Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On October 25, 2007, the Board of Directors of Lakeland Industries, Inc. (the “Company”) voted to amend Article I, Section 1, and Article I, Section 3 of the Company’s Bylaws, effective as of October 25, 2007, to allow for the issuance of uncertificated shares. As a result of the amendments, the Company will become eligible to participate in the Direct Registration System administered by the Depository Trust & Clearing Corporation. The Direct Registration System allows investors to have securities registered in their names without the issuance of physical certificates and allows investors to electronically transfer securities to broker-dealers in order to effect transactions without the risks and delays associated with transferring physical certificates.

On April 10, 2008, the Board of Directors of the Company voted to amend Article I, Section 6 of the Company’s Bylaws, effective as of April 10, 2008, to repeal subsection (k) thereof relating to stockholder proposals and nominations. Such Section 6(k) entitled “Stockholder Proposals and Nominations” is believed to have been adopted by the Company’s Board of Directors in April 1987 and was recently discovered during a review of the Company’s corporate minute books in connection with the preparation of a restated version of the Company’s Bylaws. Because such Bylaw provisions, and the restrictions contained therein with respect to stockholder proposals and nominations, including that all stockholder proposals must be received by January 31 of the calendar year, have not previously been publicly disclosed in the Company’s SEC filings, or otherwise made public, and given the current pendency of a proxy contest against the Company, the Company believes that the assertion of such advance notice and advance nomination bylaw provisions against any notice of nomination and/or stockholder proposal received from a stockholder, including, but not limited to, the notice of nomination received from Seymour Holtzman on or about March 17, 2008, would be difficult to enforce and any attempt to enforce it would only subject the Company to costly and protracted litigation. Accordingly, the Company’s Board of Directors has determined to repeal such advance notice and advance nomination Bylaw provisions.

The foregoing brief summary of the amendments to the Company’s Bylaws does not purport to be complete and is qualified by reference to the Amended and Restated Bylaws attached to this Current Report on Form 8-K as Exhibit 3.2 and which are incorporated herein by reference in their entirety.

Item 8.01 Other Events.

On February 14, 2008, the Board of Directors of the Company, acting by unanimous written consent, adopted resolutions approving the restatement of the Company’s Bylaws to integrate into a single instrument the amendments described above and all prior amendments to the Bylaws previously approved and adopted by the Board of Directors which are currently in effect and operative (as amended and restated on such date, and as subsequently amended on April 10, 2008 as discussed above, the “Amended and Restated Bylaws”). Except for the amendments to the Company’s Bylaws described above, the Amended and Restated Bylaws only restate and integrate, and do not further amend, the provisions of the Company’s Bylaws as previously amended and supplemented.

On February 14, 2008, the Board of Directors of the Company, acting by unanimous written consent, adopted resolutions approving the further restatement of the Certificate of Incorporation of the Company to integrate into a single instrument all of the provisions of its Certificate of Incorporation which are currently in effect and operative as a result of an amendment to the Certificate of Incorporation being heretofore filed with the Secretary of State of the State of Delaware. Such Restated Certificate of Incorporation only restates and integrates, and does not further amend, the provisions of the Company's Certificate of Incorporation as previously amended and supplemented. No amendments to the Certificate of Incorporation have been proposed and declared advisable by the Board of Directors, or approved by the stockholders, of the Company since 1989. The Restated Certificate of Incorporation is attached to this Current Report on Form 8-K as Exhibit 3.1 and is incorporated herein by reference in its entirety.
