a consequence of the above, please find below an individualised statement of the holding of Novo Nordisk B shares as reported by the Board of Directors, Executive Management, all insiders and connected persons to Novo Nordisk.
