Item 1.01. Entry Into a Material Definitive Agreement.

Credit Agreement

On August 31, 2009, in order to obtain longer term financing with a more flexible covenant package, Sotheby's and certain of its wholly-owned subsidiaries (collectively the "Borrowers"), entered into a Credit Agreement (the "Credit Agreement") with General Electric Capital Corporation ("GE Capital"), as Agent, GE Capital Markets, Inc. and HSBC Bank PLC as Joint Lead Arrangers and Joint Bookrunners, and the lenders named therein (collectively, the "Lenders"). In connection with the entry into the Credit Agreement, Sotheby's terminated its senior secured revolving credit facility agented by Bank of America, N.A. (the "BofA Credit Agreement"), as discussed in Item 1.02 below.

The following summary does not purport to be a complete summary of the Credit Agreement and is qualified in its entirety by reference to the Credit Agreement, a copy of which is filed herewith as Exhibit 10.1 and is incorporated by reference herein. Terms used, but not defined, in this Form 8-K have the meanings set forth in the Credit Agreement.

The Credit Agreement provides for a \$200 million revolving credit facility to the Borrowers (the "Revolving Credit Facility"), with a sublimit of \$50 million for borrowings by the U.K. Borrowers (as defined below). Borrowings under the Revolving Credit Facility may be used for general corporate purposes, including working capital and capital expenditures, and may be made from time to time until maturity on August 31, 2012. Up to \$10 million of the Revolving Credit Facility may be used to issue letters of credit. Borrowings under the Revolving Credit Facility are limited by a borrowing base, which is equal to 85% of Eligible Art Loans (as defined below), plus 30% of Eligible Art Inventory (as defined below, but subject to a maximum amount of \$50 million), plus 15% of Consolidated Net Tangible Assets (as defined below, but subject to a maximum balance of \$20 million), subject to certain reserves. As of August 31, 2009, the borrowing capacity under the Credit Agreement was \$136 million, as calculated under the borrowing base.

Borrowings under the Revolving Credit Facility are available in either Dollars (to Borrowers located in the United States ("U.S. Borrowers")) or Pounds Sterling (to Borrowers located in England ("U.K. Borrowers")). Borrowings shall, at the Borrowers' option, be either Dollar Index Rate Loans (for U.S. Borrowers only) or LIBOR Loans. Dollar Index Rate Loans bear interest from the applicable borrowing date at a rate per annum equal to (a) the highest of (i) the "Prime Rate" as quoted The Wall Street Journal, (ii) the Federal Funds Rate *plus* 3%, or (iii) the LIBOR Rate plus 1.0%, *plus* (b) the Applicable Margin, as defined in the Credit Agreement and which is generally 3.0% to 3.5% based upon the level of outstanding borrowings under the Revolving Credit Facility. The LIBOR Rate for Dollars or Sterling, as the case may be, for an Interest Period is equal to (x) the highest of (i) the offered rate for deposits in such currency for a period equal to such Interest Period on the Reuters Screen LIBOR01 Page, (ii) if the Interest Period is less than three months, the offered rate for deposits in such currency on the Reuters Screen for an Interest Period of three months, and (iii) 2%, *plus* (y) the Applicable Margin, as defined in the Credit Agreement, and which is generally 4.0% to 4.5% based upon the level of outstanding borrowings under the Revolving Credit Facility.

The Borrowers have the right to prepay loans under the Revolving Credit Facility, in whole or in part, at any time prior to maturity. If the Borrowers prepay or terminate the Revolving Credit Facility prior to the second anniversary of the closing, the Borrowers shall pay a fee of 1% if the prepayment occurs prior to the first anniversary or .50% if the prepayment occurs after the first anniversary and prior to the second anniversary. The Credit Agreement also includes certain mandatory prepayment provisions with respect to the Revolving Credit Facility in the event of dispositions of property or other events that result in certain net cash proceeds.

The U.S. Borrowers and, subject to certain limitations, the U.K. Borrowers, are jointly and severally liable for all obligations under the Credit Agreement pursuant to the terms and conditions set forth in the Credit Agreement. In addition, certain subsidiaries of the Borrowers guaranty the obligations of the Borrowers under the Credit Agreement. The obligations under the Credit Agreement are secured by liens on all or substantially all of the personal property of the Borrowers and the guarantors.

The Credit Agreement contains certain customary affirmative and negative covenants. Affirmative covenants include: furnishing to the Lenders periodic financial information of Sotheby's and its subsidiaries; paying and discharging, at or before maturity, material obligations and liabilities; preservation of legal existence and corporate identity; maintenance of properties; compliance with all laws and regulations; maintaining proper insurance coverage; maintenance of books and records; limitations on capital expenditures; limitations on net outstanding auction guarantees and limitations on the use of proceeds from the credit extensions. Negative covenants include: limitations on the creation of liens, limitations on the incurrence of other indebtedness and making certain investments; and limitations on the ability to merge, liquidate, consolidate, dispose of assets or capital stock, and materially change the nature of the business. The Credit Agreement restricts quarterly dividend payments to the lesser of \$0.05 per share or \$4 million. The maximum level of quarterly dividend payments may be increased depending on the Fixed Charge Coverage Ratio covenant.

The Credit Agreement contains the following financial covenants, which are only applicable during each Financial Covenant Compliance Period (as defined below):

- A minimum Fixed Charge Coverage Ratio (as defined below) covenant. Under this financial covenant, Sotheby's Fixed Charge Coverage Ratio may not be less than (a) 1.00 to 1.00 for the twelve month period ending December 31, 2009, (b) 1.05 to 1.00 for the twelve month period ending March 31, 2010 and (c) 1.15 to 1.00 for the twelve month periods ending as of the last day of any fiscal quarter subsequent to March 31, 2010.
- A minimum EBITDA (as defined below) covenant. Under this financial covenant, Sotheby's consolidated EBITDA may not be less than (a) \$60 million for the twelve month period ending December 31, 2009, (b) \$65 million for the twelve month period ending March 31, 2010, (c) \$75 million for the twelve month periods ending June 30, 2010 and September 30, 2010, (d) \$80 million for the twelve month period ending December 31, 2010 and (e) \$100 million for the twelve month periods ending as of the last day of any fiscal quarter subsequent to December 31, 2010.

The Credit Agreement also includes events of default (with customary grace periods), including: nonpayment of principal, interest, fees or other amounts when due; violations of covenants; inaccuracies of representations and warranties; cross-defaults; a material misstatement in any borrowing base certificate, the occurrence of certain insolvency proceedings; certain judgments; certain ERISA events; invalidity of loan documents; the occurrence of a Change of Control; and failure of collateral documents to create a lien.

Sotheby's incurred total fees related to the Credit Agreement of approximately \$7 million, which will be amortized on a straight-line basis to interest expense over the three-year term of the facility. Additionally, commitment fees of 1.00% per annum will be charged to Sotheby's for undrawn amounts available under the Revolving Credit Facility.

Sotheby's believes that operating cash flows, cash or any short-term investment balances and borrowings available under the Credit Agreement will be adequate to meet its anticipated short-term and long term commitments, operating needs and capital requirements for the next twelve months and through the expiration of the Credit Agreement. (See statement on Forward Looking Statements.)
