Optional Redemption:

The issuer may redeem the 2019 Notes in whole or in part, at any time prior to March 28, 2019 (their maturity date), at a redemption price equal to the greater of:

(i) 100% of the principal amount of the 2019 Notes being redeemed; and

The issuer may redeem the 2027 Notes in whole or in part, at any time prior to January 1, 2027 (three months prior to their maturity date), at a redemption price equal to the greater of:

(i) 100% of the principal amount of the 2027 Notes being redeemed; and

(ii) the sum of the present values of the remaining scheduled payments of principal and interest on the 2019 Notes to be redeemed (excluding any portion of such payments of interest accrued and paid as of the date of redemption), discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the adjusted treasury rate, as described in the preliminary prospectus supplement, plus 10 basis points,

plus, in each case, accrued and unpaid interest to, but not including, the date of redemption.

(ii) the sum of the present values of the remaining scheduled payments of principal and interest on the 2027 Notes to be redeemed (excluding any portion of such payments of interest accrued and paid as of the date of redemption and assuming that the 2027 Notes matured on January 1, 2027), discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the adjusted treasury rate, as described in the preliminary prospectus supplement, plus 15 basis points,

plus, in each case, accrued and unpaid interest to, but not including, the date of redemption.

In addition, at any time on and after January 1, 2027 (three months prior to their maturity date), we may at our option redeem the 2027 Notes, in whole or in part, at a redemption price equal to 100% of the principal amount of the 2027 Notes being redeemed, plus accrued and unpaid interest to, but not including, the date of redemption.

*** We expect to deliver the notes against payment for the notes on the fifth business day following the date of this pricing term sheet (T+5). Under Rule 15c6-1 of the Exchange Act, trades in the secondary market generally are required to settle in three business days, unless the parties to a trade expressly agree otherwise. Accordingly, purchasers who wish to trade notes prior to the third business day before the date of delivery of the notes hereunder will be required, by virtue of the fact that the notes initially settle in T+5, to specify an alternate settlement arrangement at the time of any such trade to prevent a failed settlement.**
