This Amendment No.1 to Schedule 13D relates to the shares of common stock, \$0.01 par value per share (the "Shares"), of Peak International Limited, a Bermuda exempted company with limited liability (the "Issuer"). This Amendment No.1 supplementally amends the initial statement on Schedule 13D, filed September 30, 2005 by the Reporting Persons (as defined below). This Amendment No.1 is being filed to report that the arrangement, disclosed in the initial statement on Schedule 13D, between ePak Resources (S) PTE Ltd., a Hong Kong limited liability company ("ePak") and GWA Capital Partners (as defined below), designed to effect a change in the management of the Issuer, has been suspended.

## Edgar Filing: PEAK INTERNATIONAL LTD - Form SC 13D

### Item 1. Security and Issuer.

This Statement relates to the Shares. The address of the principal executive office of the Issuer is 38507 Cherry Street, Unit G, Newark, CA 94560.

### Item 3. Source and Amount of Funds or Other Consideration.

Mound expended \$190,040 of its working capital to purchase the securities reported herein as having been acquired since the filing of the initial statement on Schedule 13D.

The securities held for the accounts of each of Mound, GWA Investments and GWA Master Fund may be held through margin accounts maintained with brokers, which extend margin credit as and when required to open or carry positions in their margin accounts, subject to applicable federal margin regulations, stock exchange rules and such firms' credit policies. The positions which may be held in the margin accounts, including the Shares, are pledged as collateral security for the repayment of the debit balances in the respective accounts.

### Item 4. Purpose of Transaction.

All of the securities reported herein as having been acquired were acquired for investment purposes. Except as set forth herein, none of the Reporting Persons or, to the best of their knowledge, any of the other persons identified herein, has any plans or proposals that relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

The Reporting Persons reserve the right to acquire, or cause to be acquired, additional securities of the Issuer, to dispose of, or cause to be disposed, such securities at any time or to formulate other purposes, plans or proposals regarding the Issuer or any of its securities, to the extent deemed advisable in light of general investment and trading policies of the Reporting Persons, market conditions or other factors. The Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, seeking Board representation, purchasing additional Shares, selling some or all of their Shares, engaging in short selling of or any hedging or similar transaction with respect to the Shares or changing their intention partially or entirely with respect to any and all matters referred to herein.

As previously reported, GWA Capital Partners was considering a plan to effect a change in the management of the Issuer by seeking to replace a majority of its Board of Directors. GWA Capital Partners had agreed in principle to purchase a call right for \$1.00 which would grant the holder thereof the right to require all of the equity holders of ePak, to exchange their equity interests in ePak for Shares. As contemplated, the call right would be exercisable if, among other things, a majority of the Board of Directors of the Issuer was replaced, the Issuer's Board of Directors and stockholders approved a merger (or similar business combination) between ePak and the Issuer, all necessary legal and regulatory approvals had been received, and no condition constituting a material adverse change had occurred. The call right would then be transferable by GWA Capital Partners to the Issuer or one of the Issuer's wholly owned

subsidiaries if the majority of the Issuer's Board of Directors was replaced. In connection with its sale of the call right, ePak was also to grant GWA Capital

## Edgar Filing: PEAK INTERNATIONAL LTD - Form SC 13D

Partners an irrevocable option to purchase up to 4,000,000 fully paid and non-assessable ordinary shares of ePak at an exercise price of \$1.00 per share. The ability to exercise the option would be conditioned on the approval by the Issuer's Board of Directors and stockholders of a merger (or similar business combination) between ePak and the Issuer.

As of the current date, ePak has not issued the call right or the irrevocable option to GWA Capital Partners, and there has been no further communication from ePak to GWA Capital Partners. GWA Capital Partners is therefore no longer currently considering a plan to effect a change in the management of the Issuer. However, GWA will continue to consider all possible alternatives for enhancing value for the shareholders of the Issuer, including through an arrangement with ePak.
