**FOR IMMEDIATE RELEASE**

## **Everlink Services acquires CGI's electronic switching assets**

**Calgary, Alberta and Montreal, Quebec, October 26, 2005** Everlink Payment Services Inc. (Everlink Services), a leading Canadian electronic transaction switching service provider, and CGI Group Inc. (CGI) (TSX: GIB.SV.A; NYSE: GIB), among the largest independent information technology and business process services firms in the world, today announced that they have signed an asset purchase agreement under which Everlink Services will acquire CGI's electronic switching assets for CDN\$28 million. The transaction is expected to close by the end of the year; the closing is conditional upon certain usual conditions.

Everlink is acquiring CGI's electronic switching IP, which includes the Relay and CyberGateway switching solutions. As part of the transaction, 39 CGI professionals will join Everlink Services. CGI will continue to service credit unions providing banking services through its credit union banking group.

This acquisition will help us grow our presence as the dominant switching provider in Canada, said Michael Feliciano, president of Everlink Services. We are excited about the new team of professionals joining Everlink as we continue to expand and meet the needs of organizations of all sizes by providing reliable, high-performance authorization, switching and payment processing solutions.

CGI president and COO, Michael Roach said: As part of our ongoing business practice, we are continually assessing our operations to ensure that we are in line with our strategy in each of our markets. With respect to our electronic switching assets, we came to the conclusion that the interests of our clients and professionals are best served through our decision to divest and align these services with Everlink Services.

### **About Everlink**

Everlink Payment Services Inc. is a leading Canadian electronic transaction switching provider that specializes in gateway transaction switching, ATM driving and monitoring, and debit card processing.
