This registration statement relates to the previously filed registration statements discussed below and is being filed under General Instruction E. of Form S-8 in order to register additional shares of the same class as other securities for which registration statements filed on this form relating to the same employee benefit plans are effective.

On June 25, 1997, the registrant filed a registration statement on Form S-8 (File No. 333-30055) to register 754,614 shares of common stock, which included 700,000 shares of common stock issuable under the St. Mary Land & Exploration Company Stock Option Plan and the St. Mary Land & Exploration Company Incentive Stock Option Plan (the "Plans"). On April 21, 2000, the registrant filed a registration statement on Form S-8 (File No. 333-35352) to register an additional 950,000 shares of common stock issuable under the Plans. The contents of those registration statements are incorporated by reference into this registration statement. Under Rule 416, those registration statements are deemed to cover an additional 1,650,000 shares of common stock, or a total of 3,300,000 shares of common stock, as a result of a two shares-for-one share forward stock split effected in the form of a stock dividend distributed in September 2000. The registrant is now filing this separate registration statement to register an additional 1,000,000 shares of common stock which as a result of amendments to the Plans may be issued thereunder.
