INDEPENDENT AUDITOR'S REPORT

To the Clear Channel Communications, Inc. 401(k) Savings Plan
San Antonio, Texas

We have audited the accompanying statements of net assets available for plan benefits of the Clear Channel Communications, Inc. 401(k) Savings Plan as of December 31, 2001 and 2000, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2001. These financial statements and schedules are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of Clear Channel Communications, Inc. 401(k) Savings Plan as of December 31, 2001 and 2000, and the changes in its net assets available for plan benefits for the year ended December 31, 2001, in conformity with accounting principles generally accepted in the United State of America.

Edgar Filing: CLEAR CHANNEL COMMUNICATIONS INC - Form 11-K

Our audit of the Plan's financial statements as of and for the year ended December 31, 2001, was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of assets held for investment purposes as of December 31, 2001, and non-exempt transactions for the year ended December 31, 2001, are presented for the purpose of additional analysis and are not a part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental information is the responsibility of the Plan's management. The supplemental information has been subjected to the auditing procedures applied in the audit of the basic financial statements as of and for the year ended December 31, 2001, and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

CLEAR CHANNEL COMMUNICATIONS, INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2001 AND 2000

1. DESCRIPTION OF PLAN

The following description of the Clear Channel Communications, Inc. (the Company

Edgar Filing: CLEAR CHANNEL COMMUNICATIONS INC - Form 11-K

and Plan Sponsor) 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General -- The Plan is a defined contribution plan generally covering all eligible employees of the Company who have one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974.

Contributions -- Employer contributions to the Plan consist of matching contributions and elective contributions made annually at the discretion of the Plan Sponsor's Board of Directors. The employer contribution was \$10,284,419 for the year ended December 31, 2001.

Participants may elect to defer a portion of their compensation by an amount that does not exceed the maximum allowed under IRS rules and regulations. Participants are always 100% vested in their voluntary contributions.

Each year, participants may contribute up to 20 percent of pretax compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers one sponsored Company stock and ten registered investment funds.

Participant Accounts -- Each participant's account is credited with allocations of the Plan Sponsor's contribution and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures -- Participant forfeitures of non-vested contributions are used to reduce employer contributions to the Plan. For the year ending December 31, 2001, approximately \$623,000 of forfeitures was used to reduce employer contributions.

Vesting -- Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contributions is based on years of continuous service. A participant is 100% vested after seven years of credited service (or upon the death or disability of the participant).

Participant Loans -- Participants may borrow \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear a fixed interest rate determined by the Plan Sponsor.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2001 AND 2000

1. DESCRIPTION OF PLAN (continued)

Payment of Benefits -- On termination of service, the Plan provides that benefits less than \$5,000 will be paid by lump sum distribution or rollover. For benefits over \$5,000, benefits may be paid by lump sum distribution, remain in the Plan until the earlier of age 65 or death of the participant, or rolled over into another qualified plan.

Edgar Filing: CLEAR CHANNEL COMMUNICATIONS INC - Form 11-K

For those who were Plan participants prior to July 1, 1999, benefits may be paid out in quarterly or annual installments. This option is no longer available as of July 1, 2001.

Hardship withdrawals are available to Plan participants upon approval.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting -- The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition -- The Plan's investments are stated at fair value. The Plan's investments in the common stock of the Company are reported at fair value based on quoted market prices. Shares of mutual funds are valued at the net asset value of shares held by the Plan at December 31. Participant loans are valued at cost, which approximates fair value.

Payments of Benefits -- Benefits are recorded when paid.

Use of Estimates -- The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

3. PLAN INTEREST IN CLEAR CHANNEL COMMUNICATIONS, INC. - MASTER TRUST

Effective July 1, 1999, the Plan transferred all investments to the Clear Channel Communications, Inc. - Master Trust (Master Trust) which is held by Fidelity Management Trust Company (Trustee). The Master Trust was established for the investment of assets of the Plan and four other Clear Channel Communications, Inc., sponsored retirement plans. These investments in the Master Trust consist primarily of registered investment companies and sponsored Company stock.

The purpose of the Master Trust is the collective investment of the assets of participating employee benefit plans of the Company. The Master Trust's assets are allocated among participating plans by assigning to each plan those transactions (primarily contributions and benefit payments) which can be specifically identified and allocating among all plans (in proportion to the fair value of the assets assigned to each plan) the income and expenses resulting from the collective investment of the assets.

The proportionate interest of the Plan in the Master Trust at December 31, 2001 and 2000, was approximately 91.4% and 87.0%, respectively.

7. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company (Fidelity). Fidelity is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. 9. TAX STATUS

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated January 7, 1995, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).
