## PART II

### INFORMATION NOT REQUIRED TO BE DELIVERED TO OFFEREES OR PURCHASERS

#### Indemnification

Under the BUSINESS CORPORATIONS ACT (Ontario), as amended, the Registrant may indemnify a present or former director or officer or person who acts or acted at the Registrant's request as a director or officer, or an individual acting in a similar capacity, of another entity, and such individual's heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by the individual in respect of any civil, criminal, administrative or other proceeding in which the individual is involved because of that association with the Registrant or other entity, on condition that (i) the director or officer acted honestly and in good faith with a view to the best interests of the Registrant or, as the case may be, the other entity for which the individual acted as a director or officer or in a similar capacity at the Registrant's request, and (ii) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, had reasonable grounds for believing that the individual's conduct was lawful. Further, the Registrant may, with court approval, indemnify an individual described above in respect of an action by or on behalf of the Registrant or other entity to procure a judgment in its favor, to which the individual is made a party because of the individual's association with the corporation or other entity, against all costs, charges and expenses reasonably incurred by the individual in connection with such action if the individual fulfils conditions (i) and (ii) above. A director is entitled to indemnification from the Registrant as a matter of right if the individual was not judged by a court or other competent authority to have committed any fault or omitted to do anything that the individual ought to have done and fulfilled conditions (i) and (ii) above.

In accordance with the BUSINESS CORPORATIONS ACT (Ontario), as amended, the by-laws of the Registrant provide for the indemnification of a director or officer, a former director or officer, or a person who acts or acted at the Registrant's request as a director or officer of a corporation in which the Registrant is or was a shareholder or creditor, and such individual's heirs and legal representatives, against any and all costs, charges and expenses reasonably incurred by the individual in respect of any civil, criminal, administrative, investigative or other proceeding to which the individual was made a party by reason of being or having been a director or officer of the Registrant or other entity, if the individual acted honestly and in good faith with a view to the best interests of the Registrant, or, in the case of a criminal or administrative action or proceeding that is enforced by monetary penalty, the individual had reasonable grounds for believing that the individual's conduct was lawful.

The Registrant has also entered into Indemnity Agreements with certain of its directors and officers, providing a contractual right to indemnification and advancement of expenses under circumstances in which the Registrant is permitted to provide indemnification under the BUSINESS CORPORATIONS ACT (Ontario), as amended. A policy of directors' and officers' liability insurance is maintained by the Registrant which insures directors and officers for losses as a result of claims against the directors and officers of the Registrant in their capacity as directors and officers and also reimburses the Registrant for payments made pursuant to the indemnity provisions under the Indemnity Agreements, the by-laws of the Registrant and the BUSINESS CORPORATIONS ACT (Ontario), as amended. For further information regarding the Registrant's policy of insurance for its directors and officers see the Report on Executive Compensation in the Management Information Circular of the Registrant dated March 14, 2008, incorporated herein by reference to the Registrant's Report on Form 6-K, as furnished to the U.S. Securities and Exchange Commission on March 31, 2008.

Insofar as indemnification for liabilities under the Securities Act of 1933, as amended (the Securities Act), may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the U.S. Securities and Exchange Commission such indemnification is against public policy in the United States as expressed in the Securities Act and is therefore unenforceable.
