1

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Q: WHY DID I RECEIVE THIS PROXY STATEMENT?

A: Because you are a Donaldson stockholder as of the close of business on the record date of September 26, 2003. Only stockholders of record are entitled to vote at the annual meeting and the Board of Directors is soliciting your proxy to vote at the meeting. The Company had 43,483,232 shares of common stock outstanding as of close of business on the record date. Each share entitles its holder to one vote.

This Proxy Statement summarizes the information you need to know to vote. We first mailed the Proxy Statement and proxy card to stockholders on or about October 14, 2003.

Q: WHAT AM I VOTING ON AND WHAT DOES THE BOARD RECOMMEND?

A: 1. The election of four directors;

2. The ratification of the appointment of our independent auditors for fiscal year 2004; and

3. The approval of the increase in authorized common shares from 80,000,000 to 120,000,000.

Edgar Filing: DONALDSON CO INC - Form PRE 14A

THE BOARD RECOMMENDS A VOTE FOR EACH OF THE DIRECTORS AND FOR THE OTHER TWO ITEMS.

Q: HOW DO I VOTE IF I AM A STOCKHOLDER OF RECORD?

A: If you are a stockholder of record you may vote using any ONE of the methods set forth on your enclosed proxy card:

1. VOTE BY PHONE TOLL FREE 1-800-240-6326 QUICK *** EASY *** IMMEDIATE
2. VOTE BY INTERNET -- <http://www.eproxy.com/dci/>
3. VOTE BY PROMPTLY MAILING YOUR PROXY CARD -- COMPLETE AND SIGN
4. VOTE BY CASTING YOUR VOTE IN PERSON AT THE MEETING

If you participate in the Donaldson Dividend Reinvestment Program open to all stockholders and administered by the transfer agent, your shares in that program have been added to your other holdings and included on your proxy card.

If you participate in the Donaldson Employee Stock Purchase Program administered by the transfer agent, your shares in that program have been added to your other holdings and included on your proxy card.

Q: HOW DO I VOTE IF I HOLD STOCK THROUGH A DONALDSON EMPLOYEE BENEFIT PLAN?

A: We have added the shares of common stock held by participants in Donaldson's employee benefit plans to the participants' other holdings shown on their proxy cards. Donaldson's employee benefit plans are the Employee Stock Ownership Plan, the PAYSOP, and the Donaldson Company, Inc. Retirement Savings Plan (the 401(k) plan).

If you hold stock through Donaldson's employee benefit plans, voting your proxy using one of methods 1-3 above also serves as confidential voting instructions to the plan trustee, Fidelity Management Trust Company ("Fidelity"). Fidelity will vote your employee benefit plan shares as directed by you provided that your proxy vote is RECEIVED BY NOVEMBER 18, 2003.

Fidelity also will vote the shares allocated to individual participant accounts for which it has not received instructions, as well as shares not so allocated, in the same proportion as the directed shares are voted.

Q: HOW DO I VOTE IF MY SHARES ARE HELD IN A BROKERAGE ACCOUNT IN MY BROKER'S NAME (I.E., STREET NAME)?

A: If your shares are held in a brokerage account in your broker's name (street name), you should follow the voting directions provided by your broker or nominee. If you do so, your broker or nominee will vote your shares as you have directed.

2

Q: WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

A: It means that you have multiple accounts with banks or stockbrokers or with the transfer agent. PLEASE VOTE ALL OF YOUR SHARES.

Edgar Filing: DONALDSON CO INC - Form PRE 14A

Q: WHAT IF I CHANGE MY MIND AFTER I VOTE MY SHARES?

A: You can revoke your proxy at any time before it is voted at the meeting by:

1. Sending written notice of revocation to the Company Secretary
2. Submitting a properly signed proxy card with a later date
3. Voting by telephone or internet at a time following your prior telephone or internet vote; or
4. Voting in person at the annual meeting.

Q: HOW ARE THE VOTES COUNTED?

A: For item (1), the election of directors, you may 1) vote for all of the nominees, 2) withhold your vote from all of the nominees or 3) withhold your vote from a specifically designated nominee. For items (2) and (3), the ratification of the appointment of the independent auditors, and the increase in authorized shares, you may vote (or abstain) by choosing For, Against or Abstain.

If you abstain from items (2) or (3), your shares will be counted as present at the meeting for the purposes of determining a quorum, and they will be treated as shares not voted on the specific proposal.

If you hold shares in street name and do not provide voting instructions to your broker, your broker will not vote your shares on any proposal where the broker does not have discretionary authority to vote. In such a situation, the shares will be considered present at the meeting for purposes of determining a quorum, but will not be considered to be represented at the meeting for purposes of calculating the vote with respect to the matter requiring discretionary authority. New York Stock Exchange Rules permit brokers discretionary authority to vote on items (1), (2) and (3), if they do not receive instructions from the street name holder of the shares. As a result, if you do not vote your street name shares, your broker has authority to vote on your behalf.

The Company uses an independent inspector of elections, Wells Fargo Bank Minnesota, which tabulates the votes received.

Q: WHAT IF I DO NOT SPECIFY HOW I WANT MY SHARES VOTED?

A. If you do not specify on your returned proxy card or through the telephone or internet prompts how you want to vote your shares, they will be voted FOR the election of all director nominees, FOR the ratification of the appointment of the independent auditors and FOR the increase in authorized shares.

Q: HOW MANY SHARES MUST BE PRESENT TO HOLD THE MEETING?

A: A quorum must be present for the meeting to be valid. This means that at least a majority of the shares outstanding as of the record date must be present. We will count you as present if you:

1. Have properly voted your proxy by telephone, internet or mailing of the proxy card; or
2. Are present and vote in person at the meeting.

Q: HOW MANY VOTES ARE NEEDED TO APPROVE EACH ITEM?

A: The vote of a plurality of the shares of common stock present or represented and entitled to vote at the meeting is required for election as a director. This means that, since stockholders will be electing 4 directors, the 4 nominees receiving the most votes will be elected. Ratification of the

Edgar Filing: DONALDSON CO INC - Form PRE 14A

appointment of the independent auditors requires the affirmative vote of a majority of shares entitled to vote and represented at the meeting in person or by proxy. Approval of the amendment to the Company's Certificate of Incorporation requires the affirmative vote of a majority of the shares of the Company's common stock outstanding on the record date.

Q: HOW WILL VOTING ON ANY OTHER BUSINESS BE CONDUCTED?

A: We do not know of any business to be considered at the 2003 Annual Meeting of Stockholders other than the proposals described in this Proxy Statement. If any other business is presented at the annual

3

meeting, the persons named in the form of proxy intend to vote the shares represented by such proxies in accordance with their best judgment.

Q: WHO MAY ATTEND THE MEETING?

A: All Donaldson stockholders of record as of the close of business on September 26, 2003 may attend.

Q: WHERE DO I FIND THE VOTING RESULTS OF THE MEETING?

A: We will publish the voting results in our Form 10-Q for the second quarter of fiscal 2004, which we will file with the Securities and Exchange Commission.

Q: HOW DO I SUBMIT A STOCKHOLDER PROPOSAL?

A: If you wish to include a proposal in the Company's Proxy Statement for its 2004 annual meeting of stockholders, you must submit the proposal in writing so that it is received no later than June 16, 2004. Please send your proposal to the Company Secretary, Donaldson Company, Inc., P.O. Box 1299, Minneapolis, MN 55440-1299.

Under our bylaws, if you wish to nominate a director or bring other business before the stockholders at our 2004 annual meeting without having your proposal included in our Proxy Statement:

--> You must notify the Company Secretary of Donaldson Company, Inc. in writing between July 24, 2004 and August 23, 2004.

--> Your notice must contain the specific information required in our bylaws. If you would like a copy of our bylaws, we will send you one without charge. Please write to the Company Secretary at the address shown above.

Q: WHO PAYS FOR THE COST OF PROXY PREPARATION AND SOLICITATION?

A: Donaldson pays for the cost of proxy preparation and solicitation, including the reasonable charges and expenses of brokerage firms, banks or other nominees for forwarding proxy materials to street name holders. We have retained Morrow & Co., to assist in the solicitation of proxies for the annual meeting for a fee of approximately \$5,000, plus associated costs and expenses. We are soliciting proxies primarily by mail. In addition, our directors, officers and regular employees may solicit proxies by telephone or facsimile or personally. These individuals will receive no additional

Edgar Filing: DONALDSON CO INC - Form PRE 14A

compensation for their services other than their regular salaries.

ELECTION OF DIRECTORS

The Bylaws of the Company provide that the Board of Directors shall consist of not less than three nor more than 15 directors and that the number of directors may be fixed from time to time by the affirmative vote of a majority of the directors. The Board of Directors has fixed the number of directors constituting the entire Board at 10. Vacancies and newly created directorships resulting from an increase in the number of directors may be filled by a majority of the directors then in office and the directors so chosen will hold office until the next election of the class for which such directors shall have been chosen and until their successors are elected and qualified. Directors are elected for a term of three years with positions staggered so that approximately one-third of the directors are elected at each annual meeting of the stockholders. The terms of Messrs. Eugster, Grundhofer, Miller and Van Dyke expire at the annual meeting. It is intended that proxies received will be voted, unless authority is withheld, FOR the election of the nominees, namely Messrs. Eugster, Grundhofer, Miller and Van Dyke. The four director nominees receiving the highest number of votes will be elected to fill the seats on the Board.

The Board of Directors meets on a regularly scheduled basis. During the past fiscal year, the Board held six meetings. Each director attended at least 75% of the aggregate of the Board meetings and meetings of Board committees on which each served.

The Board of Directors has assigned certain responsibilities to standing committees. The Audit Committee is composed of directors Janet M. Dolan, Jack W. Eugster (Chair), Kendrick B. Melrose, Jeffrey Noddle, Stephen W. Sanger and John P. Wiehoff, all of whom are independent non-employee directors. The Board of Directors has determined that Mr. Wiehoff is an audit committee financial expert as defined by the rules of the Securities and Exchange Commission. The Audit Committee held five meetings during the past fiscal year. The responsibilities of the Audit Committee are described in the Audit Committee Report to this Proxy Statement and are set forth in its Charter, which is

Edgar Filing: DONALDSON CO INC - Form PRE 14A

reviewed and amended periodically, as appropriate. A copy of the Audit Committee Charter may be found in Appendix A to this Proxy Statement.

The Human Resources Committee is composed of directors F. Guillaume Bastiaens, Jack W. Eugster, John F. Grundhofer, Kendrick B. Melrose and Jeffrey Noddle (Chair), all of whom are independent non-employee directors. This Committee held two meetings during the past fiscal year. The functions of this committee include review and approval of compensation arrangements for the chief executive officer and senior management and administration of the Company's stock compensation plans. The Report of the Human Resources Committee on Executive Compensation follows in this Proxy Statement.

The Corporate Governance Committee is composed of directors F. Guillaume Bastiaens, Janet M. Dolan, John F. Grundhofer (Chair), Paul D. Miller and John P. Wiehoff, all of whom are independent non-employee

6

directors. This Committee held three meetings during the past fiscal year. The Committee's duties include oversight of the organization and evaluation of the Board and its committees, to propose to the Board a slate of directors for election by the stockholders at each Annual Meeting, to propose candidates to fill vacancies on the Board, to review and recommend director compensation, and recommending to the Board a set of corporate governance principles. The Committee will consider nominees for director recommended by stockholders. Recommendations should be addressed to the Secretary, Donaldson Company, Inc., P.O. Box 1299, Minneapolis, MN 55440. Any proposal by a stockholder for the nomination of a candidate for director at the annual meeting for the election of directors is required by the Company's Bylaws to be submitted in writing to the Secretary and received at the principal executive offices of the Company not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting.

The Board of Directors has no reason to believe that any nominees will be unavailable or unable to serve, but in the event any nominee is not a candidate at the meeting, the persons named in the enclosed proxy intend to vote in favor of the remaining nominees and such other person, if any, as they may determine.

The table below and on the following page sets forth additional information with respect to each nominee for election as a director and each other person whose term of office as a director will continue after the meeting.

DIRECTOR COMPENSATION

Directors who are not employees receive a retainer fee of \$28,000 annually and are paid \$2,000 for each Board meeting attended and \$1,000 for each Committee meeting attended. The Audit Committee Chair receives an additional annual retainer of \$5,000 and the other Committee Chairs receive an additional annual retainer of \$2,500. Pursuant to the Company's Compensation Plan for Non-Employee Directors, any non-employee director may elect, prior to each year of their term, to defer all or part of his or her director compensation received during the upcoming year. Each participating director is entitled to a Company credit on the balance in his or her deferral account at the ten-year Treasury Bond rate plus 2%. The deferral election must also specify the manner for distribution of the deferral balance.

Non-employee directors are credited with shares to a deferred stock account in lieu of 30% of the annual retainer for services as a Director to be rendered in the following service year. Directors are allowed to elect to receive a credit of shares to a deferred stock account in lieu of all or part of the remaining retainer and meeting fees. The directors also receive a credit for dividend reinvestment shares. The Company contributes an amount equal to the deferred stock accounts to a trust and the trust purchases shares of Donaldson Common Stock. Each director is entitled to direct the trustee to vote all shares allocated to the director's account in the trust. The Common Stock will be distributed to each director following the director's retirement from the Board pursuant to the director's deferral payment election. The trust assets remain subject to the claims of the Company's creditors. The trust becomes irrevocable in the event of a "Change in Control" as defined under the 1991 Master Stock Compensation Plan and 2001 Master Stock Incentive Plan.

The Company's Non-Qualified Stock Option Program for Non-employee Directors provides for the automatic grant of a non-qualified stock option for 3,600 shares of Common Stock to each non-employee Director of the Company who is a member of the Board on December 1 each year. The exercise price of such options is the closing price of Common Stock in consolidated trading on the first business day of December in the respective year. The options are fully vested and have a term of ten years. The option award was modified beginning in 1998 to include a "reload option" granted at the time of exercise of the original option for the number of shares equal to the shares used in payment of the purchase price. The one-time reload option feature is similar to that included in the option grants to officers.

Shares credited to deferred stock accounts to non-employee directors in fiscal 2003, were as follows: Bastiaens, 242 shares, Dolan, 1,061 shares, Eugster, 990 shares, Grundhofer, 1,061 shares, Melrose, 1,104 shares, Miller, 898 shares, Noddle, 1,039 shares, Sanger, 1,153 shares, and Wiehoff, 0 shares.

AUDIT COMMITTEE REPORT AND APPOINTMENT OF AUDITORS

AUDIT COMMITTEE REPORT

Edgar Filing: DONALDSON CO INC - Form PRE 14A

The Audit Committee of the Board of Directors is composed entirely of independent, non-employee directors in accordance with the applicable independence standards of the New York Stock Exchange. In addition, our Board has determined that John P. Wiehoff is an audit committee financial expert, as defined by the rules of the Securities and Exchange Commission.

The Audit Committee assists the board in carrying out its oversight of the Company's financial reporting process, audit process and internal controls. The Audit Committee formally met five times during the past fiscal year in carrying out its oversight functions. The Committee is guided by its written charter adopted by the Board of Directors and attached as Appendix A. The Audit Committee has the sole authority to appoint, terminate or replace our independent auditors. The independent auditors report directly to the Audit Committee.

The Audit Committee has discussed with PricewaterhouseCoopers LLP, the Company's independent auditors, matters relating to the auditors' judgments about the quality, as well as the acceptability, of the Company's accounting principles, as applied in its financial reporting as required by Statement of Auditing Standards No. 61, Communications with Audit Committees. In addition, the Audit Committee has discussed with PWC their independence from management and the Company, as well as the matters in the written disclosures received from PWC and required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The Committee also reviewed and considered the compatibility of PWC's performance of non-audit services with the maintenance of PWC's independence as the Company's independent auditor.

Based on the review and discussions with management and the independent auditors, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ending July 31, 2003 for filing with the Securities and Exchange Commission. The Audit Committee also approved the appointment of PricewaterhouseCoopers LLP as the Company's independent auditors for the fiscal year ending July 31, 2004.

AUDIT COMMITTEE PRE-APPROVAL POLICIES AND PROCEDURES

In 2003, the Audit Committee adopted formal policies and procedures requiring pre-approval for audit and non-audit services to be provided by the independent auditor to the Company. The Audit Committee approved all of the services performed by PricewaterhouseCoopers LLP during fiscal 2003.

INITIAL APPOINTMENT OF PRICEWATERHOUSECOOPERS AS AUDITOR

On April 18, 2002, the board of directors (the "Board") of the Company, at the recommendation of its audit committee, dismissed Arthur Andersen LLP ("Andersen") as the Company's independent public accountants and engaged PricewaterhouseCoopers LLP ("PWC") to serve as the Company's independent public accountants for fiscal year 2002.

Andersen's reports on the Company's consolidated financial statements for each of the years ended July 31, 2001 and 2000 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the years ended July 31, 2001 and 2000 and through April 18, 2002, there were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to Andersen's satisfaction, would have caused them to make reference to the subject matter of the disagreements in connection with their report on the Company's consolidated financial statements for such years; and there were no "reportable events," as such term is defined in Item 304(a)(1)(v) of Regulation S-K.

The Company reported the dismissal and change in independent auditor on Form 8-K on April 24, 2002. The Form 8-K contained a letter from Andersen dated April 18, 2002 and addressed to the Securities and Exchange Commission, stating its agreement with the statements contained in such disclosures.

During the years ended July 31, 2001 and 2000 and through the date of the Board's decision to engage PWC, the Company did not consult PWC with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

The Audit Committee has appointed PricewaterhouseCoopers LLP as independent public accountants to audit the books and accounts of the Company for the fiscal year ending July 31, 2004, such appointment to continue at the pleasure of the Audit Committee and subject to ratification by the stockholders. PWC has audited the books and accounts of the Company since 2002. Representatives of PWC are expected to be present at the meeting with the opportunity to make a statement and to respond to appropriate questions. In the event this appointment is not ratified, the Audit Committee will reconsider its selection. Ratification of the selection will require the affirmative vote of a majority of the shares of Common Stock of the Company entitled to vote and represented at the meeting in person or by proxy.

The Audit Committee of the Board of Directors recommends that stockholders vote FOR ratification of the appointment of PricewaterhouseCoopers LLP as independent auditors for the fiscal year ending July 31, 2004.

AMENDMENT TO CERTIFICATE OF INCORPORATION TO INCREASE AUTHORIZED COMMON STOCK

The Company's Board of Directors has determined that Article Fourth of the Company's Articles of Incorporation should be amended and has voted to submit an amendment to the Company's stockholders for adoption. The proposed amendment to Article Fourth would increase the number of authorized shares of Common Stock, par value \$5.00, from 80,000,000 to 120,000,000, and the total number of shares of stock which the Company has the authority to issue from 81,000,000 to 121,000,000.

As of September 26, 2003, there were 43,483,232 shares of Common Stock outstanding, and 4,498,514 shares reserved for future issuance pursuant to the Company's stock compensation plans.

The additional shares of Common Stock for which authorization is sought would be a part of the existing class of Common Stock and, if and when issued, would have the same rights and privileges as the shares of Common Stock presently outstanding. Such additional shares would not (and the shares of Common Stock presently outstanding do not) entitle the holders thereof to preemptive or cumulative voting rights.

10

PURPOSES AND EFFECTS OF THE AMENDMENT

The Board of Directors believes that additional authorized shares of Common Stock will enable the Company to take timely advantage of market conditions and the availability of favorable financing and acquisition opportunities without the delay and expense associated with convening a special stockholders' meeting (unless otherwise required by the rules of any stock exchange on which the Company's Common Stock may then be listed). The shares of Common Stock could be used for issuing stock dividends (including stock splits issued in the form of stock dividends), the grant of stock options, acquisition by the Company of businesses or properties, equity financing and other general corporate purposes. The Company has no present plans, commitment or understandings in place with regard to uses of such shares.

Unless required by law or by the rules of any stock exchange on which the Company's Common Stock may in the future be listed, no further vote by the stockholders will be sought for any issuance of shares of Common Stock. Under existing New York Stock Exchange, Inc. regulations, approval by a majority of the holders of Common Stock would nevertheless be required in connection with any transaction or series of related transactions that would result in the original issuance of additional shares of Common Stock, other than in a public offering for cash, (a) if such additional shares of Common Stock (including securities convertible into or exercisable for Common Stock) has, or will have upon issuance, voting power equal to or in excess of 20 percent of the voting power outstanding before the issuance of the Common Stock; (b) if the number of such additional shares of Common Stock is or will be equal to or in excess of 20 percent of the number of shares of Common Stock outstanding before the issuance of such additional shares, or (c) if the issuance would result in a change in control of the Company.

The increase in authorized but unissued shares of Common Stock is designed to enable the Company to issue stock dividends, grant stock options or other equity-based compensation under the Company's 2001 Master Stock Incentive Plan or other stockholder-approved plan of the Company, to consider potential acquisitions and to use for general corporate purposes. The Company has no present intention to use the additional shares for any purpose other than these

Edgar Filing: DONALDSON CO INC - Form PRE 14A

routine corporate purposes.

The increase in the authorized but unissued shares of Common Stock, however, could make a change in control of the Company more difficult to achieve. Under certain circumstances, such shares of Common Stock could be used to create voting impediments to frustrate persons seeking to effect a takeover or otherwise gain control of the Company.

The Company's Certificate of Incorporation currently requires the affirmative vote of at least 75% of the outstanding shares to be voted in order to approve certain business combinations involving the Company and an interested stockholder of the Company. Although the Board of Directors presently has no intention of doing so, shares of authorized but unissued Common Stock could be issued to a holder who would thereby have sufficient voting power to assure that any such business combination or amendment to the Restated Certificate of Incorporation would not receive the 75% stockholder vote required for approval thereof. In addition, to the extent that the adoption of the proposed amendment renders less likely a merger or other transaction that is not negotiated with and approved by the Company's incumbent Board of Directors, such adoption may result in the Board of Directors and management retaining their current positions.

BOARD RECOMMENDATION

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSAL TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK. The affirmative vote of a majority of the outstanding shares of the Company's Common Stock is necessary to approve this Proposal. Proxies will be voted in favor of this Proposal unless otherwise specified.

The following graphs compare the cumulative total stockholder return on the Company's Common Stock for the last five fiscal years and fourteen fiscal years with the cumulative total return of the Standard & Poor's 500 Stock Index and the Standard & Poor's Index of Industrial Machinery Companies. The graph and table assume the investment of \$100 in each of Donaldson's common stock and the specified indexes at the beginning of the applicable period, and assume the reinvestment of all dividends. The second graph shows the total return over the Company's fourteen-year period of consecutive double-digit increases in earnings per share.

Awards are earned only if the Company achieves the minimum Performance Objectives and the Award Value will be based on a weighting of compound corporate net sales growth and after-tax return on investment over the three year period. The amounts shown in the table under the headings "Threshold", "Target" and "Maximum" are amounts awarded at 25%, 100% and 275% of the targeted award. The award may also be adjusted upward by 25% if earnings per share increase in each of the three years in the period by at least 5%.

HUMAN RESOURCES COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Human Resources Committee of the Board of Directors, consisting of five independent, non-employee directors ("the Committee"), is responsible for establishing the compensation programs for the Company's key executives. The Company's executive compensation program comprises base salary, annual incentive and long-term incentive compensation. The objectives of the Company's executive compensation program are to:

- o emphasize a pay-for-performance philosophy by placing significant portions of pay at risk and requiring outstanding results for payment at the threshold level;
- o attract, reward and retain the best executives available in our industry taking into consideration all aspects of performance and ethical leadership and have their compensation levels keyed to a peer group of companies;
- o motivate and reward executives responsible for attaining the financial and strategic objectives essential to the Company's long-term success focusing on earnings per share growth and continued growth in stockholder value; and
- o align the interests of executives with those of the Company's stockholders by providing a significant portion of compensation in the form of Company common stock. Common stock ownership objectives have been established for all executive officers ranging from five times base salary for Vice Presidents, seven times base salary for Senior Vice Presidents and ten times base salary for the Chief Executive Officer.

BASE SALARIES. Base salaries for all executives are reviewed annually based on performance and market conditions. A performance appraisal taking into consideration predetermined performance objectives is required for all executives of the Company. The Committee approves and/or determines the annual base salary increases for all senior executive officers based on performance of the executive and external market data. The Company's objective is that base salaries should approximate the mid-point (average) of senior executives of manufacturing companies of similar size in the United States. The Company uses surveys by national consultants for external market data.

ANNUAL CASH INCENTIVE. Executive officers are eligible for target awards under the annual incentive program that range up to 70% of base salary. The size of the target award is determined by the executive officer's position and competitive data for similar positions at the peer and cross-industry companies as presented in the same nationally recognized surveys as are used for the base salary. The Company sets performance goals and, in keeping with the strong performance-based philosophy, the resulting awards decrease or increase substantially if actual Company performance fails to meet or exceeds targeted levels. Payments can range from 0% to 200% of the target awards. The CEO has 100% of his annual cash incentive opportunity linked to achieving record earnings per share (EPS). The remaining Named Officers have 50% of their opportunity linked to achieving record EPS and 50% linked to achieving sales, net operating profit and return on investment targets for their respective business unit responsibilities.

Consequently, executive officers must obtain record EPS, thereby increasing shareholder value, to receive a competitive annual cash incentive.

Edgar Filing: DONALDSON CO INC - Form PRE 14A

LONG-TERM INCENTIVE STOCK COMPENSATION AWARDS AND STOCK OPTION GRANTS. There was no payout under the Long-Term Compensation Plan in 2003 as shown in the summary compensation table on page 12. There was no payout under the Plan because the Company did not achieve the performance objectives for three-year compounded growth in net sales. The variance in the Long Term Compensation Plan award payouts are consistent with the at risk and pay for performance compensation philosophy. The Long Term Compensation Plan Award targets are based on three-year compounded growth in net sales and an after-tax return on investment that exceeds the Company's weighted average cost of capital. Under this program, the Committee selected eligible executives and established an incentive opportunity as a percentage of base salary. In order for a participant to receive a payout, minimum performance must be attained.

The Committee also occasionally grants restricted stock with a fixed restriction period, usually five years, to ensure retention of key executives. The Committee also believes that stock option grants encourage the key executives to own and hold Donaldson stock and tie their long-term economic interests directly to those of the stockholders. Stock options are typically granted annually. In determining the number of shares covered by such options, the Committee takes into account position levels, base salary, and other factors relevant to

16

individual performance but does not consider the amount and terms of options and restricted stock already held by the executive.

Targets for the incentive portion of compensation are tied to financial performance in the sixtieth to sixty-fifth percentile of the peer group.

STOCK OPTION BONUS REPLACEMENT PROGRAM. To encourage stock ownership by executives, the Company adopted in fiscal 2000 a program that allows executives to elect to receive stock options under the 1991 Master Stock Compensation Plan and going forward under the 2001 Master Stock Incentive Plan in lieu of some or all of the cash compensation earned under the annual cash bonus incentive program. Currently under the program, participants receive an option to acquire \$4 of stock at market value for every \$1 of compensation exchanged. In fiscal 2003, no executives participated in the program.

STOCK OWNERSHIP. Ownership of Donaldson stock is expected of Donaldson executives. The Committee believes that linking a significant portion of the executive's current and potential net worth to the Company's success, as reflected in the stock price, gives the executive a stake similar to the stockholders. The Committee has established stock ownership guidelines for the Named Officers and certain other executive officers, which encourage retention of shares. The guidelines range from five to ten times base salary and, in addition, require officers to retain one-half of the difference between their initial target ownership and their potential ownership. The goal of the Chief Executive Officer is ten times annual base salary. Mr. Van Dyke currently exceeds this ownership goal.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER. Mr. Van Dyke's fiscal 2003 base salary and incentive award opportunity were determined by the Committee in accordance with the evaluation process and the methodology described above. The Committee considered Mr. Van Dyke's performance against pre-established objectives and met both in private and with Mr. Van Dyke in completing his performance appraisal and setting his compensation and objectives.

Edgar Filing: DONALDSON CO INC - Form PRE 14A

BASE SALARY. Mr. Van Dyke's base salary for fiscal 2003 was \$665,000, which is approximately at the market mid-point for manufacturing companies of similar size.

ANNUAL BONUS. Mr. Van Dyke's bonus award for fiscal 2003 was \$558,600. This annual bonus was earned under the annual incentive program based on earning per share growth from \$1.90 to \$2.11, up more than 11% over the previous record earned in fiscal 2002.

STOCK OPTIONS. Mr. Van Dyke received annual option grants in December 2002 of options to purchase 85,000 shares of stock.

LONG-TERM INCENTIVE PLAN PAYOUT. Mr. Van Dyke received no payout of stock under the Long-Term Incentive Plan in 2003 based on the Company's not achieving the performance objectives for three-year compounded growth in net sales.

POLICY ON QUALIFYING COMPENSATION. The Company's policy is to preserve the tax deduction for compensation paid to its Chief Executive Officer and other senior executive officers. In accordance with this policy, in November 1994, the stockholders approved the material terms of the performance goals for payment of the cash bonus under the Company's Annual Cash Bonus Plan for Designated Executives. The 1991 Master Stock Compensation Plan, now expired, and the 2001 Master Stock Incentive Plan were approved by stockholders in 1991 and 2001 respectively and limit the number of shares that can be granted in any one year to any one individual to further the policy of preserving the tax deduction for compensation paid to executives.

CONCLUSION. The executive officer compensation program administered by the Committee provides incentives to attain strong financial performance and an alignment with stockholder interests. The Committee believes that the Company's compensation program focuses the efforts of Company executives on the continued achievement of growth and profitability for the long-term and for the benefit of the Company's stockholders.

HUMAN RESOURCES COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No member of the Human Resources Committee is either a current or former employee of the Company. There are no compensation committee interlocks, which means that none of the Company's executive officers serves as a member of the compensation committee of another entity that has an executive officer serving on the Human Resources Committee of the Company's Board of Directors. Paul David Miller, the Chief Executive Officer of Alliant Techsystems, Inc., serves as a member of the Company's Board of Directors and William G. Van Dyke, the Company's Chief Executive Officer, serves on Alliant Techsystems, Inc.'s Board of Directors. Admiral Miller is not a member of the Donaldson Human Resources Committee and actions pertaining to its Chief Executive Officer's compensation

Edgar Filing: DONALDSON CO INC - Form PRE 14A

that are taken by the Human Resources Committee are not subject to approval by the Company's Board of Directors. The actions of the Personnel and Compensation Committee of Alliant Techsystems relating to its Chief Executive Officer's compensation are subject to the approval of the Alliant Techsystems Board of Directors, but Mr. Van Dyke recuses himself from those deliberations and decisions.

PENSION BENEFITS

The Company maintains the Donaldson Company, Inc. Salaried Employees' Pension Plan (the "Retirement Plan"), a defined benefit pension plan that provides retirement benefits to eligible employees through a cash balance plan structure. The Company also maintains the Donaldson Company, Inc. Excess Retirement Plan (the "Excess Retirement Plan"). The Excess Retirement Plan is an unfunded, non-qualified deferred compensation arrangement that primarily provides retirement benefits that cannot be paid under the Retirement Plan because of the limitations imposed by the Code on qualified plans in regards to compensation and benefits.

Participants in the Retirement and Excess Retirement Plans accumulate benefits in a hypothetical account balance through interest credits, and company credits that vary with age, service and pay. At retirement or termination of employment, the vested account balance is payable to the participant in the form of an immediate or deferred lump sum, or an actuarially equivalent annuity.

Under the cash balance benefit structure, account balances receive an Interest Credit annually. The Interest Credit is defined as the current plan year's Interest Crediting Rate times the account balance as of the beginning of the plan year. The Interest Crediting Rate for a particular plan year is the greater of the yield on one-year U.S. Treasury Constant Maturities during the month of June preceding the plan year, plus one percent, and 4.83%. The Interest Crediting Rate is 4.83% for the 2003 plan year.

Company Credits are credited to the account balances at the end of each plan year. The participant's Company Credit Percentages are based on the participant's years of age and service with the Company and its affiliates as of the end of each plan year. As of August 1, 2003, the sum of years of age plus service for Messrs. Van Dyke, Priadka, Cook, Schwab and Giertz were 88, 90, 72, 77 and 55, respectively. The participant's Base Company Credit is equal to the Base Company Credit Percentage times total covered compensation during the plan year ("Pensionable Earnings"). The participant's Excess Company Credit is equal to the Excess Company Credit Percentage times Pensionable Earnings in excess of the Social Security taxable wage base. The following table displays the Company Credit Percentages for the sum of years of age and service shown:

SUM OF YEARS OF AGE PLUS SERVICE	COMPANY CREDIT PERCENTAGES	
	BASE	EXCESS
Less than 40	3.0%	3.0%
40 - 49	4.0	4.0
50 - 59	5.0	5.0
60 - 69	6.5	5.0
70 or more	8.5	5.0

Special Career Credits are credited at the end of the plan year to the account balances of participants who were born prior to August 1, 1957 and continuously employed since August 1, 1992. The Special Career Credits are equal to 3.0% of the participant's Pensionable Earnings and will continue through the

Edgar Filing: DONALDSON CO INC - Form PRE 14A

end of the 2006 plan year, or if earlier, through the plan year in which the participant attains 35 years of benefit service. Messrs. Van Dyke, Priadka, Cook and Schwab are all currently eligible to receive Special Career Credits.

18

The individuals named in the Summary Compensation Table are also eligible for retirement benefits under the Donaldson Company, Inc. Supplemental Executive Retirement Plan (the "SERP"). The SERP assures participants a lump sum retirement benefit from all company funded retirement programs equal to six times their average compensation (three highest consecutive years) upon reaching age 62 with 20 years of service. This target benefit is reduced by 2% for each year the participant's retirement precedes age 62, and it is also reduced on a prorated basis for less than 20 years of service. In determining whether the SERP must supplement the other company funded retirement programs, the Company will consider the lump sum benefits described in the previous paragraph and footnote (5) to the Summary Compensation Table, as well as, any vested pension benefits available from prior employers, if any.

The projections below set forth the estimated annual benefit payable to each of the individuals named in the Summary Compensation Table as a single life annuity, beginning at age 65, under the Retirement and Excess Retirement Plans: Mr. Van Dyke, \$496,358; Mr. Priadka, \$182,533; Mr. Cook, \$231,661; Mr. Schwab, \$159,110; and Mr. Giertz, \$177,651. No additional benefits are expected to be required from the SERP for any of these participants. These projections are based on the following assumptions: (1) employment until age 65; (2) no future increase in pensionable earnings; (3) interest credits at the actual rate of 4.83% during the 2003 plan year, and thereafter; and (4) conversion to a single life annuity at normal retirement age based on a discount rate of 6.00% and the Unisex 1983 Group Annuity Mortality Table.

COMPLIANCE WITH SECTION 16(A) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers to file initial reports of ownership and reports of changes in ownership with the SEC and the New York Stock Exchange. To the Company's knowledge, based on a review of copies of such forms and representations furnished to the Company during fiscal 2003, all Section 16(a) filing requirements applicable to the Company's directors and executive officers were satisfied, except for two late form 4 filings for each of Nickolas Priadka, William Cook, Lowell Schwab, Jim Giertz and Norman Linnell and three late filings for William Van Dyke and Thomas Windfeldt. Each of the late filings was for the acquisition of shares through a matching contribution of shares by the Company under its employee benefit plans; Also a late filing for Mr. Schwab for a March 11, 2002 gift of 600 shares.

CHANGE-IN-CONTROL ARRANGEMENTS

Each of the Named Officers has a severance agreement with the Company designed to retain the executive and provide for continuity of management in the event of an actual or threatened change of control in the Company (as defined in the agreements). The agreements provide that in the event of a change of control, each key employee would have specific rights and receive certain benefits if, within three years after a change in control, the employee is terminated without cause or the employee terminates voluntarily under "constructive involuntary" circumstances as defined in the agreement. In such circumstance the employee will receive a severance payment equal to three times the employee's annual average compensation calculated over the five years

Edgar Filing: DONALDSON CO INC - Form PRE 14A

preceding such termination as well as continued health, disability and life insurance for three years after termination. The awards issued under the stock compensation plans, the supplementary retirement benefit plan and the deferred compensation plan also provide for immediate vesting or payment in the event of termination under circumstances of a change in control.
