**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On February 19, 2008, the Board of Directors of Apria Healthcare Group Inc. amended the company's Bylaws in order to comply with recent rule changes of the New York Stock Exchange that require listed companies to be eligible to issue shares in either certificated or uncertificated form and to participate in a book-entry share Direct Registration System currently administered by the Depository Trust Company. The Direct Registration System allows for the electronic transfer of securities, permits investors to have securities registered in their names without the issuance of physical certificates and allows investors to electronically transfer securities to broker-dealers to effect transactions without the risks and delays associated with transferring physical certificates.

The specific amendments were made to Articles VI, VIII and IX of the Bylaws. These Articles address the form of stock certificate the company may issue, transfers of stock and protocols for dealing with lost, stolen or destroyed certificates. The amendments are intended to incorporate the concept of uncertificated shares, and to permit the registration, issuance and transfer of the Apria's stock without issuance of a physical stock certificate. The Bylaw amendments continue to permit stockholders to obtain a physical stock certificate upon request. All other provisions of the Company's Bylaws remain unchanged. The amendments became effective immediately upon their adoption by the Board.

The foregoing summary is qualified in its entirety by reference to the complete text of the Amended and Restated Bylaws, a copy of which is filed herewith as Exhibit 3.1, and incorporated by reference herein.
