Item 1. Security and the Issuer

This Amendment No. 2 to the Schedule 13D (Amendment No. 2) by Teck Cominco Limited (Teck) and Teck Cominco Metals Ltd., a wholly-owned subsidiary of Teck (Teck Metals), relates to trust units (the Units) of Fording Canadian Coal Trust, an open-ended mutual fund trust governed by the laws of the Province of Alberta, Canada (the Issuer). This Amendment No. 1 supplementally amends the Initial Statement on Schedule 13D, filed by Teck and Teck Metals with the Securities and Exchange Commission on September 27, 2007 (the Initial Statement), as amended by Amendment No. 1 to the Schedule 13D, filed by Teck and Teck Metals on June 20, 2008 (together, the Initial Statement). The principal executive offices of the Issuer are located at 205 Avenue SE, Suite 1000, Calgary, Alberta T2G 0R4. Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Initial Statement. The Initial Statement is supplementally amended as follows.

Item 2. Identity and Background.

No material change.

Item 3. Source and Amount of Funds or Other Consideration

Item 3 of the Initial Statement is hereby amended by adding the following at the end thereof:

On July 29, 2008, Teck and the Issuer entered into an Arrangement Agreement (the Arrangement Agreement), which provides, upon the terms and subject to the conditions set forth in that agreement, Teck will acquire 100% of the Issuer's assets which consist principally of a royalty in respect of the Issuer's 60% non-operating interest in the Elk Valley Coal Partnership (the Asset Sale). Teck will also assume certain liabilities of the Issuer. Teck and the Issuer have made customary representations, warranties and covenants in the Arrangement Agreement. Under the terms of the Asset Sale, the Issuer's Unit holders will receive US\$82.00 in cash and 0.245 of a Class B subordinate voting share of Teck per Unit.

In aggregate, pursuant to the terms of the Asset Sale, Teck will pay approximately US\$12.4 billion in cash and issue approximately 36.9 million Class B subordinate voting shares of Teck in consideration for the Issuer's assets. The cash portion of the consideration is expected to be primarily funded by a US\$9.8 billion fully underwritten bridge and term loan facility and the proceeds of the sale, prior to closing, of the 29,507,142 Units of the Issuer held by Teck.

In addition, on July 29, 2008, JPMorgan Chase Bank, N.A, Citibank, N.A., Canadian branch, Merrill Lynch Capital Corporation, Canadian Imperial Bank of Commerce, Royal Bank of Canada and Bank of Montreal (collectively, the Commitment Parties) entered into a commitment letter with Teck (the Commitment Letter) pursuant to which the Commitment Parties agreed to provide to Teck, subject to the satisfaction of certain conditions, U.S.\$9.8 billion in aggregate principal amount of debt financing. The summary of the Commitment Letter contained in this Item 3 does not purport to be complete, and is qualified in its entirety by reference to the Commitment Letter filed as Exhibit 1, and incorporated herein by reference.

Item 4. Purpose of Transactions.

Item 4 of the Initial Statement is hereby amended by adding the following at the end thereof:

The information in Item 3 is incorporated herein by reference.

CUSIP No. 345425102

Schedule 13D

Page 5 of 11

The Asset Sale and its related transactions are herein collectively referred to as the Transaction. The Transaction is expected to close by the end of October, 2008. Closing of the Transaction will be subject to customary conditions including, among others, the availability of the financing arranged by Teck, receipt of all necessary regulatory approvals, absence of material adverse changes, as well as approval of the Transaction by 66.67% of the Issuer's Unit holders present in person or by proxy at the meeting held to approve the Transaction, and by a majority of the Issuer's Unit holders voting on the Transaction other than Teck and its affiliates.

In connection with the Transaction, on July 29, 2008, Teck entered into the Teachers' Letter Agreement (the Teachers' Letter Agreement) with an affiliate of the Ontario Teachers' Pension Plan (Teachers') under which Teachers, in order to facilitate the Transaction, has agreed to amend Teck's top-up obligations pursuant to the Unit Purchase Agreement dated as of September 23, 2007, entered into in connection with Teck's acquisition of 11.25% of the outstanding Issuer's Units from Teachers. Teachers will, on completion of the Transaction, receive compensation of US\$105 million for amending its rights, which would have otherwise expired on July 31, 2008. Teck may satisfy this obligation by selling certain Units of the Issuer to Teachers.

In addition, in connection with the Transaction, on July 29, 2008, Teck and the Issuer entered into a Confidentiality Agreement (the Confidentiality Agreement) which contains confidentiality and six-month standstill obligations. The SEC has adopted Rule 13e-3 under the Securities Exchange Act of 1934, as amended, which is applicable to certain going private transactions by issuers or their affiliates. Teck expects to file the information required by Rule 13e-3 with the SEC within the next several weeks and to provide the required information to holders of the Issuer's Units at such time. Unit holders are urged to read such information required by Rule 13e-3 when it becomes available because it will contain important information. In addition, upon the closing of the Transaction, the Issuer will redeem all of the Units of the Issuer held by the public. As a result, its Units will be de-listed from the New York Stock Exchange and the Toronto Stock Exchange and will no longer be traded or quoted.

The summary of the Arrangement Agreement, the Teachers' Letter Agreement and the Confidentiality Agreement contained in this Item 4 does not purport to be complete, and are qualified in their entirety by reference to the Arrangement Agreement, the Teachers' Letter Agreement and the Confidentiality Agreement filed as Exhibits 2, 3 and 4 hereto, and incorporated herein by reference.

Except as described in this Item 4, the Reporting Persons have no present plans or proposals that relate to or would result in any of the actions required to be reported herein.

Item 5. Interest in Securities of the Issuer.
