During the quarter, the Company booked \$1.01 billion in new contract wins, extensions and renewals, resulting in a book-to-bill of 104% in the quarter. After nine months of fiscal 2008, the Company has reached booking levels of more than \$3.2 billion, equivalent to the total bookings realized in fiscal 2007. Backlog at the end of Q3 stood at \$12.03 billion or 3.1 times annual revenue.

“Our focus on fundamentals and on the execution of our profitable growth business plan continues to yield positive results for all stakeholders,” said Michael E. Roach, President and Chief Executive Officer. “We are in pursuit of numerous opportunities in our targeted geographies and verticals which will contribute to profitable growth and the global expansion of CGI.”

The Company continues to enhance its financial flexibility by investing in its Build and Buy profitable growth strategy, share buy backs and debt reduction. As part of its Normal Course Issuer Bid, the Company repurchased for cancellation 9.0 million subordinate class A shares during the third quarter for a total investment of \$97.8 million. After nine months, more than 16.7 million shares have been repurchased and cancelled representing an investment of \$181.6 million.

In addition, long-term debt decreased by \$11.5 million during the quarter. At the end of June 2008, net debt was reduced to \$369.9 million, improving the Company’s net debt to capitalization ratio to 15.6%.

Subsequent Event

On July 21, 2008, the Company announced the divestiture of a Canadian business process unit providing claims adjustment and risk management services to the Canadian property and casualty (P&C) insurance industry. With approximately \$70 million in annual revenue, the transaction is expected to close in early August 2008.

This business unit had been reclassified as discontinued operations, and the Company’s results include a net impairment of \$3.0 million taken during the quarter, bringing diluted EPS on a GAAP-basis to 24 cents. The results of this operation have been removed from both the Q3-2008 results as well as CGI’s historical figures in order to accurately reflect the comparative performance of our continuing operations.
