ANNUAL MEETING OF STOCKHOLDERS
APRIL 13, 2007**

This combined proxy statement is being sent to you by the Boards of Directors of each of **Tortoise Energy Infrastructure Corporation, Tortoise Energy Capital Corporation and Tortoise North American Energy Corporation** (each a Company and collectively, the Companies). The Board of Directors of each Company is asking you to complete and return the enclosed proxy, permitting your shares of the Company to be voted at the annual meeting of stockholders called to be held on April 13, 2007. The Board of Directors of each Company has fixed the close of business on January 16, 2007 as the record date (the record date) for the determination of stockholders entitled to notice of and to vote at the meeting and at any adjournment thereof as set forth in this combined proxy statement. This combined proxy statement and the enclosed proxy and the applicable Company's Annual Report for the fiscal year ended November 30, 2006 are first being mailed to stockholders on or about January 26, 2007.

Each Company's reports can be accessed through its link on its investment advisor's website (www.tortoiseadvisors.com) or on the Securities and Exchange Commission's (SEC) website (www.sec.gov).

1

This combined proxy statement sets forth the information that each Company's stockholders should know in order to evaluate each of the following proposals. The following table presents a summary of the proposals for each Company and the class of stockholders of the Company being solicited with respect to each proposal.

Proposal (For Each Company)	Class of Stockholders of Each Company Entitled to Vote
1. To elect the following individuals as directors for a term of three years: H. Kevin Birzer John R. Graham	Common Stockholders and Preferred Stockholders, voting as a single class Preferred Stockholders, voting as a class
2. To grant the Company the authority to sell its common shares for less than net asset value, subject to certain conditions	Common Stockholders and Preferred Stockholders, voting as a single class
3. To ratify the selection of Ernst & Young LLP as the independent registered public accounting firm of the Company for the fiscal year ending November 30, 2007	Common Stockholders and Preferred Stockholders, voting as a single class

PROPOSAL ONE ELECTION OF TWO DIRECTORS

The Board of Directors of each Company unanimously nominated H. Kevin Birzer and John R. Graham, following a recommendation by the Nominating and Governance Committee of each Company, for election as directors at the combined annual meeting of stockholders of the Companies. Each of these nominees is currently a director of each of the Companies, has consented to be named in this proxy statement and has agreed to serve if elected. None of the Companies has any reason to believe that either Mr. Birzer or Mr. Graham will be unavailable to serve.

The persons named on the accompanying proxy card intend to vote at the meeting (unless otherwise directed) **FOR** the election of Messrs. Birzer and Graham as directors of each Company. Currently, each Company has five directors. In accordance with each Company's Articles of Incorporation, its Board of Directors is divided into three classes of approximately equal size. The terms of the directors of the different classes are staggered. With respect to each Company's Board of Directors, the term of Conrad S. Ciccotello expires on the date of the 2008 annual meeting of stockholders of that Company, and the terms of Terry C. Matlack and Charles E. Heath expire at the 2009 annual meeting of stockholders of that Company. If Mr. Birzer and Mr. Graham are elected at the 2007 annual meeting, their terms as directors of each Company will expire on the date of the 2010 annual meeting of stockholders of that Company. Pursuant to the terms of each Company's preferred shares, the preferred stockholders of that Company have the exclusive right to elect two directors to the Company's Board. The Board of each Company has designated Mr. Matlack and Mr. Graham as the directors the preferred stockholders of that Company shall have the right to elect. On this proposal, each Company's holders of preferred shares will have the exclusive right, voting as a class, to vote on the election of Mr. Graham as director of that Company, and each Company's holders of preferred shares and common shares will vote together as a single class on the election of Mr. Birzer as director of that Company. Stockholders do not have cumulative voting rights.

2

With respect to each Company, if elected, Mr. Birzer and Mr. Graham will hold office until the 2010 annual meeting of stockholders of the Company and until their successors are duly elected and qualified. If either Mr. Birzer or Mr. Graham is unable to serve because of an event not now anticipated, the persons named as proxies may vote for one or more other persons designated by the Company's Board of Directors.

The following table sets forth each Board member's name, age and address; position(s) with the Companies and length of time served; principal occupation during the past five years; the number of portfolios in the Fund Complex that each Board member oversees; and other public company directorships held by each Board member. The Investment Company Act of 1940, as amended (the "1940 Act"), requires the term "Fund Complex" to be defined to only include registered investment companies advised by the Company's investment advisor, Tortoise Capital Advisors, L.L.C. (the "Advisor"), and, as a result, as of January 22, 2007 the Fund Complex included Tortoise Energy Infrastructure Corporation ("TYG"), Tortoise Energy Capital Corporation ("TYY"), Tortoise North American Energy Corporation ("TYN"). It is important to note that the Advisor also is the investment advisor to Tortoise Capital Resources Corporation ("TTO"), a fund which intends to elect to become a business development company in the first half of 2007.

Committees of the Board of Directors. Each Company's Board of Directors currently has four standing committees: the Executive Committee, the Audit Committee, the Nominating and Governance Committee and the Compliance Committee. Currently, all of the non-interested directors, Messrs. Ciccotello, Graham and Heath, are the only members of each Company's Audit Committee, Nominating and Governance Committee and Compliance Committee. Each Company's Executive Committee currently consists of Mr. Birzer and Mr. Matlack.

Executive Committee. Each Company's Executive Committee has authority to exercise the powers of the Board (i) where assembling the full Board in a timely manner is impracticable, (ii) to address emergency matters, or (iii) to address matters of an administrative or ministerial nature. Messrs. Birzer and Matlack are interested persons of each Company as defined by Section 2(a)(19) of the 1940 Act.

Audit Committee. Each Company's Audit Committee was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act), and operates under a written charter adopted and approved by the Board, a current copy of which is available at the Company's link on the Advisor's website (www.tortoiseadvisors.com). The Audit Committee approves and recommends to the Board the election, retention or termination of the independent registered public accounting firm (auditors); approves services to be rendered by the auditors; monitors the auditors' performance; reviews the results of the Company's audit; determines whether to recommend to the Board that the Company's audited financial statements be included in the Company's Annual Report; and responds to other matters as outlined in the Audit Committee Charter. Each Audit Committee member is independent as defined under the applicable New York Stock Exchange listing standards, and none are interested persons of the Company as defined in the 1940 Act.

Nominating and Governance Committee. Each Nominating and Governance Committee member is independent as defined under the New York Stock Exchange listing standards, and none are interested persons of the Company as defined in the 1940 Act. Each Company's Nominating and Governance Committee operates under a written charter adopted and approved by the Board, a current copy of which is available at the Company's link on the Advisor's website (www.tortoiseadvisors.com). Governance Committee: (i) identifies individuals qualified to become Board members and recommends to the Board the director nominees for the next annual meeting of stockholders and to fill any vacancies; (ii) monitors the structure and membership of Board committees and recommends to the Board director nominees for each committee; (iii) reviews issues and developments related to corporate governance issues and develops and recommends to the Board corporate governance guidelines and procedures, to the extent necessary or desirable; (iv) has the sole authority to retain and terminate any search firm used to identify director candidates and to approve the search firm's fees and other retention terms, though it has yet to exercise such authority; and (v) may not delegate its authority. The Nominating and Governance Committee will consider stockholder recommendations for nominees for membership to the Board so long as such recommendations are made in accordance with the Company's Bylaws. Nominees recommended by stockholders in compliance with the Bylaws of the Company will be evaluated on the same basis as other nominees considered by the Nominating and Governance Committee. Stockholders should see "Stockholder Proposals and Nominations for the 2008 Annual Meeting" below for information relating to the submission by stockholders of nominees and matters for consideration at a meeting of the Company's stockholders. Each Company's Bylaws require all directors and nominees for directors (1) to be at least 21 years of age and have substantial expertise, experience or relationships relevant to the business of the Company and (2) to have a master's degree in economics, finance, business administration or accounting, to have a graduate professional degree in law from an accredited university or college in the United States or the equivalent degree from an equivalent institution of higher learning in another country, to have a certification as a public accountant in the United States, to be deemed an audit committee financial expert as such term is defined in item 401 of Regulation S-K as promulgated by the SEC, or to be a current director of the Company. Each committee member is independent as defined under the New York Stock Exchange listing standards, and none are interested persons of the Company as defined in the 1940 Act. Each Company's Compliance Committee operates under a written charter adopted and approved by the Board. The committee reviews and assesses management's compliance with applicable securities laws, rules and regulations; monitors compliance with the Company's Code of Ethics; and handles other matters as the Board or committee chair deems appropriate.

None of the Companies currently has a standing compensation committee. None of the Companies have any employees and the New York Stock Exchange does not require boards of directors of registered closed-end funds to have a standing compensation committee.

The following table shows the number of Board and committee meetings held during the fiscal year ended November 30, 2006 for each Company:

	<u>TYG</u>	<u>TYT</u>	<u>TYN</u>
Board of Directors	11	10	11
Executive Committee	1	1	2
Audit Committee	2	2	2
Nominating and Governance Committee	1	1	1
Compliance Committee	1	1	1

During the 2006 fiscal year, for each Company, all directors attended at least 75% of the aggregate of (1) the total number of meetings of the Board and (2) the total number of meetings held by all committees of the Board on which they served. None of the Companies has a policy with respect to Board member attendance at annual meetings. All of the directors of each Company attended the Company's 2006 annual meeting.

Director and Officer Compensation. None of the Companies compensates any of its directors who are interested persons nor any of its officers. The following table sets forth certain information with respect to the compensation paid by each Company and the Fund Complex during fiscal 2006 to each of the current directors for their services as a director. None of the Companies has any retirement or pension plans.

Required Vote. With respect to each Company, Mr. Birzer will be elected by the vote of a plurality of all common and preferred shares of the Company present at the meeting, in person or by proxy, and Mr. Graham will be elected by the vote of a plurality of all preferred shares of the Company present at the meeting, in person or by proxy. When there are two vacancies for director, as is the case for each Company, a vote by plurality means the two nominees for each Company with the highest number of affirmative votes, regardless of the votes withheld for those candidates, will be elected. Therefore, with respect to each Company, withheld votes and broker non-votes, if any, will not be counted towards a nominee's achievement of a plurality. With respect to each Company, each common share and each preferred share is entitled to one vote in the election of Mr. Birzer, and each preferred share is entitled to one vote in the election of Mr. Graham.

BOARD RECOMMENDATION

THE BOARD OF DIRECTORS OF EACH COMPANY UNANIMOUSLY RECOMMENDS THAT THE COMMON AND PREFERRED STOCKHOLDERS OF THAT COMPANY VOTE FOR MR. BIRZER AS DIRECTOR AND THAT THE PREFERRED STOCKHOLDERS OF THE COMPANY VOTE FOR MR. GRAHAM AS A DIRECTOR.

PROPOSAL TWO APPROVAL TO SELL COMMON SHARES BELOW NET ASSET VALUE

Under the 1940 Act, each Company may sell common shares in subsequent offerings and invest the proceeds from such subsequent public offerings in accordance with its investment objectives, so long as the net sale price to the Company (after deduction of underwriting fees, commissions and offering expenses) is at least equal to the net asset value per share (the NAV) of its common shares. Additionally, the 1940 Act permits each Company to sell its common shares below NAV with the consent of a majority of its common stockholders or under certain other circumstances. Each Company is seeking approval of this proposal so that it may, in one or more public or private offerings of its common stock, sell shares of its common stock at a price below its then current NAV per share, subject to certain conditions discussed below. If approved for a Company, the authorization would be effective for a period expiring on the date of the Company's 2008 Annual Meeting of Stockholders, which is expected to be held in April 2008.

The Board of Directors of each Company believes that the Company having the ability to issue its common shares below NAV in certain instances will benefit all of the Company's stockholders. Each Company expects that it will be periodically presented with attractive opportunities to acquire securities of United States master limited partnerships (MLPs) (or, with respect to TYN, Canadian royalty trusts or income trusts) that require the Company to make its

investment commitment quickly. Because each Company generally attempts to remain fully invested and does not intend to maintain cash for the purpose of making these investments, the Company may be unable to capitalize on investment opportunities presented to it unless it quickly raises capital. The market value of each Company's common shares, however, may periodically fall below its NAV, which is not uncommon for closed-end funds such as the Companies. If this happens, absent the approval of this proposal, the Company will not be able to effectively access capital markets to enable it to take advantage of attractive investment opportunities. The Board of Directors of each Company has approved submitting this proposal to the Company's stockholders for their approval.

The following table sets forth a comparison as of the last day of each Company's fiscal quarter each Company's NAV per share and the comparable closing price of the Company's common stock, as reported on the New York Stock Exchange.

Approval of this proposal for a Company would give the Company the opportunity to raise cash and purchase attractively priced securities even if the net sale price to the Company of its common shares is below NAV. None of the Companies anticipates selling common shares below NAV unless the Company has identified attractive near term investment opportunities that the directors, including a majority of disinterested directors, as defined in the 1940 Act, reasonably believe will lead to a long-term increase in stockholder distributions. The boards of each Company will evaluate whether the sale of common shares below NAV achieved the intended results. Further, to the extent a Company issues common shares below NAV in a publicly registered transaction, the market capitalization and number of publicly tradable shares of the Company will increase, thus affording all common stockholders greater liquidity. To the extent a Company issues shares below NAV in a private transaction, the per share price will be the fair market value as determined by the Company's Board of Directors.

Upon stockholder approval, a Company will only sell common shares below NAV if all of the following conditions are met:

1. The per share offering price, before deduction of underwriting fees, commissions and offering expenses, will not be less than the NAV per share of the Company's common stock, as determined at any time within two business days prior to the pricing of the common stock to be sold in the offering.
2. Immediately following each offering, after deducting offering expenses and underwriting fees and commissions, the NAV per share of the Company's common stock, as determined at any time within two business days prior to the pricing of the common stock to be sold, would not have been diluted by greater than a total of 1% of the NAV per share of all outstanding common stock as a result of such offering. The Company will not be subject to a maximum

number of shares that can be sold, a defined minimum sales price per share in any offering, or a maximum number of offerings it can make so long as for each offering the number of shares offered and the price at which such shares are sold together would not result in dilution of the NAV per share of the Company's common stock in excess of the 1% limitation described above.

3. A majority of the Company's independent directors makes a determination, based on information and a recommendation from the Advisor, that they reasonably expect that the investment(s) to be made with the net proceeds of such issuance will lead to a long-term increase in distribution growth.

As discussed below under the caption "More Information About the Meeting" Investment Advisory Agreement, with respect to each Company, the Advisor is paid a fee based upon the Company's average monthly Managed Assets (as defined below). Therefore, the Advisor's interest in determining whether to recommend that a Company issue common shares below NAV may conflict with the interests of the Company and its stockholders. The Advisor is controlled directly or indirectly by officers and the two interested directors of each Company, among others. For that reason, any issuance of shares at a price below NAV must be approved by a majority of the disinterested directors.

Before voting on this proposal or giving proxies with regard to this matter, common stockholders should consider the potentially dilutive effect of the issuance of shares of the Company's common stock at less than NAV per share on the NAV per outstanding share of common stock. Any sale of common stock at a price below NAV would result in an immediate dilution of the NAV per outstanding share to existing common stockholders of as much as 1%. There is a connection between common share sale price and NAV because when stock is sold at a sale price below NAV per share, the resulting increase in the number of outstanding shares is not accompanied by a proportionate increase in the net assets of the Company. Common stockholders of a Company should also consider that holders of the Company's common stock have no subscription, preferential or preemptive rights to acquire additional shares of the common stock proposed to be authorized for issuance, and thus any future issuance of common stock will dilute such stockholders' holdings of common stock as a percentage of shares outstanding to the extent stockholders do not purchase sufficient shares in the offering to maintain their percentage interest. Further, if current stockholders of a Company either do not purchase any shares in an offering conducted by the Company or do not purchase sufficient shares in the offering to maintain their percentage interest, regardless of whether such offering is above or below the then current NAV, their voting power will be diluted. Common stockholders should also consider the impact that issuances of shares of common stock below NAV have on each Company's expense ratio. In general, assuming that a fund's expenses consist of both fixed and variable costs, any time the fund issues shares the expense ratio should decrease because the fixed costs are spread over a larger amount of assets. If a Company issues shares of common stock below NAV, assuming its expenses consist of both fixed and variable costs, the Company's expense ratio will decrease; however, it will not decrease as much as it would have had the shares been issued at NAV.

Required Vote. For each Company, the proposal must be approved by both (a) the affirmative vote of a majority of all common stockholders of record, as of the record date, and (b) the affirmative vote of a majority of the votes cast, in person or by proxy, at the meeting by the holders of common stock and the holders of preferred stock, voting together as a single class. If both approvals are not obtained, the proposal will not pass.

Solely for the purpose of determining whether a majority of the number of common stockholders of record of a Company approved the proposal, the number of common shares held by any single stockholder will not be relevant. For the purpose of determining whether a majority of the number of common stockholders of record of a Company approved the proposal, abstentions and broker non-votes, if any, recorded by record owners will have the effect of a vote against the proposal.

With respect to each Company, solely for the purposes of determining whether a majority of the votes cast by the common stockholders and preferred stockholders voting together as a single class approved this proposal, each common share and each preferred share is entitled to one vote, and abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

BOARD RECOMMENDATION

THE BOARD OF DIRECTORS OF EACH COMPANY UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS OF THE COMPANY VOTE FOR THE PROPOSAL TO ALLOW THE COMPANY TO SELL ITS COMMON SHARES BELOW NET ASSET VALUE.

PROPOSAL THREE
RATIFICATION OF SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors of each Company recommends that the stockholders of the Company ratify the selection of Ernst & Young LLP (E&Y) as the independent registered certified public accountants (independent auditors), to audit the financial statements of the Company for the fiscal year ending November 30, 2007. E&Y 's selection was approved by each Company 's Audit Committee at a meeting held on January 16, 2007. Their selection also was ratified and approved by the vote, cast in person, of a majority of the directors of each Company, including a majority of the directors who are not interested persons of the Company within the meaning of the 1940 Act, and who are independent as defined in the New York Stock Exchange listing standards, at a meeting held on January 16, 2007. E&Y has audited the financial statements of each Company since prior to the Company 's commencement of business (TYG in February 2004; TYY in May 2005; and TYN in October 2005) and does not have any direct financial interest or any material indirect financial interest in any of the Companies. A representative of E&Y is expected to be available at the meeting and to have the opportunity to make a statement and respond to appropriate questions from the stockholders. Each Company 's Audit Committee meets twice each year with representatives of E&Y to discuss the scope of their engagement, review the financial statements of the Company and the results of their examination. *Required Vote.* E&Y will be ratified as a Company 's independent registered public accounting firm by the affirmative vote of a majority of the votes cast, in person or by proxy, at the meeting by the holders of common stock and the holders of preferred stock, voting together as a single class. With respect to each Company, each common share and each preferred share is entitled to one vote on this proposal. For the purposes of the vote on this proposal for each Company, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

AUDIT COMMITTEE REPORT

The Audit Committee of each Company reviews the Company 's annual financial statements with both management and the independent auditors.

The Audit Committee of each Company, in discharging its duties, has met with and has held discussions with management and the Company 's independent auditors. Each Company 's Audit Committee has reviewed and discussed the Company 's audited financial statements for the fiscal year ended November 30, 2006 with management. Management of each Company has represented to the independent auditors that the Company 's financial statements were prepared in accordance with U.S. generally accepted accounting principles.

The Audit Committee of each Company has also discussed with the independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 61 (Communications with Audit Committees). The independent auditors provided to each Company 's Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and each Company 's Audit Committee discussed with representatives of the independent auditors their firm 's independence with respect to that Company.

With respect to each Company, based on the Audit Committee 's review and discussions with management and the independent auditors, the representations of management and the reports of the independent auditors to the committee, the Audit Committee recommended that the Board include the audited financial statements in the Company 's Annual Report for filing with the SEC.

(3) For professional services rendered with respect to the audit of each Company's financial statements and the review of each Company's statutory and regulatory filings with the SEC.

(4) For professional services rendered with respect to assurance related services in connection with each Company's compliance with its rating agency guidelines.

(5) For professional services for tax compliance, tax advice and tax planning.

The Audit Committee of each Company adopted pre-approval policies and procedures (TYG on July 15, 2004; TTY on April 15, 2005; and TYN on January 19, 2005). Under these policies and procedures, the Audit Committee of each Company pre-approves (i) the selection of the Company's independent registered public accounting firm, (ii) the engagement of the independent registered public accounting firm to provide any non-audit services to the Company, (iii) the engagement of the independent registered public accounting firm to provide any non-audit services to the Advisor or any entity controlling, controlled by, or under common control with the Advisor that provides ongoing services to the Company, if the engagement relates directly to the operations and financial reporting of the Company, and (iv) the fees and other compensation to be paid to the independent registered public accounting firm. With respect to each Company, the Chairman of the Audit Committee of the Company may grant the pre-approval of any engagement of the independent registered public accounting firm for non-audit services of less than \$5,000, and such delegated pre-approvals will be presented to the full Audit Committee at its next meeting for ratification. Under certain limited circumstances, pre-approvals are not required under securities law regulations for certain non-audit services below certain *de minimus* thresholds. Since each Company's respective adoption of these policies and procedures, the Audit Committee of the Company has pre-approved all audit and non-audit services provided to the Company by E&Y. None of these services provided by E&Y were approved by the Audit Committee pursuant to the *de minimus* exception under Rule 2.01(c)(7)(i)(C) or Rule 2.01(c)(7)(ii) of Regulation S-X.

In addition, in 2006 the Advisor paid E&Y fees in the amount of \$20,500 in connection with determining the Advisor's compliance with AIMR-PPS® standards in 2005 and 2004, but did not pay E&Y any fees for non-audit services in 2005. In addition, in January 2007, the Advisor paid E&Y fees in the amount of \$10,000 for general tax consultation in 2006. These non-audit services were preapproved by each Company's audit committee. No entity controlling, controlled by, or under common control with the Advisor that provides ongoing services to the Company, has paid to E&Y or been billed for fees by E&Y for non-audit services rendered to the Advisor or such entity during the fiscal years ended November 30, 2005 and November 30, 2006.

The Audit Committee of each Company has considered whether E&Y's provision of services (other than audit services) to the Company, the Advisor or any entity controlling, controlled by, or under common control with the Advisor that provides services to the Company is compatible with maintaining E&Y's independence in performing audit services.

OTHER MATTERS

The Board of Directors of each Company knows of no other matters that are intended to be brought before the meeting. If other matters are presented for action, the proxies named in the enclosed form of proxy will vote on those matters in their sole discretion.

None of the Companies will pay any representatives of the Company or the Advisor any additional compensation for their efforts to supplement proxy solicitation.

Revoking a Proxy. With respect to each Company, at any time before it has been voted, you may revoke your proxy by: (1) sending a letter stating that you are revoking your proxy to the Secretary of the Company at the Company's offices located at 10801 Mastin Boulevard, Suite 222, Overland Park, Kansas 66210; (2) properly executing and sending a later-dated proxy; or (3) attending the meeting, requesting return of any previously delivered proxy, and voting in person.

Quorum. With respect to each Company, the presence, in person or by proxy, of holders of shares entitled to cast a majority of the votes entitled to be cast (without regard to class) constitutes a quorum. For purposes of determining the presence or absence of a quorum, shares present at the annual meeting that are not voted, or abstentions, and broker non-votes (which occur when a broker has not received directions from customers and does not have discretionary authority to vote the customers' shares) will be treated as shares that are present at the meeting but have not been voted.

With respect to each Company, if a quorum is not present in person or by proxy at the meeting, the chairman of the meeting or the stockholders entitled to vote at such meeting, present in person or by proxy, have the power to adjourn the meeting to a date not more than 120 days after the original record date without notice other than announcement at the meeting.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 30(h) of the 1940 Act and Section 16(a) of the Exchange Act require each Company's directors and officers, the Advisor, affiliated persons of the Advisor and persons who own more than 10% of a registered class of the Company's equity securities to file forms reporting their affiliation with the Company and reports of ownership and changes in ownership of the Company's shares with the SEC and the New York Stock Exchange. Those persons and entities are required by SEC regulations to furnish the applicable Company with copies of all Section 16(a) forms they file. Based on a review of those forms furnished to the Company, each Company believes that its directors and officers, the Advisor and affiliated persons of the Advisor have complied with all applicable Section 16(a) filing requirements during the last fiscal year, except that Mr. David Schulte did not timely report the sale of 0.7 shares of TYG in January 2006. Mr. Schulte reported this sale on a Form 4 filed on August 11, 2006. To the knowledge of management of each Company, no person is the beneficial owner (as defined in Rule 16a-1 under the Exchange Act) of more than 10% of a class of such Company's equity securities.

Stockholders are able to send communications to the Board of Directors of each Company. Communications should be addressed to the Secretary of the applicable Company at its principal offices at 10801 Mastin Boulevard, Suite 222, Overland Park, Kansas 66210. The Secretary will forward any communications received directly to the Board of Directors.

STOCKHOLDER PROPOSALS AND NOMINATIONS FOR THE 2008 ANNUAL MEETING

Method for Including Proposals in a Company's Proxy Statement. Under the rules of the SEC, if you want to have a proposal included in a Company's proxy statement for its next annual meeting of stockholders, that proposal must be received by the Secretary of the Company at 10801 Mastin Boulevard, Suite 222, Overland Park, Kansas 66210, not later than 5:00 p.m., Central Time on September 28, 2007. Such proposal must comply with all applicable requirements of Rule 14a-8 of the Exchange Act. Timely submission of a proposal does not mean the proposal will be included in the proxy material sent to stockholders.

Other Proposals and Nominations. If you want to nominate a director or have other business considered at a Company's next annual meeting of stockholders but do not want those items included in our proxy statement, you must comply with the advance notice provision of the Company's Bylaws. Under each Company's Bylaws, nominations for director or other business proposals to be addressed at the Company's next annual meeting may be made by a stockholder who has delivered a notice to the Secretary of the Company at 10801 Mastin Boulevard, Suite 222, Overland Park, Kansas 66210, no earlier than September 28, 2007 nor later than 5:00 p.m. Central Time on October 28, 2007. The stockholder must satisfy certain requirements set forth in the Company's Bylaws and the notice must contain specific information required by the Company's Bylaws. With respect to nominees for director, the notice must include, among other things, the name, age, business address and residence address of any nominee for director, certain information regarding such person's ownership of Company shares, and all other information relating to the nominee as is required to be disclosed in solicitations of proxies in an election contest or as otherwise required by Regulation 14A under the Exchange Act. With respect to other business to be brought before the meeting, a notice must include, among other things, a description of the business and any material interest in such business by the stockholder and certain associated persons proposing the business. Any stockholder wishing to make a proposal should carefully read and review the applicable Company's Bylaws. A copy of each Company's Bylaws may be obtained by contacting the Secretary of the Company at 1-866-362-9331 or by writing the Secretary of the Company

at 10801 Mastin Boulevard, Suite 222, Overland Park, Kansas 66210. Timely submission of a proposal does not mean the proposal will be allowed to be brought before the meeting.

19

These advance notice provisions are in addition to, and separate from, the requirements that a stockholder must meet in order to have a proposal included in any Company's proxy statement under the rules of the SEC.

A proxy granted by a stockholder will give discretionary authority to the proxies to vote on any matters introduced pursuant to the above advance notice Bylaw provisions, subject to applicable rules of the SEC.
