PRESS RELEASE

FOR IMMEDIATE RELEASE

Four major financial institutions reaffirm their commitment to CGI's banking and investment solutions

Toronto, Ontario, July 16, 2003 CGI Group Inc. (CGI) (TSX: GIB.A; NYSE: GIB;) today announced the signing of four multi-year contract renewals valued at a total of CDN\$48.6 million. Four major Canadian financial institutions have chosen to continue their partnership with CGI for its banking solutions which include MPower, StarBase, Starquote PRO and CORE. These solutions will be used by clients Canada-wide, supporting their institutional and investor services for their wealth management businesses.

Michael Roach, president and chief operating officer of CGI said: We are very pleased to be renewing our ties with these clients. Our solutions provide robust investment and market data platforms, which are complimented with strong service delivery teams committed to our clients. At CGI we are well aware of the importance of delivering quality services on time and work with our clients to better equip them with the tools needed to excel and win in their marketplace.

Supplying over 18,000 desktops with over 50 million market news items and quotes per day, CGI is one of Canada's largest news & information disseminators to the retail and institutional financial services industry providing solutions to 70% of the IDA (Investment Dealers Association) member firms. CGI's technology also manages over 9 million fund accounts conducting 50 million transactions annually. IT solutions and services are provided to over 300 financial institutions, switching services through some 20,000 point of sale devices including over 1,200 automatic banking machines.

Since 1985, **MPower** has been CGI's flagship multi-currency portfolio management solution used daily by wealth management professionals which integrates complete order management processing including trading, modeling, compliance and performance measurement with a comprehensive back office including real-time general ledger capabilities.

StarBase, offered on an Application Service Provider (ASP) basis, provides a complete solution of investment funds record keeping, customer support and business recovery services within a single, cost-effective business solution.

Starquote PRO is a customizable interface, operating in a Windows Active-X desktop that hosts multiple information windows to form a comprehensive profile of the financial markets. The solution allows for the integration of Real-time Quotes, Dynamic MarketBooks, News and TrendAlerts on one screen, providing a powerful analytical application. Starquote PRO can be delivered over CGI's dedicated, customer owned or Internet networks.

The **CORE** Wealth Management Solution is a state of the art record keeping system for banking-based wealth management firms. CORE provides a customer centric view of all holdings, support for all investment plan types such as RRIF, RRSP and RESP, as well as industry leading fixed term product (GIC) manufacturing, issuing and administration.
