PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD MAY 12, 2005

This Proxy Statement is being mailed to shareholders of Patrick Industries, Inc. (the "Company") on or about April 8, 2005, and is furnished in connection with the Board of Directors' solicitation of proxies for the Annual Meeting of Shareholders to be held on May 12, 2005 for the purpose of considering and acting upon the matters specified in the Notice of Annual Meeting of Shareholders accompanying this Proxy Statement. If the form of proxy which accompanies this Proxy Statement is executed and returned, it may be revoked by the person giving it at any time prior to the voting thereof by written notice to the Secretary, by delivery of a later dated proxy, or by requesting to vote in person at the meeting. Additional solicitations, in person or by telephone or otherwise, may be made by certain directors, officers and employees of the Company without additional compensation. Expenses incurred in the solicitation of proxies, including postage, printing and handling, and actual expenses incurred by brokerage houses, custodians, nominees, and fiduciaries in forwarding documents to beneficial owners, will be paid by the Company.

The Annual Report to shareholders for the year ended December 31, 2004, accompanies this Proxy Statement. Additional copies of the Annual Report may be obtained by writing the Secretary of the Company.

VOTING INFORMATION

Each shareholder is entitled to one vote for each share of the Company's Common Stock held as of the record date. For purposes of the meeting, a quorum means a majority of the outstanding shares. As of the close of business on March 16, 2005, the record date for shareholders entitled to vote at the annual meeting, there were outstanding 4,748,198 shares of Common Stock entitled to one vote each. In determining whether a quorum exists at the meeting, all shares represented in person or by proxy will be counted. A shareholder may, with respect to the election of directors, (i) vote for the election of all named director nominees, (ii) withhold authority to vote for all named director nominees, or (iii) vote for the election of all named director nominees other than any nominee with respect to whom the shareholder withholds authority to vote by so indicating in the appropriate space on the proxy. With respect to any other proposals, a shareholder may vote for, against, or abstain. Proxies properly executed and received by the Company prior to the meeting and not revoked will be voted as directed therein on all matters presented at the meeting. In the absence of a specific direction from the shareholder, proxies will be voted for the election of all named director nominees.

The Directors are elected by a plurality of the votes cast by shares present in person or by proxy at the Annual Meeting and entitled to vote. Consequently, withholding authority to vote in the election of Directors will have no effect on the election of directors. Any other matter which may properly come before the meeting may be approved by a majority of the votes cast at a meeting at which a quorum is present. Broker non-votes will have no effect on any matter at the Annual Meeting.

The Board of Directors knows of no other matter which may come up for action at the Annual Meeting. However, if any other matter properly comes before the Annual Meeting, the persons named in the proxy form enclosed will vote in

Edgar Filing: PATRICK INDUSTRIES INC - Form DEF 14A

accordance with their judgment upon such matter.

1

Shareholder proposals for inclusion in proxy materials for the next Annual Meeting should be addressed to the Company's Secretary, P.O. Box 638, Elkhart, Indiana 46515-0638, and must be received no later than Friday, December 9, 2005. In addition, the Company's By-laws require notice of any other business to be brought before a meeting by a shareholder (but not included in the proxy statement) to be delivered, in writing, to the Company's Secretary, together with certain prescribed information, not less than 90 days nor more than 110 days prior to the first anniversary of the preceding year's annual meeting. Likewise, the Articles of Incorporation and By-laws require that shareholder nominations to the Board of Directors be delivered to the Secretary, together with certain prescribed information in accordance with the procedures for bringing business before an annual meeting which directors are to be elected.

BOARD OF DIRECTORS, COMMITTEES, AND COMMITTEE REPORTS

Edgar Filing: PATRICK INDUSTRIES INC - Form DEF 14A

BOARD OF DIRECTORS:

The Board of Directors had four regular meetings in 2004 and all directors attended all four meetings except Mervin D. Lung, who attended three meetings. Non-employee directors are paid an annual retainer of \$5,000, \$1,000 for each board meeting they attend, and \$1,000 for each committee meeting they attend with a maximum of \$2,000 per combined event. Committee members receive an additional annual retainer of \$5,000, regardless of the number of committees on which they serve. Employee directors receive no compensation as such. On an annual basis in May, each non-employee director is automatically granted a restricted stock award for 3,000 shares of the Company's Common Stock which will vest upon such director's continued service as a member of the Board of Directors for one year or earlier upon certain events.

The Board and committees regularly meet in executive session without the presence of any management directors or representatives. Robert C. Timmins, Chair of the Audit Committee, was designated as the lead independent director for 2004 and will preside over the executive sessions of the Board.

The Corporation expects all Board members to attend the annual meeting of shareholders, but from time to time, other commitments may prevent all directors from attending each meeting. All directors attended the most recent annual meeting of shareholders, which was held on May 14, 2004.

INDEPENDENT DIRECTORS:

The Board of Directors is comprised of nine (9) members, of which, five (5) are classified as independent directors and thus comprise a majority of the Board. The five independent directors are Robert C. Timmins (Lead Director), Terrence D. Brennan, John H. McDermott, Larry D. Renbarger, and Walter E. Wells. The independent directors met six (6) times in 2004.

CORPORATE GOVERNANCE AND NOMINATIONS COMMITTEE PROCESSES

The Corporate Governance and Nominations Committee will consider board nominees recommended by shareholders. Those recommendations should be sent to the Chair of the Corporate Governance and Nominations Committee, care of the Corporate Secretary of Patrick Industries, Inc., P.O. Box 638, Elkhart, IN 46515-0638. In order for a shareholder to nominate a candidate for director, under the Company's By-Laws, timely notice of the nomination must be given in writing to the Secretary of the Company. To be timely, such notice must be received at the principal executive offices of the Company not less than 90 days, or more than 110 days prior to the next annual meeting of shareholders. Notice of nomination must include the name, address and number of shares owned by the person submitting the nomination; the name, age, business address, residence address, and principal occupation of the nominee; and the number of shares beneficially owned by the nominee. It must also include the information that would be required to be disclosed in the solicitation of proxies for election of directors under the federal securities laws, as well as whether the individual can understand basic financial statements and the candidate's other board memberships (if any). The nominee's consent to be elected and serve must be submitted. The Corporate Governance and Nominations Committee may require any nominee to furnish any other information, within reason, that may be needed to determine the eligibility of the nominee. As provided in its Charter, the Corporate Governance and Nominations Committee will follow procedures which the committee deems reasonable and appropriate in the identification of candidates for election to the board and evaluating the background and qualification of

Edgar Filing: PATRICK INDUSTRIES INC - Form DEF 14A

those candidates. Those processes include consideration of nominees suggested by an outside search firm, by incumbent board members, and by shareholders. The committee will seek candidates having experience and abilities relevant to serving as a director of the Company, and who represent the best interests of shareholders as a whole and not any specific group or constituency.

The committee will consider a candidate's qualifications and background, including, but not limited to, responsibility for operating a public company or a division of a public company, international business experience, a candidate's technical background or professional qualification, and any other public company boards on which the candidate is a director. The committee will also consider whether the candidate would be "independent" for purposes of the NASDAQ National Market and rules and regulations of the Securities Exchange Commission. The committee may, from time to time, engage the service of a professional search firm to identify and evaluate potential nominees.

AUDIT COMMITTEE:

The Board of Directors has an Audit Committee comprised of Robert C. Timmins (Chairman), Terrence D. Brennan, John H. McDermott, Larry D. Renbarger, and Walter E. Wells who are not employees of the Company. The Audit Committee's responsibilities include recommending to the Board of Directors the independent accountants to be employed for the purpose of conducting the annual examination of the Company's financial statements, discussing with the independent accountants the scope of their examination, reviewing the Company's financial statements and the independent accountants' report thereon with Company personnel and the independent accountants, and inviting the recommendations of the independent accountants regarding internal controls and other matters. Additionally, the Audit Committee is responsible for approving all non-audit services provided by the independent accountants and reviews these engagements on a per occurrence basis.

All of the members of the Audit Committee are independent as defined in the NASDAQ listing standards and Robert C. Timmins, Terrence D. Brennan, Larry D. Renbarger, and Walter E. Wells all meet the qualifications required to be an audit committee financial expert. Robert Timmins and Larry Renbarger both have public accounting backgrounds. Terrence Brennan served as the President of NBD Bank in Elkhart, Indiana and Walter Wells was the President and Chief Executive Officer of Schult Homes. The Audit Committee met four times in 2004. AUDIT COMMITTEE REPORT

The responsibilities of the Audit Committee, which are set forth in the Audit Committee Charter adopted by the Board of Directors, include providing oversight to the Company's financial reporting process through periodic meetings with the Company's independent auditors, principal accounting officer, and management to review accounting, auditing, internal controls, and financial reporting matters. The management of the Company is responsible for the preparation and integrity of the financial reporting information and related systems of internal controls. The Audit Committee, in carrying out its role, relies on the Company's senior management, including senior financial management, and its independent auditors.

We have reviewed and discussed with senior management the Company's audited financial statements included in the 2004 Annual Report to Shareholders. Management has confirmed to us that such financial statements (i) have been prepared with integrity and objectivity and are the responsibility of management and (ii) have been prepared in conformity with generally accepted accounting principles.

We have discussed with McGladrey & Pullen, LLP, our independent auditors, the matters required to be discussed by SAS 61 (Communications with Audit Committee). SAS 61 requires our independent auditors to provide us with additional information regarding the scope and results of their audit of the Company's financial statements, including with respect to (i) their responsibility under generally accepted auditing standards, (ii) significant accounting policies, (iii) management judgments and estimates, (iv) any significant audit adjustments, (v) any disagreements with management, and (vi) any difficulties encountered in performing the audit.

We have received from McGladrey & Pullen, LLP a letter providing the disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) with respect to any relationships between McGladrey & Pullen, LLP and the Company that in their professional judgment may reasonably be thought to bear on independence.

Edgar Filing: PATRICK INDUSTRIES INC - Form DEF 14A

McGladrey & Pullen, LLP has discussed its independence with us, and has confirmed in such letter that, in its professional judgment, it is independent of the Company within the meaning of the federal securities laws.

Based on the review and discussions described above, with respect to the Company's audited financial statements included in the Company's 2004 Annual Report to Shareholders, we have recommended to the Board of Directors that such financial statements be included in the Company's Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

As specified in the Audit Committee Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and in accordance with generally accepted accounting principles. That is the responsibility of management and the Company's independent auditors. In giving our recommendation to the Board of Directors, we have relied on (i) management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles, and (ii) the report of the Company's independent auditors with respect to such financial statements.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

This report of the Compensation Committee and the following Performance Graph shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

OVERVIEW

The Committee policy is to design compensation programs for salaries, incentive bonus programs, other benefits, and long-term incentive programs for all key executives, including the officers named in the Summary Compensation Table. The goals and objectives of the Committee are to attract and retain top quality management employees and ensure that an appropriate relationship exists between executive pay and the creation of shareholder value. The criteria used to determine the compensation of the Chief

8

Executive Officer will also be used in determining compensation for the other officers. The Committee will also receive the recommendation of the Chief Executive Officer regarding the compensation of the other officers.

Federal tax law imposes a \$1 million limit on the tax deduction for certain executive compensation payments. Because the compensation paid to any executive office is significantly below the \$1 million threshold, the Compensation Committee has not yet had to address the issues relative thereto.

SALARIES

Edgar Filing: PATRICK INDUSTRIES INC - Form DEF 14A

The executive salaries are reviewed annually. The Committee sets executive salaries based on competitive market levels, experience, individual and company performance, levels of responsibility, and pay practices of other companies relating to executives of similar responsibility. The Committee considered the compensation levels of executives at comparable companies and fixed the compensation for the CEO and other executive officers at levels approximating the midrange of such companies. The Committee includes in its consideration comparable companies listed in the CRSP Index for lumber and wood products and other in building products industries. See "Performance Graph."

ANNUAL INCENTIVE

The Company provides an annual bonus plan for executive officers that gives them the opportunity to earn additional compensation based on the performance of the Company. The Chief Executive Officer and the other officers share in this program to achieve certain bonus amounts based on various levels of profitability of the Company.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Neither Paul E. Hassler, President and Chief Executive Officer of the Company, nor Keith V. Kankel, former Interim President and Chief Executive Officer of the Company, participated in the final decisions with respect to their compensation. John H. McDermott is of counsel to the Chicago, Illinois law firm of McDermott, Will & Emery which provides various legal services to the Company.

CERTAIN TRANSACTIONS

The Company leases two buildings from Mr. Mervin Lung used for distribution and manufacturing, under an agreement expiring on April 1, 2005, with an option to purchase on that date. The agreement provides for monthly rental of \$25,029, and the payment of property taxes and insurance premiums on the property. The Company also leases a manufacturing facility from Mr. Mervin Lung under an agreement that expires on August 31, 2005 and the agreement provides for monthly rentals of \$9,146, and the payment of property taxes and insurance premiums on the property.

Mr. Mervin Lung owns a building supply firm which does not serve the Manufactured Housing and Recreational Vehicle industries. The Company purchases certain specialty items from and sells products to such firm. During the year ended December 31, 2004, purchases from such firm totaled \$4,466 and sales to such firm totaled \$17,415.

The Company believes that the terms of each of the above transactions are at least as favorable as those which could have been obtained from unrelated parties.
