On February 24, 2006, the Compensation Committee of the Board of Directors of Sterling Chemicals, Inc., a Delaware corporation ("Sterling"), authorized the payment of discretionary bonuses to each of its employees, including each of Sterling's executive officers in respect of the year ended December 31, 2005. The bonuses were discretionary in that Sterling did not attain the financial performance goals under its Bonus Plan for 2005. The Compensation Committee considered various factors in setting the amounts of the bonuses, including the significant efforts of management and other employees in achieving Sterling's fixed cost reduction goal, job scope and responsibility and Sterling's need to attract, retain and reward executive talent. In addition, the Compensation Committee evaluated each executive's leadership by considering a variety of factors, including, among others, developing effective cost reduction strategies, driving results and maintaining environmental, health and safety performance. The following table sets forth cash payments in respect of bonuses for 2005 and 2004 to each of Sterling's executive officers who will be included as the "Named Executive Officers" in Sterling's 2006 proxy statement:

NAME AND PRINCIPAL POSITION -----	FISCAL YEAR -----	BONUS -----

Walter B. Treybig Senior VP - Manufacturing	2005	34,375

On February 27, 2006, the Compensation Committee also approved the annual base salaries (effective as of March 1, 2006) of Sterling's executive officers after a review of performance and competitive market data. The following table sets forth the annual base salary levels for 2006 and 2005 for each of Sterling's Named Executive Officers:
