Internet and telephone voting are available until 11:59 p.m., Eastern Daylight Saving Time, the day prior to the meeting.

In connection with our Annual Meeting, we have provided our stockholders with our Notice of Annual Meeting, Proxy Statement, proxy card and 2016 Annual Report. These documents provide detailed information related to the matters to be addressed during the Annual Meeting, as well as our business activities and operating performance. On March 30, 2017, we mailed to our stockholders a notice of the Internet availability of proxy materials (Access Notice) containing instructions on how to access these materials online. Electronic delivery expedites your receipt of proxy materials, while lowering expenses and reducing the environmental impact of our Annual Meeting. If you received an Access Notice by mail, you will not receive printed copies of the materials unless you request them by following the instructions in the Access Notice.

In addition to the formal items of business to be brought before the Annual Meeting, we will respond to stockholder questions. **Whether or not you are personally able to attend the Annual Meeting, please complete, sign and date the enclosed proxy card and return it in the enclosed postage paid envelope as soon as possible, or follow the instructions to vote online or by telephone.** Your vote is very important. Submitting your vote by proxy will not limit your right to attend the Annual Meeting.

On behalf of the entire Board of Directors, we thank you for your support of CIT and hope to see you at our Annual Meeting.

Sincerely,

PROXY STATEMENT

GENERAL INFORMATION

Our Board of Directors (the **Board**) is soliciting proxies from our stockholders in connection with our annual meeting of stockholders (**Annual Meeting**) to be held on May 9, 2017, and any adjournment of such meeting. No business can be conducted at the Annual Meeting unless a majority of all outstanding shares entitled to vote are either present in person or represented by proxy at the Annual Meeting. The only matters to be brought before the Annual Meeting are those referred to in this proxy statement (**Proxy Statement**). If any additional matters are properly presented at the Annual Meeting, the persons named as proxies may vote your shares in their discretion.

As permitted by rules adopted by the U.S. Securities and Exchange Commission (**SEC**), we have elected to provide access to this Proxy Statement, proxy card and our 2016 Annual Report (**Annual Report**) to you electronically via the Internet at www.proxyvote.com, beginning on March 30, 2017. We believe that these rules allow CIT Group Inc. (**CIT** or the **Company**) to provide you with the information you need while reducing the environmental impact of the Annual Meeting and reducing expenses. If you are a holder of record, you will also receive this Proxy Statement, proxy card and our Annual Report by mail.

If you received a notice of the Internet availability of proxy materials (**Access Notice**) by mail, you will not receive a printed copy of the proxy materials in the mail. The Access Notice instructs you how to access and review all of the important information contained in the Proxy Statement, proxy card and Annual Report. The Access Notice also instructs you how to submit your vote over the Internet, by telephone or by mail. If you received an Access Notice and would like to receive a printed copy of our proxy materials, please follow the instructions for requesting such materials included in the Access Notice or as set forth below under **How do I vote? Vote by Mail**.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

When and where is the Annual Meeting?

When: Tuesday, May 9, 2017, at 11:00 a.m., Eastern Daylight Saving Time.

Where: One CIT Drive, Livingston, New Jersey 07039.

Who is soliciting my vote?

CIT's Board of Directors is soliciting your vote for our Annual Meeting.

What will I vote on?

You are being asked to vote:

to elect the directors to serve on CIT's Board until the next annual meeting of stockholders the Board has nominated for election the following twelve nominees: Ellen R. Alemany, Michael L. Brosnan, Michael A. Carpenter, Dorene C. Dominguez, Alan Frank, William M. Freeman, R. Brad Oates, Marianne Miller Parrs, Gerald Rosenfeld, Vice Admiral John R. Ryan, USN (Ret.), Sheila A. Stamps and Laura S. Unger (Proposal 1);

to ratify the appointment of PricewaterhouseCoopers LLP as CIT's independent registered public accounting firm for 2017 (Proposal 2);

Edgar Filing: CIT GROUP INC - Form DEF 14A

to approve executive compensation on an advisory basis (Proposal 3); and

to approve the frequency of the advisory vote on executive compensation on an advisory basis (Proposal 4).

You may also vote on any other business that properly comes before the Annual Meeting.

What is the record date for the Annual Meeting?

The record date for the Annual Meeting is the close of business on March 13, 2017 (**Record Date**). The Record Date is used to determine those stockholders who are entitled to vote at the Annual Meeting and at any adjournment or postponement thereof.

How many votes can be cast by all stockholders?

A total of 202,659,166 votes may be cast on each matter presented, consisting of one vote for each share of CIT common stock, par value \$0.01 per share, which was outstanding on the Record Date. CIT's common stock is listed on the New York Stock Exchange (**NYSE**), and CIT is subject to the NYSE's rules and regulations. There is no cumulative voting.

How many votes must be present to hold the Annual Meeting?

A quorum of a majority of the votes entitled to be cast, or 101,329,584 votes, must be present in person or represented by proxy to hold the Annual Meeting. We urge you to vote by proxy even if you plan to attend the Annual Meeting. This will help us know as soon as possible that enough votes will be present to hold the Annual Meeting. In determining whether a quorum exists, we will include in the count shares represented by proxies that reflect abstentions and broker non-votes (as further described in this Proxy Statement under **What happens if I hold my shares through a broker but do not give my broker specific voting instructions?**).

How do I vote?

You may vote by proxy or in person at the Annual Meeting

If you are a *holder of record* (that is, if your shares are registered in your own name with our transfer agent), we have furnished you with the proxy materials, including a proxy card. You may vote by mail, by telephone, on the Internet, or by attending the Annual Meeting and voting in person, as described below.

If you hold your shares in *street name* (that is, you hold your shares through a broker, bank or other holder of record), please refer to the information on the voting instruction form forwarded to you by your bank, broker or other holder of record to determine which voting options are available to you.

Vote by Mail

To vote by mail, simply mark, sign and date the proxy card and return it in the postage-paid envelope provided. If you received an Access Notice, you can vote by mail by requesting paper copies of the Proxy Statement, proxy card and other materials by calling 1-800-579-1639, or going to www.proxyvote.com or by sending an email to sendmaterial@proxyvote.com and requesting a proxy card.

If you request a proxy card by e-mail, please send a blank e-mail to sendmaterial@proxyvote.com with your Control Number in the subject line. Your Control Number can be found in the Access Notice mailed to you on March 30, 2017. Upon receipt of your request, the proxy card and printed copies of the Annual Report and other proxy materials will be mailed to you. Upon receipt, simply mark, sign and date your proxy card and return it in the enclosed postage pre-paid envelope.

If you request printed copies, then in future years, you will continue to receive printed copies of the proxy card and other proxy materials automatically until such time as you may opt-out of receiving printed copies.

If you wish to vote by mail, please make your request for paper copies of the proxy card and other proxy materials on or before April 25, 2017. Votes by mailed proxy card must be received at CIT Group Inc., c/o Vote Processing, Broadridge, 51 Mercedes Way, Edgewood, NY 11717 by 8:00 a.m., Eastern Daylight Saving Time, on May 9, 2017, the day of the Annual Meeting.

Vote by Telephone

You can vote by calling 1-800-690-6903. You will need your Control Number, which can be found in the Access Notice mailed to you on March 30, 2017. Use any touch-tone telephone to transmit your voting instructions up until 11:59 p.m., Eastern Daylight Saving Time, on May 8, 2017.

Vote on the Internet

You can also choose to vote on the Internet by going to www.proxyvote.com. You will need your Control Number, which can be found in the Access Notice mailed to you on March 30, 2017. Use the Internet to transmit your vote up until 11:59 p.m., Eastern Daylight Saving Time, on May 8, 2017.

Vote at the Annual Meeting

Edgar Filing: CIT GROUP INC - Form DEF 14A

If you want to vote in person at the Annual Meeting and you are a holder of record, you must register with the Inspector of Election at the Annual Meeting (**Inspector of Election**), and produce valid photo identification. If you want to vote in person at the Annual Meeting and you hold your shares in street name, you must obtain an additional proxy from your bank, broker or other holder of record authorizing you to vote. You must bring such proxy to the Annual Meeting, present it to the Inspector of Election, and produce valid photo identification.

- 2 -

What does it mean to give a proxy?

Your properly completed proxy card will appoint Stuart Alderoty, Eric S. Mandelbaum and James P. Shanahan, each of whom is an officer of CIT, as proxy holders or your representatives to vote your shares in the manner directed by you. Your proxy card permits you to direct the proxy holders to vote for or against, or abstain from voting, regarding each of the nominees for director and each of Proposals 2 and 3 and permits you to vote for 1 Year, 2 Years, or 3 Years, or abstain from voting, regarding Proposal 4. All of your shares entitled to vote and represented by a properly completed proxy card received prior to the Annual Meeting and not revoked will be voted at the Annual Meeting in accordance with your instructions.

How many votes will be required to elect directors or to adopt the other proposals?

Because this election is not a contested election, to elect directors to the Board, a majority of the votes cast for each nominee for director at the Annual Meeting is required. A nominee for director shall be elected to the Board if the votes cast for such nominee's election exceed the votes cast against such nominee's election. Votes cast exclude abstentions and broker non-votes (as further described below under "What happens if I hold my shares through a broker but do not give my broker specific voting instructions?").

The affirmative vote of a majority of the shares present at the Annual Meeting in person or by proxy and entitled to vote is required to: (a) ratify the appointment of CIT's independent registered public accounting firm (Proposal 2); and (b) approve the non-binding advisory vote on executive compensation (Proposal 3). Abstentions will not be included in the affirmative vote and thus will have the same effect as a vote against each of Proposals 2 and 3.

The non-binding vote on the frequency of the advisory vote on executive compensation (Proposal 4) receiving the greatest number of votes (*i.e.*, every 1, 2 or 3 years) will be considered the frequency recommended by stockholders. Abstentions will have no effect on the outcome of such vote.

Although the advisory votes on Proposals 3 and 4 are non-binding, as provided by law, the Board will review the result of the vote and may take it into account in considering executive compensation going forward.

Can a director be elected without receiving votes from a majority of the shares outstanding?

No stockholder has nominated pursuant to the By-Laws of CIT (**By-Laws**) any candidates for our Board for inclusion on the agenda for the Annual Meeting, and therefore, the election is uncontested.

If a stockholder has provided notice of an intention to nominate one or more candidates to compete with the Board's nominees, in accordance with the requirements of the By-Laws, and such stockholder has not withdrawn such nomination by the tenth day before we mail our Notice of Annual Meeting, then a director may be elected by a plurality of the votes cast. This means that the twelve nominees who receive the most votes for would be elected, even if it is less than a majority of the total shares outstanding, and stockholders would not be permitted to vote against a nominee. However, under our By-Laws and corporate governance guidelines (**Corporate Governance Guidelines**), if the election of directors is uncontested, meaning that the only nominees are those recommended by the Board (as is the case for this Annual Meeting), each nominee for director must receive more votes for than against his or her election or re-election. Any nominee who fails to receive the required vote for his or her election or re-election must promptly tender his or her resignation to the Chairwoman of the Board. If an incumbent director fails to receive the required vote for re-election, the Nominating & Governance Committee of the Board (the **Governance Committee**) will promptly consider the resignation submitted by such director and will recommend to the Board whether to accept such resignation. The Board will act on the recommendation of the Governance Committee no later than 90 days following the date of the Annual Meeting. See **Corporate Governance** **Majority Voting for Directors** and **Corporate Governance** **Appointment of Directors** in this Proxy Statement.

Can I change or revoke my proxy?

Yes, you may change your vote or revoke your proxy at any time before it is exercised. To do so, you should:

- send in a new proxy card with a later date;
- send a written revocation to the Corporate Secretary;
- cast a new vote by telephone or Internet; or
- attend the Annual Meeting and vote in person.

Edgar Filing: CIT GROUP INC - Form DEF 14A

Written revocations of a prior vote must be sent by mail to CIT's Corporate Secretary at One CIT Drive, Livingston, NJ 07039, or by delivering a duly executed proxy bearing a later date. If you attend the Annual Meeting and vote in person, your vote will revoke any previously submitted proxy. If you hold your shares in street name, you must contact your broker if you wish to change your vote.

- 3 -

What if I do not return a signed proxy card?

If you are a holder of record and you do not return a signed proxy card to vote shares held in your name, those shares will not be voted.

What if I return a signed proxy card but do not indicate my vote for one or more of the matters on my proxy card?

If you return a signed proxy card without indicating your vote, your shares will be voted for each of the twelve nominees named in Proposal 1 Election of Directors, and for Proposals 2 and 3 and for the resolution and the Board's recommendation of 1 Year with respect to Proposal 4 (except in the case of a broker non-vote as described below under What happens if I hold my shares through a broker but do not give my broker specific voting instructions?).

What happens if I hold my shares through a broker but do not give my broker specific voting instructions?

If you hold your shares in street name with a broker who is a member of the NYSE and do not instruct your broker as to how to vote your shares, your broker can vote your shares on the ratification of the selection of our independent registered public accounting firm (Proposal 2), in your broker's discretion; however, absent such specific voting instruction, your broker cannot vote on the election of directors (Proposal 1), the non-binding advisory vote on executive compensation (Proposal 3) or the non-binding advisory vote on the frequency of the advisory vote on executive compensation (Proposal 4), and your proxy would represent shares reflecting a broker non-vote with respect to Proposals 1, 3 and 4.

A broker non-vote occurs when a nominee holding shares for a beneficial owner has not received instructions from the beneficial owner, or person entitled to vote, and does not have discretionary authority to vote the shares. This could occur on Proposals 1, 3 and 4, but not on Proposal 2.

Shares represented by proxies that reflect a broker non-vote will, like abstentions, be counted for purposes of determining whether a quorum exists. However, with respect to Proposal 1, abstentions and broker non-votes will not be considered votes cast, and, therefore will have no effect on whether a director is elected. With respect to Proposal 3, while abstentions will have the same effect as votes cast against such Proposal, broker non-votes will not be counted as entitled to vote on Proposal 3 and thus will have no effect on the outcome of such votes. With respect to Proposal 4, abstentions and broker non-votes will have no effect on the outcome of such vote.

Brokers who are members of the Financial Industry Regulatory Authority may vote shares held by them in nominee name if they are permitted to do so under the rules of any national securities exchange to which they belong. A member broker of the NYSE is prohibited, under NYSE rules, from voting on matters that are not routine if the beneficial owner has not provided the broker with voting instructions.

Why haven't I received a printed copy of the Proxy Statement, proxy card or Annual Report?

We have elected to take advantage of the SEC's rule that allows us to furnish proxy materials to you online. We believe electronic delivery will expedite your receipt of materials, while lowering costs and reducing the environmental impact of our Annual Meeting by reducing printing and mailing of full sets of proxy materials. On March 30, 2017, we mailed to our stockholders an Access Notice containing instructions on how to access our Proxy Statement, proxy card and Annual Report online. If you received such Access Notice by mail, you will not receive a printed copy of the proxy materials, unless you specifically request one no later than the date specified in this Proxy Statement; however, the Access Notice contains instructions on how to receive a paper copy of the Annual Report, proxy card and other proxy materials.

What if multiple stockholders share the same address?

SEC rules permit CIT to deliver a single Access Notice or, if a stockholder does not participate in electronic delivery of proxy materials, a single printed copy of the proxy materials, to stockholders who share the same address unless CIT has received contrary instructions from any stockholder at that address. This procedure, known as householding, is designed to reduce CIT's printing costs and postage fees. Each stockholder who participates in householding retains a separate right to vote on all matters presented at the Annual Meeting. If you participate in householding and wish to receive a separate copy of the Access Notice or proxy materials, please call 1-800-542-1061 or mail your request to: CIT Group Inc., c/o Broadridge Householding Department, 51 Mercedes Way, Edgewood, NY 11717. A separate copy of the Access Notice or proxy materials, as applicable, will be delivered promptly upon request. Any such stockholder may also opt out of householding and continue to receive separate copies of the Access Notice or proxy materials in the future by notifying CIT at the above-referenced address or telephone number. Other stockholders who have multiple accounts in their names or who share an address with other stockholders can request householding by notifying CIT at the above-referenced address or telephone number.

Is this Proxy Statement available on the Internet?

Yes. You can also view this Proxy Statement on the Internet by going to CIT's website at www.cit.com/2017proxy. You can elect to receive future proxy statements and annual reports over the Internet instead of receiving paper copies by mail by following the instructions set forth in the Access Notice or as set forth above under "Questions and Answers About the Annual Meeting and Voting - How do I vote?"

Will my vote be confidential?

Yes. We have a policy of confidentiality in the voting of shares. Individual stockholder votes are kept confidential, unless disclosure is: (i) necessary to meet legal requirements or to assert or defend claims for or against CIT, or (ii) made during a contested proxy solicitation, tender offer, or other change of control situations.

What if there is voting on other matters?

Our By-Laws provide that business may be transacted at the Annual Meeting only if it is (a) stated in the Notice of Annual Meeting, (b) proposed at the direction of our Board or (c) proposed by any CIT stockholder who is entitled to vote at the Annual Meeting and who has complied with the notice procedures in our By-Laws. We did not receive notice of any stockholder proposals for the Annual Meeting.

What was the deadline for stockholders to notify us of proposals for the Annual Meeting?

The deadline for submitting stockholder proposals for the Annual Meeting for inclusion in the Proxy Statement was December 12, 2016. The deadline for submitting stockholder proposals for the Annual Meeting for inclusion on the agenda was February 9, 2017.

What is the deadline for stockholders to notify us of proposals for the 2018 Annual Meeting of Stockholders?

The deadline for submitting stockholder proposals for the 2018 annual meeting of stockholders (**2018 Annual Meeting**) for inclusion in the 2018 proxy statement is November 30, 2017. The deadline for submitting stockholder proposals for the 2018 Annual Meeting for inclusion on the agenda is February 8, 2018.

Will a representative of CIT's independent registered public accounting firm be present at the Annual Meeting?

Yes, a representative of PricewaterhouseCoopers LLP will attend the Annual Meeting and can answer questions that you may have. The representative will also have the opportunity to make a statement if PricewaterhouseCoopers LLP desires to do so. The Audit Committee has approved the appointment of PricewaterhouseCoopers LLP as our independent registered accounting firm and auditors for 2017.

How can I attend the Annual Meeting?

Only stockholders as of the Record Date (or their proxy holders) may attend the Annual Meeting. If you plan to attend the Annual Meeting or appoint someone to attend as your proxy, please check the appropriate box on your proxy card. If you are voting by telephone or Internet, follow the instructions provided to indicate that you or your proxy holder plan to attend. You or your proxy holder will need to show (a) photo identification, and (b) if you hold your shares in street name, proof of ownership as of the Record Date, such as a letter or account statement from your broker or bank, at the reception desk to gain admittance to the Annual Meeting.

What happens if the Annual Meeting is postponed or adjourned?

Your proxy remains valid and may be voted at the postponed or adjourned meeting. You will still be able to change or revoke your proxy until it is voted.

Do any stockholders beneficially own more than 5% of our common stock?

According to public filings made with the SEC on or before February 14, 2017, there were six stockholders that beneficially owned more than 5% of our common stock as of December 31, 2016: The Vanguard Group, Capital Research Global Investors, First Pacific Advisors, LLC, Franklin Mutual Advisers, LLC, FMR LLC and Blackrock, Inc. See "Security Ownership of Certain Beneficial Owners and Management Security Ownership of Certain Beneficial Owners" in this Proxy Statement.

How can I review the list of stockholders eligible to vote?

Edgar Filing: CIT GROUP INC - Form DEF 14A

A list of stockholders as of the Record Date will be available at our offices at both 11 West 42nd Street, New York, NY 10036 and One CIT Drive, Livingston, NJ 07039 from April 29, 2017, to the date of the Annual Meeting for inspection and review by any stockholder during regular business hours. We will also make the list available at the Annual Meeting.

- 5 -

Where can I find the voting results of the Annual Meeting?

The preliminary voting results will be announced at the Annual Meeting. The final voting results will be tallied by the Inspector of Election and published in CIT's Current Report on Form 8-K, which CIT is required to file with the SEC within four business days after the date of the Annual Meeting.

Who will pay the expenses incurred in connection with the solicitation of my vote?

CIT pays the cost of preparing proxy materials and of soliciting your vote. Proxies may be solicited on our behalf by our directors, officers or employees by telephone, electronic or facsimile transmission or in person.

We have retained D.F. King & Co., Inc. to assist us in this proxy solicitation, and we anticipate that their fees will be approximately \$18,000. We also may pay brokers, nominees, fiduciaries, and other custodians their reasonable fees and expenses for sending proxy materials to beneficial owners and obtaining their instructions.

DIRECTORS

General Information

During 2016, our Board met sixteen times. The number of 2016 meetings for each committee of the Board (each, a **Board Committee**) is disclosed in Corporate Governance Board Committees in this Proxy Statement. All of the nominees listed below who were Board members during all or a portion of 2016 attended at least 75% of the aggregate of the meetings of the Board and of any Board Committees on which he or she served that were held during his or her period of service on the Board. Our Corporate Governance Guidelines provide that directors are expected to attend the Annual Meeting. Each of the nominees listed below who are standing for re-election attended our 2016 annual meeting of stockholders.

The Board consists of a diverse group of professionals in their respective fields. Many of the current directors have or have had senior leadership experience at banks, financial institutions and other business, academic and governmental organizations. In these positions, they have gained expertise in strategic and financial planning, regulatory and banking matters, financial reporting, corporate governance, risk management and leadership development. Several of the current directors also have a longstanding knowledge and in-depth understanding of our businesses, products, and services. The biographies below describe the skills, qualifications, attributes and experiences of each of the nominees that were considered by the Board in determining that it was appropriate to nominate these directors.

The Governance Committee and the Board believe the skills, qualities, and experience of our directors provide CIT with a diverse range of perspectives and backgrounds to engage each other and management to effectively address CIT's needs and represent the best interests of CIT's stockholders.

Board Evaluation

Regular self-evaluation to ensure an effective Board is another important responsibility of the directors. The Corporate Governance Guidelines provide that the Board undertake a performance evaluation every year, overseen by the Governance Committee. In practice, each year, each director completes a questionnaire reflecting his or her assessment of the effectiveness of the Board and the Board Committees on which he or she serves. Although the specific questions may vary from year to year, the topics generally include the substance and efficiency of Board and Board Committee meetings and materials, utilization of skills and committee appointments, skills and experience needed for the Board, and Board engagement and interaction. The General Counsel confidentially summarizes the directors' responses for review by the Governance Committee, the Board and the Board Committees. CORPORATE GOVERNANCE

CIT is committed to the values of effective corporate governance and high ethical standards. Our Board believes that these values promote long-term performance and reevaluates our governance policies on an ongoing basis to ensure they sufficiently meet CIT's needs and our stockholders' interests. Listed below are some of the significant corporate governance practices and policies we have adopted.

Ö **Majority Voting in Director Elections.** If an election is uncontested, each of our director nominees has agreed to tender his or her irrevocable contingent resignation if he or she is not elected by a majority of the votes cast by stockholders. Our Governance Committee will promptly consider the director's resignation and recommend to our Board whether to accept or reject the resignation. Our Board will act on the Governance Committee's recommendation within 90 days of the applicable stockholder meeting and will then publicly disclose its decision.

Ö **Lead Director.** Our Corporate Governance Guidelines establish the role of an independent lead director who is elected annually by a majority vote of the independent directors. More information about the role of the lead director and our Board structure may be found in this Proxy Statement under the heading **Board Leadership Structure**.

Ö **Absence of a Stockholder Rights Plan.** We do not have a stockholder rights plan and are not currently considering adopting one.

Ö **Stock Ownership Requirements.** Both our directors and senior executive officers are required, within a specified period of time of becoming a director or senior executive officer to own a minimum amount of CIT's common stock and to retain such ownership at all times thereafter while they remain with CIT.

Ö **Political Contributions.** CIT believes that an important part of responsible corporate citizenship is participation in the political and public policy process. However, even where legally permitted, CIT's policy is not to use any company funds or property for any candidate campaign funds including candidate campaign committees, political parties, caucuses, or independent expenditure committees (superPACs). CIT also maintains a non-partisan political action committee for our employees to participate in the political process, which is funded entirely through voluntary contributions from eligible CIT employees, and uses those funds to support candidates, political parties, and other political action committees that are supportive of CIT's public policy goals.

Ö **Related Person Transactions Policy.** Our Governance Committee is responsible for approving or ratifying transactions involving CIT and related persons and determining if the transaction is in, or not inconsistent with, the best interests of CIT and our stockholders. More information about our Related Person Transactions Policy may be found below under the heading

Related Person Transactions Policy.

Ö **Executive Sessions.** Our Board meets regularly in executive sessions without the presence of management, including our Chairwoman. These sessions are led by our Lead Director.

Ö **Limitations on Participation on Other Boards.** To ensure that our directors have sufficient time to devote proper attention to their responsibilities as directors of CIT, unless otherwise approved by the Governance Committee, employed directors are limited to service on one board of another publicly traded company, while other directors may not serve on the boards of more than four other public companies.

Ö **Hedging, Margin Accounts and Pledged Securities.** CIT's directors and employees are prohibited from entering into financial transactions to hedge their ownership interest in CIT's securities, holding CIT's securities in a margin account, or otherwise pledging CIT's securities as collateral for a loan.

Ö **Board and Board Committee Evaluations.** Each year, each director completes a questionnaire reflecting his or her assessment of the effectiveness of the Board and the committees on which he or she serves. The General Counsel confidentially summarizes the directors' responses for review by the Governance Committee, the Board and Committees. The Board and Committees review the summary in executive session and considers what

actions, if any, to take as a result.
Ö **Proxy Access.** CIT believes that it is appropriate for certain stockholders to be able to use our proxy statement and proxy card to nominate one or more director candidates. In 2016, we amended our By-Laws to generally allow stockholders owning 3% or more of the Company's total voting stock for three years to use the Company's proxy statement to nominate the greater of two or 20% of the director positions subject to vote at an annual meeting.

Additional information is provided below regarding these and certain other key corporate governance policies which we believe enable us to manage our business in accordance with the highest standards of business practices and in the best interests of our stockholders. Investors can find a copy of CIT's Corporate Governance Guidelines and other governance policies on our website at https://www.cit.com/about_us/corporate_governance/. Information contained on the CIT website does not constitute part of this Proxy Statement.

Director Independence

Our Corporate Governance Guidelines require that a substantial majority of the Board be composed of directors who meet the independence criteria established by the NYSE. For a director to be considered independent, the Board must affirmatively determine that neither the director nor any of such director's immediate family has a material relationship with CIT (either directly, or as a partner, stockholder, or officer of an organization that has a relationship with CIT). In making its determination, the Board considers all relevant facts and circumstances, both with respect to the director and with respect to any persons or organizations with which the director has an affiliation, including immediate family members. The Board also considers the specific independence criteria for directors as defined by the NYSE.

In furtherance of our Board's commitment to maintain the independence of our independent directors, the Board implemented a charitable contributions policy. The policy requires that if any charitable contribution proposed to be made by CIT to an organization in which a director is affiliated exceeds the lesser of (i) \$25,000 or (ii) 2% of the charitable organization's most recently reported annual consolidated gross revenues, such contribution is subject to the approval of the Governance Committee. In determining whether to approve any such contribution, the Governance Committee considers whether the donation would impair the director's independence.

Based on the foregoing considerations, the Board has determined that, except for Ms. Alemany, our Chairwoman and CEO, all of CIT's directors are independent and each of the Board Committees are composed solely of independent directors. In making this determination, the Board considered the transactions described below under the heading "Related Person Transactions Policy".

Related Person Transactions Policy

The Board has adopted a "Related Person Transactions Policy" for the review and approval of "related person transactions," which is defined under such policy as any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which CIT was or is to be a participant, the amount involved exceeds or is expected to exceed \$120,000 in a single calendar year, and an executive officer, director, director nominee, or a 5% beneficial owner of any class of CIT's voting securities (or any of their respective immediate family members) had or will have a direct or indirect material interest, other than the following:

- interests arising solely from the related person's position as a director or limited partner, or from the direct or indirect ownership by the related person, and all other related persons, in the aggregate of less than a 10% equity interest in another corporation or organization that is a participant in the transaction;

- amounts due from related persons to CIT for purchases of goods and services subject to usual trade terms, for ordinary business travel and expense payments, and for other indebtedness transactions in the ordinary course of business;

- interests arising solely from the ownership of a class of CIT's equity securities, if all holders of that class of equity securities receive the same benefit on a *pro rata* basis;

- transactions where price is determined by competitive bid, or where the service is rendered as a common carrier or public utility at rates fixed pursuant to law;

- transactions that involve compensation to a director, or compensation to executive officers, approved by the Board;

- interests arising solely from the related person's position as an executive officer or director of another entity that is a participant in the transaction, where (a) the related person and his or her immediate family members own in the aggregate less than a 5% equity interest in such entity, (b) the related person and his or her immediate family members are not involved in the negotiation of the terms of the transaction, and (c) the amount involved in the transaction equals less than 2% of the annual gross revenues of each of CIT and the other entity that is a participant in the transaction.

Edgar Filing: CIT GROUP INC - Form DEF 14A

Under this written policy, any proposed related person transaction will be considered at the next meeting of the Governance Committee, but if it is not desirable for CIT to wait until the next meeting, the transaction will be submitted to the Chairperson of the Governance Committee for approval, subject to reporting any such approval at the next Governance Committee meeting. In either case, the benefits to CIT, the availability of other sources of comparable products or services, the terms of the transaction, the terms available to unrelated third parties, and whether the transaction was undertaken in the ordinary course of business, will be considered. The Governance Committee will approve only those related person transactions that are in, or are not inconsistent with, the best interests of CIT and its stockholders, as the Governance Committee determines in good faith. In certain circumstances, if the Chief

- 22 -

Executive Officer, Chief Financial Officer or General Counsel of CIT becomes aware of a related person transaction that has not been previously approved or ratified under the policy, the Governance Committee will determine if rescission of the transaction is appropriate, and will request that the Chief Financial Officer evaluate CIT's controls and procedures to ascertain the reason the transaction was not submitted to the Governance Committee or its Chairperson for prior approval.

We have in the past and may in the future enter into certain transactions with affiliates, other than directors and executive officers. Such transactions have been, and it is anticipated that such transactions will continue to be, entered into on an arm's length basis at a fair market value for the transaction.

There were no transactions reviewed by the Governance Committee in 2016 under the Related Person Transactions Policy.

Appointment of Directors

Ten of CIT's twelve nominees for director are standing for re-election. Mr. Brosnan was appointed as a director in November 2016 and Ms. Dominguez was appointed as a director in February 2017. Both Mr. Brosnan and Ms. Dominguez are standing for election as a director for the first time at the 2017 Annual Meeting. For more information, see [Directors](#) [Nominees](#) .

Diversity of Directors

Under our Corporate Governance Guidelines, the Board has adopted a diversity policy and seeks diversity in its members with respect to background, skills and expertise, industry knowledge, and experience. Our Corporate Governance Guidelines set forth general criteria for nomination and re-nomination to the Board, including:

judgment, integrity, commitment, and candor;

leadership and decision-making experience in complex organizations, including corporations, banking and financial institutions, and government, education, and military institutions;

expertise, knowledge, and skills useful for overseeing our business; and

diversity of background, perspectives, skills and experience.

When considering directors for re-nomination, the Governance Committee also considers attendance, preparedness, participation and candor.

The Governance Committee reviews with the Board the skills, characteristics and diversity of background appropriate for CIT's directors. When seeking to fill Board vacancies, the Governance Committee evaluates the skills and characteristics of the existing directors, including the diversity of background, perspectives, and experience of the directors, to identify any gaps that should be filled. The Governance Committee then utilizes that information to guide its search for new director nominees.

Majority Voting for Directors

Under our By-Laws and Corporate Governance Guidelines, if the nominees are all nominated by CIT, a nominee for director is elected if the votes cast for such nominee's election exceed the votes cast against such nominee's election; however, directors are elected by a plurality of the votes cast at any meeting of stockholders for which (i) the Corporate Secretary of CIT receives a notice that a stockholder has nominated a person for election to the Board in compliance with the advance notice requirements for stockholder nominees set forth in our By-Laws, and (ii) such nomination has not been withdrawn by such stockholder on or before the tenth day before CIT first mails its notice of meeting for such meeting to the stockholders. If directors are to be elected by a plurality of the votes cast, as permitted under Delaware law and our By-Laws, stockholders shall not be permitted to vote against a nominee. Votes cast shall not include abstentions with respect to the election of directors. Under our Corporate Governance Guidelines, if a majority vote is required, any nominee who fails to receive the required vote for his or her election or re-election must promptly tender his or her resignation to the Chairwoman of the Board. If an incumbent director fails to receive the required vote for re-election, the Governance Committee will promptly consider the resignation submitted by such director and will recommend to the full Board whether to accept such resignation. The Governance Committee will consider all factors that it deems relevant in making its recommendation, including any stated reasons why stockholders voted against the director, the length of service and qualifications of the director, the director's contributions to CIT and CIT's Corporate Governance Guidelines.

Edgar Filing: CIT GROUP INC - Form DEF 14A

The Board will act on the recommendation of the Governance Committee no later than 90 days following the date of the meeting of stockholders at which the election occurred. The Board will review the factors considered by the Governance Committee and such other information and factors as the Board deems relevant. We will promptly disclose the Board's decision whether to accept the resignation as tendered, and provide a full explanation of the process by which the decision was reached and, if applicable, the reasons the Board rejected the tendered resignation, in a Current Report on Form 8-K filed with the SEC.

If one or more directors' resignations are accepted by the Board, the Governance Committee will recommend to the Board whether to fill such vacancy or vacancies or to reduce the size of the Board.

Board Leadership Structure

Until March 31, 2016, the positions of Chief Executive Officer and Chairman were held by one person, John A. Thain. Effective April 1, 2016, Ellen R. Alemany assumed the role of Chief Executive Officer and Mr. Thain continued to serve as Chairman until the conclusion of the 2016 annual meeting of stockholders held on May 10, 2016, at which time Ms. Alemany assumed the role of Chairwoman. Therefore, as of and since May 10, 2016, the positions of Chief Executive Officer and Chairwoman were held by one person, Ellen R. Alemany. In deciding to continue CIT's practice of combining the Chief Executive Officer and Chairwoman positions, the primary factors considered by the Board were the importance of a unified strategic and operating focus, the benefits of clarity in the management structure of the organization, and the need for consistent communications to stockholders, customers, regulators and other constituencies. This structure also best assures that Ms. Alemany will be able to use her in-depth knowledge and perspective gained from running CIT to effectively and efficiently guide our Board. By being closely connected with both CIT's senior level managers and the Board, Ms. Alemany is better able to appreciate and balance the perspectives of both groups.

To establish a liaison between the non-management directors and the Chairwoman and Chief Executive Officer and foster effective communication between them, the independent directors on CIT's Board also appoint a Lead Director who is independent of management. This position is currently held by Vice Admiral John R. Ryan, USN (Ret.). The Board has structured the role of our independent Lead Director to strike an appropriate balance with the combined Chairwoman and Chief Executive Officer role and to fulfill the important requirements of independent leadership on the Board. As Lead Director, Mr. Ryan:

presides over all meetings of the Board at which the Chairwoman is not present;

presides at executive sessions of the Board;

develops and approves meeting agendas for the Board to ensure that management is addressing all matters of concern or interest to the Board and that sufficient time for discussion is allocated for each matter; and

serves as a liaison between the Chairwoman and the independent directors.

The Board's Role in Risk Oversight

The Board believes that evaluating how CIT's executive team manages the various risks confronting CIT is one of the most important areas of its oversight responsibilities and that effectively balancing risk and return is critical to the long-term success of CIT. CIT has a comprehensive enterprise risk management program that governs the policies and procedures used by management to monitor, evaluate and manage the risks we assume in conducting our business activities. Our Board's oversight of this risk management process is conducted primarily by our Audit Committee and our Risk Management Committee; however, each of the other Board Committees also considers risk within its area of responsibility.

Audit Committee

The duties of the Audit Committee include reviewing and discussing with the appropriate members of management CIT's major financial risk exposures, including interest rate, liquidity, foreign currency exposure, cash investment, funding, swap-counterparty, and asset-liability management risks, as well as overseeing CIT's internal controls over financial reporting. In addition, the Audit Committee is responsible for the oversight of, and receives regular reports regarding, CIT's internal audit and compliance functions and risks related to litigation, compliance and legal matters as well as enterprise, operations and market risks. The Audit Committee and Risk Management Committee meet together quarterly in joint sessions to ensure appropriate communications regarding areas of overlap in overseeing risk.

Risk Management Committee

The duties of the Risk Management Committee include overseeing CIT's risk management functions and processes, including (a) reviewing and recommending to the Board an annual risk appetite statement, and reviewing management's risk appetite limits report to confirm that CIT is operating within its risk appetite statement, (b) ensuring that management has established processes and an enterprise risk management framework and governance structures designed to identify, bring to the Board's and/or the Risk Management Committee's attention, and appropriately manage, monitor, control and report exposures to the major risks affecting CIT, including risk management deficiencies and the timely implementation of corrective actions to address such deficiencies, (c) monitoring the performance, quality and trends associated with CIT's credit portfolio, (d) assessing, jointly with the Audit Committee, the adequacy of CIT's allowance for loan losses and management's methodology for determining such allowance, (e) receiving, jointly with the Compensation Committee, management's assessment of the

Edgar Filing: CIT GROUP INC - Form DEF 14A

effectiveness of the design and operation of CIT's incentive compensation programs, and (f) overseeing CIT's stress testing process. The Risk Management Committee also oversees CIT's loan review function, information security processes, business continuity planning, and the use of insurance to manage certain of CIT's risks.

- 24 -

Compensation Committee

The duties of the Compensation Committee include regularly assessing risks related to our compensation programs, including our executive compensation practices. Management provides information on a regular basis to the Compensation Committee regarding compensation elements and features that could mitigate or encourage excessive risk-taking. In assessing compensation related risks, the Compensation Committee, together with the Risk Management Committee, considers the balance between annual and longer-term performance incentives, performance measures that motivate sustained performance while prudently managing risk, stock ownership guidelines that align executives' interests with those of our stockholders, and our clawback policy to recoup compensation.

Nominating & Governance Committee

The duties of the Governance Committee include reviewing and minimizing risks by ensuring appropriate policies and practices exist and are implemented to avoid or manage conflicts of interest by and among CIT, its executive officers, directors, director nominees and stockholders, overseeing an effective succession planning process, overseeing CIT's Political Contributions Policy and lobbying practices, and adopting prudent governance policies. For more information, see Corporate Governance above for a list of significant corporate governance practices and policies.

Regulatory Compliance Committee

The duties of the Regulatory Compliance Committee include overseeing CIT's relationships with its principal regulators and monitoring its compliance with and resolution of any significant issues or matters identified by any banking regulatory authority.

Succession Planning

The Board is actively engaged and involved in talent management. The Board reviews the Company's human resources strategy in support of its business strategy at least annually. This process includes a detailed discussion of the Company's leadership bench strength and succession plans with a focus on key positions at the senior officer level. In addition, the Board Committees regularly discuss the talent depth for specific critical roles. High potential leaders are given exposure and visibility to Board members through formal presentations and informal events. For more information on CIT's Board Committees, see Corporate Governance Board Committees below.

Director and Senior Executive Officer Stock Ownership Policy

CIT believes that significant stock ownership by its directors and senior executive officers further aligns their and CIT stockholders' interests. Accordingly, under our Corporate Governance Guidelines, within a specified period of time, directors are required to own shares of CIT's common stock at least equal in value to five times the amount of the directors' annual retainer fee. Value is generally calculated as the number of shares owned multiplied by the greater of (i) the current stock price or (ii) the 3-year average stock price of CIT's common stock. This minimum stock ownership must be maintained for as long as both (a) such director remains on the Board and (b) CIT's common stock is publicly traded on a national securities exchange. Senior executive officers of CIT are also required to own a minimum amount of CIT shares as further described in the Compensation Discussion and Analysis portion of this Proxy Statement.

Board Committees

During 2016, our Board maintained an Audit Committee, a Compensation Committee, a Governance Committee, a Risk Management Committee and a Regulatory Compliance Committee as standing committees. Each of the Audit Committee, the Compensation Committee and the Risk Management Committees are currently comprised of four directors. The Governance Committee is currently comprised of three directors and the Regulatory Compliance Committee is currently comprised of six directors. Each director serving on the Audit Committee, the Compensation Committee, the Governance Committee, the Risk Management Committee, and the Regulatory Compliance Committee is independent as defined by the NYSE and applicable law. Each Board Committee has a separate chair and operates under a written charter. The current version of the written charter of each standing Board Committee is available on our website at http://cit.com/about_us/corporate_governance/board_of_directors/.

Compensation Committee

The Compensation Committee evaluates, oversees and approves the compensation and benefits for our executive officers and other employees, and is responsible for the following:

overseeing, reviewing and approving the overall goals and purposes of CIT's incentive compensation programs for all employees, to ensure that such programs appropriately balance risk and financial results and do not encourage excessive risk taking;

reviewing and recommending to the Board for approval the corporate goals and objectives relevant to CEO compensation;

recommending to the Board the compensation and benefits for the CEO considering CIT's and our CEO's performance relative to financial, strategic and other goals and objectives approved by the Board and the value of compensation granted to the CEO at comparable or peer companies;

approving the compensation for our executive officers and reviewing the compensation for all employees (other than our executive officers) whose annual compensation exceeds \$1 million;

meeting at least annually to discuss and evaluate employee compensation plans with CIT's Chief Risk Officer in light of an assessment of any risk posed to CIT, to ensure that such plans do not encourage employees to take unnecessary and excessive risks and to ensure that such plans do not encourage the manipulation of CIT's reported earnings to enhance the compensation of any of CIT's employees;

receiving and reviewing, jointly with the Risk Management Committee, management's assessment of the effectiveness of the design and operation of CIT's incentive compensation programs in providing risk-taking incentives that are consistent with the safety and soundness of CIT;

The Compensation Committee may form and delegate authority to subcommittees comprised of one or more members of the Compensation Committee. It may also delegate to CIT's employee benefits committee the responsibility to review and recommend material revisions to retirement plans, severance plans, plans permitting deferral of compensation, or any other benefit plan in which the executive officers are participants. The Compensation Committee also has the authority to engage such consultants and independent counsel as it determines is appropriate to assist it in the performance of its responsibilities.

In 2016, the Compensation Committee engaged the independent, external consulting firm Pay Governance LLC (**Pay Governance**) to advise the Compensation Committee on all matters relating to the compensation of our executive officers. The Compensation Committee directly retained Pay Governance independently from CIT management, and CIT does not utilize Pay Governance for any other purpose. The Compensation Committee has assessed the independence of Pay Governance pursuant to SEC rules and concluded that Pay Governance's work for the Compensation Committee does not raise a conflict of interest.

Nominating & Governance Committee

The Governance Committee oversees CIT's governance policies and processes for nominating directors, which duties include:

Edgar Filing: CIT GROUP INC - Form DEF 14A

identifying and recommending qualified candidates to fill positions on the Board and its Board Committees;

reviewing and recommending to the Board the compensation and benefits for directors (other than directors who are also employees of CIT);

overseeing the evaluation of the structure, duties, size, membership and functions of the Board and its Board Committees;

The Governance Committee considers and evaluates all director candidates recommended by our stockholders in accordance with the procedures set forth in our Corporate Governance Guidelines. Stockholders may propose qualified nominees for consideration by the Governance Committee by submitting the names and supporting information in writing to: Office of the General Counsel, CIT Group Inc., One CIT Drive, Livingston, New Jersey 07039. Such supporting information shall include (1) a statement containing the notarized signature of the nominee whereby such nominee consents to being nominated to serve as a director of CIT and to serving as a director if elected by the stockholders; (2) information in support of the nominee's qualifications to serve on the Board and the nominee's independence from management; (3) the name or names of the stockholders who are submitting such proposal, the number of shares of CIT common stock held by each such stockholder, and the length of time such shares have been beneficially owned by such stockholders; and (4) any other information that the stockholder believes to be pertinent. To be considered for nomination, any such nominees shall be proposed as described above no later than December 15th of the calendar year immediately preceding the applicable annual meeting of stockholders. Our Corporate Governance Guidelines provide that no person shall qualify for service as a director if he or she is a party to any compensatory, payment or other financial agreement, arrangement or understanding with any person or entity other than CIT, or has received any such compensation or other payment from any person or entity other than CIT, in each case in connection with candidacy or service as a director of CIT.

Regulatory Compliance Committee

The Regulatory Compliance Committee oversees CIT's compliance with all significant bank regulatory matters, including:

overseeing and monitoring CIT's significant bank regulatory matters, including CIT's progress in addressing the action items noted by banking regulators in examination and similar reports, and in annual and periodic assessment reports; and

overseeing and monitoring other regulatory oversight matters not specifically handled by other Board committees or the Board itself.

reviewing the plan, budget, activities, organizational structure, staffing, scope of authority and qualifications of the loan review organization responsible for auditing compliance with CIT's credit policies and practices;

reviewing and ensuring the adequacy of CIT's business continuity and disaster recovery plans, training programs, and threat analysis;

reviewing and ensuring the adequacy of CIT's information security policies and technology risk management program; and

reviewing CIT's corporate insurance program at least annually.

Stockholder Communications with the Board

Edgar Filing: CIT GROUP INC - Form DEF 14A

Any person who has a concern about CIT's governance, corporate conduct, business ethics or financial practices may communicate that concern to the non-management directors. In addition, CIT's stockholders may communicate with the Board regarding any topic of current relevance to CIT's business. Any of the foregoing communications should be submitted in writing to the Lead Director, the Audit Committee, or the non-management directors as a group by writing to them, c/o CIT's General Counsel and Secretary, One CIT Drive, Livingston, New Jersey 07039, or by email to directors@cit.com. Concerns and stockholder communications may also be directed to the Board by calling the CIT Hotline in the U.S. or Canada at 1-877-530-5287. To place calls from other countries in

- 28 -

which CIT has operations, individuals may call the toll free numbers listed in our Code of Business Conduct, which is available on our website at <https://www.cit.com/about-us/corporate-governance/>. These concerns can be reported confidentially or anonymously. Concerns and issues communicated to the Board will be addressed through CIT's regular procedures:

depending on the nature of the concern or issue, your communication may be referred to CIT's Chief Auditor, General Counsel, Chief Human Resources Officer or other appropriate executive for processing, investigation, and follow-up action;

concerns relating to CIT's accounting, internal accounting controls or auditing matters will be referred to the Audit Committee; and

other concerns may be referred to either CIT's Lead Director or to one or more non-management members or Board Committee.

CIT's General Counsel reserves the right not to forward to Board members any abusive, threatening or otherwise inappropriate materials or any other communications intended solely to market services or products to directors or CIT.

Compensation Committee Interlocks, Insider Participation and Banking Interlocks

There are no interlocking relationships between any member of our Compensation Committee and any of our executive officers that would require disclosure under SEC rules. No member of our Compensation Committee is a current or former officer or employee of CIT. No member of our Board and none of our senior executive officers (as defined in 12 C.F.R. §303.101) is a management official of an unaffiliated depository organization.

Legal Proceedings

There are no known legal proceedings or events in the past ten years that are material to an evaluation of any director, executive officer, or person nominated to become a director or executive officer of CIT, other than CIT's bankruptcy in 2009.

CIT Political Contributions Policy

CIT believes that an important part of responsible corporate citizenship is participation in the political and public policy process. The focus of these efforts is on issues that affect the company, our operations, employees, customers, shareholders and local communities. Our business is subject to extensive laws and regulations at the federal, state and local levels, and changes to these laws can significantly affect how we serve our customers and the costs we incur. It is important for CIT to engage in the political dialogue to advance the interests of our company.

Even where legally permitted, CIT's policy is to not use any company funds or property for any candidate campaign funds, including candidate campaign committees, political parties, caucuses, or independent expenditure committees (superPACs).

CIT may use contract lobbyists and trade associations to monitor and provide comments on proposed legislation and regulations that may affect how our customers can be served. The General Counsel must approve any lobbying activities by employees or the use of company funds for lobbying.

CIT's Political Action Committee (**PAC**) is a non-partisan committee that provides an opportunity for company employees to participate in the political process. The PAC is funded entirely through voluntary contributions from eligible CIT employees, and uses those funds to support candidates running for elective office, political parties, and other political action committees that are supportive of CIT's public policy goals.

CIT's Code of Business Conduct encourages employees to participate in civic and political activities on their own time based on their individual desires and political preferences, including making personal contributions to political candidates or activities, as long as they do not express or imply that they are acting on behalf of CIT.

Hedging, Margin Accounts and Pledged Securities

CIT's directors and employees are prohibited from entering into financial transactions to hedge their ownership interest in CIT's securities, including trading in publicly traded options, puts, calls, collars or other derivative instruments related to CIT's stock or debt. CIT's directors and

Edgar Filing: CIT GROUP INC - Form DEF 14A

employees are also prohibited from holding CIT's securities in a margin account or otherwise pledging CIT securities as collateral for a loan.

- 29 -

DIRECTOR COMPENSATION

The Governance Committee recommends to the Board the compensation and benefits for CIT's non-employee directors. The objectives of the director compensation program are to attract highly qualified individuals to serve on the Board and to align their interests with our stockholders. Employee directors do not receive compensation for their services as a director.

CIT's director compensation plan (the **Director Compensation Plan**) is described below. Directors' compensation is earned for each twelve-month period beginning in May and ending in April, but is disclosed in the annual proxy statement on a fiscal year basis. During 2016, CIT amended its Director Compensation Plan to increase the annual retainer payable to independent directors from \$60,000 to \$85,000, as described below under the heading "Annual Cash Retainer".

Initial Equity Awards

A one-time grant of restricted stock units (RSUs) valued at \$100,000 at the time of grant is awarded to directors in connection with their appointment to the Board, subject to applicable black-out periods and applicable vesting terms.

Annual Compensation

The following table outlines the elements of compensation paid annually to directors for each twelve-month period beginning in May and ending in April of the following calendar year, and determined by each director's role on the Board, pursuant to the Director Compensation Plan.

	Lead Director, Board Committee Chairs and Directors Serving on more than one Board Committee	All Other Directors
Cash Retainer	\$85,000	\$85,000
Equity-Based Award (1)	\$105,000 to \$155,000	\$95,000
Total	\$190,000 to \$240,000	\$180,000

- (1) CIT's Director Compensation Plan provides for supplemental director equity-based awards in the form of RSUs as follows: \$25,000 for serving as Audit Committee Chair, \$15,000 for serving as Risk Management, Compensation, Special Compliance, or Governance Committee Chair, \$25,000 for serving as Lead Director and \$10,000 for serving on more than one Board Committee. The range of compensation listed in the Equity-Based Award and Total rows of the table represent the foregoing amounts. The maximum amounts in such ranges presume that a director serves as Audit Committee Chair and Lead Director and serves on more than one Board Committee.

Annual Cash Retainer

An annual cash retainer of \$85,000 (increased from \$60,000 during 2016), is payable semi-annually in May and October of each year. Alternatively, directors may elect to receive their cash retainer in any combination of cash and RSUs that settle 100% in shares of CIT stock. RSUs granted in lieu of cash as part of the annual retainer vest in full on the first anniversary of the grant date.

Annual Equity Awards

Board divided by twelve.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS¹

This Compensation Discussion and Analysis (CD&A) describes our executive compensation program for 2016, how our compensation decisions align with our 2016 financial² and strategic achievements and the changes we are making to our 2017 program as a result of stakeholder feedback and to further align with our 2017 strategic initiatives. This Compensation Discussion & Analysis is divided into five sections:

- n Overview
- n 2016 Performance and Strategic Highlights
- n 2016 and 2017 Program Evolution
- n 2016 Program Detail
- n Other Pay Practices

OVERVIEW

2016 Compensation Program Highlights

At the end of the first quarter of 2016, we announced the results of our comprehensive strategic review and our vision for creating a leading national bank for specialty lending to the middle market and small businesses. Our 2016 executive compensation programs were designed around achieving this vision and leading market practices, as follows:

- n Compensation structures for new leaders and new peer group both aligned with focused business mix and asset size

- n Short-term Incentive (STI) for our CEO 50% based on quantitative financial factors, 30% directly based on achievement of key strategic objectives (including successful separation of CIT Commercial Air) and 20% based on other

qualitative factors; for our other NEOs, at least 50% of STI is based on quantitative financial factors with the remainder based on key strategic objectives and other qualitative factors

- n Long-term Incentive (LTI) 100% performance-based, half of which is in the form of performance share units based on 3-year average adjusted after-tax ROATCE (PSUs-ROATCE) aligned with achieving our 10% target in 2018; the other 50% in performance-based RSUs (PBRsUs) with minimum Common Equity Tier 1 performance hurdle

- n All long-term incentives subject to clawbacks that extend post-vesting

- n All change-of-control benefits are double-trigger

- n Robust equity holding requirements and prohibition on hedging

2017 Compensation Program Changes

Our executive compensation program has been continually adjusted and refined to reflect

each next step of our business evolution. Accordingly, and in direct response to shareholder feedback, for 2017 we will:

- n **2017 STI:** Keep our rigorous scorecard approach but increase the weighting of quantitative financial factors to 70% for our CEO and other business segment heads while simplifying the goal structure

- n **2017 LTI:** Add a factor based on relative total shareholder return (TSR) to our performance share units, which will continue to be based on 3-year average adjusted after-tax ROATCE and aligned with achieving our 10% target in 2018

- n **Clawback:** Expand our clawback policy to cover cash payments under our STI program
