Item 8.01. Other Events.

In connection with the pending acquisition (the "Acquisition") of Lender Processing Services, Inc., a Delaware corporation ("LPS") by Fidelity National Financial, Inc., a Delaware corporation ("FNF"), FNF received on July 12, 2013, a request for additional information and documentary material, often referred to as a "Second Request", from the United States Federal Trade Commission (the "FTC") in connection with the FTC's Hart-Scott-Rodino Antitrust Improvements Act of 1976 (the "HSR Act") regulatory review of the Acquisition. The effect of the Second Request is to extend the waiting period imposed by the HSR Act until 30 days after FNF and LPS have substantially complied with the Second Request, unless that period is extended voluntarily by the parties or terminated sooner by the FTC.

FNF has been working, and will continue to work, cooperatively with the FTC and continues to expect the Acquisition to close in the fourth quarter of 2013. Completion of the Acquisition remains subject to approval by FNF and LPS stockholders, approvals from applicable federal and state regulators and satisfaction of other customary closing conditions.

Important Information Will be Filed with the SEC

FNF plans to file with the SEC a Registration Statement on Form S-4 in connection with the transaction. FNF and LPS plan to file with the SEC and mail to their respective stockholders a Joint Proxy Statement/Prospectus in connection with the transaction. The Registration Statement and the Joint Proxy Statement/Prospectus will contain important information about FNF, LPS, the transaction and related matters. **INVESTORS AND SECURITY HOLDERS ARE URGED TO READ THE REGISTRATION STATEMENT AND THE JOINT PROXY STATEMENT/PROSPECTUS CAREFULLY WHEN THEY ARE AVAILABLE.**

Forward Looking Statements

This press release contains forward-looking statements that involve a number of risks and uncertainties. Statements that are not historical facts, including statements regarding expectations, hopes, intentions or strategies regarding the future are forward-looking statements. Forward-looking statements are based on FNF or LPS management's beliefs, as well as assumptions made by, and information currently available to, them. Because such statements are based on expectations as to future financial and operating results and are not statements of fact, actual results may differ materially from those projected.
