At State Street Corporation's annual meeting of shareholders held on May 17, 2017, State Street's shareholders approved the 2017 Stock Incentive Plan (the "Plan"). The purpose of the Plan is to advance the interests of State Street's shareholders by enhancing State Street's ability to attract, retain and motivate persons who are expected to make important contributions to State Street and by providing such persons with equity ownership opportunities and performance-based incentives that are intended to better align the interests of such persons with those of State Street's shareholders. The Plan, among other things, allows for the issuance of up to 8,300,000 shares of State Street's common stock, plus up to an additional 28,500,000 shares of State Street's common stock, which is equal to the sum of (1) the number of shares of common stock reserved for issuance under State Street's 2006 Equity Incentive Plan that remained available for grant immediately prior to the annual meeting and (2) the number of shares of common stock subject to awards granted under the 2006 Equity Incentive Plan that, following the annual meeting, may expire, terminate or be otherwise surrendered, canceled, forfeited or repurchased by State Street at their original issuance price pursuant to a contractual repurchase right (subject, in the case of incentive stock options, to any limitations of the Internal Revenue Code of 1986, as amended).

The Plan had previously been approved by State Street's Board of Directors, and its effectiveness was subject to shareholder approval. The provisions of the Plan are described in the proxy statement for State Street's 2017 annual meeting under "Item 4 - Approval of The 2017 Stock Incentive Plan," which description is attached to this Current Report on Form 8-K as Exhibit 99.1 and incorporated herein by reference.
