Included among our procedures were the following tests performed as of December 29, 2000, and with respect to agreement of security purchases and sales, for the period from September 28, 2000 (the date of our last examination) through December 29, 2000.

- o Confirmation of all such securities out for transfer with brokers;
- o Reconciliation of all such securities to the books and records of the Company;
- o Agreement of 40 security sales and 4 security purchases since our last report from the books and records of the Company or the broker confirmations.

We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the specified requirements.
