The purpose of this Schedule 13D/A is to reflect additional purchases of Common Stock by the Fund, as well as certain conversations between representatives of the Fund and members of the Issuer's board of directors over the past week. In those conversations, the Fund continued to request that (i) the Issuer immediately move to create an independent board of directors and appoint two designees of the Fund to the Issuer's board of directors, to fill the vacancies recently created by the resignations of Messrs. Halpin and Weisman; and (ii) Messrs. Jessie and Joey Sutton, the sons of Morris Sutton, immediately resign or be removed as officers and employees of the Issuer. The Reporting Persons continue to believe that a more independent board of directors would provide greater value to the Company and its shareholders, and that the board has improperly served to implement the personal directives of Morris Sutton at a great cost to the Company and its shareholders. The Fund has proposed that its two managing directors be appointed to the Issuer's board of directors to fill the vacancies recently created by the unexpected resignations of Messrs. Halpin and Weisman. In doing so, the Issuer would have a primarily independent board that is far more likely to serve and represent the interests of all of the Issuer's shareholders, and not merely one constituency led by Morris Sutton. Further, the Reporting Persons believe that Messrs. Jessie and Joey Sutton do little to further the Issuer's business and strategic objectives, and have been placed in such high-paying positions of management as a result of Morris Sutton's selfish desire to compensate his own children at the expense of the Company and its shareholders.

The Fund has been advised by members of the Issuer's board of directors that it will receive a response during the week of March 13th to its request to appoint two nominees to the board and to terminate Messrs. Jessie and Joey Sutton. In the event that the Fund does not receive a satisfactory response within this time frame, it intends to more actively seek to change the composition of the Issuer's board and to effect the other changes it has been seeking, including, without limitation, by means of seeking to call a special meeting of shareholders to elect a new slate of directors.

Item 3. Source and Amount of Funds or Other Consideration.

Since the date of the previous amendment number 8 to the Schedule 13D, the Fund used \$233,229 of investment capital to purchase an aggregate of 195,223 shares of Common Stock.

Item 4. Purpose of Transaction.

The shares of Common Stock owned by the Reporting Persons were acquired for investment purposes. The Reporting Persons have purchased and hold the shares of Common Stock reported by them for investment purposes.

On May 11, 2005, one of the Reporting Persons, sent a letter to the Issuer's board of directors requesting that (i) two nominees of the Fund be appointed to serve on the Issuer's board, (ii) the Issuer withdraw and amend its recently-filed proxy statement relating to its 2005 annual meeting of shareholders, to remove from shareholder consideration the proposal to amend the Issuer's certificate of incorporation to permit a staggered board consisting of three classes of directors, (iii) the board conduct a thorough review of the Issuer's operations and business model, with a view to maximizing financial performance and limiting SG&A growth to ensure that the forecasted 50% revenue growth the Issuer has publicly projected in fiscal 2005 translates into healthy margin expansion and improved earnings as a percentage of overall revenues; and (iv) that management compensation be better aligned with operating results and shareholder return. The letter further states that in the event that the Issuer's common shares continue in the Fund's view to remain undervalued, that it may seek to accumulate additional common shares and become more actively involved in the Issuer. The Issuer's board has failed to respond to the May 11, 2005 letter.

On September 28, 2005, the Fund made an offer (the "Offer") to the Issuer in a letter addressed to the Issuer's board of directors to invest \$5 million in the Issuer through the purchase from the Issuer of 3,333,333 shares of Common Stock at a price of \$1.50 per share, representing a premium of 13.6% over the closing price of the Common Stock on the date immediately preceding the Offer.

On October 6, 2005, the Fund received a response from the Issuer's board of directors that stated only that the board reviewed the Offer and "does not feel that this proposal is in the best interests of our shareholders (other than Trinad). The Issuer has failed to provide any further explanation or justification for its response.

On October 18, 2005, the Fund sent another letter to the Issuer's board requesting that it immediately begin exploring strategic alternatives to increase shareholder value, including, without limitation, a debt or equity financing to improve liquidity, one or more strategic acquisitions (combined with any required financing), a merger of the Issuer with another company or a sale of the Issuer, whether through the sale of its assets, a merger or consolidation or otherwise. In that letter, the Fund also requested the immediate resignation of Jesse Sutton as a member of the board of directors of the Issuer.

Despite an announcement by the Issuer that it had amended its existing Factoring Agreement, the Reporting Persons continue to believe that the Issuer is facing a liquidity crisis. Further, to the knowledge of the Reporting Persons, the Issuer has not received any other offers to make an equity investment in the Issuer. The Reporting Persons continue to believe that the Issuer would stand to benefit substantially by the infusion of additional equity capital. Such equity capital would improve the Issuer's financial position and increase the likelihood that it would be able to obtain additional, needed equity capital and funds from additional borrowings, if necessary. Accordingly, on October 28, 2005, the Fund made another offer (the "Revised Offer") to the Issuer's board of directors to invest \$7.5 million in the Issuer through the purchase from the Issuer of approximately 4,285,714 shares of Common Stock at a price of \$1.75 per share, representing a premium of more than 20% over the closing price of the Common Stock on the date immediately preceding the Offer. The Revised Offer also represents an increase of 16.7% in the per share price, and an aggregate increase of \$2,500,000, compared to the initial Offer. The Revised Offer was subject to a satisfactory due diligence review of the Issuer and to majority representation on the Issuer's board of directors of qualified individuals nominated by the Fund. The Issuer's board failed to respond to the October, 28, 2005 letter.

On November 7, 2005, the Fund sent another letter to the Issuer's board in which it questioned the failure by the Issuer to respond to the Fund's offer to provide \$7.5 million in equity financing to the Issuer at a price that represents a substantial premium to the then-trading price of the Issuer's Common Stock. In that letter the Fund also requested that the Issuer immediately call a special meeting of the shareholders so that the Issuer's shareholders may immediately consider again whether a staggered board is appropriate given the Issuer's disappointing performance, and whether the current members of the board are suitable to continue to lead the Issuer.

On February 10, 2006, in the wake of the resignation of two additional members of the Issuer's board of directors, the Fund sent another letter to the Issuer's board, in which the Fund requested the following:

- that the Issuer immediately move to create an independent board of directors and appoint two designees of the Fund to the Issuer's board of directors, to fill the vacancies recently created by the resignations of Messrs. Halpin and Weisman;
- that Messrs. Jessie and Joey Sutton, the sons of Morris Sutton, immediately resign or be removed as officers and employees of the Issuer; and
- that Morris Sutton, the Chief Executive Officer and a member of the board of directors of the Issuer, cease making threats to resign from the Issuer and establish a new business in competition with the Issuer.

Once again, the Issuer failed to formally respond to this letter.

The Fund continues to request that the Issuer immediately create an independent board of directors and appoint two designees of the Fund as discussed above, and that Messrs. Jessie and Joey Sutton, the sons of Morris Sutton, immediately resign or be removed as officers and employees of the Issuer. The Reporting Persons continue to believe that a more independent board of directors would provide greater value to the Company and its shareholders, and that the board has improperly served to implement the personal directives of Morris Sutton at a great cost to the Company and its shareholders. The Fund has proposed that its two managing directors be appointed to the Issuer's board of directors to fill the vacancies recently created by the unexpected resignations of Messrs. Halpin and Weisman. In doing so, the Issuer would have a primarily independent board that is far more likely to serve and represent the interests of all of the Issuer's shareholders and not merely one constituency led by Morris Sutton. Further, the Reporting Persons believe that Messrs. Jessie and Joey Sutton do little to further the Issuer's business and strategic objectives, and have been placed in such high-paying positions of management as a result of Morris Sutton's selfish desire to compensate his own children at the expense of the Company and its shareholders.

The Fund has been advised by members of the Issuer's board of directors that it will receive a response during the week of March 13th to its request to appoint two nominees to the board and to terminate Messrs. Jessie and Joey Sutton. In the event that the Fund does not receive a satisfactory response within this time frame, it intends to more actively seek to change the composition of the Issuer's board and to effect the other changes it has been seeking, including, without limitation, by means of seeking to call a special meeting of shareholders to elect a new slate of directors.

The Reporting Persons may at any time, or from time to time, acquire additional shares of Common Stock or dispose of their shares of Common Stock, propose or pursue any of the foregoing actions or matters or change their intentions with respect to the matters referred to herein.
