PROXY STATEMENT

2002 ANNUAL MEETING OF SHAREHOLDERS

This Proxy Statement and the enclosed form of proxy card are being sent or given to shareholders of Creative Computer Applications, Inc., a California corporation (the "Company"), in connection with the solicitation of proxies by Management on behalf of the Board of Directors of the Company for use at the 2002 Annual Meeting of Shareholders (the "Meeting") to be held on Friday, March 1, 2002 at 10:00 a.m. Pacific Time at the Company's offices at 26115-A Mureau Road, Calabasas, California 91302. The Annual Report on Form 10KSB to the shareholders of the Company for the fiscal year ended August 31, 2001, including its financial statements and information concerning the Company, is enclosed with this mailing. The Company anticipates that this Proxy Statement and accompanying form of proxy will first be mailed or given to its shareholders on or about January 11, 2002.

If the enclosed proxy card is properly signed and returned, the shares represented by the proxy card will be voted and, if the shareholder indicates a voting choice in the proxy card, the shares will be voted in accordance with such choice. If the proxy card is signed but no specification is made, the shares designated in the proxy card will be voted FOR the election of the nominees for Directors listed below; and FOR the ratification of the appointment of BDO Seidman, LLP as the Company's independent certified public accountants for the current fiscal year. Management knows of no business that will be presented at the Meeting other than that which is set forth in this Proxy Statement. If any other matter properly comes before the Meeting, the proxy holders will vote the proxies in accordance with their best judgment, subject to contrary shareholder instructions on any specific proxy card.

Any proxy may be revoked by the shareholder giving the Company, at any time prior to its being voted, by filing with the Secretary of the Company, an instrument of revocation or a duly executed proxy card bearing a later date. Any proxy may also be revoked by the shareholder's attendance at the Meeting and election, by filing an instrument of revocation, to vote in person.

RECORD DATE AND VOTING AT THE MEETING

The Board of Directors has fixed the close of business on January 4, 2002 as the record date for the determination of the shareholders of the Company entitled to notice of, and to vote at, the Meeting. At that date, there were issued and outstanding 3,221,025 of the Company's common shares (the "Common Shares"). The holders of record of Common Shares are entitled to one vote per Common Share on each matter submitted to the Meeting subject, in the case of election of Directors, to the cumulative voting provisions described below. There are no outstanding securities of the Company other than the Common Shares entitled to vote at the Meeting.

The presence at the Meeting, in person or by proxy, of the holders of a majority of the votes attributable to Common Shares entitled to vote shall constitute a quorum for the transaction of business at the Meeting. Assuming a quorum is present, the vote of a plurality of the votes cast at the Meeting by the holders of Common Shares is required for the election of Directors. Approval of such other matters as may properly come before the Meeting or any adjournment of the Meeting requires the affirmative vote of holders of a majority of the votes attributable to Common Shares entitled to vote at the Meeting. Abstentions will be counted towards the tabulation of votes cast on proposals presented to the shareholders and will have the same effect as negative votes. Broker non-votes are not counted for any purpose in determining whether a matter has been approved.

Pursuant to the requirements of the California Corporations Code and the Company's By-laws, the holders of the Company's Common Shares may cumulate their votes for the election of Directors of

the Company if any shareholder gives notice, at the Meeting prior to voting, of his or her intention to cumulate his or her votes. Cumulative voting means that each shareholder entitled to vote may cast that number of votes equal to the product of the number of his or her Common Shares multiplied by the number of Directors being elected. Since five Directors are being elected at the Meeting, each shareholder may cast a total of five votes per Common Share for all nominees for Director. A shareholder may cast all of his or her votes for a single nominee or may allocate them among two or more nominees. Instructions for allocation may be marked on the proxy card in the space provided opposite each nominee's name and, if the proxy card is properly marked, the persons acting under the proxy will give notice of the shareholder's intent to vote cumulatively. Unless a contrary instruction is properly marked on the proxy card, the persons acting under the proxy will cumulatively vote so as to maximize the probability that each nominee will be elected.

ELECTION OF DIRECTORS

The By-Laws of the Company provide that the Company's Board of Directors shall consist of not less than three nor more than nine Directors, as determined by the Company's Board of Directors, each to hold office for a term of one year and until a successor shall be duly elected and qualified. The present number of Directors constituting the entire Board is five.

A board of five Directors is to be elected at the Annual Meeting. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the Company's five nominees named below, all of whom are presently Directors of the Company. In the event that any nominee of the Company is unable or declines to serve as a Director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. In the event that additional persons are nominated for election as Directors, the proxy holders intend to vote all proxies received by them in such a manner in accordance with cumulative voting as will assure the election of as many of the nominees listed below as possible, and, in such event, the specific nominees to be voted for will be determined by the proxy holders. The Company is not aware of any nominee who will be unable or will decline to serve as a Director. The term of office of each person elected as a Director will continue until the next Annual Meeting of Shareholders or until a successor has been elected and qualified.

During the fiscal year ended August 31, 2001, the Board of Directors held a total of three (3) meetings. Each of the current Directors participated in all such meetings.

The Board of Directors of the Company has established a Compensation Committee for the purpose of reviewing and making recommendations concerning compensation plans and salaries of officers and other key personnel. The Compensation Committee, as an ongoing responsibility, periodically reviews industry related surveys of other companies similar in size and complexity to the Company to determine reasonable salary ranges and incentive compensation for its managers and key employees. The members of the Compensation Committee are Lawrence S. Schmid and Robert S. Fogerson, Jr. The Compensation Committee met once during the fiscal year ended August 31, 2001.

The Board of Directors of the Company has also established an Audit Committee for the purpose of meeting with the Company's independent accountants and to review the scope of the audit, internal accounting controls, any change in accounting principles, significant audit adjustments, audit disclosures and related matters. The members of the Audit Committee are Robert S. Fogerson, Jr., Lawrence S. Schmid, and Bruce M. Miller. The Audit Committee and the remaining members of the Board of Directors met twice during the fiscal year ended August 31, 2001. The Audit Committee recommends engagement of BDO Seidman, LLP as the Company's independent certified public accountants.

The Board initially adopted a charter for the Audit Committee in March 2000, and later amended the charter in August 2000. The Board has determined that at least two of the members of the Audit

Committee are "independent" as that term is defined by the listing standards of the American Stock Exchange for small business filers under the Securities and Exchange Commission Regulation S-B.

See "Principal Securities Holders" for a summary of beneficial ownership of the Company's Common Shares by the officers, Directors and certain beneficial owners.

Employment Agreements

Messrs Bruce Miller and Steven Besbeck are employed by the Company on a month-to-month basis pursuant to the terms of their employment agreements. Each agreement provides for a base salary at an annual rate of \$172,289 for Mr. Miller and \$176,911 for Mr. Besbeck and authorizes the payment of other fringe benefits and bonuses made available by the Company to its senior executives. The persons referred to above also received insurance benefits which were paid for by the Company and employer contributions to their 401(k) plan accounts as provided for in the Company's 401(k) profit sharing plan. These amounts, including amounts accrued and unconditionally vested under the 401(k) plan, are reflected in the table above.

The Company has adopted a profit sharing plan pursuant to which income tax is deferred on amounts contributed by employees under Section 401(k) of the Internal Revenue Code. All employees, over the age of 21, are eligible to participate in the plan after the completion of six months of service. The company contributes, on a matching basis, 25% of the employee's contribution up to 4%. The Company's contribution becomes vested at the rate of 20% for each full year of employment. Both the employee and Company contributions are subject to aggregate annual limits under the Internal Revenue Code.

Compensation of Directors

Directors who are not officers or employees of the Company are paid Directors' fees of \$2,000 per meeting and are reimbursed for their reasonable expenses for attending meetings. At present, there are two directors, Lawrence S. Schmid and Robert S. Fogerson, Jr., who are not officers and/or employees of the Company.

Stock Option Plans

1997 Stock Option Plan

The Company's 1997 Stock Option Plan is administered by the Board of Directors of the Company or a Committee of not less than two members thereof, which has the authority to determine the persons to whom the options may be granted, the number of shares to be covered by each option, the time or times at which the options may be granted or exercised and, for the most part, the terms and provisions of the options. The 1997 Plan permits the grant of both incentive stock options

4

("ISOs") qualifying under section 422 of the Internal Revenue Code ("Code") and non-qualified stock options ("NSOs"), which do not so qualify. Under the 1997 Plan, the option exercise price of ISOs may not be less than 100% (or 110% if the optionee owns 10% or more of the outstanding voting securities of the Company) of the fair market value of the Common Shares on the date of grant. The option exercise price of NSOs may not be less than 85% of the fair market value of the Common Shares on the date of grant. No option under the 1997 Plan may be exercised more than ten years from the date of grant except that options granted to optionees owning 10% or more of the outstanding voting securities of the Company may not be exercised more than five years from the date of grant.

The 1997 Plan is intended to offer a proprietary interest in the Company to "Key Employees" and "Key Contractors" contributing to the Company's success and, by increasing their proprietary interest, to encourage them to remain in the employ and service of the Company, to assist the Company in competing effectively for the services of new employees and to attract and retain the best available persons as directors of the Company. "Key Employees" are defined as persons, including officers and directors, employed by the Company, or any parent or subsidiary of the Company, on a compensable basis who hold positions of responsibility with the Company or a parent or subsidiary. "Key Contractors" are defined as persons (including officers whether or not they are also directors) employed by the Company or any parent or subsidiary of the Company to render services (including services solely as a member of the Board of Directors) to or on behalf of the Company or any parent or subsidiary of the Company.

No options may be exercised within 12 months after the date of grant and must be exercisable at the rate of at least 20% per year over 5 years from the date of grant; options granted to directors will be exercisable at the rate of 25% per year in each of the second, third, fourth and fifth years from the date of grant on a cumulative basis.

The 1997 Plan provides for the granting of ISOs to purchase a maximum of 500,000 Common Shares and for the granting of NSOs to purchase a maximum of 300,000 Common Shares.

The aggregate number of shares subject to options, the maximum number of shares which may be purchased, and the number of shares and the exercise price for shares covered by outstanding options will be adjusted appropriately upon a stock split or reverse split of the issued Common Shares, the payment of a stock dividend, or the re-capitalization, combination or reclassification, or other increase or decrease in Common Shares.

Stock options granted under the 1997 Plan may not be transferred except by will or according to the laws of descent and distribution. During the lifetime of the optionee, stock options may be exercised only by the optionee or by his or her guardian or legal representative.

The 1997 Plan provides that if an optionee's employment with the Company is terminated because of disability or death, no ISOs held by the optionee shall be exercisable later than 12 months after the date of termination. Upon the death of an optionee, all options held or the unexercised portion thereof exercisable on the date of death are exercisable by the optionee's personal representative, heirs or legatees at any time prior to the expiration of 12 months from the date of death. An optionee holding ISOs, whose employment with the Company terminates other than by disability or death must exercise the ISOs within 90 days after such termination.

The 1997 Plan provides that if an optionee terminates employment with the Company because of retirement with the consent of the Company, all NSOs held by the optionee, or unexercised portions thereof, expire on the date of retirement except for NSOs or unexercised portions thereof

which were otherwise exercisable on the date of retirement, which expire unless exercised within 90 days after the date of retirement. An optionee whose employment with the Company or service as a director of the

Company is terminated for any reason other than those described above must exercise NSOs within 210 days after such termination of employment or service, as the case may be.

The 1997 Plan provides that no options shall be granted thereunder after April 25, 2007. If options granted under the 1997 Plan expire for any reason or are canceled or terminated prior to April 25, 2007, the Common Shares allocable to any unexercised portion of such option may again be subject to an option.

Because the 1997 Plan will provide optionees the opportunity to acquire Common Shares through the exercise of stock options, the exercise of any stock option may have a proportionate dilutive effect on the holders of then outstanding Common Shares from both a financial standpoint (effect on earnings per share, etc.) and voting standpoint.

The Board of Directors may amend, suspend or discontinue the 1997 Plan at any time. However, no such amendment may, without shareholder approval, materially increase the number of Common Shares which may be issued under the Plan, change the class of eligible participants or materially increase benefits accruing to participants under the Plan.

As of December 15, 2001, there were outstanding ISO's to purchase 227,000 Common Shares at an average per share exercise price of \$1.00 and NSO's to purchase 125,000 Common Shares at an average per share exercise price of \$.94.

1992 Stock Option Plans

The Company's 1992 Non-Qualified Stock Option Plan ("1992 Non-Qualified Plan") and the 1992 Incentive Stock Option Plan ("1992 Incentive Plan") were discontinued in September 1996. The 1992 Incentive Plan reserved 400,000 Common Shares for issuance pursuant to granted options, and the 1992 Non-Qualified Plan reserved 200,000 Common Shares for issuance pursuant to granted options.

Both of the 1992 Plans were administered by the Board of Directors of the Company, which, except with respect to the directors themselves, had the authority to determine the persons to whom the options may be granted, the number of shares to be covered by each option, the time or times at which the options may be granted or exercised and, for the most part, the terms and provisions of the options. Under the 1992 Non-Qualified Plan, the exercise price could not have been less than 85% (100% for officers and directors or 110% if the optionee owned 10% or more of the outstanding voting securities of the Company) of the fair market value of the Common Shares as determined by the Board on the date of grant. Under the 1992 Incentive Plan, the option exercise price could not have been less than 100% (or 110% if the optionee owned 10% or more of the outstanding voting securities of the Company) of the fair market value of the Common Shares, as determined by the Board on the date of grant.

No option under either plan could be exercised within twelve months of the date of grant or more than five years from the date of grant and must have been exercisable at the rate of at least 20% per year; options granted to directors are exercisable at the rate of 25% in each of the second, third, fourth and fifth years, on a cumulative basis. Each plan limited the percentage of the total number of Common Shares subject to the plan for which options could have been granted to officers and directors to 50%.

Under the 1992 Non-Qualified Plan, all directors, upon their election and on September 30 of each subsequent year, automatically received options to purchase 5,000 shares (or a prorated amount if they have served less than a full year). Under the 1992 Incentive Plan, each eligible director automatically received options to purchase 5,000 shares on September 30th of each year (or a prorated amount if they have served less than a full year). These automatic grants were the only options directors were entitled to receive under the plans.

As of December 6, 2001, all options granted under the plan had either been exercised or had expired. No officers or directors exercised any options during the Company's 2001 fiscal year.

The following table sets forth information as to stock options granted under the 1997 Stock Option Plan for the fiscal year ended August 31, 2001 to each executive officer whose aggregate remuneration is set forth above.

Other Non-Qualified Stock Options

On March 5, 1992, the Board of Directors of the Company granted special one-time grants of stock options to the Chairman and senior officers of the Company, all of whom are also directors of the Company, to purchase up to 300,000 shares of the Company's Common Shares, for a period of five years from the date of grants, at an exercise price of \$1.375 per share, the market price of the Common Shares on March 5, 1992. On February 6, 1997, the expiration date of the options was extended to December 31, 2000. On December 14, 1998 the options were repriced to \$.90 per share. On December 13, 2000, the expiration date of the options was extended to December 31, 2003. The market price of the Common Shares on December 13, 2000 was \$.44 per share. The options are fully vested and are exercisable at \$.90 per share. Special stock options were granted to Mr. Miller to purchase up to 100,000 Common Shares, to Mr. Besbeck to purchase up to 100,000 Common Shares, and to Mr. Helms to purchase up to 100,000 Common Shares.

RATIFICATION OF SELECTION OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The Board of Directors has selected BDO Seidman, LLP, independent certified public accountants, to serve as the Company's auditors for the fiscal year ending August 31, 2002. BDO Seidman, LLP has served as the Company's independent certified public accountants for its last ten fiscal years.

The Board of Directors recommends the ratification of its selection of BDO Seidman, LLP to serve as the Company's independent certified public accountants for the fiscal year ending August 31, 2002.
