("Venholdings") to vote all shares and ADRs of the Issuer held by Venholdings in accordance

with certain provisions set forth in the Stock Purchase Agreement. No consideration was paid to Verizon in connection with the execution of the Stock Purchase Agreement.

It is currently anticipated that the consideration to be paid to Verizon upon consummation of the Acquisition (as defined in Item 4) (US\$ 676,568,000 in the aggregate, which represents the equivalent of \$3.0149 per CANTV share or \$21.1041 per ADS (taking into account the number of Class D Shares represented by each ADS)), and the consideration to be paid by the JV upon settlement of the Offers (as defined in Item 4), will be funded 50% from Telmex and 50% from América Móvil.

Each of Telmex and América Móvil are considering various sources of funding for the acquisition of Venholdings and the shares of the Issuer (including the ADSs) tendered in (and not duly withdrawn from) the Offers, upon consummation of the Offers.

The 2,700,000 ADSs held by Inmobiliaria were acquired in open market transactions during August and September of 2005 for total consideration of approximately \$36.6 million (excluding brokerage fees), funded from working capital.

Item 4. Purpose of the Transaction.

(a)-(b) A copy of the press release announcing the execution of the Stock Purchase Agreement is included as Exhibit 99.1 hereto, which is incorporated herein by reference. The Stock Purchase Agreement is included as Exhibit 99.2 hereto and is incorporated herein by reference. Any description of the Stock Purchase Agreement contained herein is qualified in its entirety by reference to Exhibit 99.2.

On April 2, 2006, the Verizon Subsidiaries and the JV entered into the Stock Purchase Agreement pursuant to which the JV, subject to the terms and conditions described therein, agreed:

(i) to purchase 100% of the capital stock (the Acquisition) of Venholdings, which holds 4,001,311 ADSs (representing 28,009,177 Class D Shares) and 196,401,427 Class A Shares, nominal value Bs. 36.90182224915 per share (the Class A Shares) of the Issuer. The ADSs and Class A Shares of the Issuer held by Venholdings represent in the aggregate approximately 28.5% of the issued and outstanding equity share capital of the Issuer (the percentage of shares owned being based upon 787,140,849 shares outstanding as of September 30, 2005 as set forth in the Issuer's Form 6-K filed with the United States Securities Exchange Commission (the 6-K) on November 15, 2005); and

(ii) within ten business days after the closing of the Acquisition, to commence, concurrently (A) a tender offer in Venezuela to acquire any and all of the other outstanding shares of the Issuer at the same price per CANTV share paid in the Acquisition, and (B) a tender offer in the United States to acquire any and all of the other outstanding ADSs at the same price per ADS paid in the Acquisition (each individually, an Offer, and collectively, the Offers).

The obligations of the Verizon Subsidiaries and the JV to consummate the Acquisition and the Offers are subject to satisfaction of certain conditions set forth in the Stock Purchase Agreement, including the receipt of certain regulatory and other approvals, opinions, clearances and relief required and/or requested pursuant to Venezuelan and U.S. law.

The purpose of the Stock Purchase Agreement is to acquire Verizon's indirect equity interest in CANTV through the Acquisition. The purpose of the Offers is to comply with a Venezuelan legal requirement that any person intending to acquire control of 10% or more of the capital stock of a Venezuelan public company must extend the same offer to all shareholders of the company. Accordingly, if the Acquisition is consummated, the JV will be required to make the Offers to acquire any and all of the other outstanding shares of the Issuer at the same per share price and any and all of the other outstanding ADSs at the same price per ADS.

As part of the terms of the Stock Purchase Agreement, and in order to induce the JV to enter into the Stock Purchase Agreement, the Verizon Subsidiaries agreed, among other things, from the date of the Stock Purchase Agreement until the earlier of the termination of the Stock Purchase Agreement and the consummation of the Acquisition, to (A) cause Venholdings to exercise all voting rights with respect to the ADSs and Class A Shares it holds (which represent in the aggregate approximately 28.5% of the issued and outstanding equity share capital of the Issuer based upon 787,140,849 shares outstanding as of September 30, 2005, as set forth in the 6-K) to vote against, subject to certain exceptions, the Issuer taking any of a number of enumerated actions, including: (1) adjusting, splitting, combining, recapitalizing or reclassifying its capital stock, (2) paying or approving dividends, (3) redeeming any shares of its capital stock, (4) granting any options to acquire its capital stock, (5) issuing any of its capital stock, (6) entering into any voting agreements with respect to its capital stock, (7) selling or otherwise disposing of a material amount of its assets or property, (8) making or proposing any change in its *estatutos*, (9) reducing its paid-in capital, (10) incurring any material debt or guaranteeing any material obligations, (11) merging or consolidating with any other person, (12) increasing benefits to its employees in the aggregate in a material respect or (13) making certain changes with respect to tax matters; and (B) not dispose of the ADSs and Class A Shares that Venholdings holds.

(c) Not applicable.

(d) Also pursuant to the Stock Purchase Agreement, the Verizon Subsidiaries have agreed that, as a condition to the Acquisition, the Verizon Subsidiaries shall cause each member of the Board of Directors of the Issuer (other than the Chairman of the Board) or alternate, who also is an employee of Verizon or a subsidiary of Verizon, to irrevocably tender his resignation to the Issuer, to take effect upon shareholder approval as required by Venezuelan law. In addition, the JV has agreed to vote or cause Venholdings to vote the Issuer securities beneficially owned by it after the closing of the Acquisition in favor of the resignation of the individuals described in the previous sentence.

Following the Acquisition, the JV may seek board representation on the Board of Directors of the Issuer, subject to applicable Venezuelan legal requirements. If the JV acquires a number of CANTV shares and ADSs in the Offers that, together with the CANTV shares and ADSs acquired in the Acquisition or already held by Inmobiliaria (as reported herein), represent more

than 50% of the outstanding capital stock of CANTV, the Reporting Persons believe that they will have the ability to appoint a majority of the members of the Board of Directors of CANTV.

(e) Not applicable.

(f) As shareholders of CANTV, Telmex and América Móvil (via the JV) intend to be supportive of actions that maintain the high standards of products and services currently provided by CANTV. If the JV acquires sufficient CANTV shares and ADSs pursuant to the Offers to allow the JV to appoint a majority of the members of the board of directors of CANTV, Telmex and América Móvil (via the JV) intend to undertake a review of the business and operations of CANTV to determine the best means of maintaining the high standards of products and services currently provided by CANTV. In such a case, Telmex and América Móvil (via the JV) intend to capitalize on the experience of Telmex and América Móvil and explore potential synergies of CANTV with Telmex and América Móvil (including economies of scale) to further enhance the operations of CANTV for the benefit of CANTV, its shareholders and its customers. In particular, Telmex and America Movil would consider expanding the current coverage of Movilnet wireless service within Venezuela, increasing the coverage, availability and new functionality of CANTV's broadband services, as well as introducing additional data transmission services and products allowing convergence of wireline/broadband/wireless services as technology advances.

(g) Not applicable.

(h)-(i) The JV expects that CANTV would maintain the listing of ADSs on the New York Stock Exchange and registration under the Exchange Act. However, it is possible that, due to decreases in trading volume and the number of ADS holders following the purchase of ADSs pursuant to the Offer in the United States, the ADSs will no longer meet the continued listing requirements of the New York Stock Exchange. In the event that the ADSs fail to meet the continued listing requirements, CANTV or the New York Stock Exchange may choose, at its discretion, to delist the ADSs. In the event that the ADSs are delisted, CANTV may elect to deregister the ADSs (and the Class D Shares) if there are fewer than 300 record holders of the ADSs resident in the United States. Termination of the registration of the ADSs (and Class D Shares) under the Exchange Act would substantially reduce the information required to be furnished by CANTV to holders of ADSs and to the SEC.

(j) Not applicable.

Except as set forth in this statement or the exhibits hereto, none of the Reporting Persons currently has any other plans or proposals that relate to or that would result in any of the actions or transactions described in paragraphs (a) through (j) of Item 4 of the instructions to Schedule 13D. However, the Reporting Persons reserve the right to formulate such plans or proposals regarding the Issuer, and to carry out any of the actions or transactions described in paragraphs (a) through (j) of Item 4 of the instructions to Schedule 13D, to the extent deemed advisable by the Reporting Persons.

Item 5. Interest in Securities of the Issuer.

(a)-(b) (1) *CGT, Telmex, América Telecom and América Móvil.* Each of CGT, Telmex, América Telecom and América Móvil may, as a result of the terms of the Stock Purchase Agreement described in Item 4(a)-(b) above, be deemed to beneficially own the 4,001,311 ADSs that are held by Venholdings, which represent 28,009,177 Class D Shares in the aggregate (as each ADS represents seven Class D Shares), which is approximately 6.5% of the issued and outstanding Class D Shares of the Issuer (the percentage of Class D Shares owned being based upon 430,825,000 Class D Shares outstanding as of September 30, 2005, as set forth in the 6-K). Each of the CGT, Telmex, América Telecom, and América Móvil may be deemed to have shared power to vote or to direct the vote of the ADSs that are held by Venholdings.

(2) *Inmobiliaria.* Inmobiliaria directly holds 2,700,000 ADSs, which represent 18,900,000 Class D Shares in the aggregate (as each ADS represents seven Class D Shares), which is approximately 4.4% of the issued and outstanding Class D Shares of the Issuer (the percentage of Class D Shares owned being based upon 430,825,000 Class D Shares outstanding as of September 30, 2005, as set forth in the 6-K). Inmobiliaria has shared power to vote and dispose of the ADSs held by it.

(3) *The Slim Family.* The Slim Family, as a result of the Stock Purchase Agreement and the ADSs owned by Inmobiliaria, may be deemed to beneficially own 6,701,311 ADSs, which represent 46,909,177 Class D Shares in the aggregate (as each ADS represents seven Class D Shares), which is approximately 10.9% of the issued and outstanding Class D Shares of the Issuer (the percentage of Class D Shares owned being based upon 430,825,000 Class D Shares outstanding as of September 30, 2005, as set forth in the 6-K). The Slim Family may be deemed to have shared power to vote and dispose of the ADSs that are held by Inmobiliaria and shared power to vote the ADSs that are held by Venholdings.

Except as described in this Schedule 13D, none of the Slim Family, CGT, Telmex, América Telecom or América Móvil (i) are entitled to any rights as a stockholder of the Issuer as to the CANTV shares and ADSs that are subject to the Stock Purchase Agreement or (ii) have any right to dispose or direct the disposition of the CANTV shares and ADSs that are subject to the Stock Purchase Agreement.

Pursuant to Rule 13d-4 under the Act, each Reporting Person hereby states that this Schedule 13D shall not be deemed an admission that such Reporting Person is, for purposes of Section 13(d) of the Act, the beneficial owner of any of CANTV shares or ADSs that are subject to the Stock Purchase Agreement, and each Reporting Person hereby expressly disclaims beneficial ownership of such CANTV shares and ADSs.

(c) Except as described in this Schedule 13D, no shares of the Issuer are beneficially owned, and there have been no transactions in the shares of the Issuer during the past 60 days, in each case (i) by any Reporting Person, (ii) to the knowledge of the Slim Family, CGT and Telmex, by the directors and executive officers of CGT and Telmex listed on Schedule I, (iii) to the knowledge of the Slim Family, América Telecom and América Móvil, by the directors and executive officers of América Telecom and América Móvil listed on Schedule I, and (iv) to the knowledge of the Slim Family and Inmobiliaria, by the directors and executive officers of Inmobiliaria listed on Schedule I.

(d) Not applicable.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The information set forth under Items 3, 4, and 5 and in Exhibits 99.1 and 99.2 attached hereto is incorporated herein by reference. The management of the JV is governed by an agreement between Sercotel, S.A. de C.V., a wholly-owned subsidiary of América Móvil, and Controladora de Servicios de Telecomunicaciones, S.A. de C.V., a wholly-owned subsidiary of Telmex (the JV Shareholders Agreement), which requires, *inter alia*, a majority vote of the board of managing directors of the JV in order to cause the JV to exercise its rights under the Stock Purchase Agreement and, upon consummation of the Acquisition, and the Offers thereafter, to direct the disposition and voting of any shares of the Issuer (including ADRs) held directly by the JV or by Venholdings. The JV Shareholders Agreement is included as Exhibit 99.3 hereto and is incorporated herein by reference. Any description of the JV Shareholders Agreement contained herein is qualified in its entirety by reference to Exhibit 99.3.

To the knowledge of the Reporting Persons there are no other contracts, arrangements, understandings or relationships (legal or otherwise) among the Reporting Persons or between the Reporting Persons and any other person with respect to any securities of the Issuer, including but not limited to transfer or voting of any of the securities of the Issuer, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, or a pledge or contingency the occurrence of which would give another person voting power or investment power over the securities of the Issuer.
