On February 12, 2008, the Compensation Committee of the Board of Directors of the Company approved a performance incentive target for fiscal 2008 under the Company's Amended and Restated Performance Incentive Plan (the "Plan") for executive officers and other corporate employees based upon the Company achieving a specified level of consolidated income from operations and subject to specified potential adjustments. The performance incentive target for The Cheesecake Factory Bakery Incorporated, a wholly owned subsidiary of the Company, also requires achievement of a specified level of operating profit of the bakery division.

For fiscal 2008, the potential percentage of salary payable to an executive officer as a performance achievement bonus under the Plan ranges from 9% to 60% of base salary, depending upon the level of the Company's achievement of its performance incentive target (from 90% to 105%) and the executive officer's position in the Company.
