Item 5. Other Events.

On March 19, 2003, Universal Stainless & Alloy Products, Inc. (the "Company"), announced that it was revising its earnings estimate for the first quarter ending March 31, 2003. The Company also held a conference call on March 19, 2003 to discuss the revisions to its estimate. During the conference call, management was asked to comment on the estimated level of sales necessary to achieve break-even operating income levels based on the current mix of shipments and sales prices. The Company believes quarterly sales approximating \$20 million are required for the Company to break-even based on the assumptions described above.

The press release, dated March 19, 2003, issued by the Company with respect to this matter is attached hereto as Exhibit 99.1 and is hereby incorporated herein by reference in its entirety.
