These transactions were made in the open market except as otherwise noted herein, including in Item 6 and in Schedule A, which is incorporated by reference herein.

CUSIP No. 06738E204

Item 4.

Purpose of Transaction.

The Reporting Persons purchased the Shares based on the Reporting Persons' belief that the Shares, when purchased, were undervalued and represented an attractive investment opportunity. Depending upon overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of Shares at prices that would make the purchase or sale of Shares desirable, the Reporting Persons may endeavor to increase or decrease their position in the Issuer through, among other things, the purchase or sale of Shares or derivatives on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable.

The Reporting Persons have engaged in discussions with management and the board of directors of the Issuer (the "Board") regarding the Issuer's performance, capital structure, financial condition, and strategic direction and, generally, opportunities to protect and materially enhance value for the Issuer's shareholders. In connection with those discussions, the Reporting Persons made a formal written proposal to the chairman of the Issuer in September 2018, suggesting that the Board voluntarily appoint Mr. Bramson to serve on the Board as a non-executive director. This proposal was rejected by the Board in November 2018. On February 4, 2019, the Reporting Persons submitted to the Issuer a resolution to be voted on by shareholders at the Issuer's 2019 annual general meeting, proposing that Mr. Bramson be appointed to the Board of the Issuer. The Reporting Persons intend to continue their engagement with the Issuer regarding these matters, which may include further proposals regarding Board composition, including the appointment of additional directors or removal of one or more directors.

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon or in connection with completion of, or following, any of the actions discussed herein. The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors including, without limitation, the Reporting Persons' investment strategy, the Issuer's financial position, the price levels of the Shares, and conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, engaging in additional communications with management and the Board, engaging in discussions with stockholders of the Issuer or other third parties about the Issuer and the Reporting Persons' investment, including making recommendations, proposals, or suggestions to the Issuer concerning changes to the Issuer's financial policy, capitalization (including corporate debt structure), operational performance, capital allocation, and Board composition. The Reporting Persons may also purchase additional Shares, sell some or all of their Shares, engage in short selling of or any hedging or similar transaction with respect to the Shares, including swaps and other derivative instruments, enter into share lending or borrowing arrangements, enter into new derivative transactions, renew or extend existing derivative transactions, or repay derivative-related borrowings from their existing working capital or from proceeds of further capital calls. The Reporting Persons believe that the Issuer may be required to raise additional equity capital to strengthen its capital position and the Reporting Persons may also consider using their working capital or proceeds of further capital calls to participate in such offering. The foregoing represents the Reporting Persons' present intentions, which may change with respect to any and all matters referred to in Item 4.
