## Section 2 Financial Information

### Item 2.02 Results of Operations and Financial Condition.

On July 28, 2011, CryoLife, Inc. (“CryoLife” or the “Company”) issued a press release announcing its financial results for the quarter ended June 30, 2011. CryoLife hereby incorporates by reference herein the information set forth in its press release dated July 28, 2011, a copy of which is attached hereto as Exhibit 99.1. Except as otherwise provided in the press release, the press release speaks only as of the date of such press release and it shall not create any implication that the affairs of CryoLife have continued unchanged since such date.

In the press release, the Company has presented non-GAAP adjusted net income and adjusted net income per common share for the second quarter and first six months of 2011, which have each been obtained by excluding expenses related to the acquisition of Cardiogenesis and other business development charges. The reconciliation of these amounts and a discussion of the usefulness of the non-GAAP measures is included within the attached press release and incorporated herein by reference.

The press release also includes projected non-GAAP adjusted earnings per share for fiscal 2011, which has been obtained by excluding expenses related to the acquisition of Cardiogenesis and other business development charges incurred in the first six months of 2011. Given the use of non-GAAP earnings per share in the historical presentation of our 2011 financials for the second quarter and first six months of the fiscal year, we believe similar use of non-GAAP earnings per share for our full fiscal 2011 guidance provides investors with an appropriate level of consistency for interpreting and better understanding our anticipated results. Also, we believe the provision of non-GAAP financial information provides useful information regarding the expense structure of our existing operations without regard to our ongoing efforts to acquire complementary products and businesses.

Accordingly, CryoLife believes that these non-GAAP measures, when read in conjunction with the Company’s GAAP financials, provide useful information to investors by offering:

- the ability to better identify trends in the Company’s underlying business and perform related trend analyses; and
  - a better understanding of how management plans and measures the Company’s underlying business.

The additional non-GAAP financial information is not meant to be considered in isolation or as a substitute for measures calculated in accordance with GAAP.

The information provided pursuant to this Item 2.02 is to be considered “furnished” pursuant to Item 2.02 of Form 8-K and shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section or Sections 11 and 12(a)(2) of the Securities Act of 1933, as amended, nor shall it be deemed incorporated by reference into any of CryoLife’s reports or filings with the Securities and Exchange Commission (“SEC”), whether made before or after the date hereof, except as expressly set forth by specific reference in such report or filing.

Except for the historical information contained in this report, the statements made by CryoLife are forward-looking statements that involve risks and uncertainties. All such statements are subject to the safe harbor created by the Private Securities Litigation Reform Act of 1995. CryoLife's future financial performance could differ significantly from the expectations of management and from results expressed or implied in the press release. Please refer to the last paragraph of the press release for further discussion about forward-looking statements. For further information on risk factors, please refer to "Risk Factors" contained in CryoLife's Form 10-K for the year ended December 31, 2010 and Form 10-Q for the quarter ended March 31, 2011, as filed with the SEC, and any subsequent SEC filings, as well as in the press release. CryoLife disclaims any obligation or duty to update or modify these forward-looking statements.
