Timeline: The Story of the Abrupt Termination of the Special Committee

The story of Mr. Vinod Gupta's opportunistic and undervalued \$11.75 bid to purchase shares of infoUSA and the abrupt termination of the Special Committee formed to evaluate the Gupta proposal and other strategic alternatives. DOLPHIN RELEASES infoUSA BOARD MINUTES RELATED TO ABRUPT TERMINATION OF THE SPECIAL COMMITTEE OF THE BOARD

Special Committee Had Previously Determined to Seek Other Alternatives After Rejecting Vinod Gupta's Acquisition Proposal

Minutes Reveal Divided Board

STAMFORD, Conn., April 27, 2006 - Dolphin Limited Partnership I, L.P. and Dolphin Financial Partners, L.L.C. which together own 2.0 million shares, or 3.6% of the outstanding shares of *infoUSA* Inc. (Nasdaq: IUSA), today released previously undisclosed *infoUSA* minutes related to the surprising and abrupt termination of the Special Committee of the Board that had been formed to consider Mr. Vinod Gupta's \$11.75 per share offer for the Company. Here **all** shareholders will see first hand the manner in which this Committee was terminated by a full Board led by Mr. Vinod Gupta.

Mr. Vinod Gupta and Dr. George Haddix, both Company nominees for election at the 2006 annual shareholders meeting, voted to terminate the Special Committee. Company nominee, Dr. Vasant Raval, abstained from the vote.

Dolphin notes that Mr. Vinod Gupta's failed, opportunistic offer had been made:

- just five days after *infoUSA* issued an earnings warning that knocked over 20% off the company's share value; and
- just three months after Mr. Vinod Gupta publicly stated that *infoUSA* shares were worth in excess of \$18 per share.

The documents, along with a timeline related to the termination of the special committee, are available on www.iusaccountability.com.

Dolphin noted today that the stock price of *infoUSA* is down now by approximately 9% following missed earnings announced by the Company on April 21, 2006. Dolphin today reminded Mr. Vinod Gupta and the full Board that all *infoUSA*'s shareholders would be better served by focusing on improving the Company's earnings and the conduct of the full Board, rather than the recent, desperate efforts to mislead shareholders on the real issues confronting the Company.

Dolphin has proposed three new, highly qualified and independent directors: Mick Aslin, former president and CEO of Gold Banc Corp, Karl Meyer, retired chairman of Ermis Maritime Holdings Ltd. and Robert A. Trevisani, a Boston-based attorney. These nominees are committed to serving only to benefit **all** shareholders and have no ties with Dolphin, *infoUSA* or *infoUSA*'s management.

VIN GUPTA & COMPANY, LLC
Omaha, Nebraska

June 13, 2005

Board of Directors
infoUSA INC.
5711 South 86th Circle
Omaha, NE 68127

Gentlemen:

Pursuant to the terms and conditions set forth in this letter, Vin Gupta & Company, LLC., an entity in which I am the manager and principal shareholder proposes to purchase all of the outstanding common stock of infoUSA INC. ("infoUSA" or the "Company") that I don't presently own for \$11.75 per share in cash. This proposed price represents a 25% premium to today's closing share price. It also represents a substantial premium to the volume-weighted average closing prices for the Company's common stock for the 30 day, 60 day, 90 day and one year periods ending today.

In this transaction, I would contribute my entire equity ownership interest in infoUSA. The funds necessary to provide for the cash portion of this transaction would be obtained solely from debt financing, so that I do not intend to have any other equity investors in this transaction other than certain members of management. I and our financial advisors have had confidential discussions with several global financial institutions and we are confident that this transaction will be completed expeditiously and consistent with the terms proposed herein. These lenders have each advised us that they are committed to dedicate the resources and time required to successfully complete the process in a timely manner.

Closing of this transaction would be subject to a number of customary conditions, including but not limited to finalizing the debt financing, including completion of definitive documentation on mutually acceptable terms, and receipt of necessary approvals, all of which we believe will be received in a timely manner. Assuming full cooperation from the Board of Directors of the Company, we believe that this transaction may be closed within 90 days.

This letter of course constitutes a non-binding proposal and no party shall be bound in any way in connection with the transaction

contemplated hereby until the parties execute mutually acceptable definitive documents.

It is my belief that this proposal offers infoUSA's shareholders the best opportunity to realize a very attractive value for their shares. It also offers employees of infoUSA the opportunity to remain with the Company and continue serving our customers. As the Board considers its response to this proposal, it should be aware that I do not desire to dispose of any of my shares of infoUSA common stock, nor do I intend to vote in favor of any transaction involving a change in control of the Company other than the proposed transaction.

We look forward to your response to this proposal. Please feel free to contact me (at the number set forth herein) or Rick Massey of Stephens Inc., our lead financial advisor (at 501-377-3461) if you would like to discuss further any aspect of our proposal.

Sincerely,

MINUTES OF THE
JUNE 21, 2005 MEETING
OF THE SPECIAL COMMITTEE
OF THE
BOARD OF DIRECTORS OF
infoUSA, INC.

A telephonic meeting of the Special Committee (the "Committee") of the Board of Directors of *infoUSA, Inc.* (the "Company") was held on Tuesday, June 21, 2005. Martin Kahn, Charles Stryker, Vasant Raval and Anshoo Gupta were present. Warren de Wied, Robert Schwenkel, Brian Mangino and Tiffany McConnell of Fried, Frank, Harris, Shiver & Jacobson LLP ("Fried Frank") also participated. Prior to the meeting, Fried Frank circulated to the members of the Committee materials, including an agenda, a board presentation, and memoranda concerning fees paid to Special Committee members and financial advisors in similar transactions and considerations relevant to the selection of a financial advisor.

The meeting was called to order at approximately 1:00 p.m.

Messrs. de Wied and Schwenkel made a presentation to the Committee relating to the proposal by Vin Gupta & Company LLC to acquire all of the outstanding shares of the Company (the "Gupta Proposal"). The presentation addressed the terms of the Gupta Proposal, the fiduciary duties of Committee, legal considerations relevant to the evaluation by the Committee of the Gupta Proposal and potential responses to the Gupta proposal. Messrs. de Wied and Schwenkel responded to questions.

Mr. de Wied also reviewed certain structural considerations relevant to the Gupta Proposal. In particular, Mr. de Wied noted that Mr. Gupta is currently exempt from the Company's shareholder rights plan, and that it may be desirable for the Company to enter into a standstill agreement or to amend the shareholder rights plan to prevent Mr. Gupta from increasing his ownership interest in the Company while the Committee is considering the Gupta Proposal.

After the presentation, the Committee discussed the position of Chairman of the Special Committee. After discussion, the members of the Committee unanimously determined that Martin Kahn should be appointed as the chairman of the Special Committee.

Following this discussion, the Committee discussed potential compensation of the Committee members. Fried Frank presented to the Committee information concerning compensation of similar committees. The Committee determined to recommend to the Board of Directors fees of \$75,000 per Committee member for the remainder of 2005. The Committee, at Mr. Kahn's request, postponed discussion of the compensation of Mr. Kahn as Chairman of the Committee until the end of the meeting.

The Committee then reviewed a draft letter to Mr. Gupta prepared by Fried Frank elaborating certain principles governing Mr. Gupta's conduct during the period in which the Committee is considering the Gupta Proposal. The Committee suggested certain changes to the

draft letter and Fried Frank agreed to circulate a revised draft of the letter in response to the Committee's comments.

The Committee then discussed the process for selecting a financial advisor. The Committee discussed qualifications relevant to selecting a financial advisor and reviewed various investment banking firms that had either approached the Committee or been identified by members of the Committee or Fried Frank as potential candidates. After further discussion, the Committee unanimously determined to invite each of *_____, Lazard Freres & Co., Inc., *_____ to make presentations to the Committee. The Committee determined that the presentations would be made on June 30 and, if necessary, July 1, 2005, at the offices of Fried Frank located at 375 Park Avenue, New York City.

A discussion ensued as to whether, the Committee should employ an outside public relations firm to handle media inquiries and press releases issued by the Committee. After discussion, the Committee determined that an outside firm was not necessary at this time, but that this determination would be revisited as the process continued if necessary.

The Committee then discussed the scheduling and agenda for future meetings.

Mr. Kahn then left the meeting. The remaining Committee members discussed the appropriate compensation for Mr. Kahn as Chairman of the Committee. The Committee concluded that an additional \$25,000 of compensation was reasonable given Mr. Kahn's increased responsibilities as Chairman.

The meeting was adjourned at approximately 3:05 p.m.

Following the presentation, the Committee, Lazard and Fried Frank discussed the next steps in the process of responding to Mr. Vin Gupta’s proposal.

After lengthy discussions where Lazard and Fried Frank responded to various questions from the Committee, the Committee authorized Martin Kahn, the Chairman of the Committee, to contact Mr. Vin Gupta and inform Mr. Vin Gupta of the following:

Based upon the preliminary information reviewed by the Committee, including the *infoUSA* financial projections, which Lazard noted had been prepared by members of management participating in Mr. Gupta’s bid, it believed that Mr. Gupta’s proposal undervalues *infoUSA*; and

1 that the Committee believes, in light of the background to Mr. Vin Gupta’s proposal (including prior public statements about the company’s growth prospects and value), as well as his position as CEO of the company, that any sale transaction will require a market test.

The Committee determined, and authorized Mr. Kahn to convey its view to Mr. Vin Gupta, that while the Committee has made no decision to recommend any transaction, in light of Mr. Vin Gupta’s proposal and potential alternatives available to the Company, it is in the best interests of the Company’s stockholders to explore possible strategic alternatives for the Company at this time.

Mr. Kahn was further authorized to present Mr. Vin Gupta with two different alternative processes to achieve a market test. Under the first alternative, Mr. Gupta would be given an opportunity to negotiate with the Committee on an exclusive basis, with the understanding that

there would be a post-signing market check and that Mr. Gupta would be required to commit to support a sale of the company if a higher offer were ultimately obtained. Under the second alternative, Mr. Gupta would be invited to participate along with other interested parties in an exploration of potential strategic alternatives, but would not be given exclusivity and would not be required to commit to support an alternative transaction.

Members of Lazard were then excused from the meeting.

The Committee then discussed the status of the lawsuit filed by Eileen Tyrrell against Mr. Vin Gupta, the Company and the members of the Board of Directors.

There being no further business, the meeting was adjourned at approximately 5:00 p.m.

Minutes of a Meeting

of the Board of Directors

August 26, 2005

A meeting of the Board of Directors of *infoUSA Inc.*, a Delaware corporation (the “Company”), was held at 10:00 a.m. (Central Daylight Savings Time), on Friday, August 26, 2005, by telephonic conference call.

The following directors participated in the meeting: Vinod Gupta, Harold W. Andersen, Anshoo Gupta, George F. Haddix, Martin F. Kahn, Elliot S. Kaplan, Dr. Vasant H. Raval, Charles W. Stryker and Dennis P. Walker. No directors were absent. The following persons also participated in the meeting: Raj Das and Fred Vakali of the Company; and Eric O. Madsen of Robins, Kaplan, Miller & Ciresi L.L.P. Vin Gupta chaired the meeting and Mr. Madson recorded the minutes. Noting that a quorum was present, Mr. Gupta called the meeting to order.

Vin Gupta, in his capacity as a stockholder of the Company, confirmed to the Board that he had withdrawn his proposal to acquire all shares of common stock of the Company not owned by Mr. Gupta, at a price of \$11.75 per share in cash.

Mr. Kahn presented a report on behalf of the Special Committee composed of Anshoo Gupta, Mr. Kahn, Dr. Raval and Mr. Stryker. Throughout his report, Mr. Kahn and other members of the Special Committee addressed questions from the directors. Mr. Kahn reviewed the formation of the Special Committee following the Company’s receipt of Mr. Gupta’s proposal, and the scope of its authority as set forth in the resolutions of the Board of Directors establishing the Special Committee. He discussed the process conducted by the Special Committee, including the engagement of Fried, Frank, Harris, Shriver & Jacobson LLP as legal counsel to the Special Committee and Lazard Freres & Co. LLC as financial advisor to the Committee, the conducting of interviews with members of management, and the receipt and consideration of a financial review of the Company by Lazard. He reported that the Special Committee had met with its legal and financial advisors on August 23, 2005; that Lazard presented a preliminary report with respect to the fair value of the Company; that based on Lazard’s analysis the Special Committee unanimously felt that Mr. Gupta’s offer of \$11.75 per share undervalued the Company, and that the Special Committee felt that a transaction with Mr. Gupta should not be concluded without conducting a “market check.” Mr. Kahn discussed how a market check could be conducted. Mr. Kahn reported that he communicated the Special Committee’s response to Mr. Gupta on August 24, 2005, and that Mr. Gupta then advised the Special Committee that he would withdraw his proposal.

The directors discussed the report of the Special Committee in light of Mr. Gupta’s withdrawal of his proposal. Members of the Special Committee discussed communications that

had been directed to the Special Committee by stockholders relating to Mr. Gupta's proposal, and reported that such stockholders generally felt that a price of \$11.75 per share was too low. Mr. Gupta stated that, from his perspective as a stockholder, the Company was not for sale, and that he would not sell his shares to a third party. Directors noted that a third party would be free to submit a proposal even if the Company did not proactively seek such proposals, that if a proposal were received from a third party, such proposal could be considered by the full Board, and that while a special committee of disinterested directors was needed to consider Mr. Gupta's proposal, the need for such a committee no longer exists in view of the withdrawal of Mr. Gupta's proposal.

The directors discussed whether it was desirable at this time to proactively seek alternative proposals. They first discussed the interests of the Company's stockholders. They next discussed the potential disruption in the Company's operations that could result from continued exploration of strategic alternatives, including demands on management's time, a possible adverse impact on the Company's ability to retain key employees, the creation of uncertainty for and the possible adverse impact on employees in general, and consequential adverse impact on the interests of the Company's stockholders. Finally, the directors discussed whether the Special Committee had completed its charge, and whether or not the Special Committee should be dissolved.

After discussion, the following motion was made by Mr. Haddix and seconded by Mr. Walker:

WHEREAS, in June 2005 the Company received a written proposal from Vin Gupta & Company, LLC, an entity controlled by Vin Gupta, Chairman, Chief Executive Officer and principal stockholder of the Company, for the acquisition of all shares of common stock of the Company not owned by Mr. Gupta, at a price of \$11.75 per share in cash (the "Proposal"); and

WHEREAS, the Board of Directors established a Special Committee to take all actions of the Board of Directors with respect to the Proposal and any matters relating to or arising from the Proposal, including any actions that the Special Committee deemed appropriate or necessary for the proper discharge by the Special Committee of its fiduciary duties and other obligations under applicable law; and

WHEREAS, the Special Committee has determined, based on preliminary information, that the Proposal should not be accepted and Mr. Gupta has withdrawn the Proposal; and

WHEREAS, the purpose for which the Special Committee was established no longer exists;

NOW, THEREFORE, BE IT

RESOLVED, that the Special Committee is hereby dissolved, effective immediately; that the delegation of authority to the Special Committee is hereby terminated and such authority is hereby restored to the full Board of Directors; and that the affairs of the Special Committee shall be wound up as soon as practicable.

The directors discussed the motion and related matters. After discussion, the motion was adopted by the affirmative vote of a majority of the directors. The following directors voted in favor of the motion: Mr. Andersen, Mr. Vinod Gupta, Mr. Haddix, Mr. Kaplan and Mr. Walker. The following directors voted against the motion: Mr. Anshoo Gupta, Mr. Kahn and Mr. Stryker. Dr. Raval abstained from voting on the motion.

Upon completion of the foregoing matters, there being no further business, the meeting was adjourned.

Respectfully Submitted:

Eric O. Madson, Secretary of the Meeting
